Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting which is a comprehensive basis of accounting other than generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note E, which was certified by Great West Life & Annuity Insurance Company, the trustee, of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the trustee as of and for the years ended December 31, 2018 and 2017, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for our opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule as listed in the accompanying table of contents is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, has been audited by us in accordance with the modified cash basis of accounting which is a comprehensive basis of accounting other than generally accepted accounting principles and, in our opinion, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Basis of Accounting

We draw attention to Note B to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The Company withholds and remits to the trustee semi-monthly contributions in an amount equal to the participant's eligible earnings multiplied by the contribution rate applicable to each participant and the company's contribution.

Participant Accounts

Each participant's account is credited with the participant's contribution and (a) the Company's matching contribution, (b) an allocation of Plan earnings, and (c) an allocation of forfeitures of terminated participants' non vested accounts and charged with an allocation of administrative expenses. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the company contributions portion of their accounts plus earnings thereon is based on years of continuous service. A participant is 100% vested after five years of credited service.

Payment of Benefits

On termination of service due to death, disability, or retirement a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or in annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

NOTE A – DESCRIPTION OF THE PLAN (CONTINUED)

Participant Loans

Notes receivable from participants are measured at their unpaid principal balance. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 5.25%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through monthly payroll deductions. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

Forfeited Accounts

At December 31, 2018 and 2017 forfeited non-vested accounts totaled \$30 and \$130, respectively. These accounts will be used to reduce future employer contributions. The amounts of forfeitures utilized to offset employer contributions for the years ended December 31, 2018 and 2017 were \$8,651 and \$7,946, respectively.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Standards Update

In July 2015, the FASB issued ASU 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962); Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient*. Part I is not applicable to the Plan. Part II eliminates the requirement to disclose individual investments that represent 5% or more of net assets available for benefits and the net appreciation or depreciation in fair value of investments by general type. Part II also simplifies the level of disaggregation of investments that are measured using fair value. Plans will continue to disaggregate investments that are measured using fair value by general type; however, plans are no longer required to also disaggregate investments by nature, characteristics and risks. Further disclosure of information about fair value measurements shall be provided by general type of plan asset. Part III is not applicable to the Plan. Part II is to be applied retrospectively.

Method of Accounting

The financial statements of the Plan have been prepared using the modified cash basis method of accounting.

Revenue Recognition

The plan recognizes and records contributions at the time payment is received. Contributions under generally accepted accounting principles are recognized as a legal obligation to contribute when incurred.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICES (CONTINUED)

Expense Recognition

Expenses are recognized and recorded at the time that payment is made. Expenses under generally accepted accounting principles are recognized as they are incurred.

Estimates

The preparation of financial statements on the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value as determined by the Plan trustee. Investments held by contract with an insurance company are valued at current market value (Note C).

Payment of Benefits

Benefits are recorded when paid.

Administrative Costs

Trustee fees are generally paid by the Plan, while the Company pays other costs of administering the Plan. Certain administrative and clerical functions are performed by Company employees at no charge to the Plan.

Risks and Uncertainties

The Plan provides for various investment options in any combination of mutual funds. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

NOTE C – INVESTMENT CONTRACT WITH INSURANCE COMPANY

Effective September 25, 2007 Great West Life & Annuity Insurance Company assumed the role of insurance carrier. Great West maintains the contributions in a pooled account. The account is credited with actual earnings on the underlying investments and charged for Plan withdrawals and administration expenses charged by Great West. The contract is included in the financial statements at contract value, which approximates fair value, as reported to the Plan by Great West. Contract value represents contributions made under the contract, plus earnings, less Plan withdrawals and administration expenses.

NOTE D – PLAN TERMINATION

Although it has not expressed any intent to do so, Blick Clinic, Inc, has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, participants will become 100% vested in their accounts.

NOTE E – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified to be complete and accurate by the trustee.

	<u>2018</u>	<u>2017</u>
Investments, at fair value	\$ 5,754,139	\$ 5,686,808
Loans to Participants	139,252	104,736

Net appreciation (depreciation) in fair value of investments	(604,275)	656,792
Other Income	2,099	13,549

NOTE F – RELATED PARTY TRANSACTIONS

Certain plan investments are shares of mutual funds managed by Great West Life and Annuity Insurance Company. Great-West Trust Company LLC, a member of the Great West companies is the trustee as defined by the Plan, therefore, these transactions qualify as party-in-interest transactions.

NOTE G – FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

- Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.
- Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:
- a. Quoted prices for similar assets or liabilities in active markets
 - b. Quoted prices for identical or similar assets or liabilities in inactive markets
 - c. Inputs other than quoted prices that are observable for the asset or liability

NOTE G – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2: (continued)

- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable inputs for the asset or liability.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018 and 2017. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

NOTE G – FAIR VALUE MEASUREMENTS (CONTINUED)

Transfers Between Levels

For years ended December 31, 2018 and 2017, there were no transfers between Levels 1 and Level 2 and no transfers in or out of Level 3.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Level 2 Fair Value Measurement

The guaranteed investment contract with an insurance company is not actively traded however significant other observable inputs are available. Thus, the fair value of the guaranteed investment contract is determined by discounting the related cash flows based on current yields of similar instruments with comparable durations.

Level 3 Fair Value Measurement

The fair value of participant loans is equal to the amortized cost of the loans because the loans are secured by each respective participant's account balance.

Fair Value Measurements Using Significant Unobservable Inputs (Level 3)

	<u>Participant Loans</u>
<u>December 31, 2018</u>	
Beginning Balance	\$ 104,736
Loans issued	102,060
Loans repaid	(55,552)
Loans distributed	<u>(11,992)</u>
Ending Balance	\$ <u>139,252</u>

NOTE H – TAX STATUS

The Internal Revenue Service has determined by letter dated November 27, 2001 that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan administrator believes that the Plan is designed and is currently being operated in compliance with applicable provisions of the IRC.

The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2016.
