NOTE A –GENERAL DESCRIPTION OF PLAN

Plan Summary

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The NE Construction, LLP 401(k) Profit Sharing Plan & Trust, ("the Plan") is a defined contribution Plan established for the benefit of the employees of NE Construction, LLP ("the Company"). The Plan is a defined contribution plan covering all employees who have been employed during a two-consecutive-month period. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Mid Atlantic Trust Company serves as the Plan trustee.

Contributions

Each year, participants may contribute up to 92% of compensation, as defined by the Plan. Participants are able to designate a portion of elective contributions as Roth Elective Contributions. Participants who have attained an age of fifty before the end of the plan year are eligible to make catch-up contributions. Total contributions are subject to statutory limitations.

Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or contribution plans. The Company matching contributions are discretionary as determined by the Company. During 2018 and 2017, the Company matched 100% of employees' deferrals up to a maximum of 4% of employees' compensation. The Company profit-sharing contributions are discretionary as determined by the Company. During 2018 and 2017, the Company made no profit-sharing contributions.

All investment funds of the Plan are participant directed investment funds. Participants have the option of directing their contributions into any of the separate investment accounts and may change the allocation daily.

Mid Atlantic Trust Company is the current trustee and custodian. The Plan holds investments managed by Mid Atlantic Trust Company. Paychex serves as the recordkeeper. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transaction rules under ERISA.

NOTE A –GENERAL DESCRIPTION OF PLAN-continued

Participants Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contribution, if any, and Plan earnings. Allocations are based on participant earnings or account balances, as defined. Forfeited balances of terminated participants' non-vested accounts are used to pay plan administrative expenses or reduce future Company contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after five years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. All loans must be repaid in level payments on at least a quarterly basis over a maximum five-year period unless it is for the purchase of a principal residence, in which case, the loan may be repaid over a ten-year period. The loans are secured by the balance in the participant's account and bear interest at rates as determined by the Plan Administrator commensurate with local prevailing rates. Principal and interest is paid ratably through monthly payroll deductions. At December 31, 2018 and 2017, the interest rates on participant loans ranged from 4.25% to 6.25% and 4.25% to 5.25%, respectively. The loans are due at various dates through 2023.

Distributions

On termination of service, retirement, disability or attaining age 59 1/2, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or may roll over the account to another qualified retirement plan. The Plan also allows in-service hardship distributions based on specific criteria.

Forfeitures

At December 31, 2018 and 2017, forfeited non-vested accounts totaled $0 and $5, respectively. Forfeitures in the amount of $608 were used in 2018 to reduce the employer match.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Plan are prepared on the accrual basis of accounting.

The plan investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note F for fair value measurement.

Investment transactions are recorded on a trade-date basis. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document. No allowance for uncollectible accounts has been recorded as of December 31, 2018 or 2017.

Benefits are recorded when paid.

Operating expenses of maintaining the plan are absorbed by the plan sponsor and are excluded from these financial statements. Administrative expenses include $17,836 of investment related fees and $750 of participant related fees.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reported period. Actual results could differ from these estimates.

NOTE C – INCOME TAX STATUS

The Plan was adopted based upon a Prototype Standardized Profit Sharing Plan. The prototype plan has received an opinion letter dated April 10, 2014 from the Internal Revenue Service (IRS) stating that the Plan qualifies under Section 401(a) of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under present income tax law. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualifications.

The Company and Plan management believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2018, there are no uncertain positions taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan administrators believe the Plan is no longer subject to income tax examinations for years prior to 2015.

NOTE D - INFORMATION CERTIFIED BY THE PLAN TRUSTEE (UNAUDITED)

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments at December 31, 2018 and 2017, and investment income (loss) for the year ended December 31, 2018, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Mid Atlantic Trust Company, the trustee of the Plan.

NOTE E – PLAN TERMINATION

The Company, at its discretion, may discontinue the contributions and terminate the Plan subject to the provisions of ERISA. Upon termination, all participants would become fully vested in their accounts.

NOTE F - FAIR VALUE MEASUREMENTS - Continued

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of quoted prices for identical or similar assets or liabilities in active or inactive markets, observable inputs other than quoted prices or inputs derived from or corroborated by observable market data by correlation or other means and Level 3 inputs are unobservable. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Level 1 Fair Value Measurements

The fair values of the mutual funds are based on quoted prices in active markets for the assets held at year end.

