The Board of Directors
Vi
Chicago, Illinois

Ladies and Gentlemen:

We have audited the financial statements of Vi Retirement Plan (the Plan) as of December 31, 2018 and 2017 and for the year ended December 31, 2018, and issued our report thereon under date of October 4, 2019. Under our professional standards, we are providing you with the accompanying information related to the conduct of our audits.

Our Responsibility under Professional Standards

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform any auditing procedures with respect to information summarized in note 3, which was certified by Wells Fargo Trust Operations, the custodian of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. Because of the significance of the information that we did not audit, we are unable to and do not express an opinion on the financial statements and supplemental schedule taken as a whole. We are responsible for forming and expressing an opinion that the form and content of the financial statements and supplemental schedule, which have been prepared by the plan administrator with the oversight of the board of directors, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. We have a responsibility to perform our audits of the information included in the financial statements and supplemental schedule, other than the information certified by the custodian, in accordance with professional standards. In carrying out this responsibility, we planned and performed the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether caused by error or fraud. Because of the nature of audit evidence and the characteristics of fraud, we are to obtain reasonable, not absolute, assurance that material misstatements are detected. We have no responsibility to plan and perform the audits to obtain reasonable assurance that misstatements, whether caused by error or fraud, that are not material to the financial statements are detected. Our audits do not relieve the plan administrator or the board of directors of their responsibilities.

In addition, in planning and performing our audit of the financial statements, we considered internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We also have a responsibility to communicate significant matters related to the financial statement audits that are, in our professional judgment, relevant to the responsibilities of the board of directors in overseeing the financial reporting process. We are not required to design procedures for the purpose of identifying other matters to communicate to you.

KPMG LLP is a Delaware limited liability partnership and the U.S. member firm of the KPMG network of independent member firms affiliated with KPMG International Cooperative ("KPMG International"), a Swiss entity.

Other Information in Documents Containing Audited Financial Statements

Our responsibility for other information in documents containing the Plan's financial statements and our auditors' report thereon does not extend beyond the financial information identified in our auditors' report, and we have no obligation to perform any procedures to corroborate other information contained in these documents. We have, however, read the other information included in the annual report Form 5500 submitted to the Department of Labor, and no matters came to our attention that cause us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

Accounting Practices and Alternative Treatments

Significant Accounting Policies are described in Note 2 to the Financial Statements

Unusual Transactions

During 2018, there were no transactions that were both significant and unusual or transactions for which there is a lack of authoritative guidance or consensus.

Qualitative Aspects of Accounting Practices

We have discussed with the plan administrator and management our judgments about the quality, not just the acceptability, of the Plan's accounting principles as applied in its financial reporting. The discussions generally included such matters as the consistency of the Plan's accounting policies and their application and the understandability and completeness of the Plan's financial statements, which include related disclosures.

Risk of Management Override of Controls

Management is in a unique position to perpetrate fraud because of management's ability to manipulate accounting records and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. Although the level of risk management override of controls will vary from entity to entity, the risk nevertheless is present in all entities.

Management Judgments and Accounting Estimates

The preparation of the financial statements requires management of the Plan to make a number of estimates and assumptions relating to the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period.

Uncorrected and Corrected Misstatements

Uncorrected Misstatements

In connection with our audit of the Plan's financial statements, we have not identified any significant financial statement misstatements that have not been corrected in the Plan's books and records as of and for the year ended December 31, 2018 and have communicated that finding to management.

Corrected Misstatements

In connection with our audit of the Plan's financial statements, we have not identified any significant financial statement misstatements related to accounts and disclosures that have not been corrected in the Plan's books and records as of and for the year ended December 31, 2018 and have communicated that finding to management.

Disagreements with Management

There were no disagreements with management on financial accounting and reporting matters that would have caused a modification of our auditors' report on the Plan's financial statements.

Management's Consultation with Other Accountants

To the best of our knowledge, management has not consulted with or obtained opinions, written or oral, from other independent accountants during the year ended December 31, 2018.

Significant Issues Discussed, or Subject to Correspondence, with Management

Major Issues Discussed with Management Prior to Retention

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with you and management each year prior to our retention by you as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship, and our responses were not a condition to our retention.

Material Written Communications

Attached to this letter please find copies of the following material written communications between management and us:

1. Engagement letter
2. Management representation letter.

Significant Difficulties Encountered During the Audit

We encountered no significant difficulties in dealing with management in performing our audit.

Other Significant Findings or Issues

No other significant findings or issues, arising from the audits are considered significant and relevant to those charged with governance were noted.

Independence

Our professional standards and other regulatory requirements specify that we communicate to you in writing, at least annually, all relationships between our firm and the Plan and persons in a financial reporting oversight role at the Plan and provide confirmation that we are independent accountants with respect to the Plan.

Confirmation of Audit Independence

We hereby confirm that as of October 4, 2019, we are independent accountants with respect to the Plan under relevant professional and regulatory standards.

Vi Retirement Plan and
Classic Residence Management Limited Partnership d/b/a Vi
71 South Wacker Drive
Chicago, Illinois 60606

Attention: Ms. Judy Whitcomb, Senior Vice President, Human Resources and Organizational Development

Ladies and Gentlemen:

This letter (Engagement Letter) confirms our understanding of our engagement to provide professional services to Vi Retirement Plan (the Plan).

Objectives and Limitations of Services

Audit Services

You have requested that we audit the Plan's financial statements and supplemental schedules (financial statements) as set forth in Appendix I.

We will conduct the audit in accordance with auditing standards generally accepted in the United States of America except that, as permitted by Regulation 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) and as instructed by you, we will not perform any auditing procedures with respect to investment information prepared and certified to by Wells Fargo Trust Operations, the trustee, other than comparing that information with the related information included in the financial statements. Because of the significance of the information that we will not audit, we will not express an opinion on the financial statements. The form and content of the information included in the financial statements, other than that derived from the information certified to by the trustee, will be audited by us in accordance with auditing standards generally accepted in the United States of America, and will be subjected to tests of your accounting records and such other procedures as we consider necessary in the circumstances, based on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to error or fraud, to enable us to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, there is an unavoidable risk that some material misstatements, fraud, prohibited transactions with parties in interest, other violations of ERISA rules and regulations, and noncompliance with laws and regulations may exist and not be detected by an audit of financial statements even though the audit is properly planned and performed in accordance with auditing standards generally accepted in the United States of America. Also, an audit is not designed to detect matters that are immaterial to the financial statements.

