# Carleton Life Support Systems, Inc. 401(k) Plan

## *Notes to Financial Statements*

### 1. Description of Plan

The following description of the Carleton Life Support Systems, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

**General** – The Plan is a defined contribution plan established on August 18, 2003 and sponsored by Carleton Life Support Systems, Inc. (the “Plan Sponsor”). The Plan covers substantially all employees of the Plan Sponsor, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Effective November 1, 2016, the Plan was amended and restated as a volume-submitter defined contribution plan sponsored by Fidelity Management & Research Company (“Fidelity”). The Carleton Life Support System’s Retirement Plan was merged with the Plan as of the effective date. The Plan was amended effective January 1, 2018 to limit employee contributions to 90% of compensation and allow for in-plan Roth rollover contributions. The Plan was amended effective May 2018 to allow for automatic participant deferrals of 10% for all newly eligible participants.

**Contributions** – Participants may elect to contribute to the Plan amounts equal to a full percentage between 1% and 90% of the participant’s eligible compensation as defined by the Plan, limited by the amount imposed by law. Participants may make Roth contributions into the Plan which are accounted for in separate participant-level subaccounts. Roth contributions made to the Plan amounted to \$544,197 and \$451,256 during the years ended December 31, 2018 and 2017, respectively. Additionally, participants age 50 or older may elect to make a catch-up contribution limited to the amount imposed by law. Contributions received from participants for the years ended December 31, 2018 and 2017 include rollover contributions of \$666,371 and \$464,065, respectively.

The Plan Sponsor matches 50% of the first 10% of eligible compensation contributed to the Plan by the employee.

Effective November 1, 2016 and in accordance with the Plan document, the Plan Sponsor also makes service-weighted contributions based on the following criteria:

| <u>Completed Years of Service</u> | <u>Service-Weighted Contribution</u> |
|-----------------------------------|--------------------------------------|
| 0 – 4                             | .50% of eligible compensation        |
| 5 – 9                             | 1.25% of eligible compensation       |
| 10 – 14                           | 2.00% of eligible compensation       |
| 15 – 19                           | 2.75% of eligible compensation       |
| 20 – 24                           | 3.50% of eligible compensation       |
| 25 – 29                           | 4.25% of eligible compensation       |

## *Notes to Financial Statements (continued)*

### 1. Description of Plan (continued)

Also, effective November 1, 2016, the Plan Sponsor makes a supplemental contribution for those eligible participants who commenced employment on or before August 18, 2003 (Acquisition Date of Life Support Division of Litton Systems, Inc.). Such participants who met The Rule of 100 on August 18, 2003, or who subsequently meet the Rule of 100 as of January 1<sup>st</sup> of a given Plan year, are eligible to receive the supplemental contribution. The Rule of 100 requires that the sum of 2½ times the participant's age as of his or her most recent birthday and the number of full years of benefit service completed by the participant as of the most recent anniversary of his or her most recent date of hire in a given Plan year is greater than 100.

***Participant Accounts*** – Individual accounts are maintained for each Plan participant. Participant accounts are increased by participant contributions, Plan Sponsor contributions, and the participant's share of Plan earnings. Participant accounts are decreased by participant distributions and the participant's share of Plan expenses and losses. The allocation of earnings and losses to participant accounts is based on the value of an individual account in relation to the total assets of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Vesting*** – Participants are immediately vested in their salary deferral and rollover contribution accounts and the earnings thereon. Participants vest ratably in Plan Sponsor contributions at 25% for each year of service and become fully vested after four years.

***Notes Receivable from Participants*** – In accordance with Plan provisions, participants are permitted to borrow a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000, less the highest outstanding previous loan balance, if any, during the one-year period ending immediately before the date of any new loan, or 50% of their vested balance as of the date the loan is made. Participants may have only one loan outstanding at any time. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates determined by the Plan administrator. Repayment terms may not exceed five years, with the exception of a loan used to purchase a primary residence, in which case repayment terms may not exceed 10 years. Principal and interest is paid ratably through each payroll deduction. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

***Payments of Benefits*** – Plan assets allocated to a participant's account will be distributed upon termination of employment, after reaching age 65, or death. Participants may withdraw funds from their rollover account at any time. Participants may withdraw funds from their matching contribution account at any time after they reach 70½. Participants may withdraw funds from their deferral account at any time after they reach 59½. Hardship withdrawals, as defined by the Internal Revenue Code (the "Code"), are available to participants only from their deferral-contributions account.

