Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Prudential Insurance Company of America, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. I have been informed by the plan administrator that the trustee holds the plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the trustee as of December 31, 2018 and 2017, and for the year ended December 31, 2018, that the information provided to the plan administrator by the trustee is complete and accurate

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, I do not express an opinion on these financial statements.

Other Matter – Supplemental Schedules

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and I do not express an opinion on the supplemental schedule referred to above.

Other Matter – Contingency

However, as of the date the financial statements were available to be issued these tests were not completed. Qualification of the Plan under ERISA and IRC may be contingent on the Plan passing the test results.

NOTE 1. PLAN DESCRIPTION

The following brief description of the H.M. Clause, Inc. 401(K) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a contributory savings and investment plan covering substantially all employees of HM.Clause, Inc., Shamrock Seeds Company, and Limagrain Cereal Seeds LLC, and Limagrain Sunflower Seed Company, Inc. (the Sponsors) who have completed at least one month of service. Excluded employees are those individuals who are covered by a collective bargaining agreement, who are leased employees, expatriate employees participating in a government-sponsored retirement program in his/her home country except the U.S., or who are nonresident aliens with no earned income from sources within the United States.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. Contributions

Participants contribute to the Plan each payroll period through payroll deductions in amounts that range from 1% to 70% of their earnings. Contributions are invested in accordance with the participant's direction and are allocated to funds in 1% increments. If a Participant does not make an investment election, investment splits are defaulted as dictated by the policy of the Plan.

Effective January 1, 2017 The Sponsors match 100% of the first 4% of employee deferrals, plus 50% of the next 2% of employee deferrals. The maximum company match is 5% of plan earnings, if at least 6% of employee deferrals were made by the plan participant.

The Sponsor's actual contributions are reduced by available forfeitures, if any, during the Plan year.

The Sponsors make discretionary nonelective contributions to a defined group of eligible Participants in the range of 3% to 7% of earnings.

C. Participant Accounts

Each participant's account is credited with the participant's contribution, Sponsor's contribution and an allocation of Plan earnings. Allocations are based on participant account balances as defined. The benefit to which a participant is entitled is that which can be provided from the participant's account.

NOTE 1. PLAN DESCRIPTION (Continued)

D. Vesting

Participants are immediately vested in their voluntary contributions and related earnings thereon.

Vesting in the Sponsors' matching contributions made prior to January 1, 2014 and the related earnings thereon is as follows:

Less than 1 year	0%
1 year but less than 2 years	25%
2 years but less than 3 years	50%
3 years but less than 4 years	75%
4 years and over	100%

Vesting in Sponsors' matching contributions made subsequent to December 31, 2013, and the related earning thereon is as follows:

Less than 1 year	0%
1 year but less than 2 years	50%
2 years and over	100%

Vesting in the Sponsors' discretionary nonelective contributions and the related earnings thereon is as follows:

Less than 1 year	0%
1 year but less than 2 years	25%
2 years but less than 3 years	50%
3 years but less than 4 years	75%
4 years and over	100%

E. Payment of Benefits

Upon retirement or death the participant or beneficiary can elect to receive a lump-sum amount equal to the value of the participant's account or periodic cash payments. If the participant terminates employment for any reason other than retirement or death, the participant is entitled to receive the vested value in his/her account.

Benefits are recorded when paid. The total vested benefits due to participants who have withdrawn from the Plan but have not been paid at December 31, 2018 was $2,220,586.

F. Participant Loans

Participants may borrow against their fund accounts up to a maximum equal to the lesser of $50,000 or 50% of the vested interest in their participant account. The loans are secured by the balance in the participant's account and must be repaid within five years unless the proceeds are used to acquire a principal residence. The specific terms and conditions of loans used to acquire such a residence are established by the Plan administrator.

NOTE 1. PLAN DESCRIPTION (Continued)

G. Forfeitures

Forfeited nonvested accounts were used to reduce Sponsors' contributions and to pay legal and administrative expenses.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Date of Management's Review

Subsequent events were evaluated through October 10, 2019, which is the date the financial statements were available to be issued.

B. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

C. Investment Valuation and Income Recognition

The Plan's investments in registered investment companies are valued using quoted market prices. Investments in pooled separate accounts and unallocated insurance company contracts are valued at net asset value as determined by the issuing entity at year end. See Note 8 for further disclosures related to investment valuation.

