Report on the Financial Statements

I was engaged to audit the accompanying financial statements of the Boudreau Pipeline Corporation 401(k) Retirement Plan as of December 31, 2018 and 2017 and for the years then ended, as listed in the accompanying table of contents and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 1, which was certified by John Hancock, the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. I have been informed by the Plan administrator that the custodian holds the Plan's investment assets and executes investment transactions.

The Plan administrator has obtained a certification from the custodian as of December 31, 2018 and 2017 and for the years then ended that the information provided to the Plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the information described in the Basis for Disclaimer of Opinion paragraph, I have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, I do not express an opinion on the accompanying financial statements.

Other Matter

The supplemental schedules of assets held for investment purposes as of December 31, 2018 and 2017, which are the responsibility of Plan management, are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

THE BOUDREAU PIPELINE
CORPORATION 401(K) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
(SEE INDEPENDENT AUDITOR'S REPORT)

NOTE 1 - Description of the Plan

The following description of the Boudreau Pipeline Construction 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan covering all eligible employees of Boudreau Pipeline Corporation (the Company) who have been credited with 1,000 hours of service and completed one year of service. If hired under a prevailing wage contract, the employee is eligible to participate on their hire date. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

b. Contributions

Participants direct the investment of their contributions into various investment options offered by the Plan. Profit sharing and matching amounts may be contributed at the option of the Company's Board of Directors and are invested in a portfolio of investments.

c. Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contribution and, Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on the participant's account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 - Description of the Plan (continued)

d. Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant's vested percentage is determined under the following schedule:

Years of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

e. Forfeited Accounts

These amounts can used to pay any administrative expenses and reduce Company contributions. Forfeitures amounted to $29,046 and $5,825 for the years ended December 31, 2018 and 2017. These amounts were used to reduce Company contributions.

f. Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a ten-year period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Benefits are recorded when paid.

NOTE 1 - Description of the Plan (continued)

g. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. The Plan administrator believes that the estimates utilized in preparing its financial statements are reasonable and prudent. Accordingly, actual results could differ from these estimates.

h. Date of Management's Review

Subsequent events were reviewed through August 6, 2019, which is the date the financial statements were available to be issued.

i. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

j. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

k. Operating Expenses

All expenses of maintaining the Plan may be paid by the Company.

NOTE 1 - Description of the Plan (continued)

l. Information Prepared and Certified by the Trustee

The information included in the accompanying schedules of assets held for investment purposes as of December 31, 2018 and 2017 was obtained from data that has been prepared and certified to as complete and accurate by the trustee. The trustee is John Hancock Life Insurance Company (U.S.A.).

m. Participant Loans

Participants may borrow from their accounts, under certain hardship circumstances, up to the lesser of $50,000 or 50% of their vested balance. The loans are secured by the remaining balance in the participant's account and bear interest at a rate which is commensurate with local prevailing rates as determined by the Trustee. Principal and interest are paid ratably through payroll deductions.

NOTE 2 - Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair market value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 2 - Fair Value Measurements (continued)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses the appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using level 2 inputs because they generally provide the most reliable evidence of fair value.

a. Level 2 Fair Value Measurements

The fair value of corporate bonds and U.S. government securities are valued using a market approach on yields currently available on comparable securities of issuers with similar credit ratings.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2018 and 2017:

		Fair value measurements at the end of the reporting period using:
	Fair Value	(Level 2)
December 31, 2018:		
Mutual Funds	$ 6,390,809	$ 6,390,809
December 31, 2017:	$ 6,499,339	$ 6,499,339
Mutual Funds		

NOTE 3 - Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 4 - Income Tax Status

The Internal Revenue Service has determined and informed the Company that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt. The income tax returns of the Plan are subject to examination by the IRS for three years after they were filed.

NOTE 5 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such change could materially affect the participant's account balance and the amounts reported in the statement of net assets available for benefits.

NOTE 6 - Party-in-interest Transactions

Certain investments of the Plan are shares of pooled separated accounts managed by an affiliate of the Custodian. The Custodian and the Sponsor are each a party-in-interest to the Plan; however, such transactions are permitted under ERISA.
