INDEPENDENT AUDITORS' REPORT

To the Plan Committee and Plan Management of the
Montlick & Associates PC 401(k)
Profit Sharing Plan and Trust
Atlanta, Georgia

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of **Montlick & Associates PC 401(k) Profit Sharing Plan and Trust**, which comprise the statement of net assets available for benefits as of December 31, 2018, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note B; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by Mid Atlantic Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2018, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Basis of Accounting

We draw attention to Note B to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matter – Supplemental Information

The supplemental information included on page 11 as of December 31, 2018 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental information.

Other Matter – 2017 Financial Statements

The financial statements of the Plan as of and for the year ended December 31, 2017, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Great-West Life & Annuity Insurance Company, Great-West Trust Company, LLC, and Mid Atlantic Trust Company, the trustees of the Plan. Their report, dated October 15, 2018, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustees, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental information, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE A – DESCRIPTION OF PLAN

The following description of the **Montlick & Associates PC** (the **Company**) **401(K) Profit Sharing Plan and Trust** (the **Plan**) provides only general information. Participants should refer to the **Plan** document for a more complete description of the **Plan's** provisions.

General

The **Plan** is a defined contribution plan covering substantially all full-time employees of the **Company**, as defined in the **Plan** document, who have completed three months of service and are age nineteen or older. The same requirements must be met for purposes of being eligible for any discretionary employer profit sharing contribution, in addition to having completed 500 hours of service during the **Plan** year or being employed on the last day of the **Plan** year. The **Plan** is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Each year participants may contribute pretax compensation, as defined in the **Plan** document, up to a maximum allowed under the Internal Revenue Code (IRC). If a newly eligible participant fails to file a salary reduction election with the **Plan's** administrator, such participant will be automatically enrolled in the **Plan** to contribute 3% of pretax compensation and those contributions are invested in a default fund until changed by the participant. The default fund is currently established as the Vanguard LifeStrategy Conservative Growth Fund. The automatic deferral amount will increase by 1% each year up to a maximum of 10%, beginning in the year following the anniversary date of the year the participant was automatically enrolled, unless changed by the participant. Participants who have attained age 50 before the end of the **Plan** year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans, referred to as rollovers. Participants direct the investment of their contributions into various investment options offered by the **Plan**. The **Plan** currently offers various mutual funds as investment options for participants. Discretionary employer profit sharing contributions may be contributed at the option of the **Company's** board of directors and are invested as directed by the participant. Contributions are subject to certain limitations.

NOTE A – DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of plan earnings or losses. Each participant is charged with an allocation of investment and administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the **Plan** document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in any discretionary employer profit sharing contribution is based on a participant's years of continuous service. A participant is 100% vested after six years of credited service.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participants' accounts and bear interest at 1% above the prime rate, as defined on the date of the loan. The maximum term for all loans is fifty-four months, except for those used for the purchase of a participant's primary residence. Principal and interest are paid ratably through semi-monthly payroll deductions.

Payment of Benefits

On termination of service, participants may elect to receive a lump sum distribution equal to the vested portion of their account balance or to defer payment until retirement age. Upon termination of service due to death, beneficiaries may elect to receive a lump sum distribution equal to the vested portion of the participants' accounts or installments for required minimum distributions, as defined in the **Plan** document. For terminated participants whose account balances are less than \$5,000, the entire balance will be distributed in the form of a lump sum payment. If a qualified domestic relations order is received by the **Plan** administrator, all or a portion of the participant's account balance may be used to satisfy the obligation. The **Plan** allows for other in-service distributions, as defined in the **Plan** document.

Forfeited Accounts

At December 31, 2018 and 2017, there were no forfeited nonvested accounts.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the **Plan** have been prepared in accordance with the modified cash basis of accounting, which is a basis of accounting other than generally accepted accounting principles. Accordingly, investment income is recognized when received, disbursements are recognized when made, and participant contributions, if any, are accrued at year-end.

