Argus of Colorado 401(k) Plan
Denver, Colorado

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Argus of Colorado 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2018, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 7, which was certified by Ascensus, Inc. as agent for Ascensus Trust Company, the trustee of the Plan, except for comparing such information with the information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the Trustee as of and for the year ended December 31, 2018, that the information provided to the Plan administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significant of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter - Supplemental Schedules

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, Schedule H Line 4i – Schedule of Assets (Held at End of Year), is required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter - 2017 Financial Statements

The financial statements of the Plan as of December 31, 2017, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Ascensus, Inc. as agent for Ascensus Trust Company, the trustee of the Plan. Their report, dated February 19, 2019, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL's Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 DESCRIPTION OF THE PLAN

The following description of the Argus of Colorado 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan originally effective April 1, 2003. The Plan has been amended throughout the years to comply with regulations and legislation. The Plan was most recently amended effective September 1, 2015. The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA"). The Advisory Board is responsible for the oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Eligibility

Employees of Argus of Colorado, Argus Health Network, LLC, Argus Home Care, Inc., Ark Valley Home and Health Care, and Tartan Healthcare Management (collectively, the "Company") become eligible to participate in the Plan after completing one year of service with at least 1,000 hours, and reaching 21 years of age.

Contributions

Each year, participants may contribute at least 1%, but not more than 100% of annual compensation to the Plan, as defined within the Plan. Deferral contributions may not exceed the limits set forth by the Internal Revenue Code of the United States of America ($18,500 for 2018 and $18,000 for 2017). Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions ($6,000 for 2018 and 2017). Participants may change their contribution percentage throughout the year, and may cease contributions at any time. Participants direct the investment of their contributions into the various investment options offered by the Plan. Participants' pre-tax elective deferrals into the Plan are 100% vested when contributed.

The Company may, at its sole discretion, elect to make discretionary matching contributions in amounts deemed appropriate by the Company. The Company did not make matching contributions for the years ended December 31, 2018 and 2017.

Rollover contributions from other qualified retirement plans or from Individual Retirement Accounts may be accepted as permitted by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution plus actual earnings thereon. Participant accounts are also credited with allocations Company contributions and related earnings. In addition, participant accounts are charged an allocation of Plan expenses. Allocations are based upon account balances, as defined by the Plan. The benefit to which a participant is entitled the benefit that can be provided from the participant's vested balance.

NOTE 1 DESCRIPTION OF THE PLAN (continued)

Vesting.

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's discretionary matching portion of their account and related earnings is based upon years of continuous service. Participants are vested 25% after one year of service, and vest an additional 25% annually thereafter, until becoming 100% vested after four years of service. Participants also become fully vested upon death or permanent disability.

Investment Options

Participants may direct employee and employer contributions into any of the investment options offered by the Plan.

Notes Receivable from Participants

Participants may borrow against the vested balance of their account. The maximum term of such loans is five years, unless the loan is for purchase of a primary residence, for which the maximum term is ten years. Participants may borrow from a minimum of $1,000 up to a maximum of 50% of their vested balance, or $50,000 minus the difference of the largest unpaid loan balance during the last twelve months and the unpaid loan balance outstanding on the day of the loan. Loans are collateralized by the participants account balance. Interest rates are determined by the Plan's third party administrator, and rates are similar to commercial lending rates. Principal and interest is repaid ratably over the term of the loan through payroll deductions. If a participants employment is terminated while a loan is outstanding, the loan balance may be deemed a distribution.

Payment of Benefits

In the event of termination of employment, retirement, disability, or death, participants will receive their accumulated contributions and actual earnings thereon, plus the vested portion of accumulated Company contributions and actual earnings thereon. Benefits may be rolled into another qualified plan, received in a lump sum, or paid in installments over a specific period based upon age at retirement. Account balances with less than $1,000 at termination will be rolled in another qualified plan or paid in a lump sum. Benefits are recorded when paid.

Forfeited Accounts

Pursuant to the Plan document, forfeitures from non-vested participants shall be utilized to offset expenses and company contributions. No forfeitures were actually used for these purposes during plan years 2018 and 2017. Total forfeitures available for these purposes approximated $12,900 and $11,600 for Plan years 2018 and 2017, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed as incurred. No allowance for credit losses has been recorded at December 31, 2018 or 2017. If a participant ceases to make loan repayments, and the Plan administrator deems the loan to be in default, the loan balance may be reduced and a benefit payment recorded.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expense. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

Subsequent events have been evaluated through the date of the independent auditors' report which is also the date these financial statements were available to be issued.

NOTE 3 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Company contributions and related earnings.

NOTE 4 TAX STATUS

The Plan is placing reliance on an opinion letter from the IRS dated March 31, 2014 on the prototype plan indicating the Plan is qualified under Section 401 of the IRC and therefore not subject to income tax under current law. The prototype plan has been amended since the date of the opinion letter. However, the Plan administrator believes the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC. Accordingly, the Plan Administrator believes the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize tax liability or (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2018 and 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is generally subject to audits by taxing jurisdictions for three years from filing dates. There are currently no audits for any tax periods in progress.

NOTE 5 CERTIFICATION OF INVESTMENT INFORMATION

Ascensus, Inc., as agent for Ascensus Trust company, the trustee of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information and notes receivable from participants reflected in the accompanying statements of net assets available for benefits as of December 31, 2018 and 2017, the statements of changes in net assets available for benefits for the years then ended, and the supplemental schedule of assets (held at end of year) as of December 31, 2018.

NOTE 6 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 Measurements) and the lowest priority to unobservable inputs (Level 3 Measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for identical or similar assets or liabilities active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and,
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the assets or liability has specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2018 and 2017.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open ended funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV" and transact at that price. The mutual funds held by the plan are deemed to be actively traded.

NOTE 7 FAIR VALUE OF INVESTMENTS (continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018 and 2017:

	2018			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 1,392,133	$ -	$ -	$ 1,392,133
Total Investments at Fair Value	$ 1,392,133	$ -	$ -	$ 1,392,133

	2017			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 1,640,730	$ -	$ -	$ 1,640,730
Total Investments at Fair Value	$ 1,640,730	$ -	$ -	$ 1,640,730

NOTE 8 PARTY AT INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Ascensus. Ascensus is trustee as defined by the Plan. Therefore these investment transactions qualify as party-in-interest transactions.
