Our responsibility is to express an opinion on the 2019 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the 2019 financial statements.

Auditor's Responsibility for the 2018 and 2017 Financial Statements

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion on the 2018 and 2017 Financial Statements

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, assets held by T. Rowe Price Trust Company, the trustee of the plan, as of December 31, 2017, and transactions in those assets from January 1, 2018 to December 31, 2018, were excluded from the scope of our audit of the Plan's financial statements, except for comparing the information provided by the trustee, which is summarized in Note 3, with the related information included in the financial statements. We have been informed by the Plan Administrator that the trustee held the Plan's assets as of December 31, 2017 and executed transactions for the period January 1, 2018 to December 31, 2018. The Plan Administrator has obtained certifications from the trustee as of December 31, 2017 and for the period January 1, 2018 to December 31, 2018, that the information provided to the Plan Administrator by the trustee is complete and accurate.

Disclaimer of Opinion on the 2018 and 2017 Financial Statements

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Opinion on the 2019 Financial Statements

In our opinion, the financial statements referred to above of the Plan as of January 1, 2019, and for the period then ended, present fairly, in all material respects, the net assets available for benefits of the Plan as of January 1, 2019, and the changes in net assets available for benefits for the period then ended, in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter – Plan Merger

As discussed in Note 6 to the financial statements, the Retirement Committee of Nidec Minster Corporation 401(k) Retirement Savings Plan approved on February 12, 2018, to merge the Plan into the Nidec Motor Corporation Employee Savings Investment Plan effective January 1, 2019. All plan assets were transferred into the Nidec Motor Corporation Employee Savings Investment Plan effective January 1, 2019. Our disclaimer of opinion is not modified with respect to this matter.

Report on Form and Content of the 2018 and 2017 Financial Statements in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2018 and 2017 financial statements, other than that derived from the information certified or provided by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Notes to Financial Statements

Note 1. Description of Plan

The following description of Nidec Minster Corporation 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions which is available from the plan administrator.

Plan merger: The Retirement Committee of Nidec Minster Corporation 401(k) Retirement Savings Plan approved on February 12, 2018, to merge the Plan into the Nidec Motor Corporation Employee Savings Investment Plan effective January 1, 2019 (also see Note 6).

General: The Plan is a defined contribution plan covering all regular full-time and part-time employees of Nidec Minster Corporation who have attained age 18. The Company's participants are made up of the Minster office group and Minster union employees. Leased employees, nonresident aliens, co-op students and temporary employees are ineligible for participation in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective April 2, 2018, the Press Masters LLC Profit Sharing Plan and Trust was merged into the Plan. All employees of Press Masters LLC became eligible to participate in the Plan on January 1, 2018.

Contributions: Each year, participants may contribute the maximum percentage and dollar limits permissible under Section 402(g) not to exceed the limits of sections 401(k), 404 and 415. Employees are automatically enrolled in the Plan at a default contribution rate of 4% which is invested in the retirement income fund appropriate for the participant's age. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants who have attained age 50 before the end of Plan year are eligible to make catch-up contributions. The Company may make a safe harbor and non-safe harbor contributions for eligible participants. The Company makes a matching contribution for both office and shop employees. The match for office employees is equal to 50% of a participant's deferral, up to 4% of compensation. The match for shop employees is equal to 50% of a participant's deferral, up to 6% of compensation.

Included in the statements of changes in net assets available for benefits for the year ended December 31, 2018 is an authorized Safe Harbor non-elective discretionary contribution for eligible office employees of \$748,759, which was reduced by forfeitures of \$24,377 for a net discretionary contribution of \$724,382.

Beginning January 1, 2019, employee and employer contributions to the Plan ceased due to the Plan merger discussed in Note 6.

Rollovers: The Plan allows rollovers received by a participant as a distribution from another qualified plan after approval from the Plan sponsor. Participants are fully vested in these amounts.

Participant accounts: Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the Company's matching contribution and allocations of (1) Company discretionary contributions and (2) Plan earnings and charged with an allocation of Plan losses, distributions or withdrawals and fees. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are vested immediately in their contributions plus actual earnings thereon. Company matching contributions are subject to a 3-year cliff vesting schedule. Non-elective safe harbor contributions are 100% vested immediately.

Notes to Financial Statements

Note 1. Description of Plan (Continued)

Notes receivable from participants: Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, unless it is for the purchase of a primary residence, in which case the loan repayment must occur within a reasonable period of time to be determined at issuance. The loans are collateralized by the balance in the participant's account and bear an interest rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through bi-weekly payroll deductions. Interest rates on participant loans range from 4.25% to 6.25% as of December 31, 2018. Interest rates on participant loans ranged from 4.25% to 5.25% as of December 31, 2017. There were no loans outstanding at January 1, 2019.

Payment of benefits: On termination of service due to death, disability, or retirement, or other reasons, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Forfeited accounts: Upon termination of employment, a participant's nonvested portion of Company contributions and related earnings are forfeited. Forfeited non-vested accounts totaled \$37,342 and \$28,484 December 31, 2018 and 2017, respectively. These amounts were used in March 2019 and 2018 to reduce employer contributions related to the discretionary contribution receivable that was recorded at December 31, 2018 and December 31, 2017.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The accompanying financial statements are prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) in accordance with the Financial Accounting Standards Board Accounting Standards Codification.