We will also perform certain limited procedures to the required supplementary information as required by auditing standards generally accepted in the United States of America. However, we will not express an opinion or provide any assurance on the information. Our report relating to the financial statements will include our consideration of required supplementary information.

KPMG LLP is a Delaware limited liability partnership and the U.S. member firm of the KPMG network of independent member firms affiliated with KPMG International Cooperative ("KPMG International"), a Swiss entity.

Subject to the remainder of this paragraph, we will issue a written report upon completion of our audit of the Plan's financial statements, addressed to the Board of Directors. We cannot provide assurance that a limited scope opinion will be expressed. Circumstances may arise in which it is necessary for us to further modify our opinion, add emphasis-of-matter or other-matter paragraphs or withdraw from the engagement. If, during the performance of our audit procedures, such circumstances arise, we will communicate to those charged with governance our reasons for modification or withdrawal.

You have not engaged us to prepare or review the Plan's Form 5500 filing with the DOL. Because the audited financial statements of the Plan are required to be filed with the Form 5500, professional standards require that we read the Form 5500 prior to its filing. The purpose of this procedure is to consider whether such information, or the manner of its presentation in the Form 5500, is materially inconsistent with the information, or the manner of its presentation, appearing in the financial statements. These procedures are not sufficient nor are they intended to ensure that the form is completely and accurately prepared. In the event that our report is issued prior to our having read the Form 5500, you agree not to attach such report to the financial statements included with the Form 5500 filing until we have read the completed Form 5500.

Internal Control over Financial Reporting

In making our risk assessments as part of planning and performing our audit of the financial statements, we will consider the Plan's internal control relevant to the preparation and fair presentation of the financial statements in order to determine the nature, timing, and extent of our audit procedures for the purpose of expressing an opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control.

The objective of our audit of the financial statements is not to report on the Plan's internal control and we are not obligated to search for material weaknesses or significant deficiencies as part of our audit of the financial statements. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our Responsibility to Communicate with Those Charged with the Plan's Governance

While the objective of our audit of the financial statements is not to report on the Plan's internal control and we are not obligated to search for material weaknesses or significant deficiencies as part of our audit of the financial statements, we will communicate, in writing, material weaknesses or significant deficiencies to those charged with governance to the extent they come to our attention.

We will report to those charged with governance, in writing, the following matters:

- Material, corrected misstatements that were brought to the attention of management as a result of audit procedures.
- Uncorrected misstatements accumulated by us during the audit and the effect that they, individually or in the aggregate, may have on our opinion in the auditor's report, and the effect of uncorrected misstatements related to prior periods.
- Significant difficulties and disagreements with management, if any, encountered during our audit.
- Other matters required to be communicated by auditing standards generally accepted in the United States of America.

We will also read minutes, if any, of relevant committee meetings for consistency with our understanding of the communications made to those charged with governance and determine that those charged with governance have received copies of all material written communications between ourselves and management. We will also determine that those charged with governance have been informed of i) the initial selection of, or the reasons for any change in, significant accounting policies or their application during the period under audit, ii) the methods used by management to account for significant unusual transactions, and iii) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

To the extent that they come to our attention, we will inform the appropriate level of management about any instances of noncompliance or suspected noncompliance with laws and regulations, unless they are clearly inconsequential, material errors in the financial statements, and any instances of fraud, and we will assess whether all identified prohibited party-in-interest transactions are included in the supplemental schedule of nonexempt transactions. Further, to the extent they come to our attention, we also will communicate directly to those charged with governance any instances of noncompliance or suspected noncompliance with laws and regulations, unless they are clearly inconsequential, material errors in the financial statements, and any instances of fraud that involve senior management or that, in our judgment, cause a material misstatement of the financial statements.

As a part of our audit, we will perform certain procedures, as required by auditing standards generally accepted in the United States of America, directed at considering the Plan's compliance with applicable Internal Revenue Code (IRC) requirements for tax-exempt status, including inspecting the Plan's latest tax determination letter from the Internal Revenue Service (IRS). As we conduct our audit, we will be aware of the possibility that events affecting the Plan's tax status may have occurred. Similarly, we will be aware of the possibility that events affecting the Plan's compliance with the requirements of ERISA may have occurred. We will inform those charged with governance of any instances of tax or ERISA noncompliance that come to our attention during the course of our audit. However, our audit is not designed to nor is it intended to determine the Plan's overall compliance with applicable provisions of the IRC or ERISA.

Management Responsibilities

The Plan Administrator acknowledges and understands that they have responsibility for the preparation and fair presentation, in accordance with U.S. generally accepted accounting principles, of the financial statements and all representations contained therein. The Plan Administrator also is responsible for identifying and ensuring that the Plan complies with laws and regulations applicable to its activities and for informing us of any known instances of noncompliance or suspected noncompliance with laws and regulations. The Plan Administrator is also responsible for preventing and detecting fraud, including the design and implementation of programs and controls to prevent and detect fraud, for adopting sound accounting policies, establishing and maintaining effective record keeping, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statements and to provide reasonable assurance against the possibility of misstatements that are material to the financial statements whether due to error or fraud. The Plan Administrator is also responsible for informing us, of which it has knowledge, of all material weaknesses and significant deficiencies in the design or operation of such controls. The audit of the financial statements does not relieve the Plan Administrator or those charged with governance of their responsibilities.

The Plan Administrator also acknowledges and understands that it is their responsibility to provide us with: i) access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation, and other matters; ii) additional information that we may request from management for purposes of the audit; and iii) unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence. As required by auditing standards

generally accepted in the United States of America, we will make specific inquiries of the Plan Administrator and management about the representations embodied in the financial statements and the effectiveness of internal control and obtain a representation letter from management about these matters. The responses to our inquiries, the written representations, and the results of audit tests, among other things, comprise the evidential matter we will rely upon in forming an opinion on the financial statements.

