Independent Auditor's Report

To the Board of Trustees of
Textile Processors, Service Trades,
Health Care, Professional and
Technical Employees Local No. 1
Pension Fund
Cleveland, Ohio

We have audited the accompanying financial statements of the Textile Processors, Service Trades, Health Care, Professional and Technical Employees Local No. 1 Pension Fund (the "Plan"), which comprise the statements of net assets in liquidation available for benefits as of December 31, 2018 and 2017, and the related statements of changes in net assets in liquidation available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets in liquidation available for benefits of the Plan as of December 31, 2018 and 2017, and the changes in its net assets in liquidation available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matters – Plan Termination, Liquidation Basis of Accounting and Insolvency

As further discussed in Notes 1 and 3 to the financial statements, the Plan was terminated by mass withdrawal effective December 31, 2015. In accordance with accounting principles generally accepted in the United States of America, the Plan changed its basis of accounting from the going concern plan basis to the liquidation basis. Our opinion is not modified with respect to this matter.

As further discussed in Note 3 to the financial statements, the Plan became insolvent and began receiving financial assistance from the Pension Benefit Guaranty Corporation, a federal government agency. Our opinion is not modified with respect to this matter.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2018 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan

The following brief description of the Textile Processors, Service Trades, Health Care, Professional and Technical Employees Local No. 1 Pension Fund (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a multi-employer defined benefit plan established in 1967 pursuant to a trust agreement between Local No. 1 of the Textile Processors, Service Trades, Health Care, Professional and Technical Employees International Union (the "Local Union") and employers of employees represented by the Local Union. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Plan Insolvency and Termination

During 2015, the Plan became insolvent and began receiving financial assistance from the Pension Benefit Guaranty Corporation (the "PBGC"). In addition, effective December 31, 2015, the Plan was terminated under Section 4041A(a)(2) of ERISA. Refer to Note 3 for additional information regarding the insolvency and termination of the Plan.

Plan Benefits

The Plan provides for retirement benefits for the life of a vested participant payable at age 65. The Plan also provides for a Husband and Wife pension that provides a 50% or 75% surviving spouse benefit. Due to the termination of the Plan and the previous implementation of plan changes pursuant to the rehabilitation plan, adjustable benefits, including early retirement benefits and disability pensions, have been eliminated. Prior to the termination of the Plan, participants acquired vested status after completion of five years of vesting service.

Note 2. Summary of Significant Accounting Policies

- A. Basis of Accounting – The accompanying financial statements are prepared on the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America, although the liquidation of the Plan is not expected to be complete for a number of years. As a result, the Plan is unable to reasonably estimate the income and expenses that it expects to earn and incur, respectively, through the end of its liquidation.
- B. Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.
- C. Cash – The Plan places its temporary cash with a national financial institution which, at times, may exceed federally insured amounts. The actual balance may exceed the reported balance due to outstanding checks.

TECHNICAL EMPLOYEES LOCAL NO. 1 PENSION FUND

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

- D. Investment Valuation and Income Recognition – The Plan's investments as of December 31, 2018 and 2017 consist solely of an interest-bearing cash account. The account maintains daily liquidity and has a constant unit value of \$1, and is thus classified as Level 1 in the fair value hierarchy. Interest income is recorded on the accrual basis.
- E. Contributions – Contributions from employers are recognized when earned. Amounts not received as of December 31 are recorded as a receivable.
- F. Employer Withdrawal Liability – The Plan complies with the provisions of the Multiemployer Pension Plan Amendments Act of 1980 that require the imposition of withdrawal liability on a contributing employer that partially or totally withdraws from the Plan. When an employer withdraws from the Plan, it is assessed a withdrawal liability, calculated by the Plan's actuary, for its allocable unfunded vested liability. Due to uncertainty surrounding collection and possible settlements, the Plan recognizes employer withdrawal liability revenue, including interest, when received. See Note 4 for further details regarding employer withdrawal liability.
- G. PBGC Financial Assistance – The Plan does not have the resources, nor does it expect to have the resources in the future, to repay the promissory note described in Note 3. Accordingly, financial assistance from the PBGC is recorded as income when received and no liability is recorded on the statements of net assets in liquidation available for benefits for amounts owed under the promissory note.
- H. Fixed Assets – Office furniture and equipment is stated at cost. Depreciation is computed using the straight-line method over the assets' estimated useful lives and amounted to \$230 in each of the years 2018 and 2017. The net book value of fixed assets approximates the fair market value of fixed assets.
- I. Payment of Benefits – Benefit payments to participants are recorded upon distribution.
- J. Actuarial Present Value of Accumulated Plan Benefits – As described in Note 3, the Plan became insolvent in 2015 and began receiving financial assistance from the PBGC. Accordingly, the Plan has not determined the actuarial present value of accumulated plan benefits for the years ended December 31, 2018 and 2017, as actuarial valuations are not required for a plan year in which a plan receives financial assistance from the PBGC under section 4261 of ERISA.
- K. Subsequent Events – The Plan evaluated subsequent events through October 14, 2019, which is the date the financial statements were available to be issued.

