Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

PRIEFERT MANUFACTURING CO., INC. 401(k) RETIREMENT TRUST
Notes to the Financial Statements
December 31, 2018 and 2017

NOTE 1 - SUMARY OF SIGNIFICANT PLAN PROVISIONS

The following description of the Priefert Manufacturing Co., Inc. (Company) 401(k) Retirement Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established January 1, 1969, and has been subsequently restated as required by regulatory changes and revised reporting requirements, the latest restatement being effective January 1, 2017. The Plan is a defined contribution plan covering all employees of Priefert Mfg. Co., Inc.; Priefert Complex Designs, LLC; PMCI Management I, LC; Priefert Logistics, LP; BENT Properties, LLC; DFW Steel, LLC; and NW Steel, LLC (the Employers) who have completed a minimum of six months of service. Participation in the Plan is voluntary. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective January 1, 2016, a Plan amendment allowed DFW Steel, LLC employees to begin participating once eligibility requirements were met. Effective January 1, 2017, a plan amendment allowed NW Steel, LLC employees to begin participating once eligibility requirements were met.

Recent Accounting Pronouncements

During 2017 and 2018, there were no new accounting pronouncements adopted by the Plan.

Contributions

Each year, eligible participants may contribute pre-tax and ROTH post-tax compensation to their accounts, as defined in the Plan, subject to limitations determined by the Internal Revenue Service. Participants may also contribute or rollover amounts representing distributions from other qualified defined benefit or contribution plans. The Employers contribute on a discretionary basis at the option of their respective governing bodies. Contributions from employees are received from the Employers through payroll deductions of the Plan participants. For Plan years 2018 and 2017, the Plan contains a traditional automatic enrollment of 4% for eligible employees who have not made an elective deferral election or who have not opted-out of contributing.

Participants Loans

The Plan does not allow for loans to participants or beneficiaries.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. The Employers' contribution portion of their accounts are fully vested and non-forfeitable upon attainment of age sixty or upon the completion of six years of qualifying service. If an employee terminates because of death or disability, they become 100% vested. If a participant terminates employment other than because of death, disability, or retirement, vesting in the Employers' contributions made for the benefit of the participant accumulates at a rate of 20% after two years of service, 40% after three years, 60% after four years, 80% after five years, and 100% after six or more years.

NOTE 1 - SUMARY OF SIGNIFICANT PLAN PROVISIONS (Continued)

Forfeited Accounts

The portion of a terminated participant's account to which he or she is not entitled as a result of being less than fully vested is forfeited by the participant and may be used by any permissible method, including restoring forfeitures, reducing Company contributions (or reallocate as Company contributions), or to pay Plan expenses. At December 31, 2018 and 2017, forfeited, non-vested accounts were $85,838 and $28,111, respectively, which are available for future use, subject to reinstatement of the terminated employees' accounts.

Payment of Benefits

Benefits are recorded when paid. On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments, if the vested benefit exceeds $5,000. Vested Benefits not exceeding $5,000 must be distributed as soon as practicable following death, disability, or retirement. For termination of service due to other reasons, a participant may receive the employee portion (salary deferral or 401(k) portion) of his or her account as a lump-sum distribution. The vested portion of the Employer contribution (Company match) will be distributed five years following termination, if the vested benefit amount exceeds $5,000.

Unless a participant elects otherwise, payment of benefits must begin no later than sixty days after the close of the Plan year in which the participant attains the age of 60, or the termination of service, whichever is later. Distributions must begin no later than April 1 following the calendar year in which the participant attains the age of 70 1/2 for 5% owners and 70 1/2 or retirement for less than 5% owners.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Employers' contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan. Amounts forfeited by prior participants of their non-vested Employer contributions are available to be used by any permissible method, including restoring forfeitures, reducing Company contributions (or reallocate as Company contributions), or to pay Plan expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements were prepared on the accrual basis of accounting.

Cash Equivalents

The Plan considers all highly liquid investments with an original maturity of three months or less when purchased to be cash equivalents.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Valuation of Investments

In accordance with generally accepted accounting principles, investments in financial and nonfinancial assets are reported in a three-tiered hierarchy as follows:

Level I – Assets are based on quoted prices or unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the Plan's year end.

Level II – Assets are based on other than quoted prices or adjusted quoted prices of similar assets or liabilities in markets that are not active.

Level III – Assets are based on unobservable inputs, which shall reflect the Plan's own assumptions about the assets or liabilities.

This fair value hierarchy gives the highest priority to Level I assets and the lowest priority to Level III assets.

The Plan's investments are stated at fair value. Many factors are considered in arriving at fair value. In general, Level I investments are securities traded on a national securities exchange which are valued at the closing price on the last business day of the Plan year. As of May 2017, Guaranty Bancshares, Inc. completed an Initial Public Offering and is now publicly traded on the NASDAQ stock exchange under the "GNTY" trading symbol. The Level II investment in real estate is shown at appraised value which is determined by an independent appraisal performed every three years.

The Plan's investments, stated at fair value, consist primarily of shares in registered investment companies, equity securities, corporate bonds, and undeveloped land.

Administrative Expenses

The Plan permits the payment of Plan expenses to be made from the Plan's assets. Certain administrative expenses incurred by the Plan may be paid by the Company at its discretion and are excluded from these financial statements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator makes certain estimates and assumptions in the preparation of the financial statements that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 3 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will immediately become fully vested in their individual account.

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds which are managed by Baker Financial Services, Inc. or Guaranty Bank & Trust Wealth Management Group, who are the investment managers as defined by the Plan; therefore, these transactions are deemed to be party-in-interest transactions as defined by ERISA Title I, Section 406. Fees paid by the Plan for investment management services amounted to $95,268 and $83,474 for the years ended December 31, 2018 and 2017, respectively.

The Plan holds investment assets that include 96,996 shares of common stock of Guaranty Bancshares, Inc. Guaranty Bancshares, Inc., through their trust department, serves as an investment advisor to the Plan. Since Bill Priefert, a trustee of the Plan, is also a member of the Board of Directors of Guaranty Bancshares, Inc. as well as the principal shareholder of the Plan Sponsor, any transactions between the Plan and Guaranty Bancshares, Inc. are considered to be with a party-in-interest.

NOTE 6 – PROHIBITED TRANSACTIONS

During 2018, the Plan Sponsor did not remit certain participant contributions totaling $3,191 to the Plan in a timely manner, as defined by ERISA. The delay was due to administrative error. The contributions were remitted during 2018, with the exception of one, which was made in 2019. Subsequent to December 31, 2018, the Sponsor made an interest payment of $13 to compensate the participants for lost investment earnings relating to this prohibited transaction. Due to immateriality, this amount was not recorded in the employer contribution receivable at December 31, 2018.

NOTE 7 – INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated September 30, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been restated since receiving this determination letter; however, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

NOTE 8 - COMMITMENTS

At December 31, 2018 and 2017, $2,003,459 and $2,187,563, respectively, were due to former employees or their beneficiaries who had retired, terminated employment, or were deceased. These obligations will not be reported as deductions from net assets until payment is made.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities which are inherently exposed to various risks such as interest rate fluctuations and market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 10 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 7, 2019, the date on which the financial statements were available to be issued.

Effective July 1, 2019, the Plan was amended to have investments be self-directed by participants, modify qualifications of eligible employees, reduce the initial eligibility period, modify the vesting schedule, amend the timing and payment of distributions of employee funds at termination or upon permanent disability or death, and to allow hardship withdrawals in certain circumstances.

Effective September 18, 2019, the plan was amended to further modify distributions related to hardship withdrawals.
