Report on the Financial Statements

We were engaged to audit the accompanying financial statements of The Christ Hospital 403(b) Retirement Savings Plan, which comprise the statements of net assets available for benefits as of December 31, 2018 and 2017, and the related statement of changes in net assets available for benefits for the year ended December 31, 2018, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in conformity with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the certified investment information described in Note 3, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the entity that certified the investment information meets the requirements of 29 CFR 2520.103-8. The plan administrator has obtained certifications as of December 31, 2018 and 2017, and for the year ended December 31, 2018, stating that the investment information provided to the plan administrator is complete and accurate.

Disclaimer of Opinion on Financial Statements

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Disclaimer of Opinion on Supplemental Schedule

The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2018, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Compliance of Form and Content With Department of Labor's Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the certified investment information, have been audited by us in accordance with auditing standards generally accepted in the United States and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The Christ Hospital 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2018

1. Description of Plan

The following description of The Christ Hospital 403(b) Retirement Savings Plan (the Plan) provides only general information about the Plan's provisions. The Christ Hospital and Subsidiaries, doing business as The Christ Hospital Health Network (the Network), is the plan sponsor. Participants should refer to the plan document and *Summary Plan Description* for a more complete description of the Plan's provisions, copies of which may be obtained from the plan sponsor.

General

The Plan was established on April 1, 2008, as a transfer of assets from a predecessor plan that had been maintained by the Health Alliance of Greater Cincinnati. The Plan was effective January 1, 2009. Effective January 1, 2014, the Network restated the Plan, superseding all previous amendments.

The Network is responsible for the general administration of the Plan. The plan administrator (the Network) is responsible for oversight of the Plan's investments. Delaware Charter Guarantee & Trust Company (doing business as Principal Trust Company) serves as the trustee of the Plan (the Trustee), and Principal Life Insurance Company (Principal Life) acts as the recordkeeper for the Plan (the Recordkeeper). Both the Trustee and Recordkeeper are member companies of Principal Financial Group (Principal).

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Each year, participants may contribute as much as 75% of eligible compensation each pay period up to the maximum allowed by the Internal Revenue Code (the Code). Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions, as defined by the Code.

The Plan provides for automatic enrollment of participants. If automatically enrolled, a participant's elective deferral is set at 2% of eligible compensation each pay period until changed by the participant. If unchanged, the elective deferral contribution automatically increases each January by 2% (up to a maximum of 6% of eligible compensation each pay period). The participant may change elective deferral percentages or opt out of deferral entirely.

The Christ Hospital 403(b) Retirement Savings Plan

Notes to Financial Statements (continued)

1. Description of Plan (continued)

Participants direct their elective contributions into various investment options offered by the Plan and can change their investment options on a daily basis. Participants who are automatically enrolled have their contributions invested in the applicable lifecycle fund based on their age until they change their election. The Network's contributions are allocated in the same manner as that of the participant's elective contributions.

Effective January 1, 2014, the Network began contributing 50% of the first 6% of the eligible compensation that a participant contributes to the Plan each pay period. To receive the matching contribution, participants must be employed by the Network but cannot be a physician, resident, fellow, intern, student, or temporary employee.

Effective January 1, 2014, the Plan also provides for transition contributions to certain employees who were particularly affected by the December 31, 2013, benefit and participation freeze of The Christ Hospital Pension Plan (the Pension Plan). For certain employees of the Network (1) who are not physicians, residents, fellows, interns, or students; (2) who were active participants in the Pension Plan as of December 31, 2013, or met the eligibility requirements for participation on January 1, 2014, but were ineligible to participate as a result of the December 31, 2013, participation freeze; (3) who, as of December 31, 2013, have the sum of the employee's age and years of vesting service equal 55 or more; and (4) who are employed by the Network at January 1, 2014, the Plan will call for the Network to make (for up to five years) additional contributions that are equal to a percentage of their eligible compensation. The transition contributions are designed to cushion the effect of the Pension Plan freeze of participants and benefits. The transition contributions are funded annually. The Network contributed transition contributions of \$1,664,181 in 2018, which is included in employer contributions on the statement of changes in net assets available for benefits.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Network's contributions (including the employer match and transition contributions) and an allocation of Plan earnings and is charged with an allocation of administrative expenses. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the relative size of the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

The Christ Hospital 403(b) Retirement Savings Plan

Notes to Financial Statements (continued)

1. Description of Plan (continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Network's matching contributions and transition contributions are based on years of service. A participant is 100% vested after three years of credited service. However, a participant will be immediately vested in the employer match contribution and transition contribution once they reach age 65 or if they incur a total disability or die while employed by the Network.