The Plan Administrator is responsible for adjusting the financial statements to correct material misstatements and for affirming to us in the representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements being reported upon, taken as a whole.

Non-audit Service - Assistance in Preparing Financial Statements

We will assist management in preparing the financial statements and related notes in accordance with U.S. generally accepted accounting principles. We will use information from the trial balance and/or other source documents provided by management to assist management in preparing the financial statements and related notes.

Our responsibility is to assist management in preparing the financial statements and related notes using the information provided by management. We will not assume management responsibilities on behalf of the Plan Administrator. However, we may provide advice and recommendations to assist management of the Plan Administrator in performing its responsibilities.

The Plan Administrator agrees to:

- Assume all management responsibilities, including determining the accuracy and completeness of the financial statements and notes.
- Assign a suitable employee with appropriate skills, knowledge and/or experience to oversee the financial statement preparation assistance and evaluate the adequacy and results of the services.
- Accept responsibility for the results of the financial statement preparation assistance.

Dispute Resolution

Any dispute or claim between the parties shall be submitted first to non-binding mediation and if mediation is not successful within 90 days after the issuance by one of the parties of a request for mediation then to binding arbitration in accordance with the Rules for Non-Administered Arbitration of the International Institute for Conflict Prevention and Resolution ("IICPR"). Any issue concerning the extent to which any dispute is subject to arbitration, or any dispute concerning the applicability, interpretation, or enforceability of these dispute resolution procedures, including any contention that all or part of these procedures is invalid or unenforceable, shall be governed by the Federal Arbitration Act and resolved by the arbitrators. By operation of this provision, the parties agree to forgo litigation over such disputes in any court of competent jurisdiction.

Mediation shall take place at a location to be designated by the parties using Mediation Procedures of the IICPR, with the exception of paragraph 2 (Selecting the Mediator). Arbitration shall take place in New York, New York and shall be governed by the Federal Arbitration Act, 9 U.S.C. §§ 1, et seq. Party-selected arbitrators shall be selected from the lists of neutrals maintained by either the IICPR or by JAMS, Inc., but the chair of the arbitration panel does not have to be selected from those specific lists. The arbitration panel shall have no power to award non-monetary or equitable relief of any sort except as provided in IICPR Rule 13 (Interim Measures of Protection). Damages that are inconsistent with any applicable agreement between the parties, that are punitive in nature, or that are not measured by the prevailing party's actual damages shall be

unavailable in arbitration or any other forum. In no event, even if any other portion of these provisions is held to be invalid or unenforceable, shall the arbitration panel have power to make an award or impose a remedy that could not be made or imposed by a court deciding the matter in the same jurisdiction.

Either party may seek to enforce any written agreement reached by the parties during mediation, or to confirm, enforce or vacate any final award entered in arbitration, in any court of competent jurisdiction, provided that any party moving to enforce, confirm or vacate any such agreement or award, as the case may be, will file such motion under seal unless prohibited under applicable court rules. Notwithstanding the agreement to such procedures, either party may seek equitable relief to enforce its rights in any court of competent jurisdiction.

Other Matters

All disputes between the parties (whether based in contract, tort, statute, regulation, or otherwise and whether pending in court or in an arbitral forum) shall be governed by and construed in accordance with the substantive and procedural laws of the State of New York, including without limitation, its statutes of limitations, without regard to the conflict of laws provisions of New York or any other state or jurisdiction. In the event that any term or provision of this Engagement Letter shall be held to be invalid, void or unenforceable, then the remainder of the Engagement Letter shall not be affected, and each such term and provision shall be valid and enforceable to the fullest extent permitted by law.

This Engagement Letter shall serve as the Plan Sponsor's authorization for the use of e-mail and other electronic methods to transmit and receive information, including confidential information, between KPMG and the Plan and between KPMG and outside specialists or other entities engaged by either KPMG or the Plan. The Plan Sponsor acknowledges that e-mail travels over the public Internet, which is not a secure means of communication and, thus, confidentiality of the transmitted information could be compromised through no fault of KPMG. KPMG will employ commercially reasonable efforts and take appropriate precautions to protect the privacy and confidentiality of transmitted information.

Except as permitted by law or as set forth in this paragraph, neither party shall acquire hereunder any right to use the name or logo of the other party or any part thereof, and any such use shall require the express written consent of the owner party. The Plan Sponsor agrees that KPMG may list the Plan as a client in KPMG's internal and external marketing materials, including KPMG websites and social media, indicating the general services rendered (e.g., "Vi Retirement Plan is an Audit client of KPMG LLP"). Further, for purposes of the services described in this Engagement Letter only, the Plan Sponsor hereby grants to KPMG a limited, revocable, non-exclusive, non-transferable, paid up and royalty-free license, without right of sublicense, to use all logos, trademarks and service marks of the Plan Sponsor solely for presentations or reports to the Plan or for internal KPMG presentations and intranet sites.

KPMG is a limited liability partnership comprising both certified public accountants and certain principals who are not licensed as certified public accountants. Such principals may participate in the engagements to provide the services described in this Engagement Letter.

KPMG, as an accounting firm, has an obligation to comply with applicable professional standards. Certain professional standards, including AICPA Code of Professional Conduct Section 1.700, "Confidential Client Information Rule," adopted by the American Institute of Certified Public Accountants and similar rules adopted by the boards of accountancy of many states, prohibit the disclosure of client confidential information without client consent, except in limited circumstances. KPMG represents to the Plan that KPMG will treat the Plan's confidential information in accordance with applicable professional standards.

