HLP B Plan

Report on the Financial Statements

We were engaged to audit the accompanying modified cash basis financial statements of HLP B Plan (the "Plan"), which comprise the statement of net assets available for benefits - modified cash basis as of December 31, 2018 and the related statement of changes in net assets available for benefits - modified cash basis for the year then ended, and the related notes to the modified cash basis financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these 2018 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion on the 2018 Financial Statements* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2018 Financial Statements

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by John Hancock Trust Company LLC (the "Trustee"), except for comparing such information with the related information included in the 2018 financial statements. We have been informed by the plan administrator that the Trustee holds the Plan's investment assets and participant notes receivable and executes related transactions. The plan administrator has obtained a certification from the Trustee as of and for the year then ended December 31, 2018 that the information provided to the plan administrator is complete and accurate.

Disclaimer of Opinion on the 2018 Financial Statements

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion on the 2018 Financial Statements* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements. Accordingly, we do not express an opinion on the financial statements.

Basis of Accounting

We draw attention to Note 2 to the modified cash basis financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on a modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

To the Benefits Committee
HLP B Plan

Emphasis of Matter

As explained in Note 6 to the modified cash basis financial statements, Hahn Loeser & Parks LLP (the "Partnership") elected to spin off and transfer all of the participant account balances under Hahn Loeser & Parks LLP HR-10 Plan and Trust into the Plan and HLP A Plan, which is another plan sponsored by the Partnership. That transfer was made by transferring all of the account balances to the HLP A Plan and subsequently transferring to the plan account balances attributable to individuals who are participants in the Plan. Our opinion has not been modified with respect to this matter.

Other Matters - Report on Supplemental Information and Report on 2017 Financial Statements

The supplemental schedule of assets held at end of year - modified cash basis as of December 31, 2018 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion on the 2018 Financial Statements* paragraph, we do not express an opinion on this supplemental schedule.

We have audited the accompanying 2017 statement of net assets available for benefits, prepared in accordance with the modified cash basis of accounting, of HLP B Plan, and in our report dated October 3, 2018, we expressed our opinion that such financial statement presents fairly, in all material respects, the net assets of the Plan as of December 31, 2017 in accordance with accounting principles generally accepted in the United States of America.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2018 Financial Statements

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Modified Cash Basis Financial Statements

December 31, 2018 and 2017

Note 1 - Plan Description

The following description of HLP B Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees located outside of Cleveland, Ohio and all partners of Hahn Loeser & Parks LLP (the "Partnership"), as defined by the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees and partners are eligible to participate in the Plan on the date of employment. The Plan was effective as of January 1, 2017; however, due to the use of the modified cash basis of accounting, there are no balances or activity for the Plan as of or for the year ended December 31, 2017.

Contributions

Under the Plan, no employee contributions are allowed. Subject to the rules of the Plan, the Partnership may individually determine each participant's contribution. The Partnership made a discretionary contribution of 3 percent to each nonpartner participant based upon eligible compensation and a discretionary contribution ranging between 0 percent and 6.63 percent to each partner participant based upon eligible compensation for both the 2017 and 2018 plan years. The contributions received and recognized during 2018 were approximately \$173,000 and \$727,000 related to the 2018 and 2017 plan years, respectively.

Participant Accounts

Each participant's account is credited with allocations of the Partnership's contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

Vesting

The vesting schedule for participants ranges from 20 percent after two years of service, increasing for each additional year in 20 percent increments, until obtaining 100 percent after six years.

Participant Notes Receivable

The Plan allows participants to borrow against their vested account balance in the Plan. Participants may have no more than three outstanding loans at any time. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest. Principal and interest are paid ratably through monthly payroll deductions over a reasonable period of time as determined by the Plan.

Benefit Payments

Upon disability, retirement, death, or other reasons, as defined in the plan document, a participant shall receive payment of the value of his or her vested account in the form of annuities unless an election is made to waive the annuity form of benefit for direct rollover or cash distribution in the form of lump sum or partial payment. Automatic cash-out of participants' vested account balances of \$1,000 or less is required under the Plan.

