We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2018 and December 31, 2017, and for the year ended December 31, 2018, that the information provided to the plan administrator by the custodian is complete and accurate.

***Disclaimer of Opinion***

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

***Basis of Accounting***

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

**Other Matter**

The supplemental schedule of assets (held at end of year) - modified cash basis as of December 31, 2018 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

**Report on Form and Content in Compliance with DOL Rules and Regulations**

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

## 1. Description of the Plan

The following brief description of the U.S. Energy Development Corp 401(k) Profit Sharing Plan & Trust (the "Plan") is provided for general information purposes only. Participants should refer to the plan document for more complete descriptions of the Plan's provisions.

### General

The Plan is a defined contribution plan covering all employees of U.S. Energy Development Corporation, except employees covered by collective bargaining agreements that do not permit participation in the Plan. Employees of J.M. Jayson & Company, Inc., Realmark Corporation and Westmoreland Capital Corporation, all of which are affiliates of U.S. Energy Development Corporation, are also covered by the provisions of the Plan. The Plan is subject to the provisions of ERISA.

The Plan Administrator is U.S. Energy Development Corporation ("Plan Administrator"). The Trustees are responsible for oversight of the Plan. The Trustees determine the appropriateness of the Plan's investment offerings and monitor investment performance.

### Eligibility

Employees who are age 21 are eligible to participate upon completing three months of service. Participants are eligible to receive a profit sharing contribution after completing one year of service.

### Contributions

Each year, participants may contribute up to 92 percent of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants may elect to classify all or a portion of their elective deferral as a Roth elective deferral. Contributions are subject to certain limitations. Participants direct the investment of contributions into various investment options offered by the Plan.

The Plan Administrator provides a safe harbor contribution equal to three percent of an employee's eligible compensation. The Plan Administrator may also make discretionary profit-sharing contributions. No such discretionary contributions were made during 2018.

### Participant Accounts

Each participant's account is credited with the participant's contributions, Plan Administrator contributions, and earnings as allocated. The account is reduced by the payment of benefits and an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Each participant is immediately vested in all safe harbor contributions.

## 1. Description of the Plan (Continued)

### Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus one percent on the date the loan is taken out (at December 31, 2018, the prime rate was 5.50 percent). A participant may not have more than one loan outstanding at any given time. Loan terms may not exceed five years unless the purpose of the loan is to acquire the participant's principal residence, in which case a longer loan term may be granted. Principal and interest are generally paid bi-weekly through payroll deductions.

### Benefit Payments

Upon termination of service due to death, disability, or retirement, a participant may elect to receive a distribution of the participant's vested interest in the participant's account in the form of a lump-sum payment, partial payments, installment payments, or purchase of an annuity contract. If a participant's account balance is less than $5,000, the Plan Administrator may instruct that the participant's balance be distributed as a lump-sum payment. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Benefits are provided for normal retirement at an attained age of 65, or may be deferred if the participant continues in active service with the Plan Administrator. The Plan also permits in-service withdrawals for participants who have attained age 59 ½ and hardship withdrawals.

### Forfeitures

Forfeited non-vested accounts are used to reduce future Plan Administrator contributions and administrative expenses. At December 31, 2018 and December 31, 2017, forfeited non-vested accounts totaled $2.

## 2. Summary of Significant Accounting Policies

### Basis of Accounting

The Plan's policy is to prepare its financial statements on the modified cash basis of accounting; consequently, certain revenue is recognized when received rather than when earned and certain expenses are recognized when cash is disbursed rather than when the obligation is incurred. Contributions are shown on the accrual basis of accounting. Benefits are recorded when paid.

### Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 and December 31, 2017.

## 2. Summary of Significant Accounting Policies (Continued)

**Investment Valuation and Income Recognition**
Investments are stated at fair value. As certified by the custodian Mid Atlantic Trust Company. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income and dividends are recorded on the modified cash basis. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Administrative Expenses**
Certain expenses of maintaining the Plan may be paid directly by the Plan Administrator and are excluded from these financial statements. Expenses may also be charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation/depreciation in fair value of the investments.

**Subsequent Events**
The Plan has evaluated subsequent events through October 15, 2019, which is the date the financial statements were made available to be issued.

