Filtration Group 401(k) Retirement Savings Plan

Notes to Financial Statements

1. Description of the Plan

The following brief description of the Filtration Group 401(k) Retirement Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is a defined contribution plan for the employees of Filtration Group, LLC, Environmental Filter Corporation, E Filtration, Inc., Midwest Air Filters, Inc., Bebeco, Inc., Filtrair, Inc., Chemco Manufacturing Co. Inc., Burke Environmental, LLC, Waco Filters Corporation, Air Energy Systems & Services, LLC, Clear Edge Filtration, Inc., Industrial Fabrics Corporation, Con-Air Industries, Inc., Zinga Industries, Inc., Kaydon Custom Filtration Corporation, Purafil, Inc., and Mahle Industrial Filtration USA, Inc. (collectively, the Company). The Company established the Plan effective July 1, 1995. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

Under provisions of the Plan, all active employees of the Company, excluding members of a collective bargaining unit and leased employees, who have completed 1 month of service and are at least 18 years of age, are eligible to participate in the Plan. Participants become eligible to participate on the first of each month after meeting all eligibility requirements (Plan entry date).

Contributions

Eligible employees may elect to contribute, on a pretax basis, up to 90% of their eligible compensation to the Plan, not to exceed the limit under the Internal Revenue Code (IRC). In addition, eligible participants are permitted to make catch-up contributions, which are eligible for matching contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% with automatic annual increases equal to 1%, not to exceed a total of 6% of eligible compensation. The Company provides a safe harbor matching contribution equal to 100% of the first 2%, and 50% of the next 4% of the eligible participant's compensation to the Plan.

Participant Accounts

Each participant's account is credited or charged with the participant's contribution and allocations of (a) the Company's contributions and (b) Plan earnings or losses and charged with his or her withdrawals and an allocation of administrative expenses. Allocations are based on participant deferrals, earnings, or account balances, as defined. The benefit to which a participant is entitled is that which can be provided from the participant's vested account.

Notes Receivable from Participants

A participant may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Loans are secured by the participant's account balance and bear interest at a reasonable rate of interest as determined by Plan management based on prevailing interest rates charged for similar loans in the loan market. Repayments of the loans are made in substantially equal payroll deductions amortized over the life of the loan. The loan must be repaid within five years unless the loan is used to purchase a primary residence, in which case the repayment period may not extend beyond ten years from the date of the loan. The principal amount of the loan, together with all accrued interest, shall immediately become due when the participant is no longer employed by the Company.

Notes to Financial Statements

1. Description of the Plan (cont.)

Payment of Benefits

Participant accounts may be withdrawn upon retirement, death, disability, attainment of age 59½, or termination of employment as a lump-sum or in the form of installments as specified in the Plan. On termination of service due to any other reason, the participant may elect to receive a lump-sum or rollover to an eligible retirement plan in the amount equal to the value of the participant's vested interest in his or her account. In-service and hardship distributions are available to participants provided certain requirements are met. In-service distributions are limited to withdrawals from 100% vested accounts. Hardship distributions are limited to withdrawals not exceeding a participant's salary deferrals.

Any participants with a vested balance less than \$5,000 will receive a lump-sum distribution automatically upon death, disability, termination or retirement.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants vest in Company contributions plus actual earnings following 2 years of service in which the participant completed 1,000 hours.

Forfeited Accounts

Forfeited non-vested accounts totaled \$181,734 and \$193,031 at December 31, 2018 and 2017, respectively. Company contribution amounts forfeited, plus earnings (losses) thereon, are used to reduce future Company contributions or pay Plan fees. During the year ended December 31, 2018, forfeited funds in the amount of \$146,755 were used to offset Company contributions.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Accounting Estimates

The preparation of financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The investments of the Plan are reported at fair value. Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 4 for discussion of the fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded when earned and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. Summary of Significant Accounting Policies (cont.)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Plan Expenses

Loan origination fees associated with notes receivable from participants and the Plan's record keeping and custodian fees are paid by the Plan and are reflected in the financial statements as administrative expenses of the Plan. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan. All other expenses of the Plan are paid by the Company.

Subsequent Events

Management has evaluated subsequent events through October 15, 2019, which is the date the financial statements were available to be issued.