Purchases and sales of securities are recorded on a settlement-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. As of December 31, 2018 and 2017, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

E. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

H. Operating Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3. RELATED PARTY TRANSACTIONS

Prudential Retirement managed the Plan's investments, was the trustee of those investments and served as the Plan's record keeper for the period during the years ended December 31, 2018 and 2017. Therefore, it qualified as a party-in-interest.

Direct fees paid by the Plan for administrative services and record keeping fees paid to the part-in-interest for the year ended December 31, 2018 was $ 39,684.

NOTE 4. TAX STATUS

The Internal Revenue Service has determined and informed the Sponsor by a letter dated February 1, 2011, that the Plan and related trust are designed in accordance with applicable sections of the internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would bet be sustained upon examination for the IRS. The plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2011.

NOTE 5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonable possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 6. INVESTMENT INFORMATION CERTIFIED BY THE TRUSTEE OF THE PLAN

The investment information included in the financial statements at December 31, 2018 and 2017 and for the year ended December 31, 2018, that was certified by Prudential Retirement, the trustee, is as follows:

	2018	2017

NOTE 7. PARTICIPANT DIRECTED INVESTMENTS

All investments are participant-directed. Investments existing at December 31, 2018 and representing 5% or more on net assets available for benefits as of that date are shown separately in the accompanying financial statements.

During 2018, these investments (including investments bought, sold and held during the year) appreciated (depreciated) in fair value as follows:

Core Plus Bond/Pimco	$ (62,999)
SA/Trowe Pr Gr TStk Str II	(40,564)
Putnam Equity Income Fund	(919,778)
Vanguard Interim Term US Treasuries	(37,875)
American Funds Europacific	(911,079)
Vanguard Institutional Index	(498,604)
Other investments in registered investment companies	(2,482,975)
	$ (4,953,874)

NOTE 8. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of registered investment companies is based on quoted net asset values of the units held by the Plan at year-end.

Level 2 Fair Value Measurements

The fair value of investments in common/collective trusts and pooled separate accounts are determined by each fund's accountant using protocol issued by Prudential.

Level 3 Fair Value Measurements

The unallocated insurance company contract is not actively traded and significant other observable inputs are not available. Contract Value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

NOTE 8. FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2018 and 2017:

		Fair Value Measurements at the End of the Reporting Period Using:		
	Fair Value	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2018				
Pooled Separate Accounts	$ 14,561,951	$	$ 14,561,951	$
Insurance company general account	6,594,340			6,594,340
Registered investment companies	38,581,264	38,581,264		
	$ 59,737,555	$ 38,581,263	$ 14,561,951	$ 6,594,340
December 31, 2017				
Pooled Separate Accounts	$ 14,309,061	$	$ 14,309,061	$
Insurance company general account	5,822,467			5,822,467
Registered investment companies	39,788,934	39,788,934		
	$ 59,920,462	$ 39,788,934	$ 14,309,061	$ 5,822,467

An asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the valuation methodologies used at December 31, 2018 and 2017.

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 8. FAIR VALUE MEASUREMENTS (Continued)

The following table reconciles the beginning and ending balances of fair value measurements using significant unobservable inputs (Level 3) of the investments in common/collective trusts and pooled separate accounts for the years ended December 31, 2018 and 2017:

	December 31, 2018	December 31, 2017
Beginning balance	$ 5,822,467	$ 4,852,544
Total gains or losses included in change in net assets available for benefits	111,756	
Purchases	1,528,956	1,969,851
Sales	(868,839)	(999,928)
	$ 6,594,340	$ 5,822,467

Gains and losses (realized and unrealized) included in changes in net assets available for benefits are reported in net appreciation or depreciation in fair value of investments.

NOTE 9. PLAN TERMINATION

Although they have not expressed any intent to do so, the Sponsors have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions if ERISA. In the event of Plan termination, participants will become 100% vested in their accounts

NOTE 10. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The Plan's Form 5500 is filed on the cash basis of accounting for participants' contributions. As disclosed in Note 2, the Plan's financial statements are presented using the accrual basis of accounting. In addition, classifications of line items in the accompanying Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2018, differ from those used in the related Form 5500.

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

NOTE 11. CONTINGENCY

ERISA and various Internal Revenue Code (IRC) rules and regulations contain requirements related to minimum plan participation, minimum plan coverage and minimum vesting. In addition, the IRC regulations have requirements related to nondiscrimination in benefits and to top-heavy plans. As a result, the Plan is required to be tested as to compliance with these requirements at least annually.

