EMERGENCY SERVICES, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2018 AND 2017

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Emergency Services, Inc. 401(k) Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: Emergency Services, Inc. ("Company") established the Plan effective January 1, 1975. The Plan operates in accordance with Section 401(k) of the Internal Revenue Code. The Plan is a defined contribution plan covering all employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective June 2019, Urgent Care Services, LLC was added as a participating employer under the Plan.

Eligibility: To be eligible, employees must have attained the age of 21 and have completed one month of service, as defined in the Plan. The Plan allows employees to enter the Plan on the first day of the month coinciding with or following the date on which the employee completes the eligibility requirements.

Contributions: Participants may contribute up to 100% of their annual compensation, as defined in the Plan. Participants may make pre-tax or after-tax (Roth) elective deferral contributions. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. The Company makes a safe harbor matching contribution equal to 100% of the first 6% of the eligible participant's compensation contributed to the Plan. Additional profit sharing amounts may be contributed at the discretion of the Company. For the year ended December 31, 2018, the Company made a \$1,335,884 profit sharing contribution to the plan. This contribution was declared and paid in the following year and is included in employer contributions receivable as of December 31, 2018. Employees of the Company may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Contributions are subject to limitations.

Participant accounts: Each participant's account is credited with the participant's contributions and an allocation of (a) Company contributions, if any, and (b) plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment options: Upon enrollment in the Plan, a participant may direct all contributions to any of the investment options available to them through Fidelity Investments, which includes the option of a self-directed brokerage account through Fidelity Investments. As of December 31, 2018, self-directed brokerage accounts are invested in mutual funds, exchange-traded funds, common stocks, interest-bearing cash, non-interest-bearing cash, and annuity contracts.

Administrative expenses: Certain administrative functions are performed by officers or employees of the Company. No such officer or employee received compensation from the Plan. Certain administrative expenses of the Plan, including legal and audit fees, have been paid by the Company and are, therefore, not expenses of the Plan. The Plan pays fees related to the management of participating accounts.

Notes receivable from participants: The Plan does not allow for loans to participants.

Payment of benefits: The vested portion of a participant's account becomes payable upon death, disability, retirement or termination of service for any other reason. Participants may choose to receive vested account balances either as a lump sum amount or, for a specified class of participants, as an annuity.

In-service distributions of vested balances may be made to a participant who has not separated from service provided the participant has attained age 59 ½. Involuntary distributions of amounts less than \$5,000 are permitted under the Plan, but such distributions greater than \$1,000 must be directly rolled over to an individual retirement account set up by the plan administrator for the benefit of the participant. In-service hardship withdrawals of participant balances are permitted upon proof, to the satisfaction of the plan administrator, of an immediate and heavy financial need.

Vesting: Participants are immediately vested in their elective deferrals and Company safe harbor matching contributions, plus actual earnings thereon. Participants become fully vested in the Company profit sharing contributions upon death, total and permanent disability, or retirement. In the event of termination for any other reason, a participant shall have a vested right in Company profit sharing contributions based on the participant's years of service with the Company. Participants become 100% vested after three years of service.

Forfeited accounts: At December 31, 2018 and 2017, forfeited nonvested accounts totaled \$39,132 and \$71,870, respectively. These accounts are to be used to reduce Company contributions or they may be used to pay administrative expenses of the Plan. During the year ended December 31, 2018, \$70,301 of forfeited nonvested accounts were used to reduce Company contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting: The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Payment of benefits: Benefits are recorded when paid.

Investment valuation and income recognition: Investments are reported at fair value using the methodologies disclosed in Note 4. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investment securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Subsequent events: The Plan has evaluated subsequent events through October 14, 2019, the date the financial statements were available to be issued.

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

Fidelity Management Trust Company, the trustee, holds the Plan's investments and executes investment transactions.

