NOTE 1: DESCRIPTION OF PLAN

The following description of the Pursue Health, LLC Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan, which became effective on October 1, 2015, is a profit sharing plan covering substantially all employees of Pursue Health, LLC, and affiliated companies qualifying as members of a controlled group (collectively referred to as the Company). During 2018, there were seventeen affiliated companies participating in the Plan. Employees are eligible to participate having completed at least 3 months of service and are age 18 or older. Eligible participants may enter the Plan on the first day they become eligible. The Plan has an automatic enrollment feature with a 3 percent pretax deferral. If no investment fund election is made by the participant, the automatic contributions will be invested into the appropriate target date fund. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS AND FUNDING POLICY

Participants may contribute up to 100 percent of their pretax annual compensation, or after-tax Roth contributions, subject to IRS limitations, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

Each year, the Company may make a qualified-nonelective contribution to be allocated to participants. The contribution is determined at the discretion of the Company. There was no qualified-nonelective contribution for the year ended December 31, 2018.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, any employer qualified-nonelective contributions and an allocation of the Plan's earnings and losses, including administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their contributions and any employer qualified-nonelective contributions. As such, all participants are 100% vested and there are no forfeitures.

INVESTMENT OPTIONS

Each participant directs contributions to his or her account among different investment options offered by the Plan. These investment options are comprised of pooled separate accounts and a stable value fund. Investment balance reallocations may be made at any time.

NOTE 1: DESCRIPTION OF PLAN, Continued

PAYMENT OF BENEFITS

Upon attainment of age 59 1/2, or termination of service, due to death, disability, or retirement, a participant may elect to receive a distribution equal to the value of the participant's vested interest in his or her account. Under certain circumstances, participants may make a financial hardship withdrawal. If a terminated participant's vested account balance does not exceed $5,000, the account will automatically be distributed from the plan in a single lump-sum payment.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow a minimum of $1,000, and up to a maximum equal to the lesser of $50,000 or 50% of the participant's vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid through after-tax payroll deductions.

ADMINISTRATIVE EXPENSES

As permitted by the Plan document, certain expenses of maintaining the Plan are paid by the Plan and are charged to participants' accounts. The Plan's audit fees and certain recordkeeping fees are paid for by the Company. For the year ended December 31, 2018, expenses paid by the Company were approximately $9,000.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for the fully benefit-responsive investment contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

INVESTMENT VALUATION AND INCOME RECOGNITION, Continued

In May 2015, the FASB issued ASU 2015-07, *Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)*. ASU 2015-07 removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured at net asset value (NAV) per share (or its equivalent) using the practical expedient and removes certain disclosures. ASU 2015-07 is effective for fiscal years beginning after December 15, 2016, with early adoption permitted, and is to be applied retrospectively. The Trustees adopted ASU 2015-07 for the year ended December 31, 2017. As a result of applying ASU 2015-07, the pooled separate accounts using NAV as a practical expedient are excluded from the fair value hierarchy at December 31, 2018 and 2017.

POOLED SEPARATE ACCOUNTS

The pooled separate accounts are amounts allocated to variable investment accounts within an American United Life Insurance Company (AUL) separate account which is credited to a participant's account in the form of accumulation units. The value of an accumulation unit of any investment account is determined at the close of each business day and is directly related to the net asset value of the shares of the underlying investment adjusted for any dividends or distributions received by AUL and the daily equivalent of any fee charged by AUL pursuant to the contract. The value of each accumulation unit is published each business day. Each investment account is invested by AUL exclusively in shares of a specific mutual fund or other investment entities as directed by the contractholder. The Plan's pooled separate accounts are valued using the net asset value as a practical expedient, which is the price at which participants are able to initiate transactions. These funds have no redemption restrictions or unfunded commitments.

GUARANTEED INVESTMENT CONTRACT

The Plan's fully benefit-responsive guaranteed investment contract (AUL Stable Value Account) is backed by AUL's general account assets. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The contract can be subject to a market value adjustment upon contract termination. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value is equal to the principal balance plus accrued interest. As of December 31, 2018 and 2017, the investments in the AUL Stable Value Account are $139,828 and $78,487, respectively, and are included in the statements of net assets available for benefits under "Investment at contract value".

Interest rates are established and declared for new contributions that will be received in a calendar year. The rate is based on the return AUL expects on new investments made and held within the AUL general account, and will always equal or exceed the contractually guaranteed rate.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

GUARANTEED INVESTMENT CONTRACT, Continued

Certain events limited the Plan's ability to transact at contract value with AUL. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the ERISA. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with Plan participants, is probable.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management and the Plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 and 2017. Delinquent notes receivable from participants are reclassified as distributions based on the terms of the Plan document.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTE 3: INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

As of December 31, 2018 and 2017, the Plan's investments were held by American United Life Insurance Company. The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by the custodian as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Investments:	2018	2017
Pooled separate accounts at fair value	$ 3,211,954	$ 2,492,701
Stable value fund at contract value	139,828	78,487
Total investments	$ 3,351,782	$ 2,571,188
Notes receivable from participants	$ 161,295	$ 119,161

NOTE 3: INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN, Continued

Investment loss:	2018
Net depreciation in fair value of investments	$ (263,171)
Interest and dividend income	609
Net investment loss	$ (262,562)
Other income:	
Interest on notes receivable from participants	$ 7,963

During 2018, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by $263,171.

NOTE 4: INCOME TAX STATUS

The Plan has adopted a Volume Submitter Profit Sharing Plan, in which the Internal Revenue Service has determined by a letter dated March 31, 2014, that the Plan is designed in accordance with applicable requirements of the Internal Revenue Code. Therefore, the income of the Plan is exempt from federal income taxes under Section 501(a) of the Code.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2018, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years before 2015.

NOTE 5: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6: PARTY-IN-INTEREST

Certain Plan investments are units of pooled separate accounts that are managed by OneAmerica Financial Partners, Inc. (OneAmerica) and a stable value fund contract that is managed by American United Life Insurance Company. OneAmerica is the Plan's third-party administrator and American United Life Insurance Company is the Plan's custodian, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 7: **PROHIBITED TRANSACTIONS**

During the year ended December 31, 2018, certain participant contributions were not remitted to the Plan in a timely manner resulting in prohibited transactions. In 2018, the total delinquent contributions, including participant notes receivable payments, were $390. The Plan administrator is in the process of correcting the delinquent contributions outside of the Department of Labor's Voluntary Fiduciary Correction Program.

NOTE 8: SUBSEQUENT EVENTS

The Company has evaluated subsequent events through October 14, 2019, the date that the financial statements were available to be issued. Subsequent to year-end, the Plan was amended to allow six additional affiliated companies to enter the Plan.

Revenue Sharing Formula:

The investment options of the Plan include various portfolios within an AUL separate account. The separate account in turn invests in investment portfolios of certain open-end management investment companies. AUL receives indirect compensation from these investment companies for the services provided by AUL.

The compensation received by AUL is computed by each investment company by multiplying the daily account balance of the AUL separate account's interest in a particular portfolio by a predetermined percentage rate negotiated with the investment company. This indirect compensation is not charged to the plan or participants accounts but is paid directly by the investment company.

The investment company, the underlying investment portfolio, and the annual compensation percentages are shown below.