KPMG may work with and use the services of other members of the international KPMG network of independent firms and entities controlled by, or under common control with, one or more KPMG member firms (together with KPMG, the "KPMG Firms") to provide services to the Plan. In connection with the performance of services under this Engagement Letter, the KPMG Firms may, in their discretion, utilize the services of third party service providers within or outside of the United States to complete the services under this Engagement Letter. KPMG Firms and such third parties may have access to your confidential information from offshore locations. In addition, KPMG uses third party service providers within and outside of the United States to provide, at its direction, back-office administrative and clerical, or analytical services to KPMG and these third party service providers may in the performance of such services have access to your confidential information. In particular, KPMG's audit technologies, software productivity tools and certain technology infrastructure and, necessarily, your confidential information, may be hosted in cloud environments operated by KPMG Firms or such third party service providers. In addition, KPMG Firms may have access to certain of your information in respect to engagement acceptance and other KPMG professional responsibilities such as maintaining independence and performing conflict checks. KPMG represents that it has technical, legal and/or other safeguards, measures and controls in place to protect your confidential information from unauthorized disclosure or use.

You also understand and agree that the KPMG Firms, with the assistance of third parties as outlined above, may use all the Plan's information for other purposes consistent with our professional standards, such as improving the delivery or quality of audit and other services or technology to you and to other clients, thought leadership projects, to allow you and other clients to evaluate various business transactions and opportunities, and for use in presentations to you, other clients and non-clients. When your information is used outside of the KPMG Firms or such third parties assisting them as outlined above, the Plan will not be identified as the source of the information.

It may be necessary or convenient for the Plan Administrator to use KPMG-owned or -licensed software, software agents, scripts, technologies, tools or applications (collectively "KPMG Technology") designed to extract data from the Plan's electronic books and records systems or other systems (collectively, "Systems"), in connection with the audit. The Plan Administrator understands and agrees that it is solely responsible for following appropriate change management policies, processes and controls relating to use of such technology (including without limitation appropriate backup of the Plan's information and Systems) (collectively, "Change Management Processes") before such KPMG Technology is utilized to extract data from the Systems. In the event the Plan Administrator fails to use such Change Management Processes or if such Change Management Processes prove to be inadequate, the Plan Administrator acknowledges that the Systems and/or KPMG Technology may not function as intended. In consideration of the foregoing, KPMG hereby grants the Plan Administrator the right to use KPMG Technology solely to facilitate the Plan Administrator's necessary or convenient provision of information to KPMG in connection with the audit, and this grant does not extend to any other purposes or use by third parties outside of your organization without our prior written approval, provided that third party contractors of the Plan having a need to know in order to perform their services to the Plan are permitted to use KPMG Technology to the extent necessary for such parties to perform such services, so long as the Plan Administrator has technical, legal and/or other safeguards, measures and controls in place to protect such KPMG Technology and the KPMG confidential information therein from unauthorized disclosure or use. Other than as expressly permitted hereby, the Plan Administrator agrees to keep KPMG Technology confidential, using no less than a reasonable standard of care to protect it from unauthorized disclosure or use, and to notify KPMG of any legal compulsions to disclose it, in accordance with the provisions governing legal demand of confidential information which appear in this engagement letter with respect to which the KPMG Technology is being used, *mutatis mutandis*. If the KPMG Technology is subject to any third party license terms and conditions before being provided to the Plan Administrator, the Plan Administrator may be required to accept such terms and conditions before using the KPMG Technology, in which case KPMG will provide such

license terms and conditions to the Plan Administrator in writing before the Plan Administrator elects to use the KPMG Technology.

Except as otherwise provided for in this Engagement Letter, neither party may assign, transfer or delegate any of its rights, obligations, claims or proceeds from claims arising under or relating to this Engagement Letter (including by operation of law, in which case the assigning party will, to the extent legally permissible, give as much advance written notice as is reasonably practicable thereof) without the prior written consent of the other party, such consent not to be unreasonably withheld. Any assignment in violation hereof shall be null and void.

Access to Audit Documentation by Regulators and Others

The audit documentation for this engagement is the property of KPMG. If KPMG receives a subpoena; other validly issued administrative, judicial, government or investigative regulatory demand or request; or other legal process requiring it to disclose the Plan Sponsor's confidential information ("Legal Demand"), KPMG shall, unless prohibited by law or such Legal Demand, provide prompt written notice to the Plan Sponsor of such Legal Demand in order to permit it to seek a protective order. So long as KPMG gives notice as provided herein, KPMG shall be entitled to comply with such Legal Demand to the extent required by law, subject to any protective order or the like that may have been entered in the matter. In the event KPMG is requested or authorized by the Plan Sponsor, or is required by law, rule, regulation or Legal Demand in a proceeding or investigation to which KPMG is not a named party or respondent, to produce KPMG's documents or personnel as witnesses or for interviews, or otherwise to make information relating to the service under the Engagement Letter available to a third party, or the Plan Sponsor, the Plan Sponsor shall reimburse KPMG for its professional time, at its then-current standard hourly rates, and expenses, including reasonable attorneys' fees and expenses, incurred in producing documents or personnel or providing information pursuant to such requests, authorizations or requirements.

We may also be requested to make certain audit documentation available to the DOL pursuant to authority provided by law or regulation. If so requested, access to such audit documentation will be provided. Furthermore, the DOL may obtain copies of selected audit documentation. The DOL may intend, or decide, to distribute the copies or information contained therein to others, including other government agencies. We agree to communicate to you on a timely basis any requests by the DOL for access to the audit documentation as part of its inspection process and when it desires direct contact with the Plan Administrator or those charged with governance.

Reports, Services and Associated Fees

Appendix I to this Engagement Letter lists the reports we will issue and the services we will provide as part of this engagement and our fees for professional services to be performed under this Engagement Letter.

In addition, fees for any special audit-related projects, such as research and/or consultation on special business or financial issues, will be billed separately from the audit fees for professional services set forth in Appendix I and may be subject to written arrangements supplemental to those in this Engagement Letter.

****

Our engagement herein is for the provision of annual audit services for the financial statements for the periods described in Appendix I, and it is understood that such services are provided as a single annual engagement. Pursuant to our arrangement as reflected in this Engagement Letter, we will provide the services set forth in Appendix I as a single engagement for each of the Plan's subsequent fiscal years until either the Plan Administrator or we terminate this agreement, or mutually agree to the modification of its terms. The fees for each subsequent year will be annually subject to negotiation and approval by the board of directors.

