Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by Principal Life Insurance Company and Principal Trust Company (collectively Principal), the joint recordkeepers of the Plan as authorized agents for Principal Global Investors Trust Company and Principal Financial Group, respectively, the trustees of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustees held the Plan's investment assets and executed investment transactions. The plan administrator has obtained certifications from the agent on behalf of the trustee, as of December 31, 2018, and for the nine months ended December 31, 2018, that the information provided to the plan administrator by the trustees is complete and accurate.

OLDHAM GOODWIN PAYROLL 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018

Note A – Description of Plan

The following description of the Oldham Goodwin Payroll 401(k) Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General

Effective April 1, 2018, Oldham Goodwin Payroll (the Company) adopted a defined contribution plan covering all employees who are at least age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Management of the Company oversees governance of the Plan, including the appropriateness of the Plan's investment offerings and monitoring investment performance.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and an insurance investment contract as investment options for participants. The Company has elected not to make matching or discretionary contributions to the Plan.

Vesting

Participants are immediately vested in their contributions to the Plan and allocated earnings thereon.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution, if any, and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Distributions to Participants

Upon retirement, death, disability or termination of employment, a participant (or the participant's beneficiary, if applicable) will receive a lump sum distribution equaling their vested account balance. Participants may receive a hardship distribution from their vested account balances subject to certain limitations, as defined in the Plan.

See independent auditor's report.

Note A – Description of Plan (continued)

Participant Loans

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. Principal and interest are paid ratably through payroll deductions.

Note B – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

See independent auditor's report.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018

Note B – Summary of Significant Accounting Policies (continued)

Participant Loans

Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2018, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Note C – Information Prepared and Certified by the Trustee

At December 31, 2018, the Plan's investments were held by Principal Life Insurance Company (the Trustee or Principal). The following is a summary of the Plan's financial information included in the financial statements and supplemental schedule based on the information certified by the Trustee as complete and accurate in accordance with Section 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note D – Fair Value Measurements

FASB ASC 820-10, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted market prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The Plan's investments are valued using Level 1 inputs. These are as follows:

- Mutual funds – based on a quoted market price available on an active market.
- Pooled separate accounts (PSA) – are invested mainly in domestic stocks. The majority of the underlying securities have observable level 1 quoted pricing inputs. The net asset value ("NAV") of the PSAs is not publicly quoted but is available to current investors via the Principal website or when plan participants access their account values. The NAV is the basis for current transactions and the PSA can be redeemed at NAV as of the measurement date. Therefore, it is reasonable to conclude PSAs have a "Readily Determinable Fair Value", implying they are valued similarly to mutual funds and are most accurately classified as Level 1 investments.
- Collective investment trusts (CIT) – are invested in collective trust funds as well as a variety of separate accounts and mutual funds. The fair value of the CITs and the separate accounts are not publicly quoted pricing inputs. The fair value of mutual funds are publicly quoted pricing inputs. The fair value of all these investments are used in determining the NAV of the CITs, which are not publicly quoted but are available to current investors via the Principal website or when plan participants access their account values. NAV is the basis for current transactions, and CITs can be redeemed at NAV as of the measurement date. Therefore, it is reasonable to conclude CITs have a "Readily Determinable Fair Value", implying they are valued similarly to mutual funds and are most accurately classified as Level 1 investments.

OLDHAM GOODWIN PAYROLL 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018

Note D – Fair Value Measurements (continued)

The following table sets forth, by level within the hierarchy, the Plan's investments at fair value:

	Level 1	Total
Mutual funds	\$ 36,928	\$ 36,928
Pooled separate accounts	10,633	10,633
Collective investment trusts	286,948	286,948
Total assets at fair value	<u>\$ 334,509</u>	<u>\$ 334,509</u>

Note E – Tax Status

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. The Plan is not a taxpaying entity for income tax purposes and, accordingly, no provision has been made for income taxes. The Plan's management believes it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note F – Plan Termination

Although it has not expressed the intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, all accounts shall be 100% vested in all participants, and Plan assets are to be distributed to the participants.

Note G – Risks and Uncertainties

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and accompanying supplemental schedule.

Note I – Subsequent Events

Management of the Plan has evaluated subsequent events through October 14, 2019, which is the date the financial statements were available to be issued.

See independent auditor's report.
