Purpose Home Health 401(k) Plan

Report on the Financial Statements

I was engaged to audit the accompanying financial statements of Purpose Home Health 401(k) Plan, which comprise the statement of net assets available for benefits as of December 31, 2018, and the related statement of changes in net assets available for benefits for the four months then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 8, which was certified by the Reliance Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. I have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the four months ended December 31, 2018, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, I do not express an opinion on these financial statements.

Other Matter

The supplemental schedules of assets held for investment purposes as of or for the four months ended December 31, 2018, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

**PURPOSE HOME HEALTH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE FOUR MONTHS ENDED DECEMBER 31, 2018**

(1) Nature of Operations

The following description of Purpose Home Health 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

- **General/Eligibility:** The Plan is a defined contribution retirement savings plan covering all of Purpose Home Health and any participating affiliates, if applicable, employees who have reached one year of service and have worked 1,000 hours. The Plan was established September 1, 2018 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator oversees governance of the Plan. The Plan's Investment Advisory Firm determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan Administrator.
- **Contributions:** Each year participants may contribute up to the maximum percentage allowable, not to exceed the limits of Internal Revenue Code Sections 401(k), 404, and 415, of their annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The employer matches up to 100% of the first 3% and 50% of the next 2% contributed by the employee. Additional amounts may be contributed at the discretion of the employer.
- **Participant Accounts:** Participant accounts are maintained for each participant and are credited with the participant's contributions, matching and discretionary employer contributions, participant rollover contributions and investment earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- **Vesting:** Participants are immediately vested in their elective deferral, safe harbor matching, and rollover contributions, plus actual earnings thereon.
- **Notes Receivable from Participants:** Participants may borrow from their fund accounts a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The minimum loan is \$500. All loans are to be repaid within five years except for loans whose proceeds are used to acquire a primary residence, which are to be repaid within a period of not more than 30 years. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 2%. Principal and interest are paid ratably through payroll deductions.
- **Payment of Benefits:** Benefits are payable upon retirement at age 65 or upon total and permanent disability, employment termination or death.
- **Forfeitures:** Participants are immediately vested in their accounts; therefore, the Plan does not have forfeitures.

PURPOSE HOME HEALTH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE FOUR MONTHS ENDED DECEMBER 31, 2018

(1) **Nature of Operations (continued)**

- **Withdrawals:** In the event of financial hardship, participant withdrawals are permitted from elective deferrals, excluding the earnings, under the Plan. Generally, other than hardship withdrawals, a participant may not withdraw any portion or the balance of his or her account until age 59 ½.
- **Plan Amendments:** There were no amendments to the Plan in 2018.

(2) **Summary of Significant Accounting Policies**

- **Basis of Accounting:** The financial statements of the plan are prepared on the accrual basis of accounting.
- **Use of Estimates:** The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.
- **Payment of Benefits:** Benefits are recorded when paid.
- **Expenses:** Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. During the four months ended December 31, 2018, significant administrative costs were not absorbed by the Company.
- **Investment Valuation and Income Recognition:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value estimates.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

- **Investment Valuation:** The Plan's assets are invested in registered investment companies. Fair value of shares of registered investment companies represents the net asset value ("NAV") of such shares as of the close of business at the end of the period.
- **Subsequent Events:** Subsequent events were evaluated through October 11, 2019, which is the date the financial statements were available to be issued.

**PURPOSE HOME HEALTH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE FOUR MONTHS ENDED DECEMBER 31, 2018**

(3) Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- *Level 1 Fair Value Measurements* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- *Level 2 Fair Value Measurements* – Inputs other than quoted price included within Level 1 that are observable for valuing the asset or liability, either directly or indirectly. Observable inputs include quoted price for similar assets or liabilities in active or non-active markets. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- *Level 3 Fair Value Measurements* – Inputs to the valuation methodology are unobservable inputs for valuing the asset or liability. Unobservable inputs are those that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the asset, based on the best information available in the circumstances.

The asset or liabilities fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Accounting Standards Update 2015-7 (ASU 2015-7) removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value (NAV) per share practical expedient. This is assuming that the net asset value (NAV) could be received at the applicable reporting date and there are no restrictions. The Plan's investments are all stated at net asset value (NAV).

(4) Related-Party Transactions and Party in Interest Transactions

Fees paid by the Plan for investment management services to the Insurer totaled \$109 in 2018.

The employer provides certain accounting, administrative and investment management services to the Plan for which it receives no compensation.

(5) Plan Termination

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, the accounts of each affected participant become fully vested.

**PURPOSE HOME HEALTH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE FOUR MONTHS ENDED DECEMBER 31, 2018**

(6) Tax Status

The Plan has adopted a prototype non-standardized plan sponsored by Reliance Trust Company. Reliance Trust Company obtained its latest opinion letter on April 17, 2002, in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The prototype plan has been amended since it received the opinion letter. However, the Plan Administrator believes that the Plan is currently designed in compliance with the applicable requirements of the internal Revenue code. The Plan Administrator intends to utilize the self-correction program of the Employee Plan Compliance Resolution System to correct insignificant operational failures. Therefore, the Plan Administrator believes the Plan will remain qualified and tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or (asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect the amounts reported in the Plan's financial statements and could affect participants' account balances.

(8) Summary of Information Certified by Plan Trustee

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2018, and net depreciation in fair value of investments for the year ended December 31, 2018, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company.