The following information, included in the accompanying financial statements and supplemental schedule, was obtained from data that has been prepared and certified as complete and accurate by the trustee:

	<u>2018</u>	<u>2017</u>
Investments, at fair value:		
Mutual funds	\$ 12,301,136	\$ 22,709,043
Common collective trusts	9,146,235	-
Money market	882,105	543,986
Self-directed brokerage accounts	<u>8,200,661</u>	<u>8,072,197</u>
	<u>\$ 30,530,137</u>	<u>\$ 31,325,226</u>
Additions to net assets:		
Interest and dividends	\$ 1,112,638	
Deductions from net assets:		
Net depreciation in fair value of investments	\$ 2,882,111	

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – inputs to the valuation methodology include:

- a) Quoted prices for similar assets or liabilities in active markets;
- b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- c) Inputs other than quoted prices that are observable for the asset or liability;
- d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts: Valued at the net asset value of units of the common collective trust. The net asset value, as provided by the trustee, is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the Plan will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of a common collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. As of December 31, 2018, there were no unfunded commitments.

Money market funds: Valued at quoted prices in markets that are not active by a combination of inputs, including but not limited to quotations from market makers in the underlying funds and other directly and indirectly observable inputs.

Self-directed brokerage accounts: These accounts are invested in mutual funds, exchange-traded funds, common stocks, interest-bearing cash, non-interest-bearing cash, and annuity contracts. The fair value of these investments, other than the annuity contracts, are valued based on quoted prices on active markets and are included as Level 1 assets in the following tables. The fair value of annuity contracts is based on the fair value of the investments underlying the contracts, which are determined based on quoted exchanges, models from pricing vendors and other inputs and are included as Level 2 assets in the following tables.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018 and 2017:

Assets at Fair Value as of December 31, 2018

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$12,301,136	\$ -	\$ -	\$ 12,301,136
Money market funds	-	882,105	-	882,105
Self-directed brokerage accounts	8,200,661	1,737,817	-	9,938,478
	20,501,797	2,619,922	-	23,121,719
Common collective trusts (a)				9,146,235
Investments at fair value	\$20,501,797	\$2,619,922	\$ -	\$ 32,267,954

Assets at Fair Value as of December 31, 2017

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$22,709,043	\$ -	\$ -	\$ 22,709,043
Money market funds	-	543,986	-	543,986
Self-directed brokerage accounts	8,072,197	3,312,235	-	11,384,432
	30,781,240	3,856,221	-	34,637,461
Common collective trusts (a)				-
Investments at fair value	\$30,781,240	\$3,856,221	\$ -	\$ 34,637,461

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to amounts presented in the statements of net assets available for benefits.

There were no level 3 assets and no transfers between levels 1 and 2 in 2018 and 2017.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

NOTE 6 - RELATED PARTY TRANSACTIONS

Certain Plan investments as of December 31, 2018 and 2017 were managed by affiliates of Fidelity Management Trust Company, the Plan's trustee. Additionally, administrative expenses of the Plan include approximately \$70,000 paid to the Plan's trustee, or affiliates thereof. Therefore, these transactions qualify as party-in-interest transactions.

NOTE 7 - TAX STATUS

The Plan has adopted a volume submitter plan document on which the Internal Revenue Service has issued an opinion letter dated March 31, 2014 that stated that the volume submitter document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The volume submitter document has been amended since issuance of the most recent opinion letter. The Plan has not requested an individual determination letter from the Internal Revenue Service. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have instructed you not to perform any auditing procedures with respect to information prepared and certified to by Fidelity Management Trust Company, the trustee, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and schedule taken as a whole. We understand that the form and content of the information in the financial statements and supplemental schedule, other than that derived from the information certified by Fidelity Management Trust Company, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of October 14, 2019, the following representations made to you during your audit:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated June 14, 2019, including our responsibility for the preparation and fair presentation of the financial statements and note disclosures.

6. Related-party relationships and transactions and relationships and transactions with parties-in-interest, as defined in ERISA section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP and ERISA Section 3(14) and regulations thereunder.

8. We are in agreement with the adjusting journal entries you have proposed, and they have been or will be posted to the Plan's accounts.

We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments that we have not disclosed to you.
10. Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, events reportable to PBGC, or events that may jeopardize the tax status) that legal counsel have advised us that must be disclosed have been properly disclosed.
11. Material concentrations have been properly disclosed in accordance with U.S. GAAP.
12. Financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.