Management maintains that based on the design of the Plan it will pass the minimum coverage and top-heavy tests. However, as of the date the financial statements were available to be issued these tests were not completed.

Qualification of the Plan under ERISA and IRC may be contingent on the Plan passing the test results.

INDEPENDENT AUDITOR'S REPORT

October 10, 2019

To the Administrative Committee
H. M. Clause Inc.
401(k) Retirement Plan

Report on the Financial Statements

I was engaged to audit the financial statements of H.M. Clause, Inc. 401(K) Retirement Plan, which comprise the statements of net assets available for benefits as of December 31, 2018 and 2017, the related statement of changes in net assets available for benefits for the year ended December 31, 2018, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Prudential Insurance Company of America, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. I have been informed by the plan administrator that the trustee holds the plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the trustee as of December 31, 2018 and 2017, and for the year ended December 31, 2018, that the information provided to the plan administrator by the trustee is complete and accurate

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, I do not express an opinion on these financial statements.

Other Matter – Supplemental Schedules

The supplemental schedule of Schedule H, Line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2017, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and I do not express an opinion on the supplemental schedule referred to above.

Other Matter – Contingency

However, as of the date the financial statements were available to be issued these tests were not completed. Qualification of the Plan under ERISA and IRC may be contingent on the Plan passing the test results.

Report on Form and Content in Compliance with DOL Rules and Regulations

NOTE 1. PLAN DESCRIPTION

The following brief description of the H.M. Clause, Inc. 401(K) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a contributory savings and investment plan covering substantially all employees of HM.Clause, Inc., Shamrock Seeds Company, and Limagrain Cereal Seeds LLC, and Limagrain Sunflower Seed Company, Inc. (the Sponsors) who have completed at least one month of service. Excluded employees are those individuals who are covered by a collective bargaining agreement, who are leased employees, expatriate employees participating in a government-sponsored retirement program in his/her home country except the U.S., or who are nonresident aliens with no earned income from sources within the United States.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. Contributions

Participants contribute to the Plan each payroll period through payroll deductions in amounts that range from 1% to 70% of their earnings. Contributions are invested in accordance with the participant's direction and are allocated to funds in 1% increments. If a Participant does not make an investment election, investment splits are defaulted as dictated by the policy of the Plan.

Effective January 1, 2017 The Sponsors match 100% of the first 4% of employee deferrals, plus 50% of the next 2% of employee deferrals. The maximum company match is 5% of plan earnings, if at least 6% of employee deferrals were made by the plan participant.

The Sponsor's actual contributions are reduced by available forfeitures, if any, during the Plan year.

The Sponsors make discretionary nonelective contributions to a defined group of eligible Participants in the range of 3% to 7% of earnings.

C. Participant Accounts

Each participant's account is credited with the participant's contribution, Sponsor's contribution and an allocation of Plan earnings. Allocations are based on participant account balances as defined. The benefit to which a participant is entitled is that which can be provided from the participant's account.

NOTE 1. PLAN DESCRIPTION (Continued)

D. Vesting

Participants are immediately vested in their voluntary contributions and related earnings thereon.

Vesting in the Sponsors' matching contributions made prior to January 1, 2014 and the related earnings thereon is as follows:

Less than 1 year	0%
1 year but less than 2 years	25%
2 years but less than 3 years	50%
3 years but less than 4 years	75%
4 years and over	100%

Vesting in Sponsors' matching contributions made subsequent to December 31, 2013, and the related earning thereon is as follows:

Less than 1 year	0%
1 year but less than 2 years	50%
2 years and over	100%

Vesting in the Sponsors' discretionary nonelective contributions and the related earnings thereon is as follows:

Less than 1 year	0%
1 year but less than 2 years	25%
2 years but less than 3 years	50%
3 years but less than 4 years	75%
4 years and over	100%

E. Payment of Benefits

Upon retirement or death the participant or beneficiary can elect to receive a lump-sum amount equal to the value of the participant's account or periodic cash payments. If the participant terminates employment for any reason other than retirement or death, the participant is entitled to receive the vested value in his/her account.

Benefits are recorded when paid. The total vested benefits due to participants who have withdrawn from the Plan but have not been paid at December 31, 2018 was $2,220,586.