Forfeitures

If a participant is not fully vested on his or her termination date, the nonvested amount of the account is forfeited. Forfeitures are used to reduce future partnership contributions or to pay administrative expenses of the Plan.

Notes to Modified Cash Basis Financial Statements

December 31, 2018 and 2017

Note 1 - Plan Description (Continued)

Party-in-interest Transactions

Certain plan assets are in investment funds managed by John Hancock Trust Company LLC or its affiliates. John Hancock Trust Company LLC is the trustee of the Plan; therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines.

Termination

While it has not expressed any intent to do so, the Partnership has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan agreement and ERISA. Upon termination of the Plan, participants become 100 percent vested in their account balances.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The Plan prepares its financial statements on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America (GAAP). Revenue is recognized when cash is received, expenses are recognized when paid, and investments are recognized at fair value. On a GAAP basis of accounting, revenue is recognized as earned, and expenses are recognized when the obligations are incurred.

Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date.

Participant Notes Receivable

Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Participant notes receivable are written off when deemed uncollectible.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Various administrative costs are paid by the Partnership. These transactions qualify as party-in-interest transactions.

Use of Estimates

The preparation of financial statements in conformity with modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Note 2 - Summary of Significant Accounting Policies (Continued)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including October 7, 2019, which is the date the financial statements were available to be issued.

Note 3 - Unaudited Information

John Hancock Trust Company LLC (the "Trustee") held the Plan's investments and executed all investment transactions. The investment and participant notes receivable balances and related interest and dividend income and net realized and unrealized gains and losses on investments included in the accompanying financial statements and supplemental schedule of assets held at end of year are based solely on information certified by the Trustee.

Note 4 - Tax Status

The Plan, as adopted, is a volume submitter plan, which does not require an application for a determination letter from the Internal Revenue Service (IRS). The volume submitter plan has received a favorable notification letter from the IRS dated March 31, 2014. The Plan has not individually sought its own determination letter.

Note 5 - Fair Value Measurements

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the valuation techniques and inputs used to measure fair value.

Level 1

Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

Level 2

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

Level 3

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset. These Level 3 fair value measurements are based primarily on management's own estimates using pricing models, discounted cash flow methodologies, or similar techniques taking into account the characteristics of the asset.

Note 5 - Fair Value Measurements (Continued)

In instances whereby inputs used to measure fair value fall into different levels of the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

The following valuation methodologies have been used to value the Plan's investments:

Money Market Fund and Mutual Funds

Money market fund and mutual funds are valued at quoted prices reported in active markets.

Common Collective Trust Fund

The common collective trust fund is valued at net asset value per share or its equivalent of the funds, which is based on the fair value of the fund's underlying assets.

Self-directed Brokerage Accounts

The Plan allows participants to invest in self-directed brokerage accounts. The self-directed brokerage accounts include various investments in publicly traded securities, which are valued at the quoted prices reported in active markets.

The following tables present information about the Plan's assets, other than participant notes receivable, measured at fair value on a recurring basis at December 31, 2018:

	Assets Measured at Fair Value on a Recurring Basis at December 31, 2018	
	Investments (at Fair Value)	Level 1
Money market fund	\$ 40	\$ 40
Mutual funds	11,813,890	11,813,890

Investments measured at net asset value - Common collective trust fund	221,242	
Total investments at fair value	<u>\$ 13,075,748</u>	

Note 6 - Transfers from Related Plans

During August 2018, the Partnership elected to spin off and transfer all of the participant balances of Hahn Loeser & Parks LLP HR-10 Plan and Trust into HLP A Plan, which is another plan sponsored by the Partnership. The assets for the appropriate participants were then transferred from HLP A Plan into this Plan as part of the transaction. As a result, participants' assets of approximately \$13,000,000 were transferred into the Plan from HLP A Plan.
