NETCARE CORPORATION EMPLOYEE RETIREMENT PROGRAM AND TAX DEFERRED ANNUITY PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN:

The following description of the Netcare Corporation Employee Retirement Program and Tax Deferred Annuity Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The amendment, restatement, and continuation of the Netcare Corporation Money Purchase Pension Plan, which was originally adopted on October 1, 1980, were effective July 1, 1996.

General: The Netcare Corporation Employee Retirement Program and Tax Deferred Annuity Plan is a defined contribution plan which is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Internal Revenue Code Section 401(a). The Netcare Corporation Tax Deferred Annuity Plan allows the employees the exclusive benefit under the Internal Revenue Code Section 403(b). The Plan was amended on April 9, 2017 so that participants may designate all or a portion of their elective deferrals as Roth elective deferrals. Amendment Number 3 to the Netcare Corporation Employee Retirement Program and Amendment Number 4 to the Netcare Corporation Tax Deferred Annuity Plan were made to the Plan, effective January 1, 2018, included the change that compensation excludes the reimbursement contributions. Plan Amendment 5 stated that the Entry Date means the Effective Date, and it becomes effective the first day of each Plan Year quarter.

Plan Amendment Number 6, with an effective date of January 1, 2018, contained an amendment that removes the requirement that a participant be employed on the last day of the plan year to be entitled to an employer contribution. Effective January 1, 2018, a participant who completes 1,000 hours of service during the plan year will be entitled to receive an employer matching contribution. The 1,000 hours of service requirement will be waived if the participant dies, retires, or becomes disabled during the plan year.

Eligible Employees: The Netcare Corporation Employee Retirement Program and Tax Deferred Annuity Plan covers all active employees of Netcare Corporation who have attained age 21, who have completed at least one year of service, and who have worked more than 1,000 hours or more in the twelve consecutive month period. All employees shall be eligible to begin participating in the Netcare Corporation Tax Deferred Annuity Plan as of employment commencement date.

Contributions: Netcare Corporation shall contribute to the Netcare Corporation Employee Retirement Program and Tax Deferred Annuity Plan for each plan year an amount equal to 5% of the participant's annual compensation for each participant if the Netcare Corporation has the funds to do so. For the years 2018 and 2017, Netcare Corporation did not make a contribution to the profit sharing plan. The Plan has a non-integrated contribution and allocation formula. Netcare Corporation can match the participant's contribution up to five percent to the Tax Deferred Annuity. In 2018, Netcare Corporation contributed a matching percent of up to four percent and in 2017, Netcare Corporation provided a match up to three percent.

Additional information is that the term "spouse" is used without any distinction between a same-sex spouse and an opposite-sex spouse, therefore, no plan amendment is necessary to reflect the recent Supreme Court decision.

NETCARE CORPORATION EMPLOYEE RETIREMENT PROGRAM AND TAX DEFERRED ANNUITY PLAN
NOTES TO THE FINANCIAL STATEMENTS, Continued

NOTE A - DESCRIPTION OF PLAN (Continued):

Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, (b) Plan earnings, and (c) forfeitures of terminated participants' nonvested accounts and charged with an allocation of any administrative expenses paid by the plan charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: For the Netcare Corporation Employee Retirement Program vesting occurs on an increasing percentage basis in relation to years of credited service. The vesting schedule for the employer contribution is 20% upon completion of three years of service and reaching 100% upon completion of seven years. There are two vesting schedules for the employer matching contributions. The first is for employees who were in the Plan prior to January 1, 2002. Its vesting schedule is 20% upon completion of three years of services and reaching 100% upon completion of seven years of service. The second vesting schedule is based on employees who came into the plan after January 1, 2002. Its vesting schedule is 20% percent upon completion of two years.

Rollovers: With the consent of the Plan Administrator, the third party administrator may receive and invest rollover contributions made by an Employee.

All elective deferrals made under the Netcare Corporation Tax Deferred Annuity shall be fully vested and nonforfeitable at all times.

