NOTES TO FINANCIAL STATEMENTS
December 31, 2018 and 2017

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Clarity Partners, LLC 401(k) Plan and Trust provides only general information. Interested parties should refer to the plan document for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution profit sharing and 401(k) plan covering eligible employees of Clarity Partners, LLC and effective January 1, 2018, Kinzie Capital, LLC (collectively, the participating employers). Employees are eligible to contribute to the Plan and receive safe harbor employer contributions on the first day of the next month following the completion of six months and 500 hours of service and attaining age 21. Employees participating in the Plan that are employed on the last day of the Plan year and have completed 1,000 hours of service are eligible to receive discretionary matching contributions. Employees that are employed on the last day of the Plan year and have completed a year of service are eligible to receive discretionary profit sharing contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Contributions

The Plan is funded by voluntary traditional and Roth contributions of participants and required safe harbor and discretionary matching and profit sharing contributions of the participating employers. Safe harbor contributions are calculated as 3% of eligible employees' compensation. Participants may contribute to the Plan, through regular payroll deductions, an amount subject to limitations imposed by the Internal Revenue Code. Participants may also roll over amounts representing distributions from other qualified employee benefit plans. The participating employers made or accrued safe harbor and profit sharing contributions of \$397,618 and \$33,000, respectively, for the year ending December 31, 2018. No discretionary matching contributions were made to the Plan for the year ended December 31, 2018.

3. Investment Options

Participants must direct their salary deferral contributions and the participating employers' contributions into a variety of investment funds made available and determined by the Plan Administrator. Participants may change their investment options at any time.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

4. Participant Accounts

Each participant's account is credited with the participant's contribution, an allocation of the participating employers' safe harbor contributions and discretionary matching and profit sharing contributions, and an allocation of plan earnings. The participating employers' safe harbor contribution is allocated based on a percentage of the eligible employees' compensation. The participating employers' matching contribution is allocated as of the last day of the plan year and is based on the elective deferrals of the participant for the Plan year. The participating employers' profit sharing contribution is allocated as of the last day of the plan year and is based on a ratio of each participant's compensation to total compensation for all participants. Plan earnings are allocated to participants' accounts in direct proportion to their respective account balances, based on the performance of participants' investment selections. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

5. Vesting

Participants are immediately fully vested in participant deferrals, rollover contributions, and safe harbor contributions, plus the actual earnings thereon. The portion of the participants' accounts attributable to the participating employers' discretionary contributions becomes 20% vested after two years of service and continues to vest at the rate of 20% for each successive year until 100% vested after six years of service. In the event of death, disability, or retirement at designated ages, participants become fully vested.

6. Payment of Benefits

On termination of service, a participant may elect to receive a single, lump-sum payment equal to the value of his or her vested account balance, installments over a specified period of time, or a direct rollover distribution. In-service withdrawals are permitted by the Plan for participants who have reached 59 1/2 years of age. Hardship withdrawals are also permitted by the Plan.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

7. Notes Receivable from Participants

Effective January 1, 2017, notes receivable from participants are no longer permitted by the Plan. Notes receivable from participants originated prior to January 1, 2017 are measured at their unpaid principal balance plus any accrued but unpaid interest. Outstanding notes receivable from participants are collateralized by the borrower's respective account balance and bear interest at 3.25%. There was no related interest income for year ended December 31, 2018.

8. Administrative Expenses

Certain expenses incurred maintaining the Plan are paid directly by the participating employers and are excluded from these financial statements. Investment-related expenses are included in net depreciation in fair value of investments.

9. Forfeitures

At December 31, 2018 and 2017, unallocated plan assets resulting from forfeited, nonvested accounts totaled \$3,148 and \$261, respectively. These accounts will be used to reduce future participating employers contributions, pay Plan expenses or be allocated to participants. Forfeitures of \$1,012 were used to pay Plan expenses in 2018. No forfeitures were used to reduce participating employers contributions or allocated to participants during 2018.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

2. Fair Value Measurements

Current accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Clarity Partners, LLC
401(k) Plan and Trust
NOTES TO FINANCIAL STATEMENTS
December 31, 2018 and 2017

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

2. Fair Value Measurements (Continued)

Level 1 Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include the following:

- * Quoted prices for similar assets or liabilities in active markets;
- * Quoted prices for identical or similar assets or liabilities in inactive markets;
- * Inputs other than quoted prices that are observable for the asset or liability;
- * Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for the Plan's investments measured at fair value. There have been no changes in the methodology used at December 31, 2018 and 2017.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes that its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

2. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2018 and 2017. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Plan Investments at Fair Value as of December 31, 2018				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,689,358	\$ -	\$ -	\$ 3,689,358

Plan Investments at Fair Value as of December 31, 2017				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,574,256	\$ -	\$ -	\$ 3,574,256

3. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisers. See Note B-2 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

4. Use of Estimates

In preparing the Plan's financial statements, management is required to make estimates and assumptions that affect the reported amounts of net assets, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

5. Payment of Benefits

Benefits are recorded when paid.

6. Accounting for Uncertainty in Income Taxes

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

NOTE C - INFORMATION CERTIFIED BY ASCENSUS TRUST COMPANY

The following is a summary of the Plan's asset information as of December 31, 2018 and 2017, and for the year ended December 31, 2018, included throughout the Plan's financial statements and supplemental information, that was prepared by or derived from information provided by the trustee and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental information related to the following assets:

	<u>2018</u>	<u>2017</u>
Investments, at fair value		
Mutual funds	\$ 3,689,358	\$ 3,574,256
Notes receivable from participants	<u>13,841</u>	<u>13,841</u>
	<u>\$ 3,703,199</u>	<u>\$ 3,588,097</u>

The trustee also certified the completeness and accuracy of \$338,628 of net depreciation in fair value of investments and \$79,677 of interest and dividends related to the aforementioned assets for the year ended December 31, 2018.

Clarity Partners, LLC
401(k) Plan and Trust
NOTES TO FINANCIAL STATEMENTS
December 31, 2018 and 2017

NOTE D – INCOME TAX STATUS

The Plan adopted a nonstandardized form of a volume submitter plan sponsored by Ascensus, Inc. The volume submitter plan has received an opinion letter from the Internal Revenue Service as to the volume submitter plan's qualified status. The volume submitter opinion letter has been relied upon by this Plan. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable provisions of the Internal Revenue Code.

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants become fully vested in their respective account balances.

NOTE F - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE G - PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed by Ascensus Trust Company. Ascensus Trust Company is the trustee, as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. The DOL considers late deposits to be prohibited transactions as disclosed in the accompanying supplemental information. The Plan Sponsor intends to correct these deficiencies pursuant to the DOL's Voluntary Fiduciary Correction (VFC) Program in 2019.