## *Notes to Financial Statements (continued)*

### 1. Description of Plan (continued)

***Forfeitures*** – Forfeited Plan Sponsor-matching contributions are used to reduce future Plan Sponsor contributions. Forfeited matching contributions used to fund Plan Sponsor contributions amounted to \$102,106 and \$173,335 during the years ended December 31, 2018 and 2017, respectively.

***Tax Status*** – The Plan is a volume-submitter profit-sharing plan sponsored by Fidelity Management and Research Co. Fidelity Management and Research Co. received a letter dated March 31, 2014 from the IRS stating the form of the volume-submitter plan is acceptable under Section 401 of the Code for use by employers for the benefit of their employees. The Plan Administrator believes that the Plan is operating in compliance with the requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt. Accordingly, no provision for income taxes has been included in the accompanying financial statements.

***Plan Termination*** – Although it has not expressed any intent to do so, the Plan Sponsor has the right to discontinue its contributions at any time and terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in Plan Sponsor contributions and associated earnings thereon.

### 2. Summary of Significant Accounting Policies

***Basis of Accounting*** – The accompanying financial statements are prepared on the accrual basis of accounting.

***Investment Valuation and Income Recognition*** – The Plan's investments in money market funds, mutual funds, self-directed brokerage funds and common collective trusts are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

The Plan presents in the accompanying statements of changes in net assets available for benefits the net appreciation in the fair value of its investments, which includes both realized gains (losses) and unrealized net appreciation (depreciation) in the fair value of investments. Realized gains (losses) on disposition of investments were based upon actual costs and selling prices.

Purchases and sales of securities are recorded on a settlement-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

**2. Summary of Significant Accounting Policies (continued)**

***Notes Receivable from Participants*** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. In the event of death or termination of employment, the entire outstanding principal and accrued interest shall be due and payable within 90 days. Any unpaid balance will be deemed a taxable distribution from the Plan.

***Payment of Benefits*** – Benefits are recorded when paid.

***Administrative Expenses*** – Certain accounting and administrative expenses necessary to administer the Plan are paid for by the Plan Sponsor. Expenses relating to investment activity are paid by participants from their respective individual accounts. Certain administrative and investment activity expenses are paid by the Plan. Each year, Fidelity awards the Plan revenue credits payable to the Plan from Fidelity that either can be used for eligible Plan expenses or allocated to participant accounts. The Plan received credits as part of this program totaling \$61,782 and \$105,351 for the years ended December 31, 2018 and 2017, respectively. Administrative expenses in the accompanying statements of changes in net assets are reduced by these amounts.

***Party-in-Interest Transactions*** – Certain Plan investments were held in Fidelity mutual funds, self-directed brokerage funds, and money-market funds. Fidelity is a trustee of the Plan and, as such, transactions involving these funds qualify as party-in-interest transactions.

***Risks and Uncertainties*** – Investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in risks in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying financial statements.

***Use of Estimates*** – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

***Subsequent Events*** – The Plan Administrator has evaluated subsequent events, for recognition or disclosure, through October 7, 2019, the date the accompanying financial statements were available to be issued, and has determined that no additional recognition or disclosure was necessary.

#### **3. Information Certified by the Trustee (Unaudited)**

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity has certified that the investments and notes receivable from participants included in the accompanying financial statements and supplementary information are complete and accurate at December 31, 2018 and 2017, respectively.

The Trustee also certified interest and dividend income totaling \$3,932,804 and \$3,010,112 and net appreciation (depreciation) in fair value of investments of (\$8,612,958) and \$7,043,277 for the years ended December 31, 2018 and 2017, respectively.