Payments of Benefits: A Participant will be entitled to retirement benefits upon the distribution date coinciding with or immediately following his attainment of the normal retirement age. Once a Participant has reached his normal retirement age, his right to his Individual Participant Account shall be fully vested. The benefit shall be equal to the amount that can be provided pursuant to the form of distribution purchased by his Individual Participant Account.

A Participant who has attained the Plan's normal retirement age and who has not separated from service may receive a distribution of his or her vested Individual Participant Account.

A Participant shall be eligible for early retirement benefit when the age of 55 is attained, completes seven years of service, and terminates employment. Roth contributions may not be withdrawn as part of an in-service distribution.

A Participant will be deemed to be disabled if the Participant is receiving disability benefits under the federal Social Security Act. A disabled Participant shall be eligible for a disability retirement benefit when the participant terminates employment.

Upon retirement, disablement, or vested termination a Participant may elect in writing an optional form of distribution other than a Qualified Joint and Survivor Annuity for a married Participant and a life annuity for an unmarried Participant.

NETCARE CORPORATION EMPLOYEE RETIREMENT PROGRAM AND TAX DEFERRED ANNUITY PLAN
NOTES TO THE FINANCIAL STATEMENTS, Continued

NOTE A - DESCRIPTION OF PLAN (Continued):

Loans: The plan administrator may make loans from the Trust Fund to Participants who are "parties-in-interest" to the Plan as defined pursuant to ERISA Section 3(14). Roth contributions may not be withdrawn as part of a loan distribution. No more than two loans may be outstanding at a time for a participant. No loan will be approved for a participant until at least twelve months after the issuance of a previous loan for the participant. No new loans will be issued to a participant unless all outstanding loans for that participant, including deemed-distributed, are current.

The minimum loan amount is \$1,000. The maximum loan amount is \$50,000 reduced by the excess, if any, of the highest outstanding balance of loans from the Plan during the one-year period ending on the day before the date on which such loan will be made, over the outstanding balance of loans from the Plan on the date such loan will be made; or 50 percent of the present value of the participant's vested benefit under the Plan while employed with Netcare Corporation.

The Plan Administrator will establish a reasonable rate of interest, which will provide the Plan with a return comparable to the rates being charged by lending institutions in the same geographic locale as the Employer.

All loans must be adequately secured. It shall be the policy of the Plan not to make loans that require security other than the participant's vested interest in the Plan.

A Participant must obtain the written spousal consent prior to initiating the loan request and must present the Spousal Consent form to the Plan Sponsor prior to the distribution of the loan proceeds. The signature of the spouse must be witnessed by a notary public or the Plan Administrator.

The term of the loan must be at least 12 months. Repayments must be made not less frequently than quarterly, over a period not extending beyond five years from the date of the loan. If a loan was made for the purpose of acquiring a principal residence for the participant, repayments may be made for a period of one year to 30 years.

The Plan Administrator is solely responsible for determining if a loan should be defaulted.

Forfeitures: Forfeitures are accumulated and used to reduce future contributions of the Employer. In instances where there will not be employer contributions, the forfeitures will be distributed among the eligible participants or to pay for various Plan expenses. For 2018, the forfeitures were \$11,747.61 which were used to reduce the amount of the employer's contribution. For 2017, the forfeitures were \$8,842.29 of which \$400 was used to reduce the amount of the employer's contribution and \$100 was used to pay for expenses.

Date of Management's Review of Subsequent Events

Subsequent events were evaluated through October 9, 2019, which is the date the financial statements were available to be issued. The matching percentage has been increased to five percent as of February 1, 2019.

NETCARE CORPORATION EMPLOYEE RETIREMENT PROGRAM AND TAX DEFERRED ANNUITY PLAN
NOTES TO THE FINANCIAL STATEMENTS, Continued

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit responsive investment contracts.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2018 and 2017, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant loan receivable is recorded as a benefit payment based on the terms of the Plan document.