 - b) Investments or loans in default or considered to be uncollectible.
 - c) Reportable transactions [as defined in ERISA Section 103(b)(3)(H) and regulations under that Section].

Information Provided

15. We have provided you with:
 - a. Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters.
 - b. Additional information you have requested from us for the purpose of the audit.
 - c. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
 - d. Plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.
 - e. Information on all investments held outside of Fidelity.
16. The Plan's records include all plan assets and investment accounts held and maintained by participants outside of Fidelity Management Trust Company.
17. All material transactions have been recorded in the accounting records and are reflected in the financial statements.
18. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
19. We have no knowledge of any fraud or suspected fraud that affects the plan and involves:
 - a. Management,
 - b. Employees who have significant roles in internal control, or
 - c. Others where the fraud could have a material effect on the financial statements.
20. We have no knowledge of any allegations of fraud or suspected fraud affecting the plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
21. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations since the inception of the Plan (including ERISA, DOL, and IRS regulations) that have not been corrected, whose effects should be considered when preparing financial statements.
22. We have disclosed to you the identity of the plan's related parties and parties in interest and all the related-party and party-in-interest relationship and transactions of which we are aware.
23. The plan has satisfactory title to all owned assets, which are recorded at fair value, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.

24. We have no:
 - a. Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
 - b. Intentions to terminate the plan.
25. Amendments to the plan instrument, if any, have been properly recorded or disclosed in the financial statements.
26. The plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
27. The methods and significant assumptions used to estimate fair values of financial instruments are as follows: Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Common collective trusts are valued at the net present value of units of the common collective trust. The net asset value is provided by the trustee and used a practical expedient to estimate fair value. Money market funds are valued at quoted prices in markets that are not active by a combination of inputs, including but not limited to quotations from market makers in the underlying funds and other directly and indirectly observable inputs. Self-directed brokerage accounts are invested in cash, mutual funds, exchange traded funds, common stocks and annuity contracts. The fair value of these investments, other than the annuity contracts, are valued based on quoted prices on active markets. The fair value of annuity contracts is based on the fair value of the investments underlying the contracts, which are determined based on quoted exchanges, models from pricing vendors and other inputs. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
28. All required filings of plan documents with the appropriate agencies have been made. The Plan has adopted a volume submitter plan document on which the Internal Revenue Service has issued an opinion letter dated March 31, 2014 that stated that the volume submitter document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The volume submitter document has been amended since issuance of the most recent opinion letter. The Plan has not requested an individual determination letter from the Internal Revenue Service. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.
29. The plan (and the trust established under the plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue it as a qualified plan (and trust). The plan sponsor has operated the Plan in a manner that did not jeopardize this tax status or has initiated procedures to correct items not in compliance. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
30. The plan has complied with the Department of Labor's regulations concerning the timely remittance of participant contributions to trusts containing assets for the plan.
31. The plan has complied with the fidelity bonding requirements of ERISA.
32. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the plan.

33. We believe the form and content of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
34. We acknowledge that administrative expenses paid by the plan sponsor on behalf of the plan will not be reimbursed by the plan.
35. We acknowledge that you have orally, or in writing, communicated to management any reportable conditions noted during the audit and any other comments, observations, or recommendations resulting from the audit.
36. We have obtained the service auditor's reports from our service organizations, FWS Recordkeeping, Fidelity Investments, and Paylocity. We have reviewed such reports, including the complementary user controls. We have implemented the relevant user controls, and they were in operation for the years ended December 31, 2018 and 2017.
37. We will work with Fidelity to ensure that the balances per the audit report are accurately and consistently reflected in the filed copy of the 2018 Form 5500.
38. We have obtained appropriate fee disclosures from covered service providers and have concluded that fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
39. In regards to the nonattest services performed by you, we have
 - a. Assumed all management responsibilities.
 - b. Designated an individual (within senior management) with suitable skill, knowledge, and/or experience to oversee the services.
 - c. Evaluated the adequacy and results of the services performed.
 - d. Accepted responsibility for the results of those services.
40. We will notify you in advance of our intent to include your report, in whole or in part, in any document other than Form 5500 filed with a regulatory agency or printed, in whole or in part, for any reason, and you will have the opportunity to review such matter before its filing or issuance.
