Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Doherty Employment Group, Inc. 401(k) Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2018 and 2017, and the related statement of changes in net assets available for benefits for the year ended December 31, 2018, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility for the 2018 Financial Statements

Our responsibility is to express an opinion on the 2018 financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the 2018 financial statements.

Auditors' Responsibility for the 2017 Financial Statements

Our responsibility is to express an opinion on the 2017 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion on the 2017 Financial Statements paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion on the 2017 Financial Statement

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, assets held by Wells Fargo Bank, N.A., the trustee of the Plan, and transactions in those assets, were excluded from the scope of our audit of the Plan's 2017 financial statements, except for comparing the information provided by the trustee which is summarized in Note 4, with the related information included in the financial statements.

Disclaimer of Opinion on the 2017 Financial Statement

Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2017 Financial Statement paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2017 financial statements.

Opinion of the 2018 Financial Statements

In our opinion, the financial statements referred to above of the Plan as of December 31, 2018 and for the year then ended, present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2018 and the changes in net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Other Matter – Report on Supplementary Information

Our audit of the Plan's financial statements as of and for the year ended December 31, 2018, was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Notes to the Financial Statements
December 31, 2018 and 2017

NOTE 1: DESCRIPTION OF THE PLAN

The following description of the Doherty Employment Group, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a multiple employer defined contribution plan covering all eligible employees of Oasis DEG, Inc. formally known as Doherty Employment Group, Inc. (the Company) and Adopting Employers who met the eligibility requirements defined in the Employer's Adoption Agreement through December 31, 2017. Effective January 1, 2018, each Adopting Employer and a majority of the plan assets merged into the Oasis Retirement Savings Plan. Effective November 1, 2018, the Plan was terminated. It is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Contributions

Each year, participants may contribute up to 100 percent of pre-tax and/or after-tax annual recognized compensation, as defined in the Plan up to the maximum allowable under the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants. Each Adopting Employer can choose to have participants automatically enrolled at a specific percentage into a predetermined fund. Each Adopting Employer may also (but is not required to) determine a matching contribution for their participants. The matching contributions are invested at the direction of the participant into the investment options offered by the Plan. Discretionary profit sharing contributions may be contributed at the option of each Adopting Employer. The profit sharing contributions are invested at the direction of the participant into the investment options offered by the Plan. There were no contributions in the plan for 2018. Investment changes may be made on a daily basis. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Adopting Employer's contribution and Plan earnings. Employer contribution allocations are based on participant compensation and/or contributions as defined in the Plan documents. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1: DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Adopting Employers may choose the vesting option for contributions the Adopting Employer makes on a participant's behalf. Vesting credit is given for a year of service. Adopting Employers may choose immediate vesting, 6-year graded, or 3-year cliff vesting options. A year of service is a Plan year in which a participant is credited with 1,000 hours of service. A participant will be fully vested in all of his accounts under the Plan (including those accounts attributable to the Adopting Employer's contributions) upon reaching the Plan's normal retirement age (age 65), his disability, or death. Effective November 1, 2018, all remaining participants became 100% vested upon the termination of the plan.

Notes Receivable from Participants

Participants may borrow from their fund accounts at a minimum of \$500 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at prime plus 1%. Interest rates range from 3.25% to 9.75%. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or termination, a participant may elect to receive a lump-sum equal to the value of the participant's vested interest in his or her account.

Forfeited Accounts

At December 31, 2018 and 2017, forfeited nonvested accounts totaled \$115,252 and \$116,457, respectively. These accounts will be used to pay administrative fees.

Excess Contributions

Excess contributions of \$0 and \$199,838 are recorded in accounts payable as of December 31, 2018 and 2017, respectively. The payable was made to certain active participants to return to them excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan for the year ended December 31, 2017.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

Due to the decision to terminate the Plan during 2018, management determined that liquidation of the Plan is imminent and the financial statements for 2018 have been prepared using the liquidation basis of accounting. The 2017 financial statements were prepared as a going concern on the accrual basis of accounting.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(Continued)

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investment bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan in default, the participant loan balance is reduced and a benefit payment is recorded.

Payments of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 14, 2019, the date the financial statements were available to be issued.

NOTE 3: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under Accounting Standards Codification (ASC) 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3: FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 312,466	\$ -	\$ -	\$ 312,466
Total Assets in the Fair Value Hierarchy	\$ 312,466	\$ -	\$ -	\$ 312,466

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 29,806,736	\$ -	\$ -	\$ 29,806,736
Total Assets in the Fair Value Hierarchy	\$ 29,806,736	\$ -	\$ -	\$ 29,806,736

There were no significant transfers between Level 1 and Level 2 investments during the year ended December 31, 2018.

NOTE 4: INFORMATION CERTIFIED AND PROVIDED BY WELLS FARGO BANK, N.A.

The following is a summary of the Plan's asset information as of December 31, 2018, included throughout the Plan's financial statements that was prepared by or derived from information provided by the trustee and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustee that information provided to the Plan administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedules related to the following assets:

Mutual Funds, at Fair Value	\$ 29,806,736
Cash	282,149,117
	<u>\$ 311,955,853</u>

Doherty Employment Group, Inc. 401(k) Plan
Notes to the Financial Statements
December 31, 2018 and 2017

NOTE 5: ASSET TRANSFERS

Effective January 1, 2018, the Plan merged \$307,348,672 of its assets and active participants into the Oasis Retirement Savings Plan. The remaining assets and inactive participants remain in the Plan.

Effective January 1, 2018, the Plan changed service providers. The remaining assets have been transferred to Slavic 401k.

NOTE 6: PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions. As noted in Note 1, effective November 1, 2018, the plan was terminated.

NOTE 7: TAX STATUS

The Plan received a determination letter from the Internal Revenue service dated April 14, 2014, stating that the Plan is qualified under of the Internal Revenue Code (the Code) and therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore believes that the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Company has taken an uncertain position that more likely than not would be sustained upon examination by the U.S. federal, state, or local tax authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2018, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no active audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2015.

NOTE 8: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The Plan has 43% of total net assets available for benefits invested in one fund at December 31, 2018.

NOTE 9: PARTIES-IN-INTEREST TRANSACTIONS

Fidelity Investors, the custodian of the Plan, manages certain Plan investments. Therefore, these transactions qualify as party-in-interest transactions and are denoted as such on the supplemental schedule of assets (held at year end).