Excess Contributions Payable

Excess Contributions Payable totaling \$9,185 for contributions in excess of amounts allowed by the IRS have been returned to the participants before the end of the year.

Investments Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsible contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions are recognized on the accrual basis.

NETCARE CORPORATION EMPLOYEE RETIREMENT PROGRAM AND TAX DEFERRED ANNUITY PLAN
NOTES TO THE FINANCIAL STATEMENTS, Continued

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payments of Benefits

Benefits are recorded when paid.

Expenses

All operating expenses of the Plan are paid by Netcare Corporation and are therefore excluded from these financial statements except for the parts of the expenses paid from the forfeitures.

NOTE C - FAIR VALUE MEASUREMENTS

The Plan's investments are reported in the accompanying statement of net assets available for benefits, except for the Plan's Note Receivable-Participants. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instructions could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

There are no plan assets requiring the use of Level 2 and Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U. S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

NETCARE CORPORATION EMPLOYEE RETIREMENT PROGRAM AND TAX DEFERRED ANNUITY PLAN
NOTES TO THE FINANCIAL STATEMENTS, Continued

NOTE C - FAIR VALUE MEASUREMENTS (Continued)

Level 2 Fair Value Measurements

The fair value of corporate bonds and U. S. government securities are valued using a market approach on yields currently available on comparable securities of issuers with similar credit ratings.

All investments of the Plan are in Level 1. The following tables set forth the Plan's investments at fair value as of December 31, 2018 and 2017:

	Fair Value Measurement at the end of the Reporting Period
-	Quoted Prices In Active Markets for Identical Assets (Level 1)
	<u>December 31, 2018</u>
Money market funds	\$1,872,088
Mutual funds	4,853,622
U.S. government securities	249,997
Total Investments at fair value	<u>\$6,975,707</u>
	<u>December 31, 2017</u>
Money market funds	\$1,431,674
Mutual funds	5,758,570
U.S. government securities	153,845
Total Investments at fair value	<u>\$7,344,089</u>

Gains and losses(realized and unrealized) included in changes in net assets available for benefits for the years ended December 31,2018 and 2017, are reported in net depreciation or appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Level 1 and Level 2 and into and out of Level 3 at the end of the reporting period. For the years ended December 31, 2018 and 2017, there were no transfers into or out of Level 1, Level 2 and Level 3.

NOTE D - NOTES RECEIVABLE

In 2018, four notes were made totaling \$25,075 and there were repayments of \$71,493. There was a balance of \$89,453 and accrued interest added to the Notes in the amount of \$158 for a total due of \$89,611 as of December 31, 2018. In 2017, five notes were made totaling \$53,527 and there were repayments of \$91,091. There was a balance of \$135,871 and accrued interest added to the Notes in the amount of \$229 for a total of \$136,100 as of December 31, 2017.

NETCARE CORPORATION EMPLOYEE RETIREMENT PROGRAM AND TAX DEFERRED ANNUITY PLAN
NOTES TO THE FINANCIAL STATEMENTS, Continued

NOTE E - RELATED PARTY TRANSACTIONS

Netcare Corporation, sponsor of the Plans, paid for the preparation of the audit cost, insurance, and bond costs.

There was an investment option available to the participants which was under the management of the third party administrator. The investment vehicle is AUL Fixed Account, which had a balance of \$1,757,569 as of December 31, 2018 and \$1,431,674 as of December 31, 2017. All of these party-in-interest transactions are exempt from the prohibited transactions of ERISA.

As of December 31, 2018, the chief financial officer of the Plan had two notes of which one was obtained in 2016 for \$15,075 and one was obtained in 2014 in the amount of \$12,000. The total amount of notes due was \$9,549 and \$15,122 as of December 31, 2018 and 2017 respectively.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

NOTE G - INVESTMENT CONTRACT WITH THIRD PARTY ADMINISTRATOR:

The Plan's investments are held by American United Life Insurance Company, Plan Administrator, which allocates funds to the group annuity contracts. The Plan Administrator has allowed the Participants to invest or reinvest the assets comprising their Participant's Individual Accounts.

