SERVICE CHAMPIONS 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2018

Note 1: Description of the Plan

The following description of the Service Champions 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan that was adopted by a resolution of the Board of Directors of Service Champions, Inc. (the “Company”), effective January 1, 2007, and is subject to the requirements of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the Internal Revenue Code of 1986 (“IRC”), as amended. On January 1, 2017, Service Champions, Inc. 401(k) Profit Sharing Plan (Plan 001) merged into the Plan. The purpose of the Plan is to provide retirement benefits for substantially all employees who have completed three months of service with the Company and are age 21 or older.

Contributions

Participants may elect to contribute between 1 percent and 90 percent of their annual compensation not to exceed the maximum deferral limitation, as defined in the IRC. In addition, participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. From January 1, 2018 to February 28, 2018, the Company made matching contributions that were equal to 25 percent of the first 4 percent of base compensation that a participant contributed to the Plan. Starting March 1, 2018, the Company made matching contributions that were equal to 50 percent of the first 4 percent of base compensation that a participant contributed to the Plan. For the Plan year ended December 31, 2018, matching contributions provided by the Company totaled \$263,454, net of forfeitures applied. The Plan also allows for additional employer discretionary matching contributions. No such contributions were made.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, the Company’s matching contributions, and allocations of the Plan’s earnings and is charged with an allocation of administrative expenses not paid by the Plan’s sponsor. Allocations of earnings and expenses are based on the proportion that each participant’s account balance bears to the total of all participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

SERVICE CHAMPIONS 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2018

Note 1: Description of the Plan (Continued)

Vesting

Participants are vested immediately in their contributions, plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service. A participant is vested at the rate of 20 percent each year after two years of service and is considered to be 100 percent vested after six years of credited service.

Notes Receivable from Participants

Participants may borrow against their Plan account balance within Plan guidelines. Loan terms are at the discretion of the borrower but generally cannot exceed five years unless the loan is for the purchase of a primary residence. The loan amount can be a minimum of \$1,000 but cannot exceed the lesser of (a) one-half of the participant's nonforfeitable interest under the Plan or (b) \$50,000. Interest is charged on the outstanding balance at the prime rate plus 1 percent. Principal and interest are paid ratably through biweekly payroll deductions. The loans are secured by the vested account balance in the participant's account, and a participant can up to three outstanding loans at any time.

Benefit Payments

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum distribution equal to the vested portion of his or her account or an annuity over the life of the participant or designated beneficiary, as defined in the Plan document. For termination of service for other reasons, a participant will receive a lump-sum disbursement if his or her vested balance is \$5,000 or less. If the vested account balance is greater than \$5,000, the participant is entitled to receive a lump-sum amount or, if over age 65, funds may be received in the form of an annuity. Additionally, under certain circumstances of financial hardship or upon attaining the age of 59½, participants are allowed to withdraw portions of their funds from the Plan.

Forfeitures

Upon termination of a participant, the nonvested portions of the employer's matching contributions are forfeited and are first used to pay administrative expenses or to reduce the Company's future matching contributions. At December 31, 2018 and 2017, a total of \$57 and \$5,028, respectively, of unallocated forfeited nonvested accounts remained. Additionally, during 2018, a total of \$21,493 in forfeited nonvested accounts was utilized to reduce employer contributions.

SERVICE CHAMPIONS 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2018

Note 1: Description of the Plan (Continued)

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee received compensation from the Plan. The majority of administrative expenses incurred by the Plan are absorbed by the Company.

Investment management fees and operating expenses charged to the Plan for investments in the various funds are deducted from income earned on a daily basis and reflected as a component of earnings (losses) on investments.

Note 2: Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP"). References to the "ASC" hereafter refer to the Accounting Standards Codification established by the Financial Accounting Standards Board ("FASB") as the source of authoritative US GAAP.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value at December 31, 2018 and 2017. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 9 for a discussion of fair value measurements. As further described in Note 10, fair value for the Plan's common/collective trust investment is measured using net asset per share ("NAV") as a practical expedient.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gains and/or losses are reported the day after the trade date.

Net realized and unrealized appreciation (depreciation) is recorded in the accompanying statement of changes in net assets available for benefits in net depreciation in fair value of investments.

Brokerage fees are added to the acquisition costs of assets purchased and subtracted from the proceeds of assets sold.

