FRANK & GROSSMAN 401(k) PROFIT SHARING PLAN
Notes to Financial Statements
December 2018 and 2017

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Frank & Grossman Landscape Contractors, Inc. (Company) 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Company adopted the Plan on July 1, 1996, and was restated effective January 1, 2015 and again on July 1, 2018. The Plan is defined as a contribution retirement plan of the profit-sharing type containing a cash or deferred arrangement described in Internal Revenue Code (IRC) Section 401(k). All employees of the Company, excluding those who are classified or treated as independent contractors and non-resident aliens with no U.S. source income, are eligible to participate in the Plan. There is no minimum age requirement or minimum service requirement to make salary reduction contributions to the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and certain provisions of the IRC.

Plan Administration – The Company is the administrator of the Plan. As administrator, the Company has exclusive authority and responsibility for all matters in connection with the operation administration of the Plan. MG Company dba Matrix Trust was appointed custodian for the Plan in 2017, and acted at the direction of the Plan's administrator. In addition, the Company contracted with a third-party administrator to process and maintain the records of participant data. In August 2018, the Company appointed Mutual of America Life Insurance Company as the custodian and third-party administrator.

Contributions – Employees who elect to participate in the Plan may contribute a portion of their salary up to the limits imposed by Section 402(g) of the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company may make discretionary matching contributions based on employee elective deferrals, including catch-up contributions. In 2018, the Company did not make any matching contributions. Additionally, the Plan allows non-elective contributions at the discretion of the plan sponsor. No non-elective contributions were made in 2018. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant accounts – Each participant's account is credited with (a) individual contributions, (b) employer discretionary contributions, (c) rollovers from other qualified plans, and (d) Plan earnings and/or losses. Allocations are principally based on participant's elections, or account balances, as defined. The benefit to which a participant is entitled is the benefit which can be provided from the participant's account. Certain fees are charged to the fund investments and are offset against Plan investment income and loss as presented on the statement of changes in net assets available for benefits. Participants should refer to the prospectuses of these funds for details on the various types and amounts of investment fees charged to the Plan and their individual accounts.

NOTE 1 – DESCRIPTION OF PLAN *(continued)*

Vesting – Participants are immediately vested in their salary deferred contributions, rollovers, employer matching contributions and actual earnings thereon. Employer discretionary non-elective contributions, if any, as well as all earnings on these contributions are immediately vested. Participants are fully vested upon retirement, death, disability or Plan termination.

Notes receivable from participants – Participants are allowed one note receivable at any time and may borrow from their fund accounts a minimum of $1,000 up to 50% of the value of their account balance, or $50,000, whichever is less. Note receivable terms range from one to five years, except for notes receivable used to purchase a primary residence, which can exceed five years. The notes receivable are secured by no more than fifty percent of the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates at the time the note receivable originates. Interest rates on notes receivable from participants range from 5.50% to 9.25% per annum. Principal and interest are paid in equal installments through payroll deductions, personal checks from employees on leave, or cashier's checks for the full payoff of the notes receivable.

Payment of benefits – When participants leave the Company, upon retirement or for any other reason, those participants (or their beneficiaries) may receive the full value of their salary deferrals, rollovers, discretionary matching contributions and the net earnings thereon in a single lump-sum payment. The Plan also allows for in-service withdrawals upon a participant attaining the age of 59½, having a hardship, the account accumulating in the Plan for at least two years, and having completed 5 years of participation. In-service withdrawals for 59½ may be taken from the elective deferral account, and rollover accounts; hardships may only be taken from elective deferrals, and remaining in-service withdrawals may only be taken from the discretionary employer contributions as long as they are vested.

In order to receive distributions, participants (or their beneficiaries) are required to file the appropriate forms with the Plan administrator. Account values will be determined as of the day the distribution is made.

Distributions under the Plan shall generally be made as soon as possible after the date of retirement, date of death, or termination of employment. Mandatory distributions of account balances under $5,000 will be made as soon as possible. The Plan administrator will pay distribution in a direct rollover to an Individual Retirement Account designated by the Plan administrator.

Investment options – Upon enrollment in the Plan, a participant may direct his or her contributions in percentage increments into a series of mutual funds or a general interest accumulation account offered by the Plan. Participants may change their investment options at any time.

Forfeitures – Forfeitures that occur during a Plan year may first be used to reduce any plan expenses and then to reduce any discretionary matching or non-elective contributions. As of December 31, 2018 and 2017, forfeited non-vested accounts totaled $8 and $8, respectively. During the years December 31, 2018 and 2017, no forfeited funds were used.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting – The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Estimates – The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates. Significant estimates include the fair value of investments.

Investment valuation – Investments are reflected in the accompanying statements of net assets available for benefits at their fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determine the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note 3 for discussion of fair value measurements.

Income recognition – The Plan presents in the statement of changes in net assets available for benefits the net appreciation or depreciation in the fair value of its investments, which consists of realized gains or losses and the unrealized appreciation or depreciation on those investments. Purchases and sales of securities are recorded on a settlement date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on the investments bought and sold as well as held during the year.

Notes receivable from participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 and 2017.

Excess contributions – Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2018 and 2017 excess contributions to the applicable participants subsequent to year end.

Payment of benefits – Benefits are recorded when paid.

Administrative expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company, which primarily comprise of legal fees, auditing fees, and expenses related to the maintenance of the Plan records, are excluded from these financial statements. Certain transaction processing fees are charged to the participants and, therefore, are reflected in the accompanying statement of changes in net assets available for benefits as administrative expenses. Investment related expenses are included in net appreciation or depreciation in fair value of investments.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Cash – Cash includes bank checking accounting and money fund investment accounts. Cash on deposit occasionally exceeds federally insured limits. The Plan believes it mitigates the risk of concentration by depositing at major financial institutions. The Plan has not experienced any losses in these accounts and believes they are not exposed to any significant credit risk with respect to cash.

