Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Puppet, Inc. 401(k), which comprise the statement of net assets available for benefits as of December 31, 2018, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Ascensus, Inc. as agent for Ascensus Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the trustee as of and for the year ended December 31, 2018, that the information provided to the Plan Administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2018 financial statements. Accordingly, we do not express an opinion on the 2018 financial statements referred to in the first paragraph.

Other Matter – Supplemental Schedule

The supplemental schedule, as listed in the table of contents, as of December 31, 2018, is required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2017 Financial Statements

The financial statements of the Plan as of December 31, 2017, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Ascensus, Inc. as agent for Ascensus Trust Company, the trustee of the Plan. Their report, dated October 10, 2018, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2018 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

1. Plan Description

The following description of Puppet, Inc. 401(k) (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions. The Plan's most recent restatement was effective October 1, 2018.

General

The Plan is a defined contribution savings and profit sharing plan established January 1, 2011 by Puppet, Inc. (the Company) under the provisions of Section 401(a) of the Internal Revenue Code (IRC), which includes a qualified cash or deferred arrangement as described in 401(k) of the IRC, for the benefit of eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

Employees of the Company, excluding interns and internal contractors, are eligible to participate in the Plan upon completing one month of service and reaching the age of 18. Participants can enter the Plan on the first day of the month following the date on which the eligibility requirements are met.

Participant Contributions

Effective October 1, 2018, participants may contribute a portion of their compensation up to the limits provided by the Internal Revenue Code (IRC). Prior to October 1, 2018, participants could elect to defer up to 90 percent of their eligible compensation, limited by the requirements of the IRC. Upon reaching the age of 50, eligible employees may make additional catch-up contributions as allowed by the IRC. Additionally, participants may roll over amounts representing distributions from other qualified defined benefit or defined contribution plans into the Plan.

The Plan has automatic enrollment, which is where participants who become eligible are automatically enrolled to contribute unless they elect otherwise. Effective October 1, 2018, participants are initially enrolled at 4 percent with an auto escalation of 1 percent each year up to a maximum of 8 percent of compensation. Prior to October 1, 2018, participants were initially enrolled at 3 percent with an auto escalation of 1 percent each year up to a maximum of 6 percent of compensation.

Employer Contributions

The Company, at its discretion, may make matching or profit sharing contributions to the Plan. During 2018 and 2017, the Company made matching contributions of 25 percent of a participant's contributions, with a maximum match of \$1,000 for each participant. There were no profit sharing contributions made during 2018 and 2017.

Participant Accounts

Participants are able to direct their account balances into a variety of investments offered by the Plan. Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions, the Company's contributions, and an allocation of the Plan's earnings and expenses. The benefit to which a participant is currently entitled to is the benefit that can be provided from the participant's vested account.

PUPPET, INC. 401(k)
NOTES TO FINANCIAL STATEMENTS

1. Plan Description, continued

Vesting

Participants are immediately vested in their deferral and rollover contributions, plus actual earnings thereon. Participants become vested in their discretionary employer matching and profit sharing contributions on a four year graded scale, with 25 percent vesting for each year of service.

Notes Receivable from Participants

The Plan does not allow for participant loans.

Payment of Benefits

Upon reaching retirement age, termination of service, disability or death, a participant or their beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or a partial payment. However, account balances less than \$5,000 may be distributed as a rollover into an individual retirement account for the benefit of the participant or beneficiary at the discretion of the Plan Administrator. Participants may withdraw rollover contributions at any time or make an in-service withdrawal of elective deferrals or employer contributions if they have reached the normal retirement age of 65.

Hardship Withdrawals

The Plan provides for hardship withdrawals in the event of an immediate and heavy financial need in an amount not to exceed the lesser of the participant's elective deferrals, vested employer contributions and rollover contributions, excluding earnings, or the amount of the financial need. In the event of a hardship withdrawal, participant contributions will be automatically suspended and the participant will be ineligible to resume such contributions for six months following the date of distribution.