Effective January 1, 2019, the Plan was amended to merge the Filtran 401(k) Plan, the Multisorb Technologies, Inc. 401(k) and Profit Sharing Plan, and the Jonell Filtration Products, Inc. 401(k) Plan and Trust into the Plan.

3. Certified Information

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Prudential Bank & Trust, FSB (Prudential) certified that the financial information included in the financial statements as of December 31, 2018, and for the period from June 1, 2018 through December 31, 2018, and Bank of America, N.A. (Bank of America) certified that the financial information included in the financial statements as of December 31, 2017, and for the period from January 1, 2018 through May 31, 2018 provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income (loss) included in the accompanying financial statements as of December 31, 2018 and 2017, and for the year ended December 31, 2018 are covered by such certifications.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs in which little or no market data exists (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described below:

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts - Valued at NAV per unit, as provided by the administrator of the fund at year-end. The NAV is used as the practical expedient to estimate fair value.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018 and 2017.

<i>December 31, 2018</i>	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 45,293,948</u>	<u>\$ -</u>	<u>\$ -</u>	45,293,948
Common collective trusts measured at NAV*			<u>4,233,485</u>	
Total investments at fair value			<u>\$ 49,527,433</u>

4. Fair Value Measurement (cont.)

<i>December 31, 2017</i>	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 44,502,026	\$ -	\$ -	44,502,026
Common collective trusts measured at NAV*				<u>2,808,069</u>
Total investments at fair value				<u>\$ 47,130,095</u>

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value to the amounts presented in the statements of net assets available for benefits.

Fair value of investments in certain entities that calculate NAV per share (or its equivalent) follows:

Investment	Fair value at December 31, 2018	2017	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective trusts	\$ 4,233,485	\$ 2,808,069	N/A	Daily	None

5. Income Tax Status

For the period from January 1, 2017 through April 30, 2018, the Plan operated under a Prototype Non-Standardized Profit Sharing Plan sponsored by Merrill Lynch Pierce Fenner & Smith, Inc. (Merrill Lynch). The Internal Revenue Service (IRS) opined and informed Merrill Lynch by a letter dated March 31, 2014, that the Prototype Non-Standardized Profit Sharing Plan was designed in accordance with the provisions of the IRC. For the period from May 1, 2018 through December 31, 2018, the Plan adopted and operated under a Prototype Non-Standardized Profit-Sharing Plan with CODA sponsored by The Prudential Insurance Company of America (PICA) which received an opinion letter from the IRS dated April 29, 2014, stating the Plan was designed in accordance with the provisions of the IRC. Although the Plan has been amended since the date of the letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2018, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

6. Party-In-Interest

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Company, and certain others. Transactions and payments to Prudential and Bank of America for administrative fees, recordkeeping fees and investment management fees qualify as party-in-interest transactions. Notes receivable from participants also reflect party-in-interest transactions. Such transactions are exempt from the prohibited transaction rules.

Notes to Financial Statements

7. Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts.

8. Risks and Uncertainties

The Plan's investments include funds which invest in various types of investment securities and in various companies within various markets. Investment securities are exposed to several risks such as interest rate, market and credit risks.

Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the statements of net assets per the financial statements at December 31, 2018 and 2017 to the Schedule H of the Form 5500:

	2018	2017
Net assets available for benefits per the financial statements	\$ 50,865,280	\$ 48,388,047
Company and participant contributions held in sweep account	-	(168,589)
Net assets available for benefits per Schedule H of the Form 5500	\$ 50,865,280	\$ 48,219,458

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for the year ended December 31, 2018 to the net income on the Schedule H of the Form 5500:

	2018
Net increase in net assets available for benefits per financial statements	\$ 2,477,233
Plus: Company and participant contributions held in sweep account	168,589
Net increase in net assets available for benefits per Form 5500	\$ 2,645,822

The Plan files Form 5500 on the cash basis of accounting while the financial statements are on the accrual basis. Under the cash basis of accounting, income is reported as received and expenses are recorded as paid.

10. Delinquent Participant Contributions

During 2018, employee withholdings of \$3,769 were not remitted within the appropriate time period by the Company. The Company remitted the delinquent contributions and has remitted lost earnings to the Plan during 2019. This transaction constituted a prohibited transaction as defined by ERISA.
