***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the presentation of the financial statements in the circumstance. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion.

***Basis for Disclaimer of Opinion***

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by the Reliance Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the trustee as of and for the years ended December 31, 2018 and 2017, that the information provided to the plan administrator by the trustee is complete and accurate.

***Disclaimer of Opinion***

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

***Basis of Accounting***

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

***Other Matters***

The supplemental schedule of assets held for investment purposes as of December 31, 2018, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

***Report on Form and Content in Compliance With DOL Rules and Regulations***

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, has been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

# NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Envision Pharma, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

*General.* The Plan, created August 1, 2013, is a defined contribution plan covering all full-time employees of Envision Pharma, Inc. who are age 21 or older, except union employees, nonresident aliens, employees who are residents of Puerto Rico, and leased employees. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

*Contributions.* Each year, participants may contribute up to 90% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various registered investment companies - mutual funds as investment options for participants. Employees become eligible to enroll in the Plan on the later of the first day of the month after the month in which they are initially hired or after they have completed one pay period of service. Employees enroll on-line, choosing their deferred percentage and investment allocations. Envision Pharma, Inc., the plan sponsor, contributes 100% of the first 3%, and 50% of the next 2% of base compensation that a participant contributes to the Plan. The matching contribution is invested directly according to the employees' investment allocations. The plan sponsor may also make a discretionary non-elective profit sharing contribution to all eligible employees, as defined in the Plan. To be eligible for any such discretionary non-elective profit sharing contributions, employees must have completed one year of service and be age 21 or older. Contributions are subject to certain statutory limitations.

*Participant Accounts.* Each participant's account is credited with the participant's contribution and allocation of (a) the plan sponsor's matching contribution and, (b) plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Vesting.* Participants are immediately vested in their contributions, plus the plan sponsor's matching contributions, plus actual earnings thereon. Vesting in the plan sponsor's discretionary non-elective profit sharing contribution portion of their accounts is based on years of service. A participant is 100% vested after five years of credited service.

*Notes Receivable from Participants.* Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance, and are generally available for terms of 1-5 years except for the purchase of a primary residence. The notes are secured by the balance in the participant's account and, for the year ended December 31, 2018, bear interest at rates ranging from 3.25% to 6.25%, which are commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest is paid ratably through bi-weekly payroll deductions.

NOTE 1 - DESCRIPTION OF PLAN - Continued

*Payment of Benefits.* On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or in installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

*Forfeited Accounts.* These accounts represent the portion of any discretionary non-elective profit sharing contributions made by the plan sponsor that were allocated to participants who later terminated their employment with the plan sponsor before becoming fully vested in those contributions, and are used to first pay any administrative expenses, then used to reduce plan sponsor contributions. At both December 31, 2018 and 2017, there were no forfeited non-vested accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

*Basis of Accounting*

The Plan prepares its financial statements on the modified cash basis, which is a comprehensive basis of accounting other than generally accepted accounting principles. Under this basis of accounting, transactions are recorded on the cash basis of accounting, except that certain securities are recorded at fair value, with the net appreciation (depreciation) recorded on the statement of changes in net assets available for benefits – modified cash basis. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the Plan in conformity with generally accepted accounting principles.

*Investment Valuation and Income Recognition*

Investments in registered investment companies - mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management of the plan sponsor determines the Plan's valuation policies. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Total investments at December 31, 2018 and 2017 include $76,629 and $53,016, respectively, of unallocated excess revenue sharing that is available to offset future administrative expenses that would otherwise be payable by the plan sponsor.

*Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2018 and 2017, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

*Payment of Benefits*

Benefits are recorded when paid. No participants have withdrawn from the Plan that have not been paid.

*Estimates*

The preparation of financial statements requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

*Adoption of New Accounting Standards*

ASU 2018-13, *Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement* (Topic 820), eliminates the disclosures for transfers between Level 1 and Level 2, the valuation process for Level 3 fair value measurements, the change in unrealized gains and losses for recurring Level 3 fair value measurements held at the end of the reporting period, as well as requiring certain modifications to reporting on Level 3 investments and certain investments at net asset value. The ASU also added certain disclosures that are not required for non-public entities. ASU 2018-13 is effective for fiscal years beginning after December 15, 2019. Early adoption is permitted for certain provisions. Management has elected not to early adopt those provisions.

*Risks and Uncertainties*

The Plan provides for investment options in various registered investment companies - mutual funds. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits – modified cash basis and the statements of changes in net assets available for benefits – modified cash basis. Annual reviews of the Plan's investment performance are performed and recommended changes are proposed for those investment vehicles that are not performing within the criteria established by the Plan's investment strategy.

