Kaman's Art Shoppes, Inc. 401(k) Profit Sharing Plan
Notes to the Financial Statements
December 31, 2018 and 2017

A. PLAN DESCRIPTION AND BASIS OF PRESENTATION

The following brief description of the Kaman's Art Shoppes, Inc. 401(k) Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for complete information.

General - The Plan is a defined contribution plan which covers substantially all employees (as defined by the Plan document) of Kaman's Art Shoppes, Inc. (the "Company" and "Plan Sponsor") who have worked for a least twelve consecutive months, completed one thousand hours of service and are age twenty-one or older. The original effective date of this plan was February 1, 1999 and was restated January 1, 2015. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions - Eligible participants may voluntarily defer a minimum of 1% to a maximum of 100%, limited to the Internal Revenue Code ("IRC") 402(g) limit, of their compensation on a pre-tax basis. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Company, however, may be required to limit contributions of certain employees to comply with the IRC.

The Company may, at its option, match a portion of each participant's voluntary contributions. Employees must have completed the eligibility conditions described above to receive a Company matching contribution. For all periods presented, the Company elected to match 10% of each dollar of pre-tax contributions up to 10% of participants' compensation. The Company made discretionary matching contributions of \$18,677 for the year ended December 31, 2018.

The Company may, at its option, make a discretionary contribution. Employees must have completed the eligibility conditions described above and be employed on the last day of the Plan year or complete 500 hours during the Plan year. There were no discretionary profit sharing contributions for the year ended December 31, 2018.

The Plan also permits rollover contributions from other qualified retirement plans.

Participant Accounts - Each participant's account is credited with the participant's contributions, employer matching and discretionary contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which the participant is entitled is the benefit that can be provided from the participant's vested account.

Participants may direct their contributions to any or all of the investment funds provided. Participants may change their allocation of contributions or transfer money between investment options any time during the year.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

Kaman's Art Shoppes, Inc. 401(k) Profit Sharing Plan
Notes to the Financial Statements
December 31, 2018 and 2017

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The note is secured by the balance in the participant's account. The loan interest rates are at 4.25% to 5.25%, which is commensurate with local prevailing rates. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits - On termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, an annuity contract or any other form providing installment payments or any combination of these methods.

Forfeited Accounts - Unvested amounts forfeited by terminated participants may be used by the Plan for the payment of expenses. Any remaining forfeitures attributable to matching contributions will be used to reduce employer matching contributions. At December 31, 2018 and 2017, forfeited nonvested accounts totaled \$478 and \$2,833, respectively. These accounts will be used to reduce future employer contributions.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor's management determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian and insurance company. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2018 and 2017. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits - Benefits are recorded when paid.

Notes to the Financial Statements
December 31, 2018 and 2017

Administrative Expenses - Administrative expenses, including third party administrative expenses, are paid from the Plan. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to participant transactions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments. See Note E regarding revenue received by the custodian from certain mutual funds related to administrative services.

C. INFORMATION CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected to restrict the scope of the auditors' examination with regard to statements or information prepared and certified by Capital Bank and Trust ("CB&T"), the trustee.

CB&T has certified as to the completeness and accuracy of the investments it holds and changes in net assets arising from said investment activity as of December 31, 2018 and 2017, and for the year ended December 31, 2018.

CB&T has certified as to the completeness and accuracy of the schedule of assets (held at end of year) as of December 31, 2018.

D. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The levels of the fair value hierarchy under the FASB guidance in these financial statements are as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Notes to the Financial Statements

December 31, 2018 and 2017

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust - Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018 and 2017:

Assets at Fair Value as of December 31, 2018		
	Level 1	Total
Mutual Funds	\$ 3,494,355	\$ 3,494,355

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2018.

E. RELATED-PARTY TRANSACTIONS

Certain Plan investments are managed by American Funds, the custodian of the Plan. The transactions involving these investments are allowable party-in-interest transactions under ERISA.

CB&T provides certain administrative services to the Plan pursuant to a Service Agreement (SA) between the Company and CB&T. CB&T receives revenue from mutual fund service providers for services CB&T provides to the funds. This revenue is used to offset certain amounts owed to CB&T for its administrative services to the Plan.

If the revenue received by CB&T from such mutual fund service providers exceeds the amount owed under the SA, CB&T remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expense or allocated to the accounts of the participants. The Plan or Plan Sponsor may make a payment to CB&T for administrative expenses not covered by revenue sharing.

Excess amounts received totaled \$29,012 for the year ending December 31, 2018. Fees paid out for certain plan administrative expenses totaled \$10,958 for the year ending December 31, 2018. The net amount of excess payments received is included as a component of other income in the Statement of Changes in Net Assets Available for Benefits.

F. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company reserves the right to terminate the Plan at any time, subject to Plan provisions. In the event of Plan termination, all participants would be 100% vested in their accounts.

G. FEDERAL INCOME TAX STATUS

The Company has chosen not to obtain a determination letter on its Plan document as it is using a volume submitter profit sharing plan document which received Internal Revenue Service ("IRS") approval on March 31, 2014. The Plan Administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

H. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

I. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 11, 2019, the date that the Plan's annual financial statements were available to be issued.

Effective July 1, 2019 the Plan was amended and restated when it adopted the volume submitter plan of Fidelity Investments. The total assets of the plan as of June 30, 2019 of approximately \$4,606,000 were transferred from Capital Bank & Trust (the trustee as of December 31, 2018) to Fidelity Investments and the new trustee Fidelity Management Trust Company. The Plan also signed an investment management agreement with Fidelity Personal and Workplace Advisors, LLC.