Investment valuation and income recognition: The Plan's participant-directed investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Capital gain distributions are included in dividends.

Contributions: Participant contributions are recognized when withheld. Company matching contributions are recognized concurrently with participant contributions. Company safe harbor and non-safe harbor contributions are recognized annually, as applicable.

Payment of benefits: Benefits are recorded when paid.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are paid by the participants. No allowance for credit losses has been recorded as of December 31, 2018 or 2017. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Administrative expenses: The Plan and the Company both contribute in paying the Plan's administrative expenses.

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Subsequent events: The Plan Administrator has evaluated subsequent events through October 15, 2019, the date the financial statements were available to be issued.

Note 3. Information Certified by the Plan's Trustee

The information related to investments and notes receivable from participants that is included throughout the Plan's financial statements for the period January 1, 2018 to December 31, 2018 and as of December 31, 2017 was prepared by or derived from information provided by the trustee, T. Rowe Price Trust Company and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustee that information provided to the Plan administrator by the trustee related to these Plan assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information throughout the financial statements for the period January 1, 2018 to December 31, 2018 and as of December 31, 2017 related to the Plan's assets.

T. Rowe Price Trust Company also certified to the completeness and accuracy of \$5,350,526 of net depreciation in fair value of investments, \$3,176,801 of dividends related to investments and \$12,292 of interest income from notes receivable from participants for the year ended December 31, 2018.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Nidec Minster Corporation 401(k) Retirement Savings Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at January 1, 2019 and December 31, 2018 and 2017.

Mutual funds: Valued at the closing price reported on the active market on which the individual securities are traded.

Money market fund: Valued using amortized cost, which approximates fair value.

Self-directed brokerage accounts: Accounts primarily consist of mutual funds and common stock. These investments use the valuation methodology of like investments within the Plan.

Common/collective trusts: The stable value fund is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value (NAV) of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investments for an amount different from the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets measured at fair value on a recurring basis: Due to the Plan merger described in Note 6, there were no financial assets or liabilities reported at fair value as of January 1, 2019. The following tables summarize assets measured at fair value on a recurring basis as of December 31, 2018 and 2017, segregated by the level of the valuation inputs within the fair value hierarchy utilized to measure fair value.

	2018			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 39,283,648	\$ -	\$ -	\$ 39,283,648
Money market fund	37,347	-	-	37,347
Investments measured at fair value	\$ 39,320,995	\$ -	\$ -	39,320,995

Total investments, at fair value				\$ 46,376,164

Note 4. Fair Value Measurements (Continued)

	2017			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$41,734,245	\$ -	\$ -	\$41,734,245
Self-directed brokerage account	351,850	-	-	351,850
Money market fund	28,488	-	-	28,488
Investments measured at fair value	\$42,114,583	\$ -	\$ -	42,114,583
Investment measured at NAV ^(a)				<u>7,531,913</u>
Total investments, at fair value				<u>\$49,646,496</u>

(a) Certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2018 and 2017, there were no significant transfers in or out of Levels 1, 2 or 3.

The table below discloses the fair value and redemption frequency for those assets whose fair value is estimated using the NAV per unit as of December 31, 2018 and 2017.

<u>Investment</u>	2018	2017	2018	2017	Redemption Frequency	Redemption Notice Period
	Fair Value	Fair Value	Unfunded Commitment	Unfunded Commitment		
Common/collective trust fund	\$ 7,055,169	\$ 7,531,913	None	None	Immediate	None

Note 5. Parties-In-Interest Transactions

Certain plan investments are managed by T. Rowe Price Trust Company, the trustee as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions under ERISA. Consequently, such transactions are permitted under the provisions of the Plan and are exempt from the prohibitions of party-in-interest transactions under ERISA. Fees paid by the Plan for trustee services amounted to \$6,351 for the year ended December 31, 2018.

Note 6. Plan Merger

Effective January 1, 2019, the Plan merged into the Nidec Motor Corporation Employee Savings Investment Plan. Net assets of \$47,453,510 were transferred into the new Plan on January 1, 2019. As such, the transferred assets have been disclosed as a transfer to Nidec Motor Corporation Employee Savings Investment Plan on the Statements of Changes in Net Assets Available for Benefits for the period ended January 1, 2019.

Nidec Minster Corporation 401(k) Retirement Savings Plan

Notes to Financial Statements

Note 7. Income Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated August 2, 2017, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the determination letter, however, the plan management believes that the Plan currently is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan administrator evaluated the Plan's tax positions and concluded that there are no uncertain tax positions that require recognition or disclosure in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations for years before 2015.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements at December 31, 2018 and 2017 to the Form 5500:

	December 31, 2018
Total net assets available for benefits per the financial statements	\$ 47,453,510
Transfer of assets from this plan per Form 5500	<u>(47,453,510)</u>
Total net assets available for benefits per Form 5500	<u>\$ -</u>

As further described in Note 6, all Plan assets merged into the Nidec Motor Corporation Employee Savings Investment Plan effective January 1, 2019. The financial statements were prepared as of the effective date of the merger. The final Form 5500 was prepared as of December 31, 2018, and reflects zero plan assets and liabilities.
