Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Equity Trust Company 401(k) Plan (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2018 and 2017, and the related statement of changes in net assets available for benefits for the year ended December 31, 2018, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Matrix Trust Company (Matrix Trust), a custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that Matrix Trust holds certain of the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from Matrix Trust as of December 31, 2018 and 2017, and for the year ended December 31, 2018, that the information provided to the plan administrator by Matrix Trust is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

Department of Labor Rules and Regulations and accounting principles generally accepted in the United States of America (GAAP) require plan investments to be valued at fair value. As described in Note 2, Plan management does not obtain adequate information to properly value certain investments as of December 31, 2018 and 2017, and therefore these investments may not be presented in compliance with Department of Labor Rules and Regulations or in conformity with GAAP. The effects on the financial statements and the supplemental schedule of assets held at end of year as of December 31, 2018 and 2017, of not applying adequate procedures to determine the fair value of these investments has not been determined.

Other Matter

The supplemental schedule of assets held at end of year as of December 31, 2018, is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by Matrix Trust, a custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, except as noted in the Emphasis of Matter paragraph, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1. DESCRIPTION OF PLAN

The following description of the Equity Trust Company 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the following related companies: ETC Brokerage Services, Inc. (ETC Brokerage), Equity Administrative Services, Inc., Equity Trust Company (ETC), Equity Oil and Gas Funds, Inc., and Equity Advisor Solutions, LLC (collectively, the Company), who have completed three months of service and attained eighteen years of age. Once eligible, employees may enroll in the Plan on the first day of each Plan quarter. Effective August 1, 2018, the Plan was amended to change the service period to 60 days and enrollment may occur on the first day of each month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's Trustees oversee governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Trustees.

Contributions

Each year, participants may make voluntary 401(k) and Roth contributions up to 100% of their annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants in the Plan who are eighteen years of age and have completed three months of service are eligible to receive a safe harbor matching contribution. Participants in the Plan who are eighteen years of age, have completed one year of service, and are employed on the last day of the calendar year are eligible for discretionary matching and discretionary profit sharing contributions. The Company makes a safe harbor matching contribution of 100% up to 3%, plus 50% of the amount that exceeds 3% up to 5%, of eligible compensation that a participant contributes to the Plan. The Company may also authorize discretionary matching and discretionary profit sharing contributions. There were no discretionary matching or discretionary profit sharing contributions authorized for the year ended December 31, 2018. Contributions are subject to certain Internal Revenue Service (IRS) limits.

Participants direct the investment of their contributions into a broad range of investment options through self-directed brokerage accounts facilitated through the plan sponsor or participant accounts held by Matrix Trust Company (Matrix Trust). Participants can also direct contributions into nontraditional assets through requests submitted to the plan sponsor. The Company's contributions are allocated in the same manner in which the participants invest their own contributions.

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

A separate account is maintained for each participant. Each participant's account is credited with the participant's 401(k) and Roth contributions, rollover contributions, allocations of the Company's contributions, and Plan earnings or losses, as defined by the Plan agreement. Allocations of the Company's discretionary match and discretionary profit sharing contributions are based on participants' compensation for the Plan year relating to the contribution. Plan earnings or losses are allocated daily based on each participant's account balance. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their 401(k), Roth, and rollover contributions plus actual earnings thereon. Vesting in the Company's contributions is immediate for safe harbor contributions and participants are 100% vested after six years of credited service for discretionary contributions under a graded vesting schedule. However, if an active participant dies prior to attaining retirement age, the participant's account becomes 100% vested.

Notes Receivable from Participants

Participants may borrow money within certain limits from their individual accounts. The notes are secured by the balance in the participant's account. The loan interest rate, determined at inception, is set at Prime (5.50% and 4.50% at December 31, 2018 and 2017, respectively) plus 1%, in accordance with the Plan's loan policy. Principal and interest is paid ratably through payroll deductions.

Payments of Benefits

Upon termination of service or retirement, a participant may elect to receive a lump-sum payment equal to the value of the participant's vested interest in his or her account. If the participant's vested account balance is less than \$5,000, the plan administrator may direct the custodian to make a direct rollover into an individual retirement account. Distributions of a participant's eligible account balance may be authorized at any time by the plan administrator under certain hardship conditions.

Forfeited Accounts

Forfeited non-vested accounts are used to reduce administrative expenses or to reduce future employer contributions. At December 31, 2018 and 2017, forfeited non-vested accounts totaled approximately \$14,000 and \$20,000, respectively. During 2018, approximately \$14,000 was used to reduce employer contributions.

