BUTLER BEHAVIORAL HEALTH SERVICES RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2018 AND 2017

NOTE 1 - DESCRIPTION OF PLAN

The following description of *Butler Behavioral Health Services Retirement Plan* (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan in which all eligible employees of Butler Behavioral Health Services, Inc. (the "Company") may participate except certain members of a collective bargaining unit, non-resident aliens, leased employees, and highly compensated employees. The Plan was established and in effect as of January 1, 2002 and is subject to certain requirements imposed by the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

The Plan covers all employees, as defined in the Plan, who have at least six consecutive months of service. Employees enter the Plan the first day of each calendar month coincident with or the next following satisfaction of the Plan's service requirements.

Contributions

Each year, participants may contribute to the Plan on a pretax basis up to the maximum percentage allowable, subject to certain Internal Revenue Code limitations. The participating employer may contribute a discretionary percentage of the amount deferred by the employees.

Employer Contributions

The Plan permits discretionary Company matching and non-elective contributions. Company matching and non-elective contributions, if any, are based on a discretionary percentage of a participant's elective deferral or a flat dollar amount allocated on a uniform basis to all participants. Company non-elective contributions, if any, are made solely on behalf of participants who are not highly compensated employees. The Company matching contributions were \$80,488 for the year ended December 31, 2018.

Participant Accounts

Each participant's account is credited with the participant's contribution and, if applicable, Company matching contributions, Company non-elective contributions, and Plan earnings, and charged with management or service fees. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service, based upon a graduating schedule. A participant is vested 20% after two years and 20% for each additional year of service. Automatic 100% vesting occurs upon attainment of normal retirement age (65), upon retirement due to disability, upon death, and upon termination of the Plan.

To have a year of service for vesting purposes, employees must complete at least 1,000 hours of service during the 12 months beginning on the day they start to work for their employer. If they do not, they must complete at least 1,000 hours of servicing any plan year. They complete a year of service only upon working for a full 12 months, regardless of when during the applicable 12-month period they complete 1,000 hours of service.

See Independent Auditor's Report and Financial Statements.

DESCRIPTION OF PLAN (CONTINUED)

Investment Options

Participants have the right to direct employer and employee contributions to any of the investment options offered by the Plan. The investment options are registered investment companies and include money market funds and various stock and bond funds. The fund values are computed daily by the custodians and reflect changes in the unit values of the investments.

Payment of Benefits

Upon retirement, death, disability or termination of employment with the Employers, the participant may elect to receive a single lump-sum cash payment. Also, upon reaching age 59 ½, participants may receive a lump-sum cash payment for any portion of their vested accounts on a yearly basis. Until a participant actually retires from the employment of the participant's employer, the participant shall continue to be treated in all respects as a participant.

Hardship Withdrawals

Participants may withdraw from the Plan part or all of the participant's contributions in the event of undue financial hardship. The maximum hardship withdrawal is the total of a participant's 100% vested balance. The Trustees shall determine what portion of all of such account balance is necessary to alleviate the hardship. A financial hardship must be one of the reasons specified below:

1. Medical expense incurred by the participant, the participant's spouse, or any dependents of the participant;
2. The purchase (excluding mortgage payments) of a principal residence of a participant;
3. Certain educational expenses for the participant, his or her spouse, or dependents of the participant;
4. The need to prevent the eviction of the participant from his or her principal residence or foreclosure on the mortgage of his or her principal residence; or
5. Other events as may be prescribed by the Internal Revenue Service Commissioner in revenue rulings, notices, and other documents of general applicability.

Employee Deferrals are suspended for 6 months following a hardship withdrawal.

Forfeitures

Participants who terminate their employment and are less than 100% vested in their employer account will forfeit the non-vested portion. Forfeitures are retained in the Plan and used to offset future expenses and employer contributions. For the plan year ended December 31, 2018, no forfeitures were used to offset expenses. For the years ended December 31, 2018, and 2017, the balance in the forfeiture account was \$15,373 and \$3,221, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting

The Plan follows the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Investments in shares of registered investment companies are reflected in the financial statements at fair value, using quoted market prices. Unrealized gains or losses, as a result of changes in fair value, are recorded in income of the current period.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on their ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The change in net unrealized appreciation/depreciation of investments held from the beginning of the plan year to the end of the plan year is included with realized gains/losses as net investment income/loss reported in the accompanying statement of changes in net assets available for plan benefits.

Payment of Benefits

Benefits are recorded when paid.

Transfers of Plan Assets

There were no transfers into or from the Plan for the year ended December 31, 2018.

Administrative Expenses

Certain administrative expenses are paid by the plan administrator. Management fees, asset fees, and account administrative expenses are paid by the participants.

Use of Estimates

The preparation of financial statements, in conformity with generally accepted accounting principles, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3 – DEPARTMENT OF LABOR LIMITED-SCOPE AUDIT

The plan administrator has elected the method of compliance as permitted by 29 C.F.R. 2520.103-5(c)(1) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan sponsor instructed the Plan's independent auditors not to perform any auditing procedures with respect to information certified by Voya Retirement Insurance and Annuity Company, the trustee of the Plan, and furnished to the plan sponsor. The plan sponsor has obtained certifications from the trustee that investment asset balances summarized below, and investment asset transactions, gains, and losses for the period January 1, 2018 through December 31, 2018 are complete and accurate.

Statements of Net Assets Available for Benefits:		
Interest in Pooled Separate Accounts	\$1,519,308	\$ 1,590,528

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") *Accounting Standards Codification* ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Fixed Account: Valued at the net asset value ("NAV") of shares held by the Plan at year end.

Mutual funds: Valued at the net asset value ("NAV") of shares held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018:

See Independent Auditor's Report and Financial Statements.

NOTE 5 - TAX STATUS

Although the Plan has not requested determination from the Internal Revenue Service as to the Plan's tax-exempt status, the master prototype plan which the Plan adopted has received favorable determination from the IRS. Plan management believes that the Plan is designed to operate in accordance with all applicable provisions of the Internal Revenue Code. Therefore, management believes that the Plan is qualified, and the related trust is exempt from taxation under the Internal Revenue Code. The plan Administrator is not aware of any action or event that has occurred that might affect the Plan's qualified status.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan sponsor would be liable for interest and penalties, if any, related to unrecognized tax benefits. The Plan's Forms 5500 are subject to examination by the respective taxing authorities, generally for three years after they were filed.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, interest not previously vested will become immediately, completely vested and nonforfeitable.

NOTE 7 – RELATED PARTY AND PARTIES IN INTEREST TRANSACTIONS

During the year ended December 31, 2018, there were transactions involving the investment of plan assets in investment funds maintained by Voya Retirement Insurance and Annuity Company, a party-

in-interest as defined in Section 3(14) of ERISA. Fees for recordkeeping were paid to Voya Retirement Insurance and Annuity Company in the amount of \$4,646.

NOTE 8 – FIDELITY BOND

As of December 31, 2018, the Plan was covered by a fidelity bond in the amount of \$500,000

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

NOTE 10 – COMPARATIVE STATEMENTS

Comparative Data

Certain amounts shown for the year ended December 31, 2017 in the accompanying financial statements are included to provide a basis for comparison with 2018 and present summarized totals only. Accordingly, the 2017 totals are not intended to present all information necessary for a fair presentation in conformity with accounting principles generally accepted in the United States of America. Such information was compiled from the Plan's tax return for year ended December 31, 2017.

NOTE 11 – SUBSEQUENT EVENTS

These financial statements have been reviewed for subsequent events through the date of this report. There are no material subsequent events.