This Engagement Letter and any exhibits, attachments and appendices hereto, and amendments thereto agreed in writing by the parties, shall constitute the entire agreement between KPMG and the Plan Administrator with respect to the subject matter hereof and thereof, and supersede all other previous oral and written representations, understandings or agreements relating to the subject matter of this agreement.

We shall be pleased to discuss this Engagement Letter with you at any time. Please sign a copy of this letter and return it to us to indicate your acknowledgement of, and agreement with, the arrangements for our audit of the Plan's financial statements including our respective responsibilities.

Very truly yours,

KPMG LLP

Reports, Services and Associated Fees

Based upon our discussions with and representations of management, our fees for services we will perform are estimated as follows:

Limited scope audit of financial statements and supplemental schedules of the Plan as of December 31, 2018 and 2017, and for the year ended December 31, 2018, and the related notes to the financial statements, all of which are to be included in the Plan's Form 5500 proposed to be filed with the DOL.	$20,000 – $21,000

Unless we agree otherwise in writing, our fees shall be paid directly by the Plan Sponsor or from the assets of the Plan.

The above estimates are based on the level of experience of the individuals who will perform the services. In addition, expenses are billed for reimbursement as incurred. Circumstances encountered during the performance of these services that warrant additional time or expense could cause us to be unable to deliver them within the above estimates. We will endeavor to notify you of any such circumstances as they are assessed.

Where KPMG is reimbursed for expenses, it is KPMG's policy to bill clients the amount incurred at the time the good or service is purchased. If KPMG subsequently receives a volume rebate or other incentive payment from a vendor relating to such expenses, KPMG does not credit such payment to the client. Instead, KPMG applies such payments to reduce its overhead costs, which costs are taken into account in determining KPMG's standard billing rates and certain transaction charges which may be charged to clients.

All fees, charges and other amounts payable to KPMG under the Engagement Letter do not include any sales, use, excise, value added, income or other applicable taxes, tariffs or duties, payment of which shall be the Plan's sole responsibility, excluding any applicable taxes based on KPMG's net income or taxes arising from the employment or independent contractor relationship between KPMG and its personnel.

Dear Ms. Doughtie:

On March 27, 2018, the National Peer Review Committee accepted the peer review report on the most recent System Review of your firm and firm's response thereto.

As you know, the report had a peer review rating of pass with deficiency. The Committee accepted the aforementioned documents with the understanding that the firm has taken the actions outlined in its response to the report. The Committee determined that the corrective actions taken by the firm are sufficient such that no additional remedial action is needed. Compliance with these actions will be monitored during your firm's next review. The due date for your next review is September 30, 2020. This is the date by which all review documents should be completed and submitted to the administering entity.

Your firm's actions as documented in your response demonstrates its commitment to the objectives of the profession's practice-monitoring program.

Sincerely,

Michael Fawley

March 21, 2018

To the National Peer Review Committee

Ladies and Gentlemen:

This letter represents our response to the report issued in connection with the Peer Review of the firm's system of quality control for the accounting and auditing practice applicable to engagements not subject to PCAOB permanent inspection in effect for the year ended March 31, 2017.

Quality and integrity are the cornerstones of all the firm stands for, and that includes operating with the utmost respect and regard for the regulatory process. KPMG is committed to the highest standards of professionalism, integrity, and quality, and we are dedicated to the public and our clients. The conduct of these individuals referred to in the Peer Review Report was contrary to the firm's Code of Conduct, what we expect and demand of our people, and intolerable. We have taken appropriate, decisive, and timely remedial actions to ensure that the risk identified in the Peer Review Report that existed during the Peer Review period has been eliminated. The responsive actions of our senior leadership and our Board of Directors clearly demonstrates that the firm's tone at the top is strong and unwaveringly focused on conducting quality audits.

This tone at the top clearly was demonstrated even before the period under review had ended. As soon as firm leadership became aware, through an internal source in February 2017, of the inappropriate use of PCAOB confidential information, we immediately informed the PCAOB and the Securities and Exchange Commission ("SEC"), and opened an investigation conducted by outside counsel. Since then, when information came to the firm's attention which indicated that individuals had engaged in conduct contrary to the letter or the spirit of the regulatory process, our Code of Conduct, or compliance with the firm's system of internal controls, the firm took appropriate remedial action, including separating individuals from the firm.

We strongly believe the potential risk that was identified has been addressed and fully remediated. This included, as noted above, taking personnel action with respect to the individuals referred to in the Peer Review Report who were in leadership positions. This resulted in appointing a new Vice Chair-Audit (a former member of our Board of Directors), a new National Managing Partner-Audit Quality and Professional Practice group ("AQPP") (currently a member of our Board of Directors), and a new Inspections Leader (who previously was with the firm's Office of General Counsel). All were chosen for their roles, first and foremost, because of their demonstrated track record of sound judgment, professionalism, ethics, and integrity and their ability to inspire the trust of our people and instill the confidence of our clients.

In addition, we have taken several other actions to strengthen our culture and ensure the tone set by those at every level of leadership – in word and deed – encourages nothing but the utmost respect for the regulatory process. We are reestablishing and reinforcing integrity as the cultural cornerstone of the firm, with the expectation that every individual is personally responsible for the ethical environment of the firm. For example, we have:

- Changed reporting lines so that our Inspections Group now reports outside our Audit practice to our Vice Chairman - Legal, Risk and Regulatory;
- Changed the hiring practices with respect to personnel from the PCAOB;

KPMG LLP is a Delaware limited liability partnership and the U.S. member firm of the KPMG network of independent member firms affiliated with KPMG International Cooperative ("KPMG International"), a Swiss entity.

- Conducted concentrated values and culture sessions with the firm's Board of Directors, Management Committee, and other key leaders;
- Dedicated our 2017 Partners' Meeting and firm-wide Town Halls, involving all 32,000 of our professionals, to values and culture;
- Released a new Code of Conduct to all professionals; and
- Launched a cultural assessment process, to be driven by an internal team and an independent third party.

KPMG is committed to constantly enhancing our system of quality controls, and we take seriously our responsibilities to the public and our clients. We believe these actions, which reinforce the firm's long-standing commitment to audit quality, have remediated the risk identified in the Peer Review Report, which resulted in the deficiency noted. Although unacceptable, we have confidence that the conduct did not impact any of the firm's audit opinions or any client's financial statements.

