Report on the Financial Statements

We were engaged to audit the accompanying financial statements of ABLE ENGINEERING SERVICES 401(k) PLAN (the "Plan"), which comprise the statements of net assets available for benefits as of January 2, 2018 and December 31, 2017, and the related statement of changes in net assets available for benefits for the period from January 1, 2018 to January 2, 2018, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of January 2, 2018 and December 31, 2017, and for the period from January 1, 2018 to January 2, 2018, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter – Supplemental Schedule

The supplemental Schedule H – Line 4a: Schedule of Delinquent Participant Contributions for the period from January 1, 2018 to January 2, 2018 is required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Other Matter – Plan Merger

As discussed in Note 1, effective January 1, 2018, the Plan was merged into Able Engineering Services Retirement Plan, an affiliated plan and the name of the merged plan was changed to Able Services 401(k) Retirement Plan. As a result, all Plan net assets were transferred out on January 2, 2018.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

ABLE ENGINEERING SERVICES 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

January 2, 2018

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Able Engineering Services 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Plan Merger – Effective January 1, 2018, the Plan was merged into Able Engineering Services Retirement Plan, a defined contribution plan also sponsored by Crown Energy Services, Inc. dba Able Engineering Services (the "Company") which is the sponsor of this Plan. All participant accounts of the Plan were transferred and participants became eligible to participate in the merged Plan on January 1, 2018. In connection with the merger, the name of the combined plan was changed to the Able Services 401(k) Retirement Plan.

On January 2, 2018, all assets available for benefits held by the Plan totaling $23,412,359, including notes receivable from participants, were transferred from the Plan to Able Services 401(k) Retirement Plan. As a result, the Plan no longer holds investment assets or receives contributions and the Plan administrator intends to terminate the Plan and the related trust.

General – The Plan was established on January 1, 1996, and was most recently restated on January 1, 2016, to provide retirement benefits for employees of Crown Energy Services, Inc. dba Able Engineering Services (the "Company"). The Plan was a defined contribution plan covering all eligible employees whose compensation and conditions of employment were established by the terms of a good-faith collective bargaining agreement between the Company and such employee's lawful representative or bargaining agent and had attained twenty-one year of age. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and certain provisions of the Internal Revenue Code ("IRC").

The Plan provided for an administrative committee (the "Administrative Committee") which was responsible for keeping accurate and complete records with regard to the Plan's operations, informing participants of changes or amendments to the Plan, ensuring that the Plan conforms to the law and government regulations, and providing participants with any reports and documents required by law. The Administrative Committee was responsible for oversight of the Plan and determined the appropriateness of the Plan's investment offerings and monitored investment performance.

Participant Contributions – Participants were permitted to voluntarily contribute up to 90% of their pretax annual compensation, as defined by the Plan, with maximum contributions of $18,500 for 2018. Additionally, participants, who had attained fifty years of age before the end of the Plan year, were eligible to make catch up contributions up to $6,000 for 2018. Participants could also contribute rollover amounts representing distributions from other qualified defined benefit or defined contribution plans.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Employer Contributions – The Company was permitted to make discretionary employer matching contributions and discretionary non-elective contributions. Participants who had completed at least 1,000 hours of service during the Plan year and were employed as of the last day of the Plan year were eligible to receive any non-elective contributions made for that Plan year. No discretionary employer contributions nor qualified non-elective contributions were made for the period from January 1, 2018 to January 2, 2018.

Participant Accounts – The Plan maintained an account for each participant, which was credited with the participant's contributions and employer matching and non-elective contributions, as well as allocations of Plan investment earnings or losses and expenses. Allocations were based on participant compensation or account balances, as defined by the Plan agreement. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

Vesting – Participants were immediately vested in their voluntary contributions, employer match and non-elective contributions, and rollover contributions plus actual earnings thereon.

Investment Options – Prior to the merger of the Plan, upon enrollment in the Plan, a participant was permitted to direct the investment of his or her account balance into various funds available through the Plan.

Notes Receivable from Participants – Prior to the merger of the Plan, participants were permitted to borrow from their vested account balances provided they met the Plan's eligibility requirements. The minimum loan amount was $1,000 and the maximum amount was the lesser of one-half of the participant's vested account balance or $50,000. The duration of the loan was not to exceed five years, except for loans used to finance the purchase of a primary residence. Loans were subject to interest charged at rates based on the prime rate as listed in the Wall Street Journal Money Rate Table. Interest rates remained fixed throughout the life of the loan. Principal and interest were paid ratably through payroll deductions and loans were due immediately upon termination of employment.

Payment of Benefits – Prior to the merger of the Plan, upon termination of service, death, disability or retirement, a participant could elect to receive a distribution as a lump-sum payment or installment payments. If a terminated participant's account balance was between $1,000 and $5,000, and no instructions were received from such participant, the amount would be rolled over to an individual retirement account as designated by the Plan administrator. Vested account balances of less than $1,000 would be automatically cashed out as a single lump-sum distribution. A participant could also elect to receive a pre-retirement distribution of his or her salary deferrals upon incurring a hardship, as defined by the Plan. Benefit payments to the participant generally began by the later of the year after the participant attains 70½ years of age, or the year in which the participant terminates employment.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Forfeited Accounts – Forfeited accounts consist of contributions remitted to the Plan which did not pertain to a specific participant account. As of January 2, 2018 and December 31, 2017, forfeited accounts amounted to $0 and $1,225, respectively. Forfeitures could be used to pay Plan fees, and/or to reduce Company contributions to the Plan. For the period from January 1, 2018 to January 2, 2018, no forfeiture was used. Forfeited non-vested accounts of $1,234 were transferred to Able Services 401(k) Retirement Plan on January 2, 2018 in connection with the merger.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Plan's financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments were reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determined the Plan's valuation policies utilizing information provided by the investment advisors and the trustee. See Note 3 for further discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments included the Plan's gains and losses on investments bought and sold as well as held during the year.

