INDEPENDENT AUDITORS' REPORT

Trustees of Greyhound Lines, Inc. -
National Local 1700 of the Amalgamated
Transit Union Health & Welfare Plan
Dallas, Texas

Report on the Financial Statements

We have audited the accompanying financial statements of Greyhound Lines, Inc. – National Local 1700 of the Amalgamated Transit Union Health & Welfare Plan (the Plan), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2018 and 2017, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of the Plan as of December 31, 2018 and 2017, and the changes in financial status for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter - Restatement

As discussed in Note 3 to the financial statements, the 2017 financial statements have been restated to correct a misstatement. Our opinion is not modified with respect to this matter.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules, Schedule of Assets (Held at End of Year) and Schedule of Reportable Transactions, as of and for the year ended December 31, 2018, are presented for the purpose of additional analysis and are not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

TRANSIT UNION HEALTH & WELFARE PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018 AND 2017

NOTE 1 DESCRIPTION OF THE PLAN

The following description of the Greyhound Lines, Inc. (Greyhound and also Plan Sponsor) - National Local 1700 of the Amalgamated Transit Union Health & Welfare Plan (the Plan) provides only general information. For a more complete description of the Plan's provisions, refer to the Summary Plan Description.

General

The Plan, a defined benefit health and welfare benefit plan, was established as a result of a collective bargaining agreement between Greyhound and the National Local Union 1700 of the Amalgamated Transit Union (the ATU). Certain benefits are provided by the Plan through insurance, although medical is on a self-insured basis. The Plan receives its funding through the Greyhound Lines, Inc. Welfare Benefits Trust for Represented Employees (the Trust). In the event that Plan liabilities exceed assets, the Trustees will either reduce the level of Plan benefits or raise participant premiums. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974.

The assets of the Plan are held by the Trust and were invested by BMO Harris Bank and Bank of America Securities (the Custodians).

Contributions

The Plan is funded by participant and Greyhound contributions. Participants contribute specified amounts, determined by an actuary to meet the funding ratio established by the collective bargaining agreement for the estimated obligations of the Plan, for their elected coverage. Greyhound is required by the collective bargaining agreement to make specific contributions per participant, and these contributions are required to fund a minimum portion of the total cost of the Plan.

Benefits

The Plan provides medical benefits to qualified full-time active employees of Greyhound who are represented by the ATU Collective Bargaining Agreement and to covered dependents. A full-time active employee is one who is scheduled to work 1,500 hours or more per year. The medical benefits are offered through two points of service plans. The Plan has a stop loss policy to cover any individually large claims incurred. Additional benefits are described as follows:

Flexible Spending Account – The Plan provides before-tax benefits for qualified employees of Greyhound that are enrolled in the Plan. Two options are available to participants, each covering a different type of expense. The first option contributes the participant's before-tax dollars towards the Plan and the second option provides reimbursable dollars for Internal Revenue Service (IRS) deductible charges not paid by an insurance plan.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Benefits (Continued)

Employee Assistance Program (EAP) – The Plan offers short-term counseling services on a confidential and voluntary basis to all full-time and part-time active employees participating in the Plan. The EAP is fully insured and has no assets or liabilities. Premiums are paid monthly by the Trust based on the number of employees within the Plan.

Vision – The Plan offers discounted rates on eye examinations, frames, lenses, contacts, and accessories through a network of providers. The vision benefits are fully insured and premiums are paid by the Plan with 100% participant contributions.

Prescription Drug Program – The Plan offers retail and mail order prescription drugs at a reduced cost to the participants provided that certain qualifications have been met. The Plan utilizes a pharmacy benefit manager which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Life Insurance – The Plan provides $10,000 in basic life insurance for every eligible employee at no cost to the employee. The employees have the option of purchasing additional life insurance up to a total coverage of $130,000.

Dependent Life Insurance – Employees may purchase life insurance for their spouse and/or dependent children.

Accidental Death & Dismemberment Coverage – This coverage is intended to provide benefits in the event an employee has a serious accidental injury or death. The cost is paid by the employees.

Supplemental Coverage – The Plan also offers employees the option of purchasing coverage for short-term disability, personal accident, and/or critical illness.

Dental – Employees may purchase dental insurance for themselves and their families. The cost is paid by the employees.

Plan Administration

The Plan is administered by a Board of Trustees, including three trustees appointed by Greyhound and three trustees appointed by the executive board of the ATU. The Board of Trustees, in turn, has appointed a Plan Administrator who oversees the day-to-day operations of the Plan.

Amendment and Termination of the Plan Agreement

Although it has not expressed any intent to do so, the Plan Agreement may be amended by Greyhound and the ATU or Board of Trustees at any time unless such amendment violates the collective bargaining agreement. The Plan may be terminated with the consent of both Greyhound and the ATU. No such termination is contemplated, but if it should occur, the assets of the Plan shall be used to pay or provide for the payment of any and all obligations hereunder in accordance with the provisions of the Plan and the directions of the Trustees. No portion of the assets of the Plan, directly or indirectly, shall revert to or accrue to the benefit of Greyhound.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates in Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, claims incurred but not reported (IBNR), claims payable, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. Significant estimates include computation of the IBNR liability reported in the Statements of Benefit Obligations as of December 31, 2018 and 2017.

Money Market Accounts

Money market accounts are carried at cost which approximates fair value.