F. Participant Loans

Participants may borrow against their fund accounts up to a maximum equal to the lesser of $50,000 or 50% of the vested interest in their participant account. The loans are secured by the balance in the participant's account and must be repaid within five years unless the proceeds are used to acquire a principal residence. The specific terms and conditions of loans used to acquire such a residence are established by the Plan administrator.

NOTE 1. PLAN DESCRIPTION (Continued)

G. Forfeitures

Forfeited nonvested accounts were used to reduce Sponsors' contributions and to pay legal and administrative expenses.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Date of Management's Review

Subsequent events were evaluated through October 10, 2019, which is the date the financial statements were available to be issued.

B. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

C. Investment Valuation and Income Recognition

The Plan's investments in registered investment companies are valued using quoted market prices. Investments in pooled separate accounts and unallocated insurance company contracts are valued at net asset value as determined by the issuing entity at year end. See Note 8 for further disclosures related to investment valuation.

Purchases and sales of securities are recorded on a settlement-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. As of December 31, 2018 and 2017, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

E. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

H. Operating Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3. RELATED PARTY TRANSACTIONS

Prudential Retirement managed the Plan's investments, was the trustee of those investments and served as the Plan's record keeper for the period during the years ended December 31, 2018 and 2017. Therefore, it qualified as a party-in-interest.

Direct fees paid by the Plan for administrative services and record keeping fees paid to the part-in-interest for the year ended December 31, 2018 was $ 39,684.

NOTE 4. TAX STATUS

The Internal Revenue Service has determined and informed the Sponsor by a letter dated February 1, 2011, that the Plan and related trust are designed in accordance with applicable sections of the internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would bet be sustained upon examination for the IRS. The plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2011.

NOTE 5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonable possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 6. INVESTMENT INFORMATION CERTIFIED BY THE TRUSTEE OF THE PLAN

The investment information included in the financial statements at December 31, 2018 and 2017 and for the year ended December 31, 2018, that was certified by Prudential Retirement, the trustee, is as follows:

During 2018, these investments (including investments bought, sold and held during the year) appreciated (depreciated) in fair value as follows:

Core Plus Bond/Pimco	$ (62,999)
SA/Trowe Pr Gr TStk Str II	(40,564)
Putnam Equity Income Fund	(919,778)
Vanguard Interim Term US Treasuries	(37,875)
American Funds Europacific	(911,079)
Vanguard Institutional Index	(498,604)
Other investments in registered investment companies	(2,482,975)
	$ (4,953,874)

NOTE 8. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of registered investment companies is based on quoted net asset values of the units held by the Plan at year-end.

Level 2 Fair Value Measurements

The fair value of investments in common/collective trusts and pooled separate accounts are determined by each fund's accountant using protocol issued by Prudential.

Level 3 Fair Value Measurements

The unallocated insurance company contract is not actively traded and significant other observable inputs are not available. Contract Value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

NOTE 8. FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2018 and 2017:

		Fair Value Measurements at the End of the Reporting Period Using:		
	Fair Value	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2018				
Pooled Separate Accounts	$ 14,561,951	$	$ 14,561,951	$
Insurance company general account	6,594,340			6,594,340
Registered investment companies	38,581,264	38,581,264		
	$ 59,737,555	$ 38,581,263	$ 14,561,951	$ 6,594,340
December 31, 2017				
Pooled Separate Accounts	$ 14,309,061	$	$ 14,309,061	$
Insurance company general account	5,822,467			5,822,467
Registered investment companies	39,788,934	39,788,934		
	$ 59,920,462	$ 39,788,934	$ 14,309,061	$ 5,822,467

An asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the valuation methodologies used at December 31, 2018 and 2017.

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 8. FAIR VALUE MEASUREMENTS (Continued)

The following table reconciles the beginning and ending balances of fair value measurements using significant unobservable inputs (Level 3) of the investments in common/collective trusts and pooled separate accounts for the years ended December 31, 2018 and 2017:

	December 31, 2018	December 31, 2017
Beginning balance	$ 5,822,467	$ 4,852,544
Total gains or losses included in change in net assets available for benefits	111,756	
Purchases	1,528,956	1,969,851
Sales	(868,839)	(999,928)
	$ 6,594,340	$ 5,822,467

Gains and losses (realized and unrealized) included in changes in net assets available for benefits are reported in net appreciation or depreciation in fair value of investments.