Respectfully submitted,

KPMG LLP

Report on the Firm's System of Quality Control

March 21, 2018

To the Partners of KPMG LLP and the National Peer Review Committee

We have reviewed the system of quality control for the accounting and auditing practice of KPMG LLP (the firm) applicable to engagements not subject to PCAOB permanent inspection in effect for the year ended March 31, 2017. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a System Review as described in the Standards may be found at www.aicpa.org/prsummary. The summary also includes an explanation of how engagements identified as not performed or reported in conformity with applicable professional standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

Firm's Responsibility

The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported in conformity with professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on our review.

Required Selections and Considerations

Engagements selected for review included engagements performed under *Government Auditing Standards*, including compliance audits under the Single Audit Act, audits of employee benefit plans, audits performed under FDICIA, audits of carrying broker-dealers, and examinations of service organizations [SOC 1 and SOC 2 engagements].

As a part of our peer review, we considered reviews by regulatory entities as communicated by the firm, if applicable, in determining the nature and extent of our procedures.

Deficiency Identified in the Firm's System of Quality Control

We noted the following deficiency during our review:

1. Certain individuals of the firm, including former members of senior management for part of the peer review year ended March 31, 2017, participated in or were aware of improper actions related to audit engagement selections ahead of planned inspections by one of the firm's regulators. These individuals failed to take action to prevent or properly report the knowledge or possession of confidential information by either overriding or failing to enforce controls established by the firm.

Actions by these individuals including the involvement of senior audit management caused us to conclude that the failure of these individuals to comply with the firm's quality control policies and procedures related to leadership responsibilities, relevant ethical requirements and monitoring could have created a situation during the peer review year ended March 31, 2017 in which the firm would not have reasonable assurance of performing or reporting in conformity with applicable professional standards in one or more important respects. Accordingly, we have concluded that this matter presented a deficiency in the firm's system of quality control during the applicable period. The firm is taking responsive actions to remediate this deficiency.

Opinion

In our opinion, except for the deficiency previously described, the system of quality control for the accounting and auditing practice of KPMG LLP applicable to engagements not subject to PCAOB permanent inspection in effect for the year ended March 31, 2017, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency(ies)*, or *fail*. KPMG LLP has received a peer review rating of *pass with deficiency*.

Ladies and Gentlemen:

We are providing this letter in connection with your audits of the statements of net assets available for benefits of VI Retirement Plan (the Plan) as of December 31, 2018 and 2017, the related statement of changes in net assets available for benefits for the year ended December 31, 2018, the related notes to the financial statements, and the supplemental schedule of Schedule H, line 4i-schedule of assets (held at end of year) as of December 31, 2018. We understand that, at our instruction, you did not perform any auditing procedures with respect to information prepared and certified to by Wells Fargo Trust Operations, the custodian, in accordance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) (DOL Regulation 2520.103-5), other than comparing such information to the financial statements and supplemental schedule.

Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and supplemental schedule taken as a whole.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves, as of October 4, 2019:

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated May 8, 2019, for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles.

2. We have made available to you:

   a. All records, documentation, and information that is relevant to the preparation and fair presentation of the financial statements;

   b. Additional information that you have requested from us for the purpose of the audit;

   c. Unrestricted access and the full cooperation of personnel within the entity from whom you determined it necessary to obtain audit evidence;

d. All minutes of the meetings of the Retirement Committee for the Vi Retirement Plan, or summaries of actions of recent meetings for which minutes have not yet been prepared. All significant board and committee actions are included in the summaries; and

e. Amendments made to the plan instrument, the trust agreement, or insurance contracts during the year, including amendments to comply with applicable laws.

3. Except as disclosed to you in writing, there have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices, operations of the Plan, or other matters that could have a material adverse effect on the financial statements.

4. We have disclosed to you, in writing, all known instances of non-compliance or suspected non-compliance with laws and regulations, whose effects should be considered when preparing financial statements.

5. All material transactions have been recorded in the accounting records and are reflected in the financial statements.

6. We have disclosed to you all side agreements or other arrangements (either written or oral).

7. All events subsequent to the date of the financial statements and through the date of this letter for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.

8. We have disclosed to you, in writing, all other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions/prohibited party-in-interest transactions, loans or loans in default, or events that may jeopardize the tax status).

9. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 450, *Contingencies*.

10. We are not aware of any pending or threatened litigation, claims, and assessments whose effects should be considered when preparing the financial statements and we have not consulted legal counsel concerning litigation, claims, or assessments.

11. There are no uncorrected financial statement misstatements.

12. We acknowledge our responsibility for the design, implementation, and maintenance of programs and controls to prevent, deter, and detect fraud; for adopting sound accounting policies; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements and to provide reasonable assurance against the possibility of misstatements that are material to the financial statements, whether due to error or fraud. We understand that the term "fraud" is defined as an intentional act by one or more individuals among management, those charged with governance, employees, or third parties, involving the use of deception that results in a misstatement in financial statements that are the subject of an audit.

    Misstatements arising from fraudulent financial reporting are intentional misstatements, or omissions of amounts or disclosures in financial statements to deceive financial statement users. Misstatements arising from misappropriation of assets involve the theft of an entity's assets where the effect of the theft causes the financial statements not to be presented in conformity with U. S. generally accepted accounting principles.

13. There are no deficiencies, significant deficiencies, or material weaknesses in the design or operation of internal control over financial reporting of which we are aware, which could adversely affect the Plan's ability to initiate, authorize, record, process, or report financial data. We have applied the

definitions of a "significant deficiency" and a "material weakness" in accordance with the definitions in AU-C Section 265.07, *Communicating Internal Control Related Matters Identified in an Audit.*

14. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

15. We have no knowledge of any fraud, or suspected fraud, affecting the Plan involving:

    a. Management/Plan Administrator,

    b. Employees who have significant roles in internal control, or

    c. Others where the fraud could have a material effect on the financial statements.

