NEVCO SPORTS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018

NOTE A. DESCRIPTION OF PLAN

The following description of the Nevco Sports, LLC ("Company") 401(K) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all employees of the Company except the following: those covered by a collective bargaining unit, non-resident aliens, reclassified employees, or leased employees. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

Contributions – Each year, participants may contribute up to the maximum amount allowed by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and money markets as investment options for participants. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation. Contributions are automatically invested according to plan policies until changed by the participant. The Company contributes 100% of the first 1% of base compensation that a participant contributes to the Plan and an additional 50% of the next 5% of base compensation. The matching Company contribution is invested according to the participant's investment elections. Contributions are subject to certain statutory limitations.

Participant Accounts – Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and, (b) Plan earnings (losses). Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after five years of credited service.

Notes Receivable from Participants – Participants' loans are not provided for under this plan.

Payment of Benefits – On termination of service, a participant whose vested account balance exceeds $5,000 may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a ten year period. For vested account balances less than $5,000, the participant will receive a lump sum distribution as soon as is administratively feasible. At December 31, 2018 and 2017, the plan held $316,081 and $1,212,660 of benefits allocated to members who had withdrawn from the Plan.

Forfeited Accounts – At December 31, 2018 and 2017, forfeited nonvested accounts totaled $0 and $0 respectively. These accounts were used to reduce employer contributions in the current plan year in the amounts of $7,030 and $1,925 respectively.

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review – Subsequent events were evaluated through September 30, 2019, which is the date the financial statements were available to be issued.

Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting – The financial statements of the plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable - There were no excess contributions for the year ended December 31, 2018.

Payment of Benefits – Benefits are recorded when paid.

Operating Expenses – All expenses of maintaining the Plan are paid by the Company.

Plan Amendment – effective January 1, 2015, the plan adopted an amendment that changed the definition of plan compensation and minimum age and service requirements. Plan compensation was changed to exclude certain fringe benefits and bonus compensation. The minimum service requirement has been increased to 1,000 hours.

NOTE C. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE D. RELATED PARTY AND PARTIES IN INTEREST TRANSACTIONS

The plan did not participate in any related party transactions during the current plan year. The plan participated in the following Parties in Interest Transactions:

Name	Transaction	Amount 2018	Amount 2017
Nevco Sports, LLC	Plan Sponsor	Contributions of $233,692	Contributions of $215,244
Franklin & Vaughn, LLC	Plan Auditor	No administrative fees paid by the Plan	
CPI	Plan Consultant	$ 3,623	$ 1,444
Stifel Nicolaus	Investment Advisor	Investment Earnings are reported net of expenses	
CUNA Mutual	Third-Party Adminstrator	No administrative fees paid by the Plan	

NOTE E. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs are quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets in markets that are not active; and inputs other than quoted prices, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or Level 3 inputs were available to the Plan.

Level 1 Fair Value Measurements – The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2018 and 2017:

NOTE H. TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2014.

NOTE I. ADOPTION OF FASB ASU 2015-12

In July 2015, the FASB issued ASU 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit –Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient.* Part I is not applicable to the Plan. Part II eliminates the requirements to disclose individual investments that represent 5% or more of net assets available for benefits and the net appreciation or depreciation in fair value of investments by general type. Part II also simplifies the level of disaggregation of investments that are measured using fair value. Plans will continue to disaggregate investments that are measured using fair value by general type; however, plans are no longer required to also disaggregate investments by nature, characteristics and risks. Further, the disclosure of information about fair value measurements shall be provided by general type of plan asset. Part III is not applicable to the Plan. The ASU is effective for fiscal years beginning after December 15, 2015.

NOTE J. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
