ATLANTIC DENTAL CARE 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Atlantic Dental Care 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Atlantic Dental Care, PLC (the Company) who have one year of service and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to the maximum amount allowed by law of annual compensation, as defined in the Plan. They may also contribute distributions from other qualified plans. The Company makes a "safe harbor" contribution of 3% of compensation to all eligible employees, and may contribute additional amounts at its discretion. Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain limitations.

Participant accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings and charged with an allocation of administrative fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after 6 years of credited service.

Notes receivable from participants

Participants may borrow from their accounts up to a maximum of $50,000. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with prevailing rates, as determined by the Plan administrator.

Payment of benefits

On termination of service, a participant or designated beneficiary may receive the value of the vested interest in the participant's account as a lump sum payment.

Forfeitures

Forfeitures of non-vested account balances of terminated employees are used to reduce employer contributions or to pay administrative expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates

The preparation of financial statements in conformity accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment valuation and income recognition

Investments, consisting of mutual funds and exchange traded funds, are reported at fair value in accordance with a framework established by U.S. GAAP that provides a fair value hierarchy prioritizing the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). Mutual funds are valued at the daily closing price as reported by the fund, which represents the fund's net asset value and the price at which trades are made, and is Level 1 of the fair value hierarchy. Exchange traded funds are valued at the closing price reported on the active market in which each security is traded, which is also Level 1 of the fair value hierarchy.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Contributions receivable

Contributions receivable are reported at their face amount and do not bear interest. The Plan administrator believes the balances are fully collectible and has therefore provided no allowance for uncollectible accounts.

Notes receivable from participants

Notes receivable from participants are reported at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Notes receivable in default are deemed to be distributions based on the terms of the Plan. The Plan administrator believes the balances are fully collectible and has therefore provided no allowance for credit losses.

Benefit payments

Benefits are recorded when paid.

Administrative costs

The Company absorbs substantially all administrative costs of the Plan.

Date of management's review

The Plan administrator has evaluated subsequent events through October 15, 2019, the date on which the financial statements were available to be issued.

NOTE 3 – FORFEITED ACCOUNTS

Forfeited non-vested accounts were $40,357 and $22,044 at December 31, 2018 and 2017, respectively. Forfeitures of $30,579 were used to reduce employer contributions for the year ended December 31, 2018.

NOTE 4 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by John Hancock Life Insurance Company (USA), the custodian of the Plan through August 7, 2018.

	December 31, 2018	December 31, 2017
Investments, at fair value:		
Mutual funds	$ -	$ 41,244,816
Investment income	1,608,442	

On August 7, 2018, Plan assets of $41,875,430 were transferred from John Hancock Life Insurance Company (USA) to individual brokerage accounts held by Charles Schwab & Co., Inc.

NOTE 5 – TRANSFERS FROM OTHER PLANS

During the year ended December 31, 2018, one division of the Company merged its separate profit-sharing plan into the Plan and transferred all of that Plan's account balances, totaling $1,859,069, into the Plan.

NOTE 6 – TAX STATUS

The Internal Revenue Service (IRS) informed the sponsor of the prototype plan adopted by the Company in a letter dated July 9, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and that the related trust is tax-exempt.

In accordance with U.S. GAAP, the Plan administrator has evaluated the Plan's tax positions and has determined that they are "more likely than not" to be sustained upon examination by the IRS. Accordingly, no tax liability is reported in these financial statements. The Plan's federal information returns for the years 2015 through 2018 remain subject to examination by the IRS.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