16. We have no knowledge of any allegations of fraud, or suspected fraud, affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.

17. The Plan or Plan sponsor has no plans or intentions to terminate the Plan or merge the Plan into or with another plan.

18. We have no knowledge of any officer or member of governing body of the Plan or Plan sponsor, or any other person acting under the direction thereof, having taken any action to fraudulently influence, coerce, manipulate, or mislead you during your audit.

19. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.

20. We have disclosed to you the identity of the Plan's related parties and parties-in-interest and all the related party and party-in-interest relationships and transactions of which we are aware.

21. The following have been properly recorded or disclosed in the financial statements and supplemental schedules:

    a. Related party relationships and transactions, of which we are aware, in accordance with U.S. generally accepted accounting principles (including parties-in-interest), including sales, purchases, loans, transfers, leasing arrangements, guarantees, ongoing contractual commitments, and amounts receivable from or payable to related parties.

    b. Party in interest relationships and transactions, as defined in ERISA section 3(14) and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, guarantees, ongoing contractual commitments, and amounts receivable from or payable to parties in interest.

       We understand that Section 3(14) of ERISA defines a "*party in interest*" to include fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons just listed. Although not identical, ERISA defines "parties in interest" in much the same way as FASB ASC Topic 850, *Related Party Disclosures*, defines the term related parties. As defined by ASC Topic 850, "related parties" includes affiliates of the entity; trusts for the benefit of employees, such as pension and profit-sharing trusts that are managed by or under the trusteeship of management; principal owners of the entity; its management; members of the immediate families of principal owners of the entity and its management; and other parties with which the entity may deal if one party controls or can significantly influence the management or operating policies of the other to an extent that one of the transacting parties might be prevented from fully pursuing its own separate interests. Another party also is a related

party if it can significantly influence the management or operating policies of the transacting parties or if it has an ownership interest in one of the transacting parties and can significantly influence the other to an extent that one or more of the transacting parties might be prevented from fully pursuing its own separate interests.

c. Non-exempt party-in-interest transactions (as defined in ERISA section 406 and 407(a)).

d. Investments in default or considered to be uncollectible.

e. Reportable transactions (as defined in ERISA section 103(b)(3)(H) and regulations thereunder.

f. Guarantees, whether written or oral, under which the Plan is contingently liable, including guarantee contracts and indemnification agreements pursuant to FASB ASC Topic 460, *Guarantees*.

g. Significant estimates and material concentrations known to management that are required to be disclosed in accordance with FASB ASC Topic 275, *Risks and Uncertainties* and FASB ASC Section 825-10-55, Financial Instruments – Implementation Guidance and Illustrations – General.

h. Amendments to the plan instrument, if any.

i. Changes in accounting principle affecting consistency.

22. The Plan has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets, nor has any asset been pledged as collateral.

23. The Plan has complied with all aspects of contractual agreements that would have a material effect on the financial statements, in the event of noncompliance.

24. The Plan has complied with the fidelity bonding requirements of ERISA.

25. All required filings of the Plan and trust documents with the appropriate regulatory agencies have been made.

26. The Plan is qualified under the appropriate section of the Internal Revenue Code and intends to continue as a qualified plan. We believe the Plan is being operated in a manner that did not jeopardize the continued qualification of the Plan.

27. The Plan has complied with IRS and DOL rules and regulations concerning the timely remittance of participant contributions and participant loan repayments to the trust containing assets for the Plan.

28. We have disclosed to you all accounting policies and practices we have adopted that, if applied to significant items or transactions, would not be in accordance with U.S. generally accepted accounting principles. We have evaluated the impact of the application of each such policy and practice, both individually and in the aggregate, on the Plan's current period financial statements, and the expected impact of each such policy and practice on future periods' financial reporting. We believe the effect of these policies and practices on the financial statements is not material. Furthermore, we do not believe the impact of the application of these policies and practices will be material to the financial statements in future periods.

29. We acknowledge our responsibility for the presentation of the supplementary information, which includes Schedule H, line 4i-schedule of assets (held at end of year) as of December 31, 2018 in accordance with the applicable criteria and/or prescribed guidelines and:

a. Believe the supplementary information, including its form and content, is fairly presented in accordance with the applicable criteria and/or prescribed guidelines;

b. The methods of measurement or presentation of the supplementary information have not changed from those used in the prior period; and

c. The significant assumptions or interpretations underlying the measurement or presentation of the supplementary information are reasonable and appropriate in the circumstances.

30. There are no tax provisions that have been accounted for in accordance with the provisions of FASB ASC Topic 820.

31. No events have occurred subsequent to the date of the statement of changes in net assets available for plan benefits and through the date of this letter that would require adjustment to or disclosure in the aforementioned financial statements.

Further, we confirm that we are responsible for the fair presentation in the Plan's statements of net assets available for benefits and changes in net assets available for benefits in conformity with U.S. generally accepted accounting principles, and for the fair presentation of the accompanying supplemental schedules in relation to the basic financial statements taken as a whole and in accordance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The financial statements and related footnotes are fairly presented in conformity with U.S generally accepted accounting principles and the notes include all disclosures required by laws and regulations to which the Plan is subject. We also acknowledge that we are responsible for the Plan's operation in compliance with ERISA, IRS, and DOL rules and regulations, including maintaining the qualification of the Plan's trust under those rules and regulations.
Very truly yours,

Vi Retirement Plan

Independent Auditors' Report

The Plan Administrator
Vi Retirement Plan:

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Vi Retirement Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2018 and 2017, and the related statement of changes in net assets available for benefits for the year ended December 31, 2018, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in note 3, which was certified by Wells Fargo Trust Operations, the Custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the Custodian as of December 31, 2018 and 2017, and for the year ended December 31, 2018, that the information provided to the plan administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

KPMG LLP is a Delaware limited liability partnership and the U.S. member firm of the KPMG network of independent member firms affiliated with KPMG International Cooperative ("KPMG International"), a Swiss entity.

Other Matters

The supplemental schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2018 is required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purposes of additional analysis and is not a required part of the financial statements. Because of the significance of the matter discussed in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance with DOL's Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

(1) Description of Plan

The following description of the Vi Retirement Plan (the Plan) (formerly known as the Classic Residence by Hyatt Retirement Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions. The Plan was adopted on January 1, 1990.

