401(k) RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2018 and 2017

NOTE 1 – DESCRIPTION OF PLAN

The following is a brief description of the Pitman Farms, Inc. 401(k) Retirement Plan (the Plan) which was established by Pitman Farms, Inc. (the Company), to provide retirement benefits to eligible company employees. The following description of the Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Company and its commonly controlled entities, Pitman Family Farms, Inc., and Western Grain and Milling, who have one year of service and are age 21 or older. The Plan is subject to the provisions of ERISA. The Plan became effective January 1, 2011. The Plan was restated for final PPA regulations effective January 1, 2016.

Contributions

Each year, participants may contribute up to 100% of pre-tax or after-tax annual compensation, as defined in the Plan. Deferral contributions are subject to an annual maximum as defined by law ($18,500 and $18,000 in 2018 and 2017, respectively). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions ($6,000 in 2018 and 2017). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Company contributes 25% of the first 24% of base compensation that a participant contributes to the Plan, for a maximum match contribution of 6% of compensation. Additional profit sharing amounts may be contributed at the option of the Company's board of directors. Participants direct the investments of their contributions and their account balances into various pooled separate accounts offered by the Plan.

Participant accounts

Each participant's account is credited with the participant's contributions and the Company's matching contributions, as well as allocations of the Company's profit sharing contribution and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service. Past service with prior employers may be treated as credited service, as defined in the plan document.

Payment of benefits

Upon retirement, death, disability or termination of service due to other reasons, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. The participants may make a direct rollover of their taxable distributions to another employer's qualified retirement plan or individual retirement account.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Payment of benefits (continued)
A participant may receive a distribution of salary deferral amounts in the event of certain financial hardships. In addition, upon attaining age 59 1/2, if a participant is 100% vested and still employed, they may request an in-service distribution.

Forfeited accounts
At December 31, 2018 and 2017, forfeited nonvested accounts totaled $3,732 and $3,268, respectively. These accounts may be used to reduce future employer contributions or reduce administrative expenses of the Plan. For the years ended December 31, 2018 and 2017, employer contributions were not reduced by forfeited nonvested accounts.

Notes receivable from participants
Effective January 23, 2018, the Plan was amended to allow in-kind rollover contributions in the form of participant loans resulting from a distribution from a qualified defined benefit or defined contribution plan. The Plan does not provide for issuance of new loans to participants. Participants having loan balances rolled into the Plan may repay their loans according to their original terms. Loans are secured by the balance of the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator. Payroll deductions will be used to repay the outstanding loans.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. As of December 31, 2018 and 2017, no allowance for credit losses has been recorded. If a participant does not make loan payments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

NOTE 2 – ACCOUNTING POLICIES

Basis of accounting
The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America using the accrual basis of accounting.

Use of estimates
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions to net assets available for plan benefits during the reporting period. Actual results could differ from those estimates.

Investment valuation and income recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

NOTE 2 – ACCOUNTING POLICIES (Continued)

Investment valuation and income recognition (continued)
Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits
Benefits are recorded when paid.

Administration expenses
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in the net appreciation of fair value of investments.

Date of management's review
In preparing these financial statements, plan management has evaluated events and transactions for potential recognition or disclosure through October 9, 2019, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs are not directly observable for the asset but are derived principally from or corroborated by observable market data through correlation or by other means, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. There were no transfers of plan assets between levels. Upon adoption of ASU 2015-07, the Plan currently has no investments required to be presented within the fair value hierarchy levels.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Pooled separate accounts are valued at fair value. The Plan's fair value of shares of the underlying fund equals the number of shares of the respective underlying fund multiplied by the closing net asset value per share quoted by that fund. The net asset value is used as a practical expedient to estimate fair value.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient at December 31, 2018 and 2017, respectively. There are no participant redemption restrictions for these investments; the redemption period is applicable only to the Plan.

December 31, 2018	Fair Value	Unfunded Commitments	Redemption Frequency (If Currency Eligible)	Redemption Notice Period
John Hancock pooled separate accounts	$ 3,821,603	n/a	Daily	n/a

December 31, 2017	Fair Value	Unfunded Commitments	Redemption Frequency (If Currency Eligible)	Redemption Notice Period
John Hancock pooled separate accounts	$ 1,293,217	n/a	Daily	n/a

The investment valuations included in the accompanying financial statements and supplemental schedule were obtained from the data that has been prepared and certified to as complete and accurate by John Hancock Life Insurance Company, the trustee of the Plan. At December 31, 2018 and 2017, respectively, total investments of $3,821,603 and $1,293,217 and total appreciation (depreciation) of ($293,313) and $174,215 were certified in accordance with regulation 2520.103-5 of the Department of Labor.

NOTE 4 - ROLLOVERS

During 2018, the Company acquired Norbest, LLC and approved an amendment to terminate the Norbest, LLC 401(k) Plan effective January 25, 2018. All participants in the Norbest, LLC 401(k) Plan became 100 percent vested in that plan termination and were provided the option to have their account balance rolled into any qualified plan (including the Plan) or IRA, or receive a lump sum distribution. An aggregate of $2,479,725 was rolled into the Plan during the year ended December 31, 2018, and is included in rollovers on the statement of changes in net assets available for benefits.

NOTE 5 - RELATED-PARTY TRANSACTIONS

The plan assets are managed by John Hancock Life Insurance Company. Plan management includes record keeping and investment services related to contributions received, plan earnings and distributions. The services to the Plan qualify as party-in-interest transactions. Fees associated with each managed fund are built into the expense ratio for that fund. Broker commissions reported by John Hancock Life Insurance Company were $8,012 and $0 for the years ended December 31, 2018 and 2017, respectively. Contract administrator fees paid by John Hancock Life Insurance Company were $15,147 and $2,040 for the years ended December 31, 2018 and 2017, respectively. Third party administrative compensation paid by John Hancock Life Insurance Company was $1,754 and $1,250 for the years ended December 31, 2018 and 2017, respectively.

Administrative functions are jointly performed by the employees of the Company and All Valley Administrators. No employee receives compensation from the Plan. The independent auditor's fees are paid directly by the Company.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

NOTE 7 – TAX STATUS

The Plan obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 – ALLOCATION OF ASSETS

Net assets available in the amount of $102,138 and $99,231 have been allocated to the accounts of terminated employees at December 31, 2018 and 2017, respectively. Non-vested amounts to be forfeited in future years total $28 and $0 of net assets available for benefits at December 31, 2018 and 2017, respectively.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 – PARTICIPANTS' RIGHTS TO ADDITIONAL INFORMATION

Plan participants have the right, upon request and at no charge, to examine or to receive copies of the statements from the regulated financial institutions describing the qualifying plan assets or evidence of the required fiduciary bond. If plan participants are unable to examine or obtain copies of the regulated financial institution statements or evidence of the required bond, participants should contact the Regional Office of the US Department of Labor's Employee Benefits Security Administration closest to you. The DOL EBSA Regional Offices are located in Atlanta, Boston, Chicago, Cincinnati, Dallas, Kansas City, Philadelphia, Los Angeles, New York City and San Francisco.

Plan participants also have the legally protected right to examine the Plan's annual report at 7511 N. Remington Ave., Suite 101, Fresno, CA, 93711 and at the US Department of Labor in Washington DC, or obtain a copy from the US Department of Labor upon payment of copying costs. Requests to the Department should be addressed to: US Department of Labor, Employee Benefits Security Administration, EBSA Public Disclosure Room, 200 Constitution Avenue, NW, Room N-1515, Washington DC, 20210.
