Report on the Financial Statements

We have audited the accompanying financial statements of Relief Enterprises, Inc. Health & Welfare Plan (the Plan), which comprise the statements of net assets available for benefits and of Plan's benefit obligations as of December 31, 2018 and 2017, and the related statements of changes in net assets available for benefits and of changes in Plan's benefit obligations for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Trustee and Plan Administrator
Relief Enterprises, Inc. Health & Welfare Plan

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of the Plan as of December 31, 2018 and 2017, and the changes in financial status for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2018 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE 1 DESCRIPTION OF PLAN

The following description of Relief Enterprises, Inc. Health & Welfare Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan and Trust were established July 1, 2001 to provide health and other benefits to eligible participants. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Eligibility

Employees are eligible to participate in the Plan on the first day of the month following one month of continuous employment.

Participants will receive coverage for any month in which they remain eligible for the Plan and for which the Plan management makes contributions to the Plan on their behalf. The participants' coverage will end at midnight on the last day of the month in which eligibility ceases. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Contributions

The Company contributes to the Plan monthly based on an hourly funding formula. Employer contributions are recognized as income in the month the employees worked. Any deficiency of the Plan’s net assets over benefit obligations is funded by the Company on a pay-as-you-go basis. In addition to deductibles and copayments, participants may contribute specified amounts to extend coverage to their eligible dependents. Although these contributions are deducted from the employees’ wages, they are not separated from employer contributions when remitted to the Trust and are therefore included in Employer Contributions on the Statements of Changes in Net Assets Available for Benefits.

Benefits

The Plan provides medical, dental, vision, prescription drug coverage, life and supplemental accident, and dismissal wage/unemployment benefits for eligible participants and their beneficiaries. The Plan provides some benefits through various insurance contracts and some benefits via self-funding. The Plan also carries a stop-loss insurance policy which covers both specific and aggregate claims in excess of the deductibles as specified in the contract. Life and accidental death and dismemberment benefits are fully insured under the Plan.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Concentration of Credit Risk

The Plan's cash balances are held at two financial institutions located in California. Accounts at these institutions are insured by a government agency up to $250,000. At times the balance in these accounts may exceed the insured limit.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Interest income is recorded on the accrual basis.

Contributions Receivable

Employer contributions due but not paid at year end are recorded as contributions receivable. See Note 3.

Payment of Benefits

Premiums paid by the Plan are recorded as premium payments in the accompanying statements of changes in net assets available for benefits. Benefits are recorded when paid. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statements of net assets available for benefits.

Prescription Benefits

Prescription benefits payable are based upon amounts due for December 31, 2018 and 2017, but paid by the Plan after year end. Prescription drug benefits are provided by a pharmacy benefit manager who manages the pharmacy network and provides program and medication management services on a per employee per month (PEPM) basis.

Insurance Premiums Payable

Insurance premiums payable are based upon the actual premiums due for December 31, 2018 and 2017, but paid by the Plan after year end.

Benefit Claims Incurred But Not Reported

The obligation for benefit claims incurred but not reported is an estimate for self-funded benefits incurred on or prior to December 31, 2018 and 2017, but reported to and paid by the Plan after year end. The estimate was calculated based on the funding factor as noted in the insurance contract, with a maximum exposure limit. The funding factor contains certain assumptions pertaining to claims lag and historical claims data.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

All administrative expenses may be paid out of the Plan unless paid by the Company. During the years ended December 31, 2018 and 2017, the Plan paid for substantially all administrative expenses, which consisted of administration fees, legal and accounting fees, and other miscellaneous expenses.

Dismissal Wage/Unemployment Benefits

The Plan offered dismissal wage/unemployment benefits to eligible participants upon termination of employment. This benefit was discontinued in a prior year and only two participants have remaining vested benefits as of December 31, 2018. Included in the accompanying statements of net assets are amounts available to provide dismissal wages/unemployment benefits as of December 31, 2018 and 2017, totaling $3,414 and $3,411, respectively.