Note 2: Summary of Significant Accounting Policies (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 and 2017. Delinquent notes receivable are reclassified as distributions based upon terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The process of preparing financial statements in accordance with US GAAP requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues and gains, and expenses and losses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

New Accounting Pronouncement

During August 2018, the FASB issued Accounting Standards Update (“ASU”) 2018-13, *Fair Value Measurement (Topic 820)*. As part of the FASB’s ongoing disclosure framework project to improve the effectiveness of disclosures in the notes to financial statements, ASU 2018-13 modifies the disclosure requirements on fair value measurements in Topic 820 by permanently eliminating certain required disclosures and modifying others. The following disclosure requirements were removed from Topic 820: for public entities, the amount of and reasons for transfers between Level 1 and Level 2 of the fair value hierarchy; the policy for timing of transfers between levels; and the valuation processes for Level 3 fair value measurements; and for nonpublic entities, the changes in unrealized gains and losses for the period included in earnings for recurring Level 3 fair value measurements held at the end of the reporting period. The following disclosure requirements were modified in Topic 820: in lieu of a rollforward for Level 3 fair value measurements, a nonpublic entity is required to disclose transfers into and out of Level 3 of the fair value hierarchy and purchases and issues of Level 3 assets and liabilities; for investments in certain entities that calculate NAV, an entity is required to disclose the timing of liquidation of an investee’s assets and the date when restrictions from redemption might lapse only if the investee has communicated the timing to the entity or announced the timing publicly; and the amendments that clarify that the measurement uncertainty disclosure is to communicate information about the uncertainty in measurement as of the reporting date. The amendments in this ASU are effective for all entities for fiscal years and interim periods within those fiscal years beginning December 15, 2019, and early adoption is permitted. The Plan has early adopted the provisions of ASU 2018-13, and doing so did not significantly alter the presentation of the 2018 financial statements.

SERVICE CHAMPIONS 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2018

Note 3: Concentrations, Risks, and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 4: Information Prepared and Certified by the Trustee

Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2018 and 2017, and net depreciation in fair value of investments and interest and dividend income for the year ended December 31, 2018, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company, the trustee of the Plan.

Note 5: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, all participants would become fully vested in their accounts.

Note 6: Withdrawn Participants

At December 31, 2018 and 2017, there were no amounts allocated to accounts of persons who have elected to withdraw from the Plan but have not been paid.

Note 7: Tax Status

The Plan is based on the Prototype Non-Standardized 401(k) Profit Sharing Plan with Automatic Data Processing, Inc., which received a determination letter from the Internal Revenue Service ("IRS") dated July 16, 2014, stating that the prototype plan was designed in accordance with the provisions of the IRC. The Plan has not filed for its own determination letter from the IRS. The Plan has been amended since receiving the determination letter; however, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The related trust, therefore, is not subject to tax under present income tax law. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

SERVICE CHAMPIONS 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2018

Note 7: Tax Status (Continued)

US GAAP requires Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and it has concluded that as of December 31, 2018 and 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8: Parties in Interest

At December 31, 2018 and 2017, notes receivable from participants represent loans to employees and therefore qualify as party-in-interest transactions. The Plan also has a number of service providers. Such providers are parties in interest under ERISA.

Note 9: Fair Value Measurements

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; or
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

SERVICE CHAMPIONS 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2018

Note 9: Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used at December 31, 2018 and 2017.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets, measured on a recurring basis, at fair value as of December 31, 2018:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

The financial statements have been prepared on the accrual basis as required by US GAAP. However, as of December 31, 2018 and 2017, the Form 5500 to be filed with the IRS has been prepared on the cash basis.

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2018:

Net assets available for benefits per the financial statements	\$ 5,507,584
Less: Employer contributions receivable	<u>(134,216)</u>
Net Assets Available for Benefits per the Form 5500	<u>\$ 5,373,368</u>

The following is a reconciliation of employer contributions per the financial statements to the Form 5500 for the year ended December 31, 2018:

Employer Contributions per the Form 5500	<u>\$ 129,238</u>

Note 12: Contingency

The Plan has not completed its various anti-discrimination tests for the Plan year ended December 31, 2018. Should the Plan fail certain tests it may be required to return 2018 excess contributions to certain participants in amounts that cannot be reasonably estimated at the report date.