NOTE 9. PLAN TERMINATION

Although they have not expressed any intent to do so, the Sponsors have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions if ERISA. In the event of Plan termination, participants will become 100% vested in their accounts

NOTE 10. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The Plan's Form 5500 is filed on the cash basis of accounting for participants' contributions. As disclosed in Note 2, the Plan's financial statements are presented using the accrual basis of accounting. In addition, classifications of line items in the accompanying Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2018, differ from those used in the related Form 5500.

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

The following is a reconciliation of Net Increase (Decrease) per the financial statements for the year ended December 31, 2018, to net income (loss) per Schedule H of Form 5500:

NOTE 11. CONTINGENCY

ERISA and various Internal Revenue Code (IRC) rules and regulations contain requirements related to minimum plan participation, minimum plan coverage and minimum vesting. In addition, the IRC regulations have requirements related to nondiscrimination in benefits and to top-heavy plans. As a result, the Plan is required to be tested as to compliance with these requirements at least annually.

Management maintains that based on the design of the Plan it will pass the minimum coverage and top-heavy tests. However, as of the date the financial statements were available to be issued these tests were not completed.

Qualification of the Plan under ERISA and IRC may be contingent on the Plan passing the test results.

NOTE 1. PLAN DESCRIPTION

The following brief description of the H.M. Clause, Inc. 401(K) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a contributory savings and investment plan covering substantially all employees of HM.Clause, Inc., Shamrock Seeds Company, and Limagrain Cereal Seeds LLC, and Limagrain Sunflower Seed Company, Inc. (the Sponsors) who have completed at least one month of service. Excluded employees are those individuals who are covered by a collective bargaining agreement, who are leased employees, expatriate employees participating in a government-sponsored retirement program in his/her home country except the U.S., or who are nonresident aliens with no earned income from sources within the United States.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. Contributions

Participants contribute to the Plan each payroll period through payroll deductions in amounts that range from 1% to 70% of their earnings. Contributions are invested in accordance with the participant's direction and are allocated to funds in 1% increments. If a Participant does not make an investment election, investment splits are defaulted as dictated by the policy of the Plan.

Effective January 1, 2017 The Sponsors match 100% of the first 4% of employee deferrals, plus 50% of the next 2% of employee deferrals. The maximum company match is 5% of plan earnings, if at least 6% of employee deferrals were made by the plan participant.

The Sponsor's actual contributions are reduced by available forfeitures, if any, during the Plan year.

The Sponsors make discretionary nonelective contributions to a defined group of eligible Participants in the range of 3% to 7% of earnings.

C. Participant Accounts

Each participant's account is credited with the participant's contribution, Sponsor's contribution and an allocation of Plan earnings. Allocations are based on participant account balances as defined. The benefit to which a participant is entitled is that which can be provided from the participant's account.

NOTE 1. PLAN DESCRIPTION (Continued)

D. Vesting

Participants are immediately vested in their voluntary contributions and related earnings thereon.

Vesting in the Sponsors' matching contributions made prior to January 1, 2014 and the related earnings thereon is as follows:

Less than 1 year	0%
1 year but less than 2 years	25%
2 years but less than 3 years	50%
3 years but less than 4 years	75%
4 years and over	100%

Vesting in Sponsors' matching contributions made subsequent to December 31, 2013, and the related earning thereon is as follows:

Less than 1 year	0%
1 year but less than 2 years	50%
2 years and over	100%

Vesting in the Sponsors' discretionary nonelective contributions and the related earnings thereon is as follows:

Less than 1 year	0%
1 year but less than 2 years	25%
2 years but less than 3 years	50%
3 years but less than 4 years	75%
4 years and over	100%

E. Payment of Benefits

Upon retirement or death the participant or beneficiary can elect to receive a lump-sum amount equal to the value of the participant's account or periodic cash payments. If the participant terminates employment for any reason other than retirement or death, the participant is entitled to receive the vested value in his/her account.

Benefits are recorded when paid. The total vested benefits due to participants who have withdrawn from the Plan but have not been paid at December 31, 2018 was $2,220,586.

F. Participant Loans

Participants may borrow against their fund accounts up to a maximum equal to the lesser of $50,000 or 50% of the vested interest in their participant account. The loans are secured by the balance in the participant's account and must be repaid within five years unless the proceeds are used to acquire a principal residence. The specific terms and conditions of loans used to acquire such a residence are established by the Plan administrator.