(a) General

The Plan is a defined-contribution plan sponsored by Classic Residence Management Limited Partnership and affiliated participating corporations (the Plan Sponsor) and covers substantially all employees who have attained age 21 and completed two months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors of the Plan Sponsor is responsible for oversight of the Plan. The Retirement Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Directors.

(b) Payment of Benefits

In the event of a participant's termination of employment by reason of voluntary or involuntary severance of employment, death, disability, or retirement, the participant shall be immediately entitled to their benefits under the Plan. For account balances exceeding $5,000 a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period of not more than the participants assumed life expectancy. For account balances less than $5,000, a participant may receive the value of the participant's vested interest in his or her account as a lump sum distribution. Benefits are recorded when paid.

(c) Vesting of Benefits

Participants are immediately vested in their contributions, qualified nonelective contributions, and rollover account balances plus actual earnings thereon. Effective January 1, 2013, employer-matching contributions become 100% vested immediately.

Forfeitures are applied to reduce company contributions to the Plan. At December 31, 2018 and 2017, forfeited nonvested accounts totaled $25,546 and $12,678, respectively. Forfeitures used to reduce employer contributions were $24,809 in 2018.

(d) Contributions and Funding Policy

Eligible participants can enroll in the Plan once age and service requirements are met. Plan participants may contribute up to 50% of pretax annual compensation, as defined in the Plan, or the Internal Revenue Service (IRS) limits of their compensation for each regular pay period. The limit for total participant contributions under IRS limits is $18,500 for 2018. The percentage election is made at the time of enrollment into the Plan, but may be changed or discontinued at any time. Effective January 1, 2005, employer-matching contributions are equal to 100% of the first 4% of an employee's elective contribution. For every dollar in excess of 4% of a participant's salary and limited to 6% of a participant's salary, the employer matches each participant's contribution in an amount equal to 50% of the participant's deferral.

In 2012 and prior years, employer-matching contributions were funded subsequent to year-end in accordance with IRS regulations. Effective January 1, 2013, the Plan increased the frequency of the employer-matching contribution from an annual match to a per-pay period match with the employer-matching contributions primarily being funded concurrently with remittance of employee deferrals to the Plan.

(e) Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the employers' contributions and (b) plan earnings. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers multiple investment options for participants, including mutual funds and a common collective trust fund.

(f) Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. Loan terms range from one to five years, or up to 20 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Interest rates on participant loans range from 5.25% to 7.50% at December 31, 2018 and mature through June 4, 2038. Principal and interest are paid ratably through monthly payroll deductions and are credited to participants' accounts at that time. Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 or 2017. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. At December 31, 2018, deemed loans totaled $133,735.

(g) Administrative Expenses

Plan administrative expenses are charged across all participant accounts.

(2) Summary of Significant Accounting Policies

(a) Basis of Presentation

The financial statements of the Plan have been prepared on the accrual basis of accounting.

(b) Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and the disclosure of contingent assets and liabilities. Estimates also affect the reported amount of increases and decreases to net assets available for benefits during the reporting period. Actual results could differ from those estimates.

(c) Investments

The investments of the Plan are held in trust by Wells Fargo Trust Operations (the Custodian of the Plan) and are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's realized gains and losses on investments bought and sold as well as held during the year.

(d) Subsequent Events

In connection with the preparation of the financial statements and in accordance with Accounting Standards Codification (ASC) Topic 855, *Subsequent Events*, the Plan has evaluated subsequent events through October 4, 2019, which was the date the financial statements were available to be issued.

(3) Information Certified by the Custodian

The Plan Sponsor has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2018 and 2017, and net appreciation (depreciation) in fair value of investments, interest income on notes receivable from participants, and dividend income for the year ended December 31, 2018 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Wells Fargo Trust Operations (the custodian of the Plan).

Certain plan investments are shares of mutual funds managed by the custodian; therefore, these transactions qualify as party-in-interest transactions.

(4) Related-Party Transactions

Certain plan investment options are managed by the custodian of the Plan whereby these transactions qualify as party in interest. Fees charged to the Plan by the custodian during the year ended December 31, 2018 were $178,199.

(5) Plan Termination

Although it has not expressed any intent to do so, the Plan's sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(6) Fair Value Measurements

The Plan applies the provisions of ASC Subtopic 820-10, *Fair Value Measurements and Disclosures – Overall*, for fair value measurements of financial assets and financial liabilities and for fair value measurements of nonfinancial items that are recognized or disclosed at fair value in the financial statements on a recurring basis. ASC Subtopic 820-10 establishes a fair value hierarchy that prioritizes the

inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1 – inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan has the ability to access the measurement date.

Level 2 – inputs are observable inputs to the valuation methodology other than Level 1 prices such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – inputs to the valuation methodology are unobservable and significant inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective fund: Valued at the NAV of shares held by the Plan at year-end at the closing price reported in the active market in which the individual securities are traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018:

		Total	Quoted prices in active markets for identical assets (Level 1)	Significant other observable inputs (Level 2)	Significant unobservable inputs (Level 3)
Net assets available for benefits:					
Mutual funds	$	65,150,395	65,150,395	—	—
Common collective fund		14,493,339	14,493,339	—	—
	$	79,643,734	79,643,734	—	—

(Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017:

	Total	Quoted prices in active markets for identical assets (Level 1)	Significant other observable inputs (Level 2)	Significant unobservable inputs (Level 3)
Net assets available for benefits:				
Mutual funds	$ 66,861,497	66,861,497	—	—
Common collective fund	13,666,416	13,666,416	—	—
	$ 80,527,913	80,527,913	—	—

The Plan had no transfers between Levels 1, 2, and 3 securities.

(7) Tax Status

The Plan received an IRS opinion letter dated March 31, 2014 related to the Plan prototype, indicating that it is qualified under Section 401(a) of the Internal Revenue Code (IRC), and therefore, the Plan is exempt from tax under Section 501(a) of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2013.

(8) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risk such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
