NOTE 1: DESCRIPTION OF THE PLAN

General
The 401(k) Profit Sharing Plan and Trust (the Plan) was formed April 1, 1994 as a defined contribution plan available to all eligible employees of CGI Communications, Inc. (CGI or the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Participants should refer to the Plan document and the prospectus for a more complete description of the Plan's provisions.

Eligibility
Employees are eligible to participate in the Plan upon attaining age twenty-one and completing two months of service for employee elective deferrals and employer matching contributions, and one year of service for employer profit sharing contributions. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation.

Contributions
Under the terms of the Plan, employees electing to participate can contribute from 1% up to as much as 100% of their compensation to the Plan, subject to certain Internal Revenue Service limitations and the Plan's provisions for the participating location. Participants may also contribute amounts representing distributions from other qualified retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are automatically invested in a designated balanced fund until changed by the participant. The Company contributes 25% of an employee's elective deferral as an employer match. The Plan also allows the Company to make a discretionary profit-sharing match. No such profit sharing match was made during the years ended December 31, 2018 and 2017.

Participant Accounts
Each participant's account contains the participants' respective contributions, the Company's matching contributions, and investment earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Payment of Benefits
On termination of service due to death, retirement, disability, or hardship circumstances, a participant may elect to receive either a lump-sum amount equal to the value of his or her account. Withdrawals by active employees are permitted upon reaching age 59 ½.

Vesting
Participants are always vested in their 401(k) contributions plus earnings thereon. Vesting in the Company's matching contributions plus earnings thereon is based on years of service. A participant's employer matching contribution is 100% vested after five years of service (or upon death or disability while employed), with 20% vesting at one year of service increasing by an additional 20% with each additional year of service.

Investment Options
Plan participants may direct the investment of their funds among several alternative investment funds provided by the Plan.

Forfeited Accounts
Forfeitures of employer contributions may occur when a participant terminates employment prior to the full-vesting period. Forfeitures are used to reduce employer contributions. At December 31, 2018 and 2017, forfeited non-vested accounts totaled $15,800 and $15,227 respectively.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America, on the accrual basis of accounting. Benefits are recorded when paid. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

New Accounting Standards

The Plan has adopted the provisions of Accounting Standards Update No. 2015-12, Plan Accounting: Defined Contribution Plans (Topic 962).: Part II - Plan Investment Disclosures for the years ended December 31, 2018 and 2017, which eliminates the requirement to disclose individual investments that represent 5 percent or more of net assets available for benefits. In addition, the Plan adopted the disclosure provisions in Part I of the ASU and ASU No. 2015-07, Fair Value Measurement, which eliminates previously required footnote disclosures, as well as the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using net asset value (NAV) per share as a practical expedient.

Notes Receivable from Participants

Participants may borrow a portion of their vested account balances in accordance with the loan policy statement. Loan amounts can range from $1,000 to a maximum of $50,000. Loans must be repaid within 4.5 years, unless the loan was used to purchase a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate equal to the prime interest rate plus 2 percent. Principal and interest is paid ratably through biweekly payroll deductions.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Plan Expenses

Brokerage commissions, transfer taxes, and other charges and expenses in connection with the purchase or sale of securities are charged against the trust fund and added to the cost of such securities or deducted from the sale proceeds, as the case may be. Participants are also charged loan fees and check processing fees in certain circumstances.

Subsequent Events

The Plan Administrator has evaluated subsequent events through the date of the auditors' report, the date the financial statements were available to be issued.

NOTE 3: FAIR VALUE MEASUREMENTS

The Plan's investments at December 31, 2018 and 2017 are measured as follows:

	2018	2017
Investments measured at net asset value	$6,042,515	$5,618,596

The accounts offered by the Plan invest in mutual funds. As allowed by Accounting Standards Update 820, the fair value of mutual funds is determined by the Net Asset Value (NAV) per share to serve as a practical expedient to estimate the fair value as long as certain requirements are met. The accounts can be redeemed at NAV, as determined by quoted market prices, as of the measurement date. The fair value of fixed annuities is based on the valuation method as disclosed in the annuity contract, as calculated by the annuity provider.

NOTE 4: INVESTMENTS CERTIFIED BY THE TRUSTEE (Unaudited)

All of the Plan's investments are maintained with Ascensus Trust Company. These assets are restricted to use solely for providing benefits to the Plan participants.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the trustee as of and for the years ended December 31, 2018 and 2017:

	2018	2017
Mutual Funds and Fixed Annuity Contracts	$ 6,042,515	$ 5,618,596
Net appreciation (depreciation) in value	$ (382,439)	$ 534,107

NOTE 5: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 6: RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the accompanying financial statements to Schedule H of Form 5500 at December 31, 2018:

Net assets available for benefits per the financial statements	$ 6,354,883
Less: contributions receivable	(36,591)
Net assets available for benefits per Schedule H to the Form 5500	$ 6,318,292

NOTE 6: RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500 (CONTINUED)

The following is a reconciliation of contributions per the accompanying financial statements for the year ended December 31, 2018 to Schedule H of Form 5500:

Contributions per the financial statements	$ 1,035,999
Add: contributions receivable 12/31/17	30,400
Less: contributions receivable 12/31/18	(36,591)
Contributions per Schedule H of Form 5500	$ 1,029,808

NOTE 7: INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2015.