## 3. Fair Value Measurement

Fair value is the price at which an asset could be exchanged in a current transaction between knowledgeable, willing parties. Fair value measurements are categorized into one of three levels based on the lowest level of significant input used: Level 1 (unadjusted quoted prices in active markets); Level 2 (observable market inputs available at the measurement date, other than quoted prices included in Level 1); and Level 3 (unobservable inputs that cannot be corroborated by observable market data).

The following is a description of the valuation methodologies used for assets measured at fair value:

**Mutual Funds**
Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Stable Value Collective Investment Trust**
Valued at the NAV of units held by a collective investment trust at year end. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This NAV represents the Plan's fair value since this is the amount at which the Plan transacts with the fund.

There have been no changes in the methodologies used at December 31, 2018 and December 31, 2017.

The preceding methods described may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

## 3. Fair Value Measurement (Continued)

The following table presents information about the investments measured at fair value on a recurring basis as of December 31, 2018 and December 31, 2017, and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value:

| | December 31, 2018 | | | |
|---|---|---|---|---|

| | | | | $ 2,816,565 |

The following table as of December 31, 2018 and December 31, 2017 sets forth a summary of the Plan's investments with a reported net asset value:

| | Fair Value at December 31, | | Unfunded | Redemption | Other Redemption | Redemption Notice |
|---|---|---|---|---|---|---|
| | 2018 | 2017 | Commitment | Frequency | Restrictions | Period |
| Stable Value Collective Investment Trust (a) | $ 29,426 | $ 27,041 | $ - | Daily | None | None for participant-directed transactions<br><br>12 months for Plan initiated transactions |

(a) This investment seeks total return. The fund invests primarily in a diversified portfolio of investment-grade, corporate fixed-income securities. It may invest in securities of any maturity. While the fund may invest in securities of any maturity, the fund's average duration is expected to vary and may range between one and ten years depending on the adviser's view of interest rates.

## 4. Financial Certification (Unaudited)

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan has elected to utilize the certification of certain financial information by Mid Atlantic Trust Company, in compliance with the audit requirements of the Act.

The following is a summary of the unaudited information included in the accompanying financial statements and supplemental schedule that was prepared and furnished to the Plan by Mid Atlantic Trust Company. The Plan has obtained a certification from Mid Atlantic Trust Company that the information is complete and accurate as of December 31, 2018 and December 31, 2017 and for the year ended December 31, 2018.

| | December 31, 2018 | December 31, 2017 |
|---|---|---|
| Assets as of | | |
| Mutual funds | $ 2,296,851 | $ 2,789,524 |
| Stable value collective investment trust | 29,426 | 27,041 |
| | | |
| Transactions for the year ended | | |
| Dividend income | $ 129,048 | |
| Net depreciation in fair value of investments | (268,353) | |

## 5. Party-in-Interest Transactions

Certain Plan activities are managed by Paychex Retirement Services and Mid Atlantic Trust Company. As defined by the Plan, U.S. Energy Development Corporation administers the Plan, Paychex Retirement Services is the Plan recordkeeper, Mid Atlantic Trust Company is the custodian of all assets and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for recordkeeping and investment management services included in administrative expenses amounted to $15,123 for the year ended December 31, 2018. Fees paid by the Plan for investment management services are included in net depreciation in fair value of investments as they are paid through revenue share, rather than a direct payment. The Plan Administrator pays directly any other expenses related to the Plan's operations.

## 6. Plan Termination

Although it has not expressed any intent to do so, the Plan Administrator reserves the right to terminate or revoke the Plan at any time, subject to provisions of ERISA. In the event of Plan termination or partial termination, participants would become 100 percent vested in the Plan Administrator contribution portion of the participant's account.

## 7. Tax Status

The Plan uses a prototype plan document sponsored by Paychex, Inc. Paychex, Inc. received an opinion letter from the IRS dated April 10, 2014, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. Although the Plan has been amended since the prototype plan received the determination letter, the Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable provisions of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

## 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

## 9. Corrective Distributions

For the year ended December 31, 2017, it was determined that a participant's contributions exceeded IRS limitations. As a result of this, it was determined that the Plan had excess contributions of $3,796. These excess contributions were refunded to the participant and were reported in 2018.