NOTES TO THE FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Accounting Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, as reported by Matrix Trust and ETC, the custodians of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Assets of the Plan are held in separate accounts of trusts administered by Matrix Trust and ETC, the custodians of the Plan, representing investments in money market and mutual funds; self-directed brokerage accounts consisting of investments in money market and mutual funds, common stocks, and bonds; and nonreadily marketable investments. Nonreadily marketable investments in the amount of \$490,776 and \$347,776 as of December 31, 2018 and 2017, respectively, are valued at estimated value, as noted at Note 4, which is not in conformity with GAAP.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 and 2017. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

NOTES TO THE FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Plan Expenses

Certain of the Plan's administrative expenses and other expenses incurred in connection with the sale, purchase, and management of the investments within the self-directed brokerage accounts were paid by Equity Administrative Services, Inc. and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

Income Taxes

In accordance with GAAP, the plan administrator is required to evaluate tax positions taken by the Plan and recognize a tax liability for any significant uncertain position that more likely than not would not be sustained upon examination by the IRS. As of December 31, 2018 and 2017, and for the year ended December 31, 2018, the Plan did not have a liability for unrecognized tax benefits.

Subsequent Events

Plan management has evaluated subsequent events through October 14, 2019, the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY THE CUSTODIAN

In accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator has elected to restrict the scope of the auditor's examination with regard to statements or information prepared and certified by Matrix Trust, a custodian.

The following information included in the accompanying financial statements and supplemental schedule of assets held at end of year was obtained from data that has been prepared and certified to as complete and accurate by Matrix Trust as of December 31, 2018 and 2017, and for the year ended December 31, 2018:

	<u>2018</u>	<u>2017</u>
Cash	\$ 3,774	\$ 70,770
Investments – At fair value	\$ 8,904,144	\$ 8,139,497
Interest and dividends	\$ 336,878	\$ 246,377
Net appreciation (depreciation) in fair value of investments	\$ (796,347)	\$ 928,061

NOTES TO THE FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1	Inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access
Level 2	Other significant observable inputs including: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means
Level 3	Inputs are significant and unobservable (including the Plan's own assumptions used to determine value)

The assets' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies utilized at December 31, 2018 and 2017.

Self-directed brokerage accounts (SDB Accounts): The self-directed brokerage accounts' investments are valued at the fair value of the underlying individual assets within the brokerage account. The self-directed brokerage accounts invest in money market and mutual funds, common stocks, and bonds.

Money market and mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The money market and mutual funds held by the Plan are deemed to be actively traded.

Common stocks: Valued at the closing price reported on the active market in which the securities are traded.

Bonds: Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings. When quoted prices are not available for identical or similar bonds, the bond is valued under a discounted cash flow approach that maximizes observable inputs such as current yields of similar instruments, but includes adjustments for certain risks that may not be observable, such as credit and liquidity risks.

NOTES TO THE FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENTS (Continued)

Stable value collective trust fund: A stable value fund (the Fund) that is composed primarily of collective investment funds which invest in fixed income instruments. The Fund is valued at the NAV of units of the Fund. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the Fund will sell the investment for an amount different from the reported NAV. If the Plan initiates a full redemption of the Fund, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner, otherwise redemptions are allowable daily with no notice.

Nonreadily marketable investments - Unsecured notes, secured notes, real estate, private partnership, private stocks: Valued by the custodian at cost with various adjustments for underlying transaction activity when reported to the Plan.

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets measured at fair value by level, within the fair value hierarchy, are comprised of the following at December 31, 2018:

Description	Level 1	Level 2	Level 3	Total
Matrix Trust:				
Money market fund	\$ 284,204			\$ 284,204

Assets measured at fair value by level, within the fair value hierarchy, are comprised of the following at December 31, 2017:

Total investments				<u>\$ 10,278,639</u>

NOTES TO THE FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENTS (Continued)

Following is a reconciliation of activity for 2018 for the investments – at estimated value, which are measured based on significant unobservable (non-market) information (Level 3):

Balance – Beginning of year	\$ 347,776
Purchases	150,000
Realized loss	<u>(7,000)</u>
Balance – End of year	<u>\$ 490,776</u>

5. PARTY-IN-INTEREST TRANSACTIONS

ETC is the custodian of the Plan investments in the self-directed brokerage accounts and nonreadily marketable investments. ETC Brokerage processes Plan investment transactions for the self-directed brokerage accounts as a broker/dealer. Both companies are plan sponsors and are owned by the Trustees of the Plan and, therefore, these transactions qualify as party-in-interest. The Plan and its participants are not assessed fees from ETC or ETC Brokerage for transactions executed on their behalf.

EPIC Advisors Inc. (EPIC) provides certain administrative services to the Plan pursuant to a Recordkeeping Services Agreement between the Company and EPIC. EPIC receives revenue from mutual fund and collective trust fund service providers for services EPIC provides to the funds. This revenue is used to offset certain amounts owed to EPIC for its administrative services to the Plan.

6. PLAN TERMINATION

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. TAX STATUS

The Plan has adopted a prototype plan provided by EPIC. EPIC has received an opinion letter dated March 31, 2014, from the IRS stating that the prototype plan is acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTES TO THE FINANCIAL STATEMENTS

9. SUBSEQUENT EVENT

Effective January 1, 2019, the Plan was amended to exclude leased employees and interns. The amendment also added a new participating employer, United Banc Investment Co. LP.