Note 3. Plan Insolvency and Termination by Mass Withdrawal

In April 2015, the Plan became insolvent and began receiving financial assistance from the PBGC pursuant to Section 4261 of ERISA. In accordance with the terms of the agreement with the PBGC, the Board of Trustees amended the Plan to freeze and permanently suspend all benefit accruals. Future benefits will be based on a participant's credited service through the earlier of the date of the participant's termination of employment or June 30, 2015. Years of credited service on or after July 1, 2015 were frozen only in relation to the determination of the amount of a retirement benefit, but not as to qualification for any benefit under the Plan. The amendment did not impact then-present retirees, nor did it impact any benefits earned through June 30, 2015.

The maximum pension credit per year of service earned under the Plan is \$7.50, which is less than the PBGC Guaranteed Benefit of 100% of the first \$11.00 per service credit, therefore, there were no reductions to participants' monthly pension benefits after the Plan began receiving financial assistance from the PBGC.

The financial assistance received from the PBGC represents proceeds of a promissory note. Under the terms of the promissory note, the PBGC may lend the Plan additional amounts, as necessary, which shall be added to the outstanding principal balance of the note. In addition, the PBGC has waived the payment of annual insurance premiums by the Plan for any year in which it receives financial assistance; however, the unpaid premiums are added to the outstanding principal balance of the note. The promissory note also calls for interest to be accrued on the balance of the outstanding principal amount at the rate in effect under Section 6621(a)(2) of the Internal Revenue Code, compounded daily. As described in Note 2.G., there is no liability recorded on the statements of net assets in liquidation available for benefits for amounts owed to the PBGC.

During 2015, the Trustees declared that a mass withdrawal of contributing employers had occurred, resulting in the termination of the Plan under Section 4041A(a)(2) of ERISA, effective December 31, 2015.

Section 4041A of ERISA governs the payment of benefits to participants in terminated multiemployer plans. Section 4041A(c) provides that, except as provided in Section 4041A(f)(1), the plan sponsor of a plan terminated by mass withdrawal shall:

1. Limit the payment of benefits to benefits which are nonforfeitable under the Plan as of the date of termination and
2. Pay benefits attributable to employer contributions, other than death benefits, only in the form of an annuity, unless Plan assets are distributed in full satisfaction of all nonforfeitable benefits under the Plan.

Withdrawal liability, including redetermination liability and reallocation liability, were assessed to contributing employers, as applicable, pursuant to ERISA and PBGC regulations. See Note 4 for further information.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 4. Employer Withdrawal Liability

As discussed in Note 3, the Plan terminated by mass withdrawal effective December 31, 2015. In accordance with Section 4219 of ERISA, employers were assessed a withdrawal liability as a result of the permanent cessation of contributions to the Plan.

A contributing employer filed for bankruptcy in 2015 and subsequently began liquidation proceedings in 2016. The Plan filed a Proof of Claim in the amount of the withdrawal liability (\$6,578,029) owed to the Plan. Based upon the assets available in the liquidated estate, the Plan was offered and accepted a distribution of \$26,312, which was received and recorded as income in 2017. Another employer, who withdrew from the Plan in 2008 and was not subject to the mass withdrawal, made a lump sum payment of \$73,009 in 2017 for the remaining balance due on its withdrawal liability.

The total approximate withdrawal liability, including interest, due each year from two withdrawn employers, including one who had previously withdrawn from the Plan and was not subject to the mass withdrawal, is as follows:

2019	\$ 59,100
2020	52,200
2021	52,200
2022	52,200
2023	52,200
2024 - 2025	85,900
Per annum thereafter, in perpetuity	15,000

Note 5. Funding

The Plan is funded by a) financial assistance from the PBGC, b) employer withdrawal liability, and c) employer contributions based on a collective bargaining agreement.

Note 6. Tax Status

The Plan obtained its latest determination letter dated January 21, 2016, in which the Internal Revenue Service stated that the Plan and related trust, as designed at the time of the 2015 application, are qualified under Section 401(a) of the Internal Revenue Code and, as such, are exempt from federal income tax. The Plan has since been amended; however, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. The Plan's management has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2018, there are no uncertain positions taken or expected to be taken that would require such recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. The Plan's management believes it is no longer subject to income tax examinations for years prior to 2015.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 7. Related Party/Party-in-Interest Transactions

The Plan shares administrative staff with the Local Union and the Textile Processors, Service Trades, Health Care, Professional and Technical Employees Local No. 1 Disability Benefit Fund (the "Disability Fund") for which it pays the Local Union for its pro-rata share of payroll and related taxes and benefits, and certain office expenses. The total amount paid to the Local Union for shared administration was \$74,828 and \$70,122 for 2018 and 2017, respectively, of which \$1,295 and \$6,536 was payable as of December 31, 2018 and 2017, respectively.

The Plan's investments consist of an interest-bearing cash account managed by Fifth Third Bank, the Custodian of the Plan, and therefore qualifies as a party-in-interest transaction. Total fees paid to Fifth Third Bank were \$12,381 and \$12,644 for the years ended December 31, 2018 and 2017, respectively.

Note 8. Risks and Uncertainties

Withdrawal liability is calculated based on certain assumptions pertaining to interest rates, inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Note 9. Lease Commitment

The Plan shares office space with the Local Union and Disability Fund, and pays its proportionate share of rent directly to an unrelated lessor. The lease agreement, which expired in 2017, calls for monthly rent of \$750 for the Plan's proportionate share. Total rental expense was \$9,000 for each of the years ended December 31, 2018 and 2017.
