Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Vanguard Fiduciary Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the 2018 financial statement. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee, as of and for the year ended December 31, 2018, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2018 financial statements. Accordingly, we do not express an opinion on the 2018 financial statements.

Other Matter - Report on Supplemental Information

The supplemental schedule of assets (held at end of year) as of December 31, 2018 and schedule of delinquent participant contributions for the year ended December 31, 2018 are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on these supplemental schedules referred to above.

Other Matter - 2017 Financial Statement

The financial statement of the Plan as of December 31, 2017, was audited by predecessor auditors. As permitted by 29 CFR 2520. 103-8 of the Department of Labor's rules and regulations for reporting and disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform and they did not perform, any auditing procedures with respect to the information certified by the trustee. Their report, dated September 29, 2018, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's rules and regulations for reporting and disclosure under ERISA.

Report on Form and Content on the 2018 Financial Statements in Compliance with Department of Labor's Rules and Regulations

The form and content of the information included in the 2018 financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The Polyclinic A P.C. 401(k) Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2018 and 2017 and for the Year Ended December 31, 2018

NOTE 1 - Description of the Plan

The following description of The Polyclinic A P.C. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement, as amended, for a more complete description of Plan provisions.

General

The Plan is a 401(k) salary deferral and profit sharing plan established by The Polyclinic A P.C. (the "Company") and is subject to provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Employees who are age 21 and older and complete 250 hours of service within the first three consecutive months of employment are eligible to make deferral elections on the first day of the next month after meeting eligibility requirements. If an employee does not complete the hours requirement during the specified time period, then the employee will be eligible upon completion of one year of service.

Participants are eligible for employer match and profit sharing contribution upon completion of one year of service, if they are employed on the last day of the Plan year, and complete a minimum of 1,000 hours of service each Plan year.

The Company is the plan sponsor and served as plan administrator, until December 31, 2018.

Effective December 31, 2018, the Company delegated its rights and responsibilities as plan administrator, except with respect to Plan investments, to the UnitedHealth Group Employee Benefits Plans Administrative Committee (the "Plan Administrator"). The Company delegated its rights and responsibilities for investment authority and oversight of the Plan to the UnitedHealth Group Employee Benefits Plans Investment Committee (the "Investment Committee"). The Investment Committee determines the appropriateness of the Plans' investment offerings and monitors investment performance.

Contributions

Each year, participants may contribute up to the maximum amount permissible under the Internal Revenue Code (the "Code"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Elective deferrals include pre-tax deferrals, Roth deferrals and rollover contributions. Eligible employees are automatically enrolled in the Plan as soon as administratively feasible after satisfying eligibility requirements at an employee pre-tax contribution rate of 3% of their eligible pay, unless they decline to participate within a prescribed time limit or they elect a different pre-tax and/or Roth contribution rate. Unless elected otherwise by the participant, deferrals are automatically increased annually by 1%, up to a maximum auto-deferral of 10%.

The Company may elect to make discretionary matching and profit sharing contributions to the Plan. Profit Sharing contributions are allocated to participants under a new comparability formula, with each participant constituting a separate allocation group. The total amount of Profit Sharing contributions are allocated among the allocation groups in portions determined by the Company. The Company may make a matching contribution equal to 100% of contributions up to 3% of eligible compensation deferred to the Plan in addition to a profit sharing contribution up to 3% of each participant's eligible compensation, for the year ending December 31, 2018. The Company may make an additional profit sharing contribution equal to 5.7% of excess compensation for those participants who earn greater than the Social Security maximum.

The Polyclinic A P.C. 401(k) Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2018 and 2017 and for the Year Ended December 31, 2018

NOTE 1 - Description of the Plan (cont.)

Participant Accounts

Each participant's account is credited or charged with the participant's deferral contributions; rollover contributions; the Company's discretionary matching contributions and profit-sharing contributions; investment earnings or losses; expenses; and forfeitures. The investment earnings or losses are allocated daily to each participant's account in the proportion that each participant's balance bears to the total balance of all participants' accounts in each investment. Allocations of the Company's discretionary profit-sharing contributions, if any, are based on the participant's eligible compensation or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the vested portion of the participant's account.

Investments Classification

All investments are participant directed. The Plan is intended to comply with ERISA section 404(c). Participants have the right to individually select the percentage of their accounts to be invested among different classifications of investments made available to them through a registered investment company.