*Date of Management's Review*

Subsequent events were evaluated through October 11, 2019, which is the date the financial statements were available to be issued. Management has not identified any significant subsequent events requiring disclosure.

NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEE

The following is a summary of the unaudited information included in the Plan's financial statements and supplemental schedule that was prepared by Reliance Trust Company, the trustee of the Plan, and furnished to the plan administrator. The plan administrator has obtained certifications from the trustee that such information, including the information in the supplemental schedule, is complete and accurate.

NOTE 4 - NOTES RECEIVABLE FROM PARTICIPANTS

Detail of notes receivable from participants is as follows:

| Add: New Loans | 148,892 | 234,565 |

| Adjustment – Net | | ( 15,784) |
| Balance – December 31, | $ 325,833 | $ 263,659 |

NOTE 5 - FAIR VALUE MEASUREMENTS

In accordance with FASB ASC 820, fair value measurements, the Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits – modified cash basis as follows at December 31, 2018 and 2017:

| December 31, 2018 | Fair Value | Quoted Prices In Active Markets for Identical Assets Level 1 |
|---|---|---|
| Registered investment companies - mutual funds | $28,298,243 | $28,298,243 |
| December 31, 2017 | | |
| Registered investment companies - mutual funds | $27,200,510 | $27,200,510 |

FASB ASC 820, *Fair Value Measurements* establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No level 2 or 3 inputs were available to the Plan.

Level 1 - Fair Value Measurements

Fair value is based on unadjusted publicly quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

The fair value of the Plan's investment in registered investment companies - mutual funds, are based on publicly quoted net asset values of the shares held by the Plan at year-end.

Level 2 - Fair Value Measurements

Fair value is based on inputs, other than Level 1, that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability through corroboration with observable market data. The Plan currently uses no Level 2 inputs.

Level 3 - Fair Value Measurements

Fair value is based on significant unobservable inputs for the asset or liability. These inputs reflect the Plan's own assumptions through their investment advisors about the assumptions that market participants would use in pricing the asset or liability. The Plan currently uses no Level 3 inputs.

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

ADP, LLC is the record keeper and The Centurion Group, LLC is the investment advisor for the Plan and, in accordance with the ADP Retirement Plan Administrative Services Agreement effective May 29, 2013 between the plan sponsor and ADP, LLC, they provide administrative and investment advisory services to the Plan, thereby qualifying as parties-in-interest as defined in Section 406 of ERISA. ADP, LLC and/or The Centurion Group, LLC receive revenue from registered investment companies - mutual fund service providers for services they provide to the funds. This revenue is used to offset certain amounts owed to The Centurion Group, LLC for its advisory services to the Plan.

If the revenue received by ADP, LLC and/or The Centurion Group, LLC from such registered investment companies - mutual fund service providers exceeds the amount owed under that agreement, they will remit the excess to the Plan.

During 2018 and 2017, administrative fees paid to ADP, LLC from Plan assets approximated $3,742 and $2,665, respectively.

The Centurion Group, LLC provides investment advisory services thereby qualifying as a party-in-interest as defined in Section 406 of ERISA. Fees paid to The Centurion Group, LLC during 2018 and 2017 totaled $56,933 and $42,760, respectively, net of approximately $79,707 and $59,864, respectively in revenue offsets as described above.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in all non-elective profit sharing contributions to the Plan.

NOTE 8 – ADMINISTRATIVE COSTS

Certain expenses incurred in connection with the Plan are paid directly by the plan sponsor and are not deducted from Plan assets.

Additionally, participants are assessed certain loan and distribution processing fees, which are paid directly from the accounts of the applicable plan participants. Also see Note 6 for additional detail.

NOTE 9 - TAX STATUS

The Internal Revenue Service (IRS) has determined that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

NOTE 9 - TAX STATUS – continued

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress and management is not aware of any uncertain tax positions taken by the Plan. Tax years ended December 31, 2015 through December 31, 2018 remain open and subject to examination by major tax jurisdictions.

NOTE 10 – SUBSEQUENT EVENT

Subsequent to year-end, management became aware that a small group of employees appear to have been incorrectly categorized as ineligible to participate in the Plan, as an excluded class of employee, during the years 2013 through 2019. Management is currently working with its record keeper and others to determine what corrective contributions may be due to the Plan. Management believes that any corrective contributions, including earnings thereon, will not be material to the Plan's net assets or changes in net assets.