Forfeitures

Upon termination of employment, participants forfeit their nonvested balances. If a participant is rehired within a five-year period, the forfeited contributions are reinstated. Forfeited balances of terminated participants' nonvested accounts are used to reduce future employer contributions. Unallocated forfeitures balances as of December 31, 2018 and 2017, were \$491,349 and \$374,130, respectively. The Plan used \$382,069 in forfeitures to reduce employer contribution funding in 2018.

Participant Loans

Participants may borrow from their accounts in increments of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, not less than \$1,000. Participant loan terms range from one to five years. The \$50,000 limit is reduced by the participant's highest outstanding loan balance during the preceding 12-month period. A participant may not have more than one loan outstanding at any point in time. The participant loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates at the date of issuance as determined quarterly by the plan administrator. Principal and interest are paid ratably through monthly payroll deductions. If a participant terminates employment with the Network, the balance of any outstanding participant loan is due within 60 days. If the participant loan is not repaid, it will automatically be treated as a distribution to the participant after 90 days.

Payment of Benefits

Upon separation from service with the Network due to death, disability, retirement, or termination, a participant whose vested account balance exceeds \$5,000 may elect to receive either a fixed period certain annuity or a fixed amount annuity over a monthly, quarterly, semi-annual, or annual

Notes to Financial Statements (continued)

1. Description of Plan (continued)

basis. A participant whose vested account balance is \$5,000 or less and has not commenced receiving installment payments will automatically receive an immediate lump-sum distribution equal to their vested account balance.

In-service withdrawals are available in certain limited circumstances, as defined by the Plan. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS), and a participant must exhaust all available loan options and available distributions prior to requesting a hardship withdrawal. The Plan also provides for in-service withdrawals for participants reaching age 59½ or older, as well as military service withdrawals for participants called to active duty.

Administrative Expenses

The Plan's administrative expenses are paid by the Plan, as provided by the Plan's provisions. Administrative expenses paid by the Plan include recordkeeping and trustee fees. Expenses relating to purchases, sales, or transfers of the Plan's investments are charged to the particular investment fund to which the expenses relate. All other administrative expenses of the Plan are paid by the Network. Expenses paid by the Network are excluded from these financial statements.

Plan Termination

Although it has not expressed any intent to do so, the Network has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, participants will become 100% vested in their accounts.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements of the Plan are presented on the accrual basis of accounting.

2. Summary of Significant Accounting Policies (continued)

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable From Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 or 2017.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments held by the Plan (except for fully benefit-responsive investment contracts) are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 5 for further discussion and disclosures related to fair value measurements.

The plan administrator is responsible for determining the Plan's valuation policies and analyzing information provided by the investment custodians and issuers that is used to determine the fair value of the Plan's investments. Those involved include members of executive management, accounting, and human resources. These individuals report to the Finance and Business Development Committee of the Network's Board of Directors.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Net depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Christ Hospital 403(b) Retirement Savings Plan

Notes to Financial Statements (continued)

3. Investments

All information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2018 and 2017, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2018, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Trustee of the Plan.

4. Fully Benefit-Responsive Guaranteed Investment Contract

The Plan invests in a guaranteed investment contract with Principal Life (also referred to as the issuer). The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Under the guaranteed investment contract, the Plan owns only the contract itself. Principal Life maintains the contributions in a general account. The issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The credit rating is based on a formula established by the contract issuer but may not be less than 1%. Under the terms of the existing contract, the crediting rate is currently reset on a semiannual basis. The guaranteed investment contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuers' ability to meet their financial obligations. The issuers' ability to meet their contractual obligations may be affected by future economic and regulatory developments.

The Christ Hospital 403(b) Retirement Savings Plan

Notes to Financial Statements (continued)

4. Fully Benefit-Responsive Guaranteed Investment Contract (continued)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Examples of such events include the following:

- The Plan's failure to qualify under Section 403(b) of the Code or the failure of the trust to be tax-exempt under Section 501(a) of the Code;
- Premature termination of the contract;
- Plan termination or merger;
- Changes to the Plan's prohibition on competing investment options;
- Bankruptcy of the plan sponsor or other plan sponsor events (e.g., divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

In addition, certain events allow the issuers to terminate the contract with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

- An uncured violation of the Plan's investment guidelines;
- A breach of material obligation under the contract;
- A material misrepresentation;
- A material amendment to the agreement without the consent of the issuer.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

The Christ Hospital 403(b) Retirement Savings Plan

Notes to Financial Statements (continued)

5. Fair Value Measurements

The fair value framework establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below.

- Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.
- Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:
 - Quoted prices for similar assets and liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in markets that are not active;
 - Observable inputs other than quoted prices that are used in the valuation of the asset or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals);
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measure in its entirety.

Mutual funds are valued based on quoted market prices in markets that are active. The Plan does not adjust the quoted market price for such financial instruments. Mutual funds are classified within Level 1 of the fair value hierarchy.

Notes to Financial Statements (continued)

5. Fair Value Measurements (continued)

The following tables set forth by the fair value hierarchy level, the Plan's assets carried at fair value:

December 31, 2018				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 218,557,126	\$ –	\$ –	\$ 218,557,126
Total assets at fair value	\$ 218,557,126	\$ –	\$ –	\$ 218,557,126

December 31, 2017				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 211,834,287	\$ –	\$ –	\$ 211,834,287
Total assets at fair value	\$ 211,834,287	\$ –	\$ –	\$ 211,834,287

6. Income Tax Status

The Plan has been designed to qualify under Section 403(b) of the Code and, therefore, it is not eligible to receive a determination letter from the IRS. The Plan is required to operate in conformity with the Code to maintain its qualification under Section 403(b). The plan administrator believes that the Plan is operating in accordance with the applicable requirements of Section 403(b) of the Code and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

U.S. generally accepted accounting principles require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2018 and 2017, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Christ Hospital 403(b) Retirement Savings Plan

Notes to Financial Statements (continued)

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Related-Party and Party-in-Interest Transactions

The Plan holds a guaranteed investment contract managed by Principal Life, the Recordkeeper. This transaction qualifies as a party-in-interest transaction; however it is exempt from the prohibited transaction rules under ERISA.

Further, Principal Life and Princor Financial Services Corporation (Princor), also a member of Principal, provide certain administrative services to the Plan pursuant to a Service and Expense Agreement and Plan Expense Agreement with the Network. Principal Life receives revenue from providing services and mutual fund and insurance products to the Plan. A portion of this revenue is used to offset certain amounts owed to Princor for its administrative services provided to the Plan. The Plan or the Network may make a payment to Principal Life for administrative expenses not covered by sharing of the excess revenue.

9. Subsequent Events

Management evaluated subsequent events for the Plan through October 14, 2019, the date the financial statements were available to be issued.

The Christ Hospital 403(b) Retirement Savings Plan
Plan Year Ended December 31, 2018

For the plan year ending December 31, 2018, an internal audit of our administrative processes led to the identification of eligibility discrepancies. The audit resulted in the discovery of 307 missed Plan participant deferrals and/or missed employer matching contributions for terminated participants who took a distribution in 2018.

We will self-correct the identified errors by funding the impacted Plan participant's 403(b) accounts for any missed employer match, as well as one half of the amount of the missed employee deferral, including any lost earnings on the correction amounts if they had been contributed at the proper time. This correction will be completed before December 31, 2019.

RE The Christ Hospital 403(b) Retirement Savings Plan
Plan ID: 7-09685

Dear Ms. Cowperthwaite:

This letter is in response to recent communications regarding a distribution requested for Robert Caldemeyer from his participant account under the Plan. Mr. Caldemeyer has stated that he did not authorize, receive, or collect any benefit from this distribution requested from the Plan on July 18, 2018.

Principal Life Insurance Company (Principal Life) has investigated the suspicious account activity and associated correspondence and communications. Principal Life has reimbursed an amount that positions the account as if the unauthorized distribution did not occur; putting the account into the position it would have been if the unauthorized distribution had not occurred.

Principal Life will report this participant account loss in the amount of \$9,831.37 on the Plan's 2018 Form 5500 when it is prepared in 2019. The Internal Revenue Service instructs that if an employee benefit plan experiences a loss as a result of any dishonest or fraudulent act, regardless to whether the plan is reimbursed, it is required to report this loss on the Form 5500. It is a plan fiduciary responsibility to ensure the amount reported is accurate.

Principal Life takes the matter of information security very seriously and we continually review and make enhancements to safeguard and protect sensitive customer information.

Please do not hesitate to contact me if you have questions.
