INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the Casa Nissan 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Casa Nissan 401(k) Plan (Plan), which comprise the statement of net assets available for benefits as of December 31, 2018 and 2017, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the "Basis for Disclaimer of Opinion" paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974*, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in *Note C*, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2018 and 2017, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the "Basis for Disclaimer of Opinion" paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter—Supplemental Schedule

The supplemental schedules of *Schedule H, Line4i—Schedule of Assets (Held at End of Year)* as of or for the year ended December 31, 2018, are required by the Department of Labor's *Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974* and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the "Basis for Disclaimer of Opinion" paragraph, we do not express an opinion on the supplemental schedules referred to above.

Other Matter—2017 Financial Statement

The financial statement of the Plan as of December 31, 2017, was audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974* (ERISA), the Plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the trustee. Their report dated October 8, 2018 indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, they did not express an opinion on the financial statements; and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee were presented in compliance with the Department of Labor's *Rules and Regulations for Reporting and Disclosure under ERISA*.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's *Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974*.

CASA NISSAN 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE A – DESCRIPTION OF PLAN

The following description of the Casa Nissan (Company) 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all full-time employees of the Company who have one year of service and are age 21 or older. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). The Board of Trustees is responsible for oversight of the Plan. The administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

Contributions. Participants may contribute annually, the lesser of 25% of pretax eligible compensation or $18,500, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefits or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 5% of eligible compensation and their contributions invested in a designated balanced fund until changed by participant. The Company contributed 25% of the first 8% of base compensation that a participant contributed to the Plan. During the year ended December 31, 2018 the Company made an $83,356 profit sharing contribution to the Plan. Contributions are subject to certain IRS limitations.

Participant Accounts. Each participant's account is credited with the participant's contribution and allocations of: (a) the Company's matching contributions, (b) Plan earnings (losses), and (c) charged with an allocation of any administrative expenses paid by the Plan. Allocation is based on participant earnings or account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after five years of credited service.

NOTE A – DESCRIPTION OF PLAN *(continued)*

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested interest in their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 6.25%. The loan interest rate is determined by the Plan administrator based on the prevailing interest rates charged by persons in the business of lending money for loans. Principal and interest are paid ratably through monthly and semimonthly payroll deductions.

Payment of Benefits. On termination of service due to death, disability, retirement, or to other reasons, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or part may be paid directly to the participant and the balance rolled into an IRA, the participant's new employer's retirement plan, or a 403(a) annuity.

Forfeited Accounts. At December 31, 2018 and 2017, forfeited non-vested accounts totaled $13,422 and $10,074, respectively. These accounts will be used to reduce future employer contributions. Also, in 2018, employer contributions were reduced by $12,637 from forfeited non-vested accounts.

NOTE B – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. *See Note D* for discussion of fair value measurements.

NOTE B – SUMMARY OF ACCOUNTING POLICIES (*continued)*

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when they are incurred. No allowance for credit losses have been recorded as of December 31, 2018 or 2017. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Date of Management's Review of Subsequent Events

The Plan has evaluated subsequent events through October 11, 2018, the date the financial statements were available to be issued.

NOTE C – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2018 and 2017, and net appreciation and depreciation in fair value of investments, interest, and dividends for year ended December 31, 2018, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Fidelity Management Trust Company (the trustee of the Plan).

NOTE C – CERTIFIED INVESTMENTS *(continued)*

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

	2018	2017
Investments, at fair value:		
Mutual Funds	$ 2,935,348	$ 3,567,001

NOTE D – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered actively traded. The fair value of common stocks is based on the closing price reported on the active market where the individual securities are traded.

The following tables set forth by level within the fair value hierarchy the Plan's investments at fair value as of December 31, 2018 and 2017:

Assets at Fair Value as of December 31, 2018:

NOTE E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

NOTE F – RELATED PARTY TRANSACTIONS

Fidelity Management Trust Company ("Fidelity) is the trustee for both the Plan and Casa Ford 401(k) Plan. Both Plans share the same Plan administrators. Fidelity Workplace Service LLC ("FWS"), a wholly-owned subsidiary of Fidelity, serves as the contractual recordkeeping agent, inclusive of those for which the trustee of the Plan serves as trustee. Fidelity Technology Group ("FTG") provides data center operations to Fidelity business units including FWS.

In 2018, participants transferred their account balance of $150,715 from the Plan to Casa Ford 401(k) Plan, and one participant transferred her account balance of $3,793 from Casa Ford 401(k) to the Plan.

NOTE G – TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

NOTE G – TAX STATUS *(continued)*

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain positions that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2015.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

As a result, all investments will be transferred from the Plan into one combined plan with the plan year beginning January 1, 2020. We were engaged to audit the accompanying financial statements of Casa Nissan 401(k) Plan (Plan), which comprise the statement of net assets available for benefits as of December 31, 2018 and 2017, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the "Basis for Disclaimer of Opinion" paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974*, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in *Note C*, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2018 and 2017, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the "Basis for Disclaimer of Opinion" paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter—Supplemental Schedule

The supplemental schedules of *Schedule H, Line4i—Schedule of Assets (Held at End of Year)* as of or for the year ended December 31, 2018, are required by the Department of Labor's *Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974* and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the "Basis for Disclaimer of Opinion" paragraph, we do not express an opinion on the supplemental schedules referred to above.