Information certified by the custodian – Mutual of America Life Insurance Company has prepared and certified as complete and accurate the Plan's schedule of investment assets, transactions, and net realized and unrealized gains and losses on investments, and interest and divided income, which was used to prepare the accompanying financial statements and supplemental schedule.

New accounting pronouncements – Effective January 1, 2016, the Plan adopted Part II of Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) No. 2015-12, *Plan Accounting: Defined Benefit Pension Plans* (Topic 960), *Defined Contribution Pension Plans* (Topic 962), *Health and Welfare Benefit Plans* (Topic 965): (Part I) *Fully Benefit-Responsive Investment Contracts*, (Part II) *Plan Investment Disclosures*, and (Part III) *Measurement Date Practical Expedient* (consensuses of the FASB Emerging Issues Task Force). Under Part I of the new ASU, fully benefit-responsive investment contracts are to be measured, presented, and disclosed at contract value only. Part II of the ASU eliminates the disclosure requirements for 1) individual investments that represent 5 percent or more of net asset available for benefits, 2) the net appreciation or depreciation for investment by general type (disclosure in the aggregate is still required), for both participant-directed investments and nonparticipant-directed investments and 3) disaggregation of investments by nature, characteristics and risks (disclosure in aggregate by type is still required). Part III of the ASU permits the election of a practical expedient to measure investments and investment-related accounts as of a month-end date that is closest to the Plan's fiscal year-end, when the fiscal period does not coincide with the month-end. Any significant contribution, distribution, or other event that occurs between these two measurement dates is required to be disclosed. Part I and III are not applicable to this Plan. The Plan Sponsor implemented the standard in the year ended December 31, 2016.

NOTE 3 – FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The Plan established a fair value hierarchy which requires classification based on observable and unobservable inputs when measuring fair value. The fair value hierarchy distinguishes between assumptions based on market data (observable inputs) and an entity's own assumptions (unobservable inputs). The hierarchy consists of three levels:

- Level one – Quoted market prices in active markets for identical assets or liabilities
- Level two – Inputs other than level one inputs that are either directly or indirectly observable
- Level three – Unobservable inputs developed using estimates and assumptions, which are developed by the reporting entity and reflect those assumptions that a market participant would use

NOTE 3 – FAIR VALUE MEASUREMENTS *(continued)*

The following table presents the assets and liabilities that are measured at fair value on a recurring basis by level within the fair value hierarchy as reported on the statements of net assets available for benefits at December 31, 2018 and 2017. Financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2018			
	Level 1	**Level 2**	**Level 3**	**Total**
Cash equivalent – Interest accumulation account	$ 6,480	$ -	$ -	$ 6,480
Pooled separate accounts	1,560,000	-	-	1,560,000
Total investments	$ 1,566,480	$ -	$ -	$ 1,566,480

	Assets at Fair Value as of December 31, 2017			
	Level 1	**Level 2**	**Level 3**	**Total**
Cash equivalent - money market fund	$ 2,911	$ -	$ -	$ 2,911
Mutual funds	1,860,638			1,860,638
Total investments	$ 1,863,549	$ -	$ -	$ 1,863,549

NOTE 4 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the custodian:

	2018	**2017**
Investments, at fair value	$ $1,566,480	$ 1,863,549
Cash – non-interest bearing	$ -	$ -
Interest and dividend income	$ 19,931	$ 94,444
Net appreciation (depreciation) in fair value of investments, net	$ (64,825)	$ 186,740

Notes receivable and interest on notes from participants are not certified by the custodian.

NOTE 5 – RELATED PARTY TRANSACTIONS AND PARTY-IN INTEREST TRANSACTIONS

Plan investments are managed by Mutual of America Life Insurance Company, the custodian of the Plan. Any purchases and sales of these investments are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan, and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 6 – TAX STATUS

The Plan used a volume submitter plan document sponsored by PenSys Inc. up to June 30, 2018. PenSys Inc. received an opinion letter form the Internal Revenue Service (IRS) dated March 31, 2014, which stated that the volume submitter plan document satisfied the applicable provisions of the Internal Revenue Code (IRC). On July 1, 2018, the Plan was restated and adopted a prototype plan which received a favorable opinion letter from the IRS dated March 31, 2014. The IRS made a favorable determination that the Plan document is in compliance with the applicable requirements of the IRC. Therefore, no provisions for income tax have been included in the Plan's financial statements. GAAP requires the Plan Sponsor to evaluate tax positions take by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2015.

NOTE 7 – FIDELITY BOND

The plan was covered by a fidelity bond in the amount of $615,000. For the year ended December 31, 2018, the Company was in compliance with the ERISA bonding requirements.

NOTE 8 – PLAN TERMINATION

The Company has established the Plan with the intention and expectation that the Plan will continue indefinitely. However, the Company reserves the right at any time to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, distributions will be made to Participants as described in the Plan agreement.

NOTE 9 – RISK AND UNCERTAINTIES

The Plan provides for various investment options in any combination of mutual funds and an interest accumulation account offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and statement of changes in net assets available for benefits.

NOTE 10 – SUBSEQUENT EVENTS

The Company evaluates events that occur subsequent to the Plan year end, but before financial statements are issued, for possible adjustment to such financial statements or other disclosure. This evaluation generally occurs through the date at which the Company's financial statements are electronically prepared for filing with Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. For the financial statements as of and for the year ended December 31, 2018, this date was October 14, 2019.