Income Taxes

The Trust established under the Plan to hold the Plan's assets has not applied for exemption from California or federal income taxes. The Plan is required to pay federal and state taxes on unrelated business income as defined by Internal Revenue Code Section 512(e)(3)(E). Unrelated business income consists of the investment income earned on the excess of the net assets available for benefits over the required reserve balance allowable under the Internal Revenue Code. The Plan administrator believes the Plan does not have any net taxable income for the years ended December 31, 2018 and 2017, therefore, no tax liability is reflected in these financial statements.

Subsequent Events

The Plan has evaluated subsequent events through October 13, 2019, the date the financial statements were available to be issued.

NOTE 3 EMPLOYER CONTRIBUTIONS RECEIVABLE

The Company owes the Plan a substantial amount of contributions for prior years. The following is a schedule of employer contributions and related accruals as of and for the years ended December 31:

NOTE 3 EMPLOYER CONTRIBUTIONS RECEIVABLE (CONTINUED)

	2018	2017
Gross Contributions Receivable - Beginning of Year	$ 2,301,959	$ 2,184,233
Allowance - Beginning of Year	(1,751,000)	(1,751,000)
Net Contributions Receivable - Beginning of Year	550,959	433,233
Contributions Due	1,252,094	1,186,644
Contributions Paid	(1,321,525)	(1,068,918)
Gross Contributions Receivable - End of Year	2,232,528	2,301,959
Allowance - End of Year	(1,700,367)	(1,751,000)
Net Contributions Receivable - End of Year	$ 532,161	$ 550,959

During the Plan years ended December 31, 2018 and 2017, the Plan recovered contributions previously written off of $50,633 and $-0-, respectively. The Company has made payments of contributions necessary to fund the ongoing operations of the Plan through the date of this report.

NOTE 4 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2018 and 2017.

Interest-bearing Cash: Valued at cost, which approximates fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2018			
	Level 1	Level 2	Level 3	Total
Interest-bearing Cash	$ 204,323	$ -	$ -	$ 204,323

	2017			
	Level 1	Level 2	Level 3	Total
Interest-bearing Cash	$ 204,008	$ -	$ -	$ 204,008

NOTE 5 TAX STATUS

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examinations by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2018 and 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 PLAN TERMINATION

The Plan shall remain in existence from year-to-year unless written termination notice is given by the Plan Management or Plan Administrator to the other at least 60 days prior to the anniversary date of effective coverage under the Plan.

NOTE 6 PLAN TERMINATION (CONTINUED)

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits or for on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE 7 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

The estimate for claims incurred but not reported is based on certain assumptions pertaining to claims lag and historical claims data. The liability recorded is the Plan's maximum exposure to the claims incurred but not reported. Should the Plan's claims totals be lower than the amount deposited into the funding factor account, the Plan may be entitled to receive a refund from the insurance company. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

NOTE 8 EXCESS LOSS COVERAGE

The Plan has an excess loss insurance arrangement in an effort to limit its exposure for self-insured benefits. The insurance policy provides reimbursement to the Plan for claim amounts paid in excess of the monthly funding factor for each participant. There is no limit on the maximum eligible claim expense per covered person under the policy. The insurance company is responsible for paying claims incurred in excess of the funding factor account balance. The funding factor balance was $121,697 and $97,873 at December 31, 2018 and 2017, respectively.

The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants from Plan assets and the Plan is subsequently reimbursed by the insurance company if the funding factor is exceeded. There were no reimbursements due from the insurance carrier as of December 31, 2018 and 2017.

NOTE 9 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan assets are managed by the custodian of the Plan. As described in Notes 1 and 2, the Plan has several arrangements with service providers. These transactions are party in interest transaction under ERISA.

NOTE 10 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the Plan's financial statements to the Form 5500 as of December 31:

	2018	2017

Benefit Obligations per the Financial Statements	(186,602)	(131,624)
Net Assets Available for Benefits per Form 5500	$ 1,207,193	$ 1,218,992

The following is a reconciliation of the net increase (decrease) in net assets available for benefits per the financial statements to the Form 5500 for the years ended December 31:

	2018	2017
Net Increase (Decrease) in Net Assets Available for Benefits per the Financial Statements	$ 43,179	$ (112,284)
Change in Benefit Obligations per the Financial Statements	(54,978)	72,387