Other Matter—2017 Financial Statement

The financial statement of the Plan as of December 31, 2017, was audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974* (ERISA), the Plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the trustee. Their report dated October 8, 2018 indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, they did not express an opinion on the financial statements; and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee were presented in compliance with the Department of Labor's *Rules and Regulations for Reporting and Disclosure under ERISA*.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's *Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974*.

CASA NISSAN 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE A – DESCRIPTION OF PLAN

The following description of the Casa Nissan (Company) 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all full-time employees of the Company who have one year of service and are age 21 or older. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). The Board of Trustees is responsible for oversight of the Plan. The administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

Contributions. Participants may contribute annually, the lesser of 25% of pretax eligible compensation or $18,500, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefits or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 5% of eligible compensation and their contributions invested in a designated balanced fund until changed by participant. The Company contributed 25% of the first 8% of base compensation that a participant contributed to the Plan. During the year ended December 31, 2018 the Company made an $83,356 profit sharing contribution to the Plan. Contributions are subject to certain IRS limitations.

Participant Accounts. Each participant's account is credited with the participant's contribution and allocations of: (a) the Company's matching contributions, (b) Plan earnings (losses), and (c) charged with an allocation of any administrative expenses paid by the Plan. Allocation is based on participant earnings or account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after five years of credited service.

NOTE A – DESCRIPTION OF PLAN *(continued)*

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested interest in their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 6.25%. The loan interest rate is determined by the Plan administrator based on the prevailing interest rates charged by persons in the business of lending money for loans. Principal and interest are paid ratably through monthly and semimonthly payroll deductions.

Payment of Benefits. On termination of service due to death, disability, retirement, or to other reasons, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or part may be paid directly to the participant and the balance rolled into an IRA, the participant's new employer's retirement plan, or a 403(a) annuity.

Forfeited Accounts. At December 31, 2018 and 2017, forfeited non-vested accounts totaled $13,422 and $10,074, respectively. These accounts will be used to reduce future employer contributions. Also, in 2018, employer contributions were reduced by $12,637 from forfeited non-vested accounts.

NOTE B – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. *See Note D* for discussion of fair value measurements.

NOTE B – SUMMARY OF ACCOUNTING POLICIES (*continued)*

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when they are incurred. No allowance for credit losses have been recorded as of December 31, 2018 or 2017. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Date of Management's Review of Subsequent Events

The Plan has evaluated subsequent events through October 11, 2018, the date the financial statements were available to be issued.

NOTE C – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2018 and 2017, and net appreciation and depreciation in fair value of investments, interest, and dividends for year ended December 31, 2018, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Fidelity Management Trust Company (the trustee of the Plan).

NOTE C – CERTIFIED INVESTMENTS *(continued)*

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

	2018	2017
Investments, at fair value:		
Mutual Funds	$ 2,935,348	$ 3,567,001

NOTE D – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered actively traded. The fair value of common stocks is based on the closing price reported on the active market where the individual securities are traded.

The following tables set forth by level within the fair value hierarchy the Plan's investments at fair value as of December 31, 2018 and 2017:

Assets at Fair Value as of December 31, 2018:

	Level 1	Level 2	Leve1 3	Total
Mutual Funds	$ 2,935,348	-0-	-0-	$ 2,935,348
Investments at fair value	$ 2,935,348	-0-	-0-	$ 2,935,348

NOTE D – FAIR VALUE MEASUREMENTS, *(continued)*

Assets at Fair Value as of December 31, 2017:

	Level 1	Level 2	Leve1 3	Total
Mutual Funds	$ 3,567,001	-0- -	-0-	$ 3,567,001
Investments at fair value	$ 3,567,001	-0-	-0-	$ 3,567,001

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2018 and 2017, are reported in net appreciation (depreciation) in fair value of investments.

NOTE E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

NOTE F – RELATED PARTY TRANSACTIONS

Fidelity Management Trust Company ("Fidelity) is the trustee for both the Plan and Casa Ford 401(k) Plan. Both Plans share the same Plan administrators. Fidelity Workplace Service LLC ("FWS"), a wholly-owned subsidiary of Fidelity, serves as the contractual recordkeeping agent, inclusive of those for which the trustee of the Plan serves as trustee. Fidelity Technology Group ("FTG") provides data center operations to Fidelity business units including FWS.

In 2018, participants transferred their account balance of $150,715 from the Plan to Casa Ford 401(k) Plan, and one participant transferred her account balance of $3,793 from Casa Ford 401(k) to the Plan.

NOTE G – TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

NOTE G – TAX STATUS *(continued)*

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain positions that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2015.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