Receivable from Employees

The receivable from employees represents the participant withholding contributions to the Plan, which were not remitted to the Plan prior to year end. This receivable does not bear interest and was fully collected subsequent to December 31, 2018 and 2017, respectively. Accordingly, no allowance for doubtful account has been established at December 31, 2018 and 2017.

Claims Payable

This amount represents claims that the Plan administrator has received at December 31 but has not yet processed for payment.

Claims Incurred but not Reported

Amounts currently payable for claims incurred but not reported are estimated based on a lag study performed by CIGNA Healthcare, the Plan's claims administrator. The trustees of the Plan believe these claims will be paid during the following fiscal year. Thus, the cost of such claims would be approximately equal to the present value, and therefore, these claims were not discounted. The Plan has a specific stop loss insurance contract, which limits the Plan's liability on paid claims to certain maximum amounts.

Payment of Benefits

Claims payments are recorded when paid by the third-party claim administrator. These payments are recorded as medical claims paid in the accompanying statements of changes in net assets available for benefits.

Stop Loss Premiums and Insurance

Premiums for stop loss insurance are included in premium payments in the accompanying statements of changes in net assets available for benefits. Stop loss refunds totaling $436,399 and $124,597 at December 31, 2018 and 2017, respectively, are disclosed in the accompanying statements of changes in net assets available for benefits.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Medical and Prescription Refunds

Medical and prescription refunds are recorded when earned. Refunds due as of the financial statement date are reported as a receivable, with the offset being netted against claims paid. Medical and prescription refunds of $1,114,927 and $925,069 for the years ended December 31, 2018 and 2017, respectively, have been netted against claims paid.

Postemployment Benefits

Postemployment benefits under COBRA are available under the Plan for the continuance of benefits offered for an eighteen month period upon the election of the separated participant. Because all termed participants receiving benefits pay the full cost designed to cover all claims incurred by these participants, no postemployment benefit obligation has been recorded at December 31, 2018 and 2017.

Administrative Expenses

Administrative expenses of the Plan are paid by the Trust and consists primarily of processing fees, insurance costs, plan administration wages, consulting fees, audit fees and bank fees.

NOTE 3 RESTATEMENT OF 2017 FINANCIAL STATEMENTS

The Plan has restated its financial statements as of and for the year ended December 31, 2017 due to $323,593 in pharmacy claim refunds received by the Plan in 2018 relating to the 2017 plan year, which resulted in an understatement of Plan assets and overstatement of Plan deductions.

The financial statements were restated to include the pharmacy claim refunds receivable applied to the 2017 plan year as follows:

	Previous Balance	Restated Adjustment	Restated Balance
Net Assets Available for Benefits, Beginning of Year	$ 8,448,170	$ -	$ 8,448,170
Pharmacy Claim Refunds Receivable	-	323,593	323,593
Medical Claims, Net	13,772,780	(323,593)	13,449,187
Net Assets Available for Benefits, End of Year	9,550,022	323,593	9,873,615
Net Increase	$ 1,101,852	$ 323,593	$ 1,425,445

NOTE 4 FINANCIAL INSTRUMENT RISK

The Plan maintains cash in interest-bearing bank deposit accounts which, at times, may exceed federally insured limits. The Plan Sponsor believes the Plan is not exposed to any significant credit risk on its cash accounts.

NOTE 5 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Money market accounts: Valued at cost which approximates fair value.

NOTE 5 FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	Level 1	Level 2	Level 3	Total
2018				
Money Market Accounts	$ -	$ 7,274,154	$ -	$ 7,274,154
2017				
Money Market Accounts	$ -	$ 9,617,455	$ -	$ 9,617,455

NOTE 6 FEDERAL INCOME TAX STATUS

The VEBA trust funding certain benefits of the Plan received an exemption letter from the IRS dated September 19, 1995, stating that the trust is tax-exempt under the provisions of Section 501(c)9 of the Internal Revenue Code (IRC). However, as a result of the Plan's funding policy, from time to time the Trust may be subject to income taxes. No federal or state income taxes have been recorded in 2018 and 2017 for unrelated business taxable income.

In addition, the Plan and Trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the Trust. The Plan has been amended since receiving the determination letter; however, the Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related Trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are cash and money market funds managed by BMO Harris Bank and Bank of America Securities. BMO Harris Bank and Bank of America Securities are the Custodians as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan may invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect balances and the amounts reported in the statements of net assets available for benefits.

The estimated Plan benefit obligation for IBNR claims is reported based on a lag study performed by CIGNA Healthcare. Due to the uncertainties in the estimations and assumptions process, it is at least reasonably possible that the ultimate settlement of claims could differ materially from the amount recorded in the financial statements.

NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

	2017
Net Assets Available for Benefits per Financial Statements	$ 9,873,615
Claims Refund Receivable	(323,593)
Net Assets Available for Benefits per Form 5500	$ 9,550,022

The following is a reconciliation of net increase (decrease) in net assets available for benefits per the financial statements to Form 5500 for the years ended December 31:

	2018	2017
Net Increase (Decrease) in Net Assets per Financial Statements	$ (1,978,597)	$ 1,425,445
Claims Refund Receivable	323,593	(323,593)
Net Increase (Decrease) per Form 5500	$ (1,655,004)	$ 1,101,852

NOTE 10 SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through October 11, 2019, the date the financial statements were available to be issued. In May 2019, Greyhound's owner (First Group) declared its intention to sell Greyhound to an outside buyer. As of October 11, 2019, Greyhound has not been sold.