Investments at Net Asset Value

The Plan invests in the Reliance Trust Stable Value Fund, MetLife Series 25157, Class O, a collective trust. The fair value of the Plan's participation units in the collective trust is based on the net asset value (NAV) as reported by Reliance Trust Company. NAV per unit is computed by dividing the total assets of the collective trust fund less its liabilities by the total number of units outstanding at the valuation date. Investment income earned is reinvested in the collective trust fund and included in the determination of the NAV per unit. The collective trust invests in the MetLife Group Annuity Contract 25157 which consists of separately managed investment portfolios in fixed income securities, and also wrapper contracts which are issued by third-parties. The collective trust provides for daily redemptions by the Plan at NAV.

NOTE G – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonable possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

Mid Atlantic Trust Company is the current trustee and custodian. The Plan holds investments managed by Mid Atlantic Trust Company. Paychex serves as the recordkeeper. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transaction rules under ERISA. The Plan incurred audit fees in the amounts of $10,000 and $10,000 for the years ended December 31, 2018 and 2017 respectively. The audit fees were paid by NE Construction, LLP.

NOTE I – DATE TO WHICH SUBSEQUENT EVENTS EVALUATED

The date to which events occurring after December 31, 2018 have been evaluated for possible adjustment to the financial statement or disclosure is October 15, 2019, which is the date on which the financial statements were available to be issued.

NOTE A –GENERAL DESCRIPTION OF PLAN

Plan Summary

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The NE Construction, LLP 401(k) Profit Sharing Plan & Trust, ("the Plan") is a defined contribution Plan established for the benefit of the employees of NE Construction, LLP ("the Company"). The Plan is a defined contribution plan covering all employees who have been employed during a two-consecutive-month period. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Mid Atlantic Trust Company serves as the Plan trustee.

Contributions

Each year, participants may contribute up to 92% of compensation, as defined by the Plan. Participants are able to designate a portion of elective contributions as Roth Elective Contributions. Participants who have attained an age of fifty before the end of the plan year are eligible to make catch-up contributions. Total contributions are subject to statutory limitations.

Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or contribution plans. The Company matching contributions are discretionary as determined by the Company. During 2018 and 2017, the Company matched 100% of employees' deferrals up to a maximum of 4% of employees' compensation. The Company profit-sharing contributions are discretionary as determined by the Company. During 2018 and 2017, the Company made no profit-sharing contributions.

All investment funds of the Plan are participant directed investment funds. Participants have the option of directing their contributions into any of the separate investment accounts and may change the allocation daily.

Mid Atlantic Trust Company is the current trustee and custodian. The Plan holds investments managed by Mid Atlantic Trust Company. Paychex serves as the recordkeeper. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transaction rules under ERISA.

NOTE A –GENERAL DESCRIPTION OF PLAN-continued

Participants Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contribution, if any, and Plan earnings. Allocations are based on participant earnings or account balances, as defined. Forfeited balances of terminated participants' non-vested accounts are used to pay plan administrative expenses or reduce future Company contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after five years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. All loans must be repaid in level payments on at least a quarterly basis over a maximum five-year period unless it is for the purchase of a principal residence, in which case, the loan may be repaid over a ten-year period. The loans are secured by the balance in the participant's account and bear interest at rates as determined by the Plan Administrator commensurate with local prevailing rates. Principal and interest is paid ratably through monthly payroll deductions. At December 31, 2018 and 2017, the interest rates on participant loans ranged from 4.25% to 6.25% and 4.25% to 5.25%, respectively. The loans are due at various dates through 2023.

Distributions

On termination of service, retirement, disability or attaining age 59 1/2, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or may roll over the account to another qualified retirement plan. The Plan also allows in-service hardship distributions based on specific criteria.

Forfeitures

At December 31, 2018 and 2017, forfeited non-vested accounts totaled $0 and $5, respectively. Forfeitures in the amount of $608 were used in 2018 to reduce the employer match.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Plan are prepared on the accrual basis of accounting.

The plan investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note F for fair value measurement.

Investment transactions are recorded on a trade-date basis. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document. No allowance for uncollectible accounts has been recorded as of December 31, 2018 or 2017.

Benefits are recorded when paid.

Operating expenses of maintaining the plan are absorbed by the plan sponsor and are excluded from these financial statements. Administrative expenses include $17,836 of investment related fees and $750 of participant related fees.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reported period. Actual results could differ from these estimates.

NOTE C – INCOME TAX STATUS

The Plan was adopted based upon a Prototype Standardized Profit Sharing Plan. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualifications.

The Company and Plan management believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2018, there are no uncertain positions taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan administrators believe the Plan is no longer subject to income tax examinations for years prior to 2015.

NOTE D - INFORMATION CERTIFIED BY THE PLAN TRUSTEE (UNAUDITED)

NOTE E – PLAN TERMINATION

The Company, at its discretion, may discontinue the contributions and terminate the Plan subject to the provisions of ERISA. Upon termination, all participants would become fully vested in their accounts.
