Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 8, which was certified by the Voya Retirement Insurance and Annuity Company, custodian of the plan and United of Omaha Life Insurance Company, former custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that Voya Retirement Insurance and Annuity Company held the Plan's investment assets and executed investment transactions as of December 31, 2018 and for the period from November 4, 2017 to December 31, 2018, and that United of Omaha Life Insurance Company held the Plan's investment assets and executed investment transactions for the period January 1, 2017 to November 3, 2017. The plan administrator has obtained certifications from the custodians as of and for the years ended December 31, 2018 and 2017, that the information provided to the plan administrator by the custodians is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of assets (held at end of year) on page 11 as of December 31, 2018 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodians, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

PASTORAL COUNSELING SERVICE OF SUMMIT COUNTY, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2018 AND 2017

1. Description of Plan:

General:

The following brief description of Pastoral Counseling Service of Summit County, Inc. 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering all full-time employees of Pastoral Counseling Service of Summit County, Inc. (the "Company") who are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company's Board of Trustees is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions:

The Plan provides for pre-tax or post-tax employee salary deferral contributions up to a maximum of 100% of the annual compensation subject to maximum tax-deferred limitations established by the Internal Revenue Code. The post-tax contributions by participants are Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into the various investment options offered by the Plan.

The Plan provides for discretionary employer matching contributions as well as discretionary profit sharing contributions. Discretionary contributions are determined by the Company's finance committee and approved by the Company's Board of Trustees. The discretionary matching employer contribution rate authorized by the Company's Board of Trustees for 2018 and 2017 was 2% of compensation deferred and totaled \$83,298 for 2018 and \$88,420 for 2017. The Company did not make a discretionary profit sharing contribution in 2018 and 2017.

Vesting:

Participants are 100% vested immediately with respect to their compensation deferrals, employer matching contributions and employer discretionary profit sharing contributions.

Other:

Income is allocated to participant accounts based on earnings in the respective investment accounts.

YEARS ENDED DECEMBER 31, 2018 AND 2017

1. Description of Plan (continued):

Payment of benefits:

Participants may elect to withdraw all or a specified portion of their vested balances prior to their termination of employment subject to certain restrictions under the Plan. If participants suffer serious financial hardship, as defined by the Plan, they may withdraw any portion of their vested account in order to meet their financial needs. Participants may withdraw from their account when reaching the normal retirement age of 65. All accounts are subject to distribution upon the participant's termination, retirement, total disability or death.

On termination of service, participants may elect to receive a lump sum amount equal to the vested value of their account.

Benefits are recorded when paid.

Investment options:

Upon enrollment in the Plan, a participant may direct employee contributions, including the employer's portion into a number of investment options. Participants may change their investment elections daily.

2. Summary of significant accounting policies:

Basis of accounting:

The financial statements of the Plan are prepared on the accrual method.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates and assumptions.

Investment valuation and income recognition:

At December 31, 2018 and 2017, the Plan maintained the guaranteed investment contract (2018) and pooled separate account investments (2018 and 2017) certified by Voya Retirement Insurance and Annuity Company (Voya). The guaranteed investment contract was the insurance company's guarantee backed by the underwriting insurance company's general asset account. The pooled separate accounts are an insurance company's separate account maintained by the insurance company that invests in underlying mutual funds.

PASTORAL COUNSELING SERVICE OF SUMMIT COUNTY, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2018 AND 2017

2. Summary of significant accounting policies (continued):

Investment valuation and income recognition (continued):

The pooled separate accounts are recorded at fair value, which is determined by quoted market prices, as provided by Voya at December 31, 2018 and 2017. The guaranteed investment contract was recorded at contract value. At December 31, 2018, the contract value was determined by Voya which was the value of the fund as of the last business day in the plan year plus any accrued interest through the last day of the plan year. There was no guaranteed investment contract option at December 31, 2017.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. These amounts were provided by Voya for the year ended December 31, 2018 and for the period November 4, 2017 through December 31, 2017 and United of Omaha Life Insurance Company (Mutual of Omaha) for the period January 1, 2017 through November 3, 2017.

Expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements (Note 6). Investment related expenses are included in net (decrease) increase in value of investments.

3. Investments:

The following table represents the fair value and contract value of investments at December 31, 2018 and 2017, as provided by Voya. All investments are participant directed.

	<u>2018</u>	<u>2017</u>
Pooled separate accounts (at fair value)	\$ 1,425,242	\$ 1,414,060
Guaranteed investment contract (at contract value)	<u>6,272</u>	<u>-</u>
	<u>\$ 1,431,514</u>	<u>\$ 1,414,060</u>

4. Fair value:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

PASTORAL COUNSELING SERVICE OF SUMMIT COUNTY, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2018 AND 2017

4. Fair value (continued):

Level 1 – Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the methodology include:

- Quoted market prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Assets measured at fair value on a recurring basis at December 31, 2018 and 2017 were as follows:

	<u>2018</u>	<u>2017</u>
	<u>Level 2</u>	<u>Level 2</u>
Pooled separate accounts	<u>\$ 1,425,242</u>	<u>\$ 1,414,060</u>

Fair value for pooled separate accounts is based upon the quoted market prices of the securities included in the underlying funds, which includes a mix of mutual funds. These assets are valued at the net asset value of units held by the Plan at year end.

5. Investment contracts with insurance companies:

The Plan participated in a fully benefit-responsive investment contract with Voya for the year ended December 31, 2018 and with Mutual of Omaha for the period January 1, 2017 through November 3, 2017. Voya and Mutual of Omaha maintain the contributions in a separate account. The accounts are credited with earnings on the underlying investment and charged for participant withdrawals and administrative expenses. Contract value, as reported to the Plan by Voya and Mutual of Omaha, represent contributions made under contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed accounts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2018 AND 2017

5. Investment contracts with insurance company (continued):

There were no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rates are based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Voya and Mutual of Omaha. Such events include the following (a) amendments to the plan documents (including complete or partial termination or merger with another plan), (b) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under the ERISA. The plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with plan participants, is probable.

The guaranteed interest accounts do not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The guaranteed minimum interest rate was 1.00% at December 31, 2018. No investment contracts were in place at December 31, 2017.

6. Administrative expenses:

A majority of the administrative expenses of the Plan are paid by the Plan's sponsor. Certain administrative functions are performed by employees of the Company. Neither any such employee, nor the Company, receives compensation from the Plan for these functions.

7. Party-in-interest transactions:

The Plan's investments are managed by affiliates of Voya or Mutual of Omaha. Voya and Mutual of Omaha are the custodians (for the respective periods) as defined by the Plan and, therefore, these transactions qualify as party-in-interest.

8. Certified investments:

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2018 and 2017, and net (decrease) increase in value of investments for the years ended December 31, 2018 and 2017, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Voya and Mutual of Omaha (custodians of the Plan), in accordance with Section 2520.103-5(c) of the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

PASTORAL COUNSELING SERVICE OF SUMMIT COUNTY, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2018 AND 2017

9. Income tax status:

The Internal Revenue Service has determined that the prototype plan under which the Plan is organized is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The prototype plan received the IRS determination letter dated January 22, 2018. The Plan is required to operate in conformity with the Code to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is exempt from taxation.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service and the Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2015.

10. Plan termination:

The Company expects to continue the Plan but reserves the right at any time and within its sole discretion to reduce, suspend or discontinue contributions to the Plan or to terminate the Plan.

11. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes would materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

12. Subsequent events:

In preparing these financial statements, the Plan's management has evaluated events and transactions for potential recognition or disclosure through September 4, 2019, the date the Plan's financial statements were available to be issued.
