NOTES TO FINANCIAL STATEMENTS December 31, 2018 and 2017

1) Plan Description:

The following brief description of Haemonetics Puerto Rico LLC Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for a complete description of the Plan's provisions.

- A) General – The Plan was established on August 1, 2012 as a cash or deferred profit sharing plan to provide benefits upon retirement, disability or death to participant employees or beneficiaries of Haemonetics Puerto Rico LLC (the Employer). Under the Plan, all employees, except for those employees in a unit of employees covered by a collective bargaining agreement in which retirement benefits were the subject of good faith bargaining, leased employees, and temporary employees hired for the duration of a particular project, become automatically eligible to participate in the Plan on the enrollment date. Automatic enrollment is permitted by the Plan to all employees who become eligible to participate in the Plan but do not have an affirmative election. The uniform percentage rate for automatic enrollment is 3% of compensation.

The Plan is qualified under Section 1081.01 of the Puerto Rico Income Tax Act of 2011 and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

- B) Contributions – The Plan provides for contributions to be made by the Employer and by participants as follows:

- Employee pre-tax contributions – Pre-tax contributions may not be less than 1% nor exceed 75% of compensation. Pre-tax contributions are limited to \$15,000.
- Employee after-tax contributions – Voluntary after-tax contributions are permitted under the Plan. After-tax contributions may not be less than 1%, nor exceed 10% of compensation paid to the employee.
- Employee catch-up contributions – A participant who has attained age 50 by the close of the Plan year, may elect to make catch-up contributions subject to the limit of \$1,500.
- Employee rollover contributions – Participants may also contribute amounts transferred from other Puerto Rico qualified retirement plans, subject to the limitations specified in the Plan Agreement.
- Employer's contributions – The Employer may match pre-tax contributions in amounts, if any, at the Employer's discretion. For the year ended December 31, 2018, total annual contributions made by the Employer and participants are limited to the lesser of \$55,000 or the total compensation paid by the Employer to participant during the plan year. The Plan does not permit employer matching after-tax contributions.
- Employer's profit sharing contributions – The Employer may make profit sharing contributions to the Plan in one or more installments for each Plan year at the Employer's discretion. Employer matching and profit sharing contributions may not exceed the maximum amount deductible from the Employer's income for that plan year under section 1081.01 of the Puerto Rico Internal Revenue Code 2011, as amended.

HAEMONETICS PUERTO RICO LLC RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2018 and 2017

- C) Investment options – The Plan allows participants to direct their contributions into various investment options available under the Plan.
- D) Participant accounts – Individual accounts are maintained for each of the Plan's participants to reflect the participant's and Employer's contributions, as well as the participant's share of the Plan's income and any related expenses. Allocations are based on the proportion that each participant's account balance bears to the total of all participants' account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participants vested accounts.
- E) Vesting – Contributions made by participants, rollover contributions, qualified non-elective contributions, and employer matching contribution, plus or minus any earnings or losses, are 100% vested at all times. Employer's profit sharing contributions and their earnings will vest as follows:

Year of Service	Vested Percentage
1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

A participant will become fully vested in his or her profit sharing contributions and their earnings upon the earlier of (i) reaching normal retirement age while still employed by the Employer, (ii) retirement at normal or early retirement age, (iii) disability, (iv) death while employed by the Employer, (v) termination of the Plan, or (vi) complete discontinuance of contribution from the Employer.

- F) Notes receivable from participants – Loans are available to all participants whose employment has not terminated. All loans are evidenced by a promissory note signed by the participant. Loans are secured by the balance in the participant's account and bear interest ranging between 4.25% and 6.25%. No participant's loan shall exceed the amount of 50% of the participant's vested account balance. The maximum term of a loan is 5 years, except if it is for the acquisition of the participant's principal residence, which the maximum period shall be 25 years.
- G) Payments of benefits – On termination of service due to death, disability, or retirement, a participant may elect to receive, either a lump-sum amount equal to the value of the participant's vested interest or annual installments over a fixed period of time. In addition, any participant whose employment has not terminated may, upon reasonable prior written notice to the Plan, make certain withdrawals such as: (i) financial hardship, (ii) when the participant reach the age of 59 ½ years and other reasons as established in the Plan document.
- H) Forfeitures – Forfeitures represents non-vested portions of contributions of the Employer on the day of the participant termination. Forfeitures should be used first to reduce the Plan's administrative expenses and then to reduce Employer profit sharing contributions and/or matching contributions as of the end of the Plan year. Forfeitures used to reduce the Plan's administrative expenses for the year ended December 31, 2018, were \$690. As of December 31, 2018, there were no forfeited non-vested accounts.