As discussed in Note 1, all Plan investments were transferred to Able Services 401(k) Retirement Plan on January 2, 2018.

Notes Receivable From Participants – Notes receivable from participants were stated at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees were recorded as administrative expenses when they were incurred. No allowance for credit losses was recorded as of January 2, 2018 or December 31, 2017. Loans which became delinquent, as defined, were recorded as deemed distributions to the participant in accordance with the terms of the Plan. As discussed in Note 1, all notes receivable from participants were transferred to Able Services 401(k) Retirement Plan on January 2, 2018.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") were recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2017 excess contributions to the applicable participants during 2018.

As discussed in Note 1, all excess contributions payable to participants were transferred to the Able Services 401(k) Retirement Plan on January 2, 2018.

Payments of Benefits – Benefits were recorded when paid.

Expenses – Certain expenses of maintaining the Plan were paid directly by the Company and were excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions were charged directly to the participant's account and were included in administrative expenses. Investment related expenses were included in net appreciation or depreciation of fair value of investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level l) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques are required to maximize the use of relevant observable inputs and minimize the use of unobservable inputs. Following is a description of the Plan's valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at January 2, 2018 and December 31, 2017.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may have produced a fair value determination that was not indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could have resulted in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of January 2, 2018 and December 31, 2017:

	2018			
	Level 1	Level 2	Level 3	Total
Total Assets in the Fair Value Hierarchy:				
Mutual Funds	$ -	$ -	$ -	$ -

	2017			
	Level 1	Level 2	Level 3	Total
Total Assets in the Fair Value Hierarchy:				
Mutual Funds	$ 22,824,188	$ -	$ -	$ 22,824,188

As discussed in Note 1, all Plan investments were transferred to Able Services 401(k) Retirement Plan on January 2, 2018, there were no investment concentrations as of January 2, 2018. Investments in two of the Plan's options represent 35% of total investments as of December 31, 2017.

NOTE 4 – INFORMATION CERTIFIED BY THE TRUSTEE OF THE PLAN

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company ("Fidelity"), the trustee, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying Statements of Net Assets Available for Benefits as of January 2, 2018 and December 31, 2017, and the related notes to the financial statements, and the related investment income and interest income on notes receivable from participants activity reflected in the Statement of Changes in Net Assets Available for Benefits for the period from January 1, 2018 to January 2, 2018.

NOTE 5 – TAX STATUS

The Plan had adopted the Fidelity volume submitter profit sharing plan, which received a favorable opinion letter from the IRS on March 31, 2014 stating that the volume submitter profit sharing plan was designed in accordance with the applicable sections of the IRC. The Plan has not filed for a separate determination letter; however, the Plan administrator believes that the Plan is designed and was currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the federal or state taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – PLAN TERMINATION

As discussed in Note 1, effective January 1, 2018, the Plan was merged into Able Services 401(k) Retirement Plan, an affiliated plan and all participants became eligible to participate in that plan. As a result, all Plan assets were transferred out on January 2, 2018. The Plan no longer holds investment assets or receives contributions and the Plan administrator intends to terminate the Plan and the related trust in accordance with ERISA.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan provided for various investment options in any combination from among the funds offered through the Plan. Investment securities were exposed to various risks, such as interest rate, market and credit risks.

NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were shares in mutual funds managed by Fidelity. Fidelity was the trustee, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Fees incurred by the Plan for the investment management services were netted against the net appreciation or depreciation in fair value of investments, as they were paid through revenue sharing, rather than a direct payment. The Plan or the Company paid directly any other fees related to the Plan's operations.

Fidelity provided certain administrative services to the Plan pursuant to a service agreement between the Company and Fidelity. Fidelity received revenue from certain mutual fund service providers for services Fidelity provided to the funds. This revenue was used to offset amounts owed to Fidelity for its administrative services to the Plan. If the revenue received by Fidelity from such mutual fund service providers exceeded the amount owed under the service agreement, Fidelity would remit the excess to the Plan. Such amounts could be applied to pay Plan recordkeeping and administration fees. During 2018 there were no excess amounts. The Plan or Plan sponsor was permitted to make a payment to Fidelity for administration expenses not covered by revenue sharing.

NOTE 9 – DELINQUENT PARTICIPANT CONTRIBUTIONS

During the years ended December 31, 2017 and 2016, there were unintentional delays by the Company in remitting employee contributions to the Plan within the period prescribed by Department of Labor regulations, amounting to $27,576 and $2,168, respectively. The Company intends to calculate and contribute the amount of lost earnings arising from these delays to the affected participant accounts in the Able Services 401(k) Retirement Plan under the Federal Identification Number ("FEIN") of 94-3226677 during the 2019 plan year.

NOTE 10 – SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events through October 14, 2019, the date the financial statements were available to be issued.