Forfeitures

The non-vested account of a participant will be forfeited if a participant is terminated. Forfeited accounts can be used to reduce future employer contribution or pay administrative expenses. At December 31, 2018 and 2017, forfeited nonvested accounts totaled \$35,192 and \$6,226, respectively. Forfeitures of \$19,533 and \$9,340 were used to pay administrative expenses for the years ended December 31, 2018 and 2017, respectively.

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting.

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Net appreciation in fair value of investments consists of the net change in unrealized gains or losses during the year and the realized gain or loss on investments sold during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses of the Plan are paid from Plan assets or from the balance of available forfeitures. Administrative expenses may also be paid by the Employer; these expenses are therefore excluded from these financial statements. Investment-related expenses are included in net change in fair value of investments.

3. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;

PUPPET, INC. 401(k)
NOTES TO FINANCIAL STATEMENTS

3. Fair Value Measurements, continued

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018.

Registered investment companies: Valued at the daily closing price as reported by the fund. All mutual funds held by the Plan are open-end mutual funds that are registered with the SEC and are deemed to be actively traded.

Common Collective Trust: Units held in the common collective trust are valued using the NAV of the fund. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. Participant transactions (purchases and sales) may occur daily at NAV. Pursuant to Accounting Standards Update (ASU) 2015-07, *Fair Value Measurements*, the common collective trust measured at NAV has not been classified in the fair value hierarchy. The common collective trust investment held by the Plan has no unfunded commitments, and the investment may be redeemed by participants on a daily basis with no required notice period.

The following tables sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2018 and 2017:

	Assets at Fair Value as of December 31, 2018

4. Risks and Uncertainties

The Plan assets are invested in a variety of investments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, foreign currency and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits, and therefore participant account balances.

5. Information Certified by the Trustee

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Ascensus, Inc. as agent for Ascensus Trust Company (Ascensus), the trustee of the Plan, as complete and accurate except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedule.

	2018	2017
Investments, at fair value		
Registered investment companies	\$ 16,952,151	\$ 16,579,350
Common collective trust	146,430	110,255
Investment income (loss):		
Net change in fair value of investments	(1,795,712)	2,136,954
Interest and dividend income	391,862	332,179

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing the information with the related information included in the financial statements and supplemental schedule.

PUPPET, INC. 401(k)
NOTES TO FINANCIAL STATEMENTS

6. Related-Party and Party-In-Interest Transactions

Certain Plan investment options are funds managed by Vanguard Investments, an affiliate of Ascensus, the trustee of the Plan. Total fees paid by the Plan to Ascensus for the years ended December 31, 2018 and 2017 totaled \$35,282 and \$14,466, respectively. These party in interest transactions are exempt from the prohibited transaction rules of ERISA.

7. Income Tax Status

The Prototype Non-Standardized Profit Sharing Plan with CODA sponsored by Ascensus LLC (upon which the Plan is based) has received an opinion letter from the IRS dated January 1, 2018, that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants will become fully vested in their accounts.

9. Reconciliation of Financial Statements to the Form 5500

The following is a reconciliation of the net increase in net assets available for benefits as reported on the Plan's financial statements to amounts reported on the Form 5500 for the years ended December 31:

	<u>2018</u>	<u>2017</u>
Net increase in net assets available for benefits reported on the financial statements	\$ 243,943	\$ 6,040,429
Excess contributions	<u>-</u>	<u>(7,956)</u>
Net increase in net assets available for for benefits reported on the Form 5500	<u>\$ 243,943</u>	<u>\$ 6,032,473</u>

PUPPET, INC. 401(k)
NOTES TO FINANCIAL STATEMENTS

10. Non-exempt Transactions

For the year ended December 31, 2017, participant contributions totaling \$115,363 were not remitted to the Plan within the appropriate time period by the Company. These transactions constitute prohibited transactions as defined by ERISA. The Company has taken the appropriate steps to correct the situation by reimbursing employees for lost earnings and interest, and has further implemented a procedure to ensure that all future remittances are made within the prescribed time period. There were no nonexempt transactions during the year ended December 31, 2018.

11. Subsequent Events

Management evaluates events and transactions that occur after the statement of net assets available for benefits date as potential subsequent events. Management has performed this evaluation through the date of the independent auditor's report.
