**401K SAFE, LLC MULTIPLE EMPLOYER 401(K) PLAN -
KENNELWOOD VILLAGE, INC.**

Notes to the Financial Statements

December 31, 2018 and 2017

(1) Description of plan

The following description of the 401k SAFE, LLC Multiple Employer 401(k) Plan - Kennelwood Village, Inc. (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan was adopted on January 1, 2012 to provide retirement benefits for employees of Kennelwood Village, Inc. (the "Employer"). The Plan covers substantially all employees who have completed twelve months of service and are age 21 or older ("participants"). Eligible employees can begin participating in the Plan on the first day of each calendar quarter following when the eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). 401k SAFE, LLC is responsible for oversight of the Plan.

(b) Contributions

Participants may voluntarily make qualified retirement contributions to the Plan which are deductible for federal income tax purposes under Section 401(k) of the Internal Revenue Code ("IRC") or may be made after-tax in the form of a Roth contribution. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contributions plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

During 2018 and 2017, the Employer made matching contributions equal to 50% of the first 4% of eligible compensation deferred by each participant.

The Plan also provides that the Employer may contribute each year a discretionary profit sharing amount; however, such discretionary contributions by the Employer are not required. No discretionary profit sharing contributions were made by the Employer during 2018 or 2017.

Employer and participant contributions may not exceed the maximum amount deductible for income tax purposes.

(c) Participant accounts

Each participant's account is credited or charged with the participant's contributions, allocations of Employer contributions, investment earnings (losses) of the investment options reflected by the participant, and an allocation of administrative expenses. Allocations are based on participants' compensation or account balances as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

KENNELWOOD VILLAGE, INC.**

Notes to the Financial Statements

December 31, 2018 and 2017

(d) Vesting

Participants are immediately vested in their elective salary deferral contributions plus actual earnings thereon. Vesting in the Employer's matching and discretionary profit-sharing contributions is based on years of continuous service. Participants are fully vested after two years of service.

(e) Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes receivable from participants are secured by the balances in the participants' accounts and bear interest at a fixed rate ranging from 4.25% to 6.00%, which is commensurate with local prevailing rates as determined by the plan administrator on the date the note is issued. Principal and interest is collected ratably through payroll deductions.

(f) Payment of benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum payment equal to the value of the participant's vested interest in his or her account, or periodic installments over a fixed period of time, not to exceed the life expectancy of the participant. For termination of service due to other reasons, a participant will be entitled to receive the value of the vested interest in his or her account as a lump sum distribution.

(g) Forfeited accounts

Forfeitures are created when participants terminate employment prior to becoming fully vested in the Employer contribution portion of their accounts. These accounts will be used to reduce future Employer contributions and pay administrative expenses.

(h) Hardship withdrawals

The Plan permits distributions in the event of a hardship, as defined in the plan agreement. These distributions are taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant is younger than age 59½. Hardship withdrawals are limited to the participant's elective account balance.

**401K SAFE, LLC MULTIPLE EMPLOYER 401(K) PLAN -
KENNELWOOD VILLAGE, INC.**

Notes to the Financial Statements

December 31, 2018 and 2017

(i) Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees incurred by the Plan for investment management services or recordkeeping are charged against the funds and reflected in the Plan's investments. Fees related to the processing of distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net (depreciation) appreciation in fair value of investments.

(j) Plan termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(2) Summary of significant accounting policies

(a) Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

(b) Investment valuation and income recognition

Investments are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrative committee determines the Plan's valuation policies utilizing information provided by the investment advisers and Lincoln National Life Insurance Company ("Lincoln"). See Notes 4 and 5 for further discussion of investment values.

Purchases and sales of securities are recorded on a trade-date basis. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan agreement. Interest income is recorded on the accrual basis.

**401K SAFE, LLC MULTIPLE EMPLOYER 401(K) PLAN -
KENNELWOOD VILLAGE, INC.**

Notes to the Financial Statements

December 31, 2018 and 2017

(d) Payment of benefits

Benefits are recorded when paid.

(e) Use of estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(f) Events occurring after reporting date

The Employer has evaluated events and transactions that occurred between December 31, 2018 and August 1, 2019, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

(3) Certified information

Certain information related to investments and notes receivable from participants reported and disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2018 and 2017, and net (depreciation) appreciation in the fair value of investments, and interest income on notes receivable from participants for the years ended December 31, 2018 and 2017, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Lincoln.

(4) Investments measured at net asset value using the practical expedient

The Plan's pooled separate accounts are measured at net asset value ("NAV") per share as a practical expedient as of December 31, 2018 and 2017 to estimate fair value and, therefore, have not been classified in the fair value hierarchy.

The following table summarizes investments for which fair value is measured using NAV as a practical expedient per share as of December 31, 2018 and 2017. There are no participant redemption restrictions for these investments.

<u>Description</u>	<u>Fair Value</u> <u>12/31/2018</u>	<u>Fair Value</u> <u>12/31/2017</u>	<u>Unfunded</u> <u>Commitments</u>	<u>Redemption</u> <u>Frequency (if</u> <u>currently eligible)</u>	<u>Redemption</u> <u>Notice Period</u>

**401K SAFE, LLC MULTIPLE EMPLOYER 401(K) PLAN -
KENNELWOOD VILLAGE, INC.**

Notes to the Financial Statements

December 31, 2018 and 2017

(5) Investment contract with insurance company

The Plan has entered into a guaranteed investment contract with Lincoln. The guaranteed investment contract is considered fully benefit-responsive. Lincoln maintains the Plan's contributions in a general account which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract was \$1,534 and \$1,080 as of December 31, 2018 and 2017, respectively.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan,) (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Employer or other Employer events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

The investment contract does not permit Lincoln to terminate the agreements prior to the scheduled maturity dates.

(6) Income tax status

The Plan obtained a favorable determination letter on September 8, 2013, in which the Internal Revenue Service ("IRS") stated that the Plan was in compliance with the applicable requirements of the IRC. The Plan is required to operate in conformity with the IRC to maintain its qualification. The plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable provisions of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2018 and 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

KENNELWOOD VILLAGE, INC.**

Notes to the Financial Statements

December 31, 2018 and 2017

(7) Related party and party-in-interest transactions

Plan investments are shares of pooled separate accounts and a guaranteed investment contract managed by Lincoln and, therefore, these transactions qualify as party-in-interest transactions under ERISA. As described in Note 1, the Plan paid expenses to various service providers which also qualify as party-in-interest transactions. The Plan also holds notes receivable from participants which qualify as party-in-interest transactions.

(8) Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