NOTES TO FINANCIAL STATEMENTS December 31, 2018 and 2017

2) Summary of Significant Accounting Policies:

The most significant accounting policies followed by the Plan are summarized below:

- A) Basis of accounting – The accompanying financial statements have been prepared on the accrual basis of accounting.
- B) Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- C) Contributions – Employer and participants' contributions are recorded in the plan year in which the Employer makes the payroll deductions.
- D) Investment valuation and income recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

- E) Notes receivable from participants – Are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.
- F) Payment of benefits – Benefits payments to participants are recorded when paid.
- G) Administrative expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. Fees related to the administration of the notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of investments.

3) Information Certified by Hand Benefits & Trust Company (Custodian):

The following is a summary of the Plan's asset information as of December 31, 2018 and 2017, and for the year ended December 31, 2018, included throughout the Plan's financial statements and supplemental schedules, that was prepared by or derived from information provided by Hand Benefits Trust Company, (the custodian) and furnished to the Plan Administrator.

HAEMONETICS PUERTO RICO LLC RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2018 and 2017

The Plan Administrator has obtained certification from the custodian that information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information, which appears throughout the financial statements and supplemental schedules:

Description	2018	2017
Investments at fair value	\$ 4,302,914	\$ 5,735,772
Notes receivable from participants	\$ 499,188	\$ 601,300

Hand Benefits & Trust Company also certified to the completeness and accuracy of \$511,258 of net depreciation on fair value of investments, \$289,884 of interest and dividends and \$25,713 of interest income on notes receivable from participants related to the aforementioned assets for the year ended December 31, 2018.

4) Fair Value Measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

As of December 31, 2018 and 2017, the Plan's investments consisted of mutual funds registered with the Securities and Exchange Commission, which are considered Level 1 type investments within the fair value hierarchy.

Net assets available for benefits per Form 5500	\$ 4,790,043	\$ 6,334,063

The following is a reconciliation of changes in net assets available for benefits for the year ended December 31, 2018, per the financial statements to Form 5500:

Description	Amount
Change in net assets available for benefits per the financial statements	\$ (1,536,251)
Less: Loans that have been deemed distributed as of December 31, 2018	(7,769)
Change in net assets available for benefits per Form 5500	\$ (1,544,020)

6) Delinquent Participant Contributions Transmittals:

During the years ended December 31, 2017 and 2016, the Employer erroneously failed to remit certain deferrals and loan repayments to the Plan aggregating approximately \$55,952 and \$77,443, respectively. Estimated lost earnings for the years ended December 31, 2017 and 2018 amounted to approximately \$71 for both years. During the year ended December 31, 2018, the Employer corrected these late remittances outside the Voluntary Fiduciary Correction Program (VFCP).

7) Excess Participant Contribution Payable:

The Plan failed the discrimination test for the years ended December 31, 2018 and 2017. As of December 31, 2018 and 2017, excess contributions amounted to \$4,290 and \$3,009, respectively, were recorded as a liability in the accompanying statements of net assets available for benefits and as a reduction of participant contributions for the years then ended. The Plan reimbursed these excess contributions to the applicable participants subsequently in 2019 and 2018, respectively.

8) Tax Status:

The Plan is intended to be a tax qualified arrangement that complies with the provisions of the Employee Retirement Income Security Act of 1974, as amended, and with the Puerto Rico Internal Revenue Code (the Code) of 2011, as amended. The Plan received a determination letter from the Puerto Rico Department of Treasury dated February 5, 2016, stating that the Plan is qualified with the Code. The Plan Administrator and the Plan's legal counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

NOTES TO FINANCIAL STATEMENTS December 31, 2018 and 2017

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination of taxing authorities. The Plan Administrator evaluated the tax positions taken by the Plan and concluded that the Plan as of December 31, 2018 and 2017, had maintained its tax exempt status and had taken no uncertain tax positions that would require adjustments or disclosures to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9) Risks and Uncertainties:

The Plan invest in various investment securities. Investments securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10) Plan Termination:

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time or to terminate the Plan subject to the provision of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

11) Party-In-Interest Transactions:

Haemonetics Puerto Rico LLC is a party-in-interest as defined by ERISA. In addition, as described in Note 2, the Plan paid certain expenses related to the Plan operations and investment activity to various service providers. Therefore, these transactions represent party-in-interest transactions as defined by ERISA. There were no prohibited transactions as of December 31, 2018 and 2017.

12) Subsequent Events:

The Plan Administrator has evaluated subsequent events through October 10, 2019, the date the financial statements were available to be issued and determined that there were no items which would require recognition and/or disclosure in the financial statements.
