INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
The 403(b) Thrift Plan of C.O.A.D.

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the 403(b) Thrift Plan of C.O.A.D., which comprise the statement of net assets available for benefits as of December 31, 2018, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Mutual of America Life Insurance Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2018 and 2017 and for the year ended December 31, 2018, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter – Supplemental Schedule

The supplemental schedule of assets (held at the end of year) as of December 31, 2018, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2017 Financial Statements

The financial statements of the Plan as of December 31, 2017, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Mutual of America Life Insurance Company, the custodian of the Plan. Their report, dated October 8, 2018, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations 2018

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

403(B) THRIFT PLAN OF C.O.A.D.

NOTES TO FINANCIAL STATEMENTS

December 31, 2018 and 2017

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the 403(b) Thrift Plan of C.O.A.D. (the Plan) provides only general information. Participants should refer to the Plan document and Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a 403(b) plan established by C.O.A.D. (the Organization and Employer) covering all employees, except non-resident aliens and leased employees. Employees are eligible to participate on their date of hire upon meeting eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100% of their eligible pretax annual compensation as pretax or Roth contributions, as defined by the Plan, subject to the Internal Revenue Code (IRC or Code) limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan. The employee has the opportunity to change the deferral rate or to opt out altogether.

The Employer will make a matching contribution on behalf of the participant equal to 100% of the participants' salary deduction, up to 4% of the participants' compensation. Participants are immediately eligible for the matching contribution upon hire. The Employer also makes an employer base contribution to the Plan of 2% for all eligible participants. Participants must be credited with one year and 1,000 hours of service to be eligible for the base contribution. Contributions are subject to certain statutory limitations.

NOTES TO FINANCIAL STATEMENTS – CONTINUED

December 31, 2018 and 2017

Participant Accounts

Each participant's account is credited with the participant's contribution, allocations of the Employer's contributions and an allocation of plan earnings. Participant's accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, compensation or account balances, as defined. The Plan's investments are participant-directed and allocations of plan earnings are based upon the performance of the investment funds chosen by the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants' investments are participant-directed.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts is based on years of continuous service according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

Loans

Participants may borrow from their fund accounts for a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their account balance, subject to Plan provisions. Such loans are obtained directly from Mutual of America Life Insurance Company (Mutual of America) and are collateralized by a portion of the participant's account balance. Upon the execution of a plan loan agreement, a portion of the participant's account balance is transferred into the general account offered by Mutual of America. Loan repayments are made by participants directly to Mutual of America. As loan payments are received by Mutual of America, a portion of the funds held as collateral are released. Defaults are determined in accordance with the terms of the plan loan agreements between Mutual of America and the participant. Upon default, the plan loan becomes taxable to the participant; however, the collateral remains in the participant's account until the participant reaches a distributable event such as retirement or termination. Plan loans outstanding at December 31, 2018 and 2017 were \$49,855 and \$47,079, respectively. As these loans are between the vendor and the participant, they do not appear in the statements of net assets available for benefits.

Payment of Benefits

Upon termination, normal retirement, attaining age 59 ½, death, or permanent disability, a participant may receive the vested value of his or her account. Distributions may be made in a lump sum payment or installments. Hardship distributions are available, subject to plan provisions.

Forfeited Accounts

Forfeitures can be used to reduce administrative expenses or to reduce future Employer contributions. At December 31, 2018, forfeitures used by the Plan to reduce Employer contributions were \$25,923. There were no remaining forfeitures available for use by the Plan as of December 31, 2018.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following accounting principles and practices of the Plan are set forth to facilitate the understanding of data presented in the financial statements:

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except for fully benefit-responsive contracts, which are reported at contract value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (exit price).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded when paid.

NOTES TO FINANCIAL STATEMENTS – CONTINUED

December 31, 2018 and 2017

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees for other administrative transactions charged directly to the participant's account are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Reclassifications

Reclassifications have been made to the 2017 financial statements to conform to the 2018 financial statement presentation. Such reclassifications have had no effect on net assets available for benefits as previously reported.

NOTE 3 – INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The following information included in the accompanying financial statements and supplemental schedule as of December 31, 2018 and 2017 and for the year ended December 31, 2018 was obtained from data that has been prepared and certified to as complete and accurate by Mutual of America Life Insurance Company (Mutual of America), the Plan's custodian:

- Investments
- Net depreciation in fair value of investments
- Interest and dividends
- Assets held at end of year

403(B) THRIFT PLAN OF C.O.A.D.

NOTES TO FINANCIAL STATEMENTS – CONTINUED

NOTE 4 – GUARANTEED INTEREST ACCOUNT

The Plan participates in a traditional fully benefit-responsive investment contract with Mutual of America, the custodian of the Plan. Mutual of America maintains the contributions in a general account. The account is credited with earnings, based on the daily balance and the interest rate in effect, and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1%. The crediting rate is reviewed at the discretion of the issuer for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date. The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Mutual of America, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Generally, there are not any events that could limit the ability of the Plan to transact at contract value paid within 90 days or, in rare circumstances, contract value paid over time. There are not any events that allow the issuer to terminate the contract and which require the Plan sponsor to settle an amount different than contract value paid either within 90 days or over time.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right to discontinue their matching contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Organization contributions.

403(B) THRIFT PLAN OF C.O.A.D.

NOTES TO FINANCIAL STATEMENTS – CONTINUED

December 31, 2018 and 2017

NOTE 6 – INCOME TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (IRC). The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b).

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 – RECONCILIATION OF FORM 5500 TO FINANCIAL STATEMENTS:

The following is a reconciliation of the insurance contract per the Form 5500 to the financial statements at December 31, 2018 and 2017:

	<u>2018</u>	<u>2017</u>
Insurance company general account per Form 5500	\$ 1,244,928	\$ 990,342
Participant loans per Form 5500	<u>49,855</u>	<u>47,079</u>
Insurance contract per financial statements	<u>\$ 1,294,783</u>	<u>\$ 1,037,421</u>

403(B) THRIFT PLAN OF C.O.A.D.

NOTES TO FINANCIAL STATEMENTS – CONTINUED

December 31, 2018 and 2017

As described in Note 1, the Plan loans are not recorded on the statements of net assets available for benefits since the loans are obtained directly from Mutual of America and not directly with the plan.

NOTE 9 – FAIR VALUE OF FINANCIAL INSTRUMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

403(B) THRIFT PLAN OF C.O.A.D.

NOTES TO FINANCIAL STATEMENTS – CONTINUED

December 31, 2018 and 2017

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Pooled separate accounts: Pooled separate accounts are held in investment contracts with the custodian and are invested according to the stated objectives of the various accounts. The principal is not guaranteed. The pooled separate accounts are valued at the net asset value, which is based on the market value of its underlying investments. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. The investment objectives of the accounts include the preservation of capital, to attain certain growth or income, or to balance performance levels based on different tolerance levels of risk. The separate accounts are not restricted in regard to distributions.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following tables summarize investments for which fair value is measured using the net assets value per share practical expedient as of December 31, 2018 and 2017, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2018 and 2017

NOTE 10 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Mutual of America, the custodian of the Plan. Therefore, these transactions qualify as party-in-interest transactions.

NOTE 11 – SUBSEQUENT EVENTS

Events that occur after the statement of net assets available for benefits date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the statement of net assets available for benefits date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the statement of net assets available for benefits date require disclosure in the accompanying notes. Management evaluated the activity of the Plan through October 10, 2019 (the date the financial statements were available to be issued) and concluded that no subsequent events have occurred that would require recognition in the Financial Statements or disclosure in the Notes to the Financial Statements.