The accounts are credited with earnings on the underlying investments and charged or Plan withdrawals and administrative expenses. The contract is included in the financial statements at contract value, which approximate fair value, as reported to the Plan by American United Life Insurance Company. Contract value represents contributions made under the contract, plus earnings, less Plan withdrawals and administrative expense.

NOTE H - TAX STATUS

A determination from the Internal Revenue Service has been received for the changes made effective July 1, 1996 for the Netcare Corporation Employee Retirement Program and Tax Deferred Annuity Plan, effective January 13, 1999.

A determination from the Internal Revenue Service has been received as of November 9, 2010 for the amendments executed on November 24, 2009 and July 29, 2008, March 2, 2007 and February 10, 2006, June 3, 2005 and December 15, 2003 to the Netcare Corporation Employee Retirement Program and Tax Deferred Annuity Plan.

American United Life Insurance Company reported changes to the Internal Revenue Service for changes in the loan provisions and for updating the Plan to be in conformity with recent changes according to ERISA.

NOTE H - TAX STATUS (Continued)

The changes to the Plan as of January 1, 2014 were reported to the Internal Revenue Service. A favorable determination was received from the Internal Revenue Service in a letter dated July 2017.

The Plan Administrator and representatives of American United Life Insurance Company believe that the Plans are designed and are currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax period in progress.

NOTE I - PLAN AMENDMENT

The Plan was amended effective July 1, 1996 by American United Life Insurance Company, and it is a prototype money purchase plan and 403(b) plan. The plan was also amended, effective June 19, 2000.

Effective January 1, 2006, the Plan was restated from a money purchase plan to a profit-sharing plan. The restatement allows the amount that Netcare Corporation contributes on behalf of employees to become a discretionary contribution, rather than a stated contribution as is currently required under the Money Purchase Plan rules. The Employer Matching Contributions feature was removed from the TDA/403(b) Plan.

The Plan has also been amended as of January 1, 2014 to include the change that compensation excludes the reimbursement of health insurance premiums and wellness contributions.

The Plan was restated as of December 31, 2014 to bring the Plan into compliance with the 2012 Cumulative List of Changes in Plan Qualification Requirements.

On October 31, 2016, an amendment to the Plan was signed which changes the Entry Date, which means the Effective Date, was changed from the semi-annual to the first day of each Plan Year quarter.

On September 7, 2017, an amendment to the Plan was signed which removes the requirement that a participant be employed on the last day of the plan year to be entitled to an employer contribution effective January 1, 2018, a participant who completes 1,000 hours of service during the plan year will be entitled to receive an employer matching contribution. The 1,000 hours of service requirement will be waived if the participant dies, retires or becomes disabled during the plan year.

NOTE J - SECTION 403(b) ADOPTION AGREEMENT

The adoption agreement of the principal provisions of the final Code Section 403(b) regulations were adopted in 2010. The Internal Revenue Service has determined and informed the Organization by a letter dated November 9, 2010 that the Plan is designed in accordance with applicable sections of the Internal Revenue

NOTE K - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' accounts balances and the amounts reported in the statement of net assets available for benefits.

Revenue Sharing Formula:

The investment options of the Plan include various portfolios within an AUL separate account. The separate account in turn invests in investment portfolios of certain open-end management investment companies. AUL receives indirect compensation from these investment companies for the services provided by AUL.

The compensation received by AUL is computed by each investment company by multiplying the daily account balance of the AUL separate account's interest in a particular portfolio by a predetermined percentage rate negotiated with the investment company. This indirect compensation is not charged to the plan or participants accounts but is paid directly by the investment company.

The investment company, the underlying investment portfolio, and the annual compensation percentages are shown below.