#### **4. Fair Value Measurements**

ASC 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- **Level 1** – Unadjusted quoted prices in active markets for identical, unrestricted assets or liabilities that are accessible at the measurement date.
- **Level 2** – Quoted prices for similar assets or liabilities in active markets or quoted prices for identical or similar assets or liabilities in markets that are not active. This level also includes inputs other than quoted prices that are observable, either directly or indirectly, for substantially the full term through corroboration with observable, independent market data. This includes investments valued at quoted prices adjusted for legal or contractual restrictions specific to the security. There were no assets of the Plan that were valued using Level 2 inputs at December 31, 2018 and 2017.
- **Level 3** – Pricing inputs are unobservable for the asset or liability. That is, inputs that reflect the reporting entity’s own assumptions about the assumptions that market participants would use in pricing the asset or liability. There were no assets of the Plan that were valued using Level 3 inputs at December 31, 2018 and 2017.

The asset or liability’s fair value-measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**4. Fair Value Measurements (continued)**

The following is a description of the valuation methodologies used for assets measured at fair value, which remain unchanged from the prior year.

*Money Market Funds:* Shares of money market funds are valued at amortized cost, which approximates fair value. The amortized cost of an instrument is determined by valuing it at its original cost and thereafter amortizing any discount or premium from its face value at a constant rate until maturity.

*Self-Directed Brokerage Account:* Account primarily consists of cash and common stocks that are valued on the basis of readily determined market prices.

*Mutual Funds:* Shares of mutual funds are valued at quoted market prices which represent the net asset value ("NAV") of shares held by the Plan at year end.

*Common and Collective Trusts ("CCTs"):* CCTs are valued daily at NAV based on the market value of the underlying assets. NAV is determined by dividing the fair value of the CCT's net assets by the total numbers of units owned.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018 and 2017:

|                                       | 2018                 | 2017                 |
|---------------------------------------|----------------------|----------------------|
| Level 1                               |                      |                      |
| Money market funds                    | \$ 172,258           | \$ 279,586           |
| Mutual funds                          | 52,978,305           | 67,881,230           |
| Self-directed brokerage               | 546,042              | 857,024              |
| Investments valued at net asset value |                      |                      |
| Common and collective trusts          | 22,310,246           | 7,837,902            |
|                                       | <u>\$ 76,006,851</u> | <u>\$ 76,855,742</u> |

***Investments Measured at NAV***

*Columbia Trust Balanced Fund III, PIMCO Stable Income Fund II, and American Century Retirement Date Funds* are common collective trusts that are measured using NAV as a practical expedient to estimate fair value. The trusts are redeemable on any business day at NAV and there are no unfunded commitments.

Mr. Rob Baugous, Plan Administrator  
Carleton Life Support Systems, Inc.  
401(k) Plan  
Davenport, Iowa

We have conducted a Department of Labor (“DOL”) limited-scope audit of the financial statements of the Carleton Life Support Systems, Inc. 401(k) Plan (the “Plan”) for the years ended December 31, 2018 and 2017 and have issued our report thereon dated October 7, 2019. As permitted by 29 CR 2520.103-8 of the DOL’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (“ERISA”), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 to the financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedule taken as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under auditing standards generally accepted in the United States of America, as well as certain information related to the planned scope and timing of our audit. ### **Significant Audit Findings**

#### *Qualitative Aspects of Accounting Practices*

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements.

We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on management’s knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The financial statement disclosures are neutral, consistent and clear.

#### *Difficulties Encountered in Performing the Audits*

We encountered no significant difficulties in performing and completing our audit.

#### *Corrected and Uncorrected Misstatements*

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management does not maintain a general ledger for the Plan. The preparation of the Plan's financial statements was based on third party recordkeeping statements and is deemed adequate for this type of benefit plan.

#### *Disagreements with Management*

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

#### *Management Representations*

We have requested certain representations from management that are included in the management representation letter for the plan dated October 2, 2019.

#### *Management Consultations with Other Independent Accountants*

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

#### *Other Audit Findings or Issues*

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

In considering internal control over financial reporting as required by our professional standards, we did not become aware of any deficiencies in internal control which we would consider to be a material weakness.

*Other Matters*

With respect to the supplemental schedule accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplemental schedule to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

*Other Information in Documents Containing Audited Financial Statements*

We read drafts of the respective Form 5500 for the Plan prior to their filing with the DOL and found that the information presented in the plan's Form 5500 was materially consistent with the information appearing in each plan's respective financial statements.

This information is intended solely for the use of the Trustees, Administrator and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.