Vesting

Participants are immediately vested in their salary deferral contributions, rollover contributions and Company discretionary matching contributions, if any, and actual earnings thereon. The Company's profit sharing contribution, if any, and earnings thereon vest in accordance with provision in the Plan as follows:

<u>Years of Service</u>	<u>Vesting</u>
Less than 2 years	0%
2	25%
3	50%
4	75%
5 or more	100%

Notwithstanding the vesting schedule above, profit sharing contributions, if any, will become fully vested (100%) upon the occurrence of any of the following events while the participant is employed by the Company: death, attainment of normal retirement age (age 65), disability, partial plan termination with respect to the participant, complete termination of the Plan or complete discontinuance of employer contributions.

Forfeited Accounts

As of December 31, 2018 and 2017, forfeited nonvested accounts totaled \$171,362 and \$1,704,455, respectively. During the year ended December 31, 2018, employer contributions were reduced by \$1,700,000 from forfeiture accounts. Forfeitures can be used to reduce future employer contributions or to pay certain administrative expenses.

The Polyclinic A P.C. 401(k) Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2018 and 2017 and for the Year Ended December 31, 2018

NOTE 1 - Description of the Plan (cont.)

Payment of Benefits

Benefits may be paid to the participant or beneficiary upon death, disability, and termination of employment as defined in the Plan document. The total vested portion of a participant's account balance may be distributed in the form of a lump-sum payment or partial withdrawal as defined in the Plan provision. Terminated employees with balances under \$5,000 will be automatically distributed as a lump-sum.

Participants experiencing financial hardship may withdraw a portion of their account balance as defined in the Plan provisions.

There are no amounts owed to participants who had elected to withdraw from the Plan, but had not been paid as of December 31, 2018 and 2017.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 (subject to reduction for certain loan balances in the prior 12 months) or 50% of their vested account balance. The loans are issued by the Plan and secured by the balance in the participant's account. All loans must be repaid within a period of five years, unless the loan is used to purchase a principal residence, in which case, the loan must be repaid within a reasonable period of time not to exceed ten years. Under the terms of the Plan agreement, Plan loans will bear a reasonable rate of interest determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

NOTE 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments held by a defined contribution plan are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and the trustee. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the gains and losses on investments bought and sold as well as held during the year.

The Polyclinic A P.C. 401(k) Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2018 and 2017 and for the Year Ended December 31, 2018

NOTE 2 - Summary of Significant Accounting Policies (cont.)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2018 or 2017.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net depreciation in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events through October 14, 2019, the date the financial statements were approved and available to be issued.

NOTE 3 - Information Prepared and Certified by Trustee

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2018 and 2017. Accordingly, the trustee for the Plan, Vanguard Fiduciary Trust Company (the "Trustee"), has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2018 and 2017, respectively, and the supplemental Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2018, and the related investment activity and interest income on notes receivable from participants reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2018.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2018 and 2017 and for the Year Ended December 31, 2018

NOTE 4 - Fair Value of Financial Instruments

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Unadjusted quoted prices for identical assets in active markets that the Plan can access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Unobservable inputs for the asset.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Money Market Fund: Valued at the closing price reported on the active market on which the funds are traded.

Mutual funds: Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 5 - Administration of Plan Assets

The Plan's assets are administered under a contract with the Trustee of the Plan. The Trustee invests funds received from contributions, investment sales, interest, and dividend income and makes distribution payments to participants.

NOTE 6 - Related Party and Party-in-interest Transactions

The Plan's investments are managed by the Trustee. These transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment manager services are included in net depreciation in fair value of investments. Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as exempt party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE 7 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2018 and 2017 and for the Year Ended December 31, 2018

NOTE 8 - Tax Status

The Plan uses a prototype plan document sponsored by the Trustee. The Trustee received an opinion letter from the Internal Revenue Service (IRS), dated May 28, 2014, which states the prototype document satisfies the applicable provisions of the Code. Although the Plan has been amended since receiving the opinion letter, the Company believes that the Plan is designed and being operated in compliance with the applicable requirements of the Code, and therefore believes the Plan is qualified and the related trust is tax exempt. The Company is aware of certain operational issues impacting the Plan. The Company is committed to taking all reasonable corrective action necessary and believes the Plan will maintain its qualified status. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

As of December 31, 2018 and 2017, the Plan had investments of \$22,400,883 and \$24,014,227, respectively, concentrated in one mutual fund investment that accounted for more than 10% of Plan assets.

NOTE 10 – Delinquent Participant Contributions

For the year ended December 31, 2018, the Company did not remit certain participant contributions to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Delinquent Participant Contributions Disclosure under ERISA. Untimely remittances identified on the Schedule of Delinquent Participant Contributions, which totaled \$448,056, were corrected subsequent to 2018. Additionally, the Company has compensated participants for lost earnings resulting from the delay in contributions.