NOTE 1. PLAN DESCRIPTION (Continued)

G. Forfeitures

Forfeited nonvested accounts were used to reduce Sponsors' contributions and to pay legal and administrative expenses.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Date of Management's Review

Subsequent events were evaluated through October 10, 2019, which is the date the financial statements were available to be issued.

B. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

C. Investment Valuation and Income Recognition

The Plan's investments in registered investment companies are valued using quoted market prices. Investments in pooled separate accounts and unallocated insurance company contracts are valued at net asset value as determined by the issuing entity at year end. See Note 8 for further disclosures related to investment valuation.

Purchases and sales of securities are recorded on a settlement-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. As of December 31, 2018 and 2017, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

E. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

H. Operating Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3. RELATED PARTY TRANSACTIONS

Prudential Retirement managed the Plan's investments, was the trustee of those investments and served as the Plan's record keeper for the period during the years ended December 31, 2018 and 2017. Therefore, it qualified as a party-in-interest.

Direct fees paid by the Plan for administrative services and record keeping fees paid to the part-in-interest for the year ended December 31, 2018 was $ 39,684.

NOTE 4. TAX STATUS

The Internal Revenue Service has determined and informed the Sponsor by a letter dated February 1, 2011, that the Plan and related trust are designed in accordance with applicable sections of the internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would bet be sustained upon examination for the IRS. The plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2011.

NOTE 5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonable possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 6. INVESTMENT INFORMATION CERTIFIED BY THE TRUSTEE OF THE PLAN

NOTE 8. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of registered investment companies is based on quoted net asset values of the units held by the Plan at year-end.

Level 2 Fair Value Measurements

The fair value of investments in common/collective trusts and pooled separate accounts are determined by each fund's accountant using protocol issued by Prudential.

Level 3 Fair Value Measurements

The unallocated insurance company contract is not actively traded and significant other observable inputs are not available. Contract Value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

NOTE 8. FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2018 and 2017:

		Fair Value Measurements at the End of the Reporting Period Using:		
	Fair Value	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2018				
Pooled Separate Accounts	$ 14,561,951	$	$ 14,561,951	$
Insurance company general account	6,594,340			6,594,340
Registered investment companies	38,581,264	38,581,264		
	$ 59,737,555	$ 38,581,263	$ 14,561,951	$ 6,594,340
December 31, 2017				
Pooled Separate Accounts	$ 14,309,061	$	$ 14,309,061	$
Insurance company general account	5,822,467			5,822,467
Registered investment companies	39,788,934	39,788,934		
	$ 59,920,462	$ 39,788,934	$ 14,309,061	$ 5,822,467

An asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the valuation methodologies used at December 31, 2018 and 2017.

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 8. FAIR VALUE MEASUREMENTS (Continued)

The following table reconciles the beginning and ending balances of fair value measurements using significant unobservable inputs (Level 3) of the investments in common/collective trusts and pooled separate accounts for the years ended December 31, 2018 and 2017:

	December 31, 2018	December 31, 2017
Beginning balance	$ 5,822,467	$ 4,852,544
Total gains or losses included in change in net assets available for benefits	111,756	
Purchases	1,528,956	1,969,851
Sales	(868,839)	(999,928)
	$ 6,594,340	$ 5,822,467

Gains and losses (realized and unrealized) included in changes in net assets available for benefits are reported in net appreciation or depreciation in fair value of investments.

NOTE 9. PLAN TERMINATION

Although they have not expressed any intent to do so, the Sponsors have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions if ERISA. In the event of Plan termination, participants will become 100% vested in their accounts

NOTE 10. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The Plan's Form 5500 is filed on the cash basis of accounting for participants' contributions. As disclosed in Note 2, the Plan's financial statements are presented using the accrual basis of accounting. In addition, classifications of line items in the accompanying Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2018, differ from those used in the related Form 5500.

NOTE 11. CONTINGENCY

ERISA and various Internal Revenue Code (IRC) rules and regulations contain requirements related to minimum plan participation, minimum plan coverage and minimum vesting. In addition, the IRC regulations have requirements related to nondiscrimination in benefits and to top-heavy plans. As a result, the Plan is required to be tested as to compliance with these requirements at least annually.

Management maintains that based on the design of the Plan it will pass the minimum coverage and top-heavy tests. However, as of the date the financial statements were available to be issued these tests were not completed.

Qualification of the Plan under ERISA and IRC may be contingent on the Plan passing the test results.
