Independent Auditor's Report

To the Trustees of the
Eddie Kane Steel Products, Inc. 401(k) Profit Sharing Plan & Trust

We have audited the accompanying financial statements of Eddie Kane Steel Products, Inc. 401(k) Profit Sharing Plan & Trust, which comprise the statements of net assets available for benefits as of December 31, 2018 and 2017 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits.. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Eddie Kane Steel Products, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2018 and 2017, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year), is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Independent Auditor's Report

To the Trustees of the
Eddie Kane Steel Products, Inc. 401(k) Profit Sharing Plan & Trust

We have audited the accompanying financial statements of Eddie Kane Steel Products, Inc. 401(k) Profit Sharing Plan & Trust, which comprise the statements of net assets available for benefits as of December 31, 2018 and 2017 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits.. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Eddie Kane Steel Products, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2018 and 2017, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Eddie Kane Steel Products, Inc. 401(k) Profit Sharing Plan & Trust
Notes to the Financial Statements

1. DESCRIPTION OF PLAN

The following description of the Eddie Kane Steel Products, Inc. 401(k) Profit Sharing Plan & Trust provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

General

The Plan was established effective January 1, 2006, and amended as of January 1, 2015. It is a defined contribution plan covering all employees of the Company who work 500 hours and are age 21 or older. The Plan is subject to the provisions of ERISA.

Contributions

Participants may elect up to 98% of their annual pre-tax earnings, subject to certain Internal Revenue Code limitations, for the plan period. Participants direct the investment of their contributions and the Company's contribution into various investment options offered by the Plan. Participants may also make rollover contributions of amounts representing distributions from other qualified retirement plans. The Company may make matching contributions as determined by management. The Company's match for 2018 and 2017 is an amount equal to 100% of your elective deferral which does not exceed 2% of your compensation. Company contributions for the year ended December 31, 2018 and 2017 were \$69,582 and \$67,662, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. An employee must complete 1,000 hours to receive credit for a year of service. Vesting in employer contributions and related earnings is determined as follows:

<u>Years of Service</u>	<u>Vested %</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vest account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set at 1 percent above the prime rate, as defined. Principal and interest is paid ratably through monthly payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Eddie Kane Steel Products, Inc. 401(k) Profit Sharing Plan & Trust
Notes to the Financial Statements

1. DESCRIPTION OF PLAN (continued)

Forfeited Accounts

Forfeitures of terminated employee's non-vested accounts may be used to offset future contributions of the employers and administrative expenses. As of December 31, 2018 and 2017, unapplied forfeitures were \$41,752 and \$32,952, respectively. During 2019, the Plan utilized the forfeitures to fund the Plan and Plan Sponsor's administrative expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines valuation policies utilizing information provided by the investment advisors, custodians, and other professionals.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. See Note 3 for discussion of fair value measurements.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 or 2017.

Contributions Receivable

Participant and employer matching contributions are accrued based on withholding amounts (participant contributions) or earned amounts (employer contributions).

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2018 excess contributions in the amount of \$11 to the applicable participant prior to March 15, 2019. The Plan distributed the 2017 excess contributions in the amount of \$56 to the applicable participant prior to March 15, 2018.

Payment of Benefits

Benefits are recorded when paid by the Plan.

Eddie Kane Steel Products, Inc. 401(k) Profit Sharing Plan & Trust
Notes to the Financial Statements

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events Evaluation Date

In accordance with FASB ASC 855-10-50, "Subsequent Events," the Plan has evaluated subsequent events and transactions through October 13, 2019, the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification 820 (ASC 820), "Fair Value Measurements and Disclosures," establishes a framework for measuring fair value. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Investment Cash: The carrying amount approximates fair value because of the short term maturity of these instruments.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Eddie Kane Steel Products, Inc. 401(k) Profit Sharing Plan & Trust
Notes to the Financial Statements

3. FAIR VALUE MEASUREMENTS (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018 and 2017:

Assets at Fair Value as of December 31, 2018				
	Level 1	Level 2	Level 3	Total
Investment cash	\$ 29,054	\$ -	\$ -	\$ 29,054
Mutual funds	<u>1,128,602</u>	<u>-</u>	<u>-</u>	<u>1,128,602</u>
Investments at Fair Value	<u>\$ 1,157,656</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,157,656</u>

Assets at Fair Value as of December 31, 2017				
	Level 1	Level 2	Level 3	Total
Investment cash	\$ 27,827	\$ -	\$ -	\$ 27,827
Mutual funds	<u>1,327,963</u>	<u>-</u>	<u>-</u>	<u>1,327,963</u>
Investments at Fair Value	<u>\$ 1,355,790</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,355,790</u>

Transfers Between Levels - The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

We evaluate the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2018 and 2017, there were no significant transfers in or out of levels 1, 2, or 3.

4. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments at December 31, 2018 and 2017, are shares of mutual funds held by Mid Atlantic Trust Company, the trustee, as defined by the Plan. Therefore, these transactions are considered to be party-in-interest transactions. No related party transactions or party-in-interest transactions have occurred that are prohibited by ERISA regulations.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Eddie Kane Steel Products, Inc. 401(k) Profit Sharing Plan & Trust
Notes to the Financial Statements

6. TAX STATUS

The IRS has determined and informed the prototype plan sponsor, Paychex Retirement Services, Inc., by an opinion letter dated April 10, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. NON-DISCRIMINATION TESTING

The Plan failed the discrimination test for the year ended December 31, 2018, and made the determination to correct the failure by refunding excess contributions to participants. The contributions amounted to \$11, and have been recorded as excess contributions refundable in the accompanying statements of net assets available for benefits as of December 31, 2018. The Plan refunded these contributions to its participant in 2019.
