Basis for Disclaimer of Opinion

As permitted by 29 CFR Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the investment information summarized in Note 3, which was certified by Transamerica Life Insurance Company, the insurance company of the Plan, and Reliance Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the insurance company held the Plan's investment assets and executed investment transactions for the year ended December 31, 2018 and for the period from May 1, 2017 to December 31, 2017, and that the trustee held the Plan's investment assets and executed investment transactions for the period January 1, 2017 to April 30, 2017. The plan administrator has obtained a certification from the insurance company and the trustee as of and for the years ended December 31, 2018 and 2017, that the information provided to the plan administrator by the insurance company and trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

LOGAN'S PROFIT-SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of the Logan's Profit-Sharing Plan (Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all full-time employees of Shelbyville Laundry, Inc. and Logan's Uniform Rental, Inc. (the Companies) who have completed one year of service and are age 21 or older. An employee may join the Plan on any entry date on or following the satisfaction of these requirements. The Plan's entry dates are the first day of each month. The Plan is subject to the provisions of ERISA. The Plan Administrative Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions:

Each year, participants may contribute up to 90% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Effective July 1, 2017, participants may also elect to defer a portion of their compensation as a Roth contribution. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation. Participants direct the investment of their contributions into various investment options offered by the Plan. The Companies also make an annual discretionary matching contribution equal to 50% of the first 5% contributed by the participants. Contributions are subject to certain IRS limitations.

NOTES TO FINANCIAL STATEMENTS

Participant accounts:

Each participant's account is credited with the participant's contribution and Companies' matching contributions, as well as allocations of plan earnings. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Companies' matching contribution portion of their accounts is based on years of continuous service as outlined in the following table:

<u>Years of Service</u>	<u>Percent of Non-Forfeitable Interest</u>
0-1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of benefits:

Upon termination of service due to death, disability, retirement, or termination of employment, the vested balance in the participant's account is paid to the participant or his or her beneficiary in a lump sum payment. The Plan specifically restricts the timing and method of benefit payments based upon the participant's age, length of service, account value and reason for termination.

Forfeited accounts:

At December 31, 2018 and 2017, forfeited non-vested accounts totaled \$493 and \$3,268, respectively. These accounts will be used to reduce future employer contributions. In 2018 and 2017, employer contributions were reduced by \$17,107 and \$8,321 respectively, from forfeited non-vested accounts.

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies

This summary of significant accounting policies of Logan's Profit-Sharing Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management who is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Basis of presentation:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS

Excess contributions refundable:

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Payment of benefits:

Benefits are recorded when paid.

Administrative expenses:

Certain administrative expenses of maintaining the Plan are paid directly by the Companies and are excluded from these financial statements. Fees related to the administration of participant accounts are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments as they are paid through revenue sharing, rather than a direct payment.

Subsequent events:

Subsequent events have been evaluated through October 15, 2019, which is the date the financial statements were available to be issued.

Note 3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active or inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full-term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

All assets have been valued using a market approach. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2018 and 2017.

Pooled separate accounts – valued at the net asset value of units held by the Plan at year-end. The net asset value is used as a practical expedient to estimate fair value.

Stable value accounts – fair value is equal to contract value. Contract value is based on the contributions made to the account, plus interest at the contract rate, less benefits paid to participants and administrative expenses charged by the insurance company.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018 and 2017:

	<u>2018</u>	
	<u>Level 2</u>	<u>Total</u>
Stable value funds	\$442,632	\$ 442,632
Total assets in fair value hierarchy	<u>\$442,632</u>	442,632
Investments measured at net asset value		<u>3,961,405</u>
Total assets at fair value		<u>\$4,404,037</u>

NOTES TO FINANCIAL STATEMENTS

	2017	
	<u>Level 2</u>	<u>Total</u>
Stable value funds	\$403,994	\$ 403,994
Total assets in fair value hierarchy	<u>\$403,994</u>	403,994
Investments measured at net asset value		<u>4,150,978</u>
Total assets at fair value		<u>\$4,554,972</u>

Note 4. Plan Termination

Although they have not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 5. Income Tax Status

The Plan is a volume submitter plan offered by CCH, Inc. d/b/a FTWilliam Com. The volume submitter plan obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS

Note 6. Related Party Transactions

ADP Retirement Services, Inc. was the recordkeeper of the Plan and, therefore, transactions with ADP qualified as party-in-interest transactions. Fees paid by the Plan for these services amounted to \$100 for the year ended December 31, 2017.

Transamerica Life Insurance Company is the insurance company of the Plan and, therefore, transactions with Transamerica Life Insurance Company qualify as party-in-interest transactions. Fees paid by the Plan for these services amounted to \$3,591 and \$4,754 for the years ended December 31, 2018 and 2017, respectively.

Note 7. Risks and Uncertainties

The Plan has significant investments in pooled separate accounts held by Transamerica Life Insurance Company. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of distributions per the financial statements for the year ended December 31, 2018 to the Form 5500:

	<u>2018</u>
Total distributions per the financial statements	\$237,918
Add: 2017 excess contributions refundable	<u>3,440</u>
Total distributions per the Form 5500	<u>\$241,358</u>