Use of Estimates

The preparation of financial statements in accordance with the modified cash basis of accounting requires the **Plan** administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Accounting for Uncertainty in Income Taxes

The **Plan** recognizes material amounts of uncertain tax positions as income tax expense. The **Plan** recognizes accrued interest and penalties associated with uncertain tax positions as part of deductions from net assets.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in a timely transaction with an independent buyer in the principal market, or in the absence of a principal market, the most advantageous market for the asset or liability. See Note D.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the participant's account. The **Plan** administrator reviews the collectability of all notes receivable and any delinquent notes receivable are recorded as distributions based on the terms of the **Plan** document.

Payment of Benefits

Benefits payments are recorded when paid by the **Plan**.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses and Fees

Pursuant to provisions of the **Plan**, administrative expenses incurred in the administration of the **Plan** may be paid by the **Plan** or the **Company**. The administrative expenses paid from **Plan** assets are allocated to all participants or charged directly to the account of the participant on whose sole behalf the expense was incurred. Currently, substantially all administrative expenses are paid by the **Plan**, except for audit fees which are paid by the **Company**.

Subsequent Events

The **Plan's** administrator has evaluated subsequent events that have occurred up through October 11, 2019, the date the financial statements were available to be issued. No material subsequent events have occurred since December 31, 2018 that required recognition or disclosure in the current period financial statements.

Reclassification

Certain amounts in the prior period financial statements have been reclassified to conform with the current year presentation, with no effect on the net assets available for benefits as previously reported.

NOTE C – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The **Plan** administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the **Plan's** independent auditors did not perform any auditing procedures with respect to the following information certified by Mid Atlantic Trust Company as complete and accurate, except for comparing such information with information included in the **Plan's** financial statements and supplemental schedule:

- Investments at fair value as shown in the accompanying statements of net assets available for benefits (modified cash basis) as of December 31, 2018 and 2017.
- Net (depreciation) appreciation in fair value of investments, interest, and dividends as shown in the accompanying statements of changes in net assets available for benefits (modified cash basis) for the years ended December 31, 2018 and 2017.
- All investment related information in the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2018.

NOTE D – FAIR VALUE MEASUREMENTS

FASB Topic 820, Fair Value Measurement, provides the framework for measuring fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Basis of Fair Value Measurements

- Level 1:* Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2:* Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;
- Level 3:* Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

Following is a description of the valuation methodology used for investment assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Mutual Funds: The daily closing price as reported by the fund is used to estimate fair value. Mutual funds held by the **Plan** are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. Certain mutual funds offered by the Plan are subject to redemption fees, up to a maximum of 2%, for shares held less than ninety days, depending on the mutual fund. In addition, certain mutual funds only allow shares to be bought and sold one to two times within a specified time frame that ranges from thirty days to twelve months, depending on the mutual fund.

As of December 31, 2018 and 2017, all of the Plan's investments at fair value are mutual funds and are classified within the fair value hierarchy in Level 1.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018 AND 2017

NOTE E – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

One plan committee member participates in the **Plan** and is also an officer of the **Company**. The **Company** is the **Plan** administrator.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the **Company** has the right under the **Plan** to discontinue its contributions at any time and to terminate the **Plan** subject to the provisions of ERISA. In the event of **Plan** termination, participants will become 100% vested in their accounts.

NOTE G – TAX STATUS

The Internal Revenue Service (IRS) has determined and informed Paychex, Inc. (Paychex), the recordkeeper as defined in the **Plan** document, by letter dated April 10, 2014, that the **Plan** and related trust are designed in accordance with applicable sections of the IRC. The **Plan** administrator and the **Plan's** tax counsel believe that the **Plan** is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the **Plan** is qualified, and that the related trust is tax-exempt. Accordingly, no provision for income taxes has been included in the **Plan's** financial statements.

For the years ended December 31, 2018 and 2017, the **Plan's** administrator believes there were no material amounts of uncertain tax positions. Additionally, there were no amounts of interest or penalties recognized in the statements of net assets available for benefits (modified cash basis) as of December 31, 2018 and 2017 or the statements of changes in net assets available for benefits (modified cash basis) for the years then ended. Further, the year ended December 31, 2015 and all years subsequent remain subject to examination.

NOTE H – RISKS AND UNCERTAINTIES

The **Plan** invests in various securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits (modified cash basis).
