Report on the Financial Statements

We were engaged to audit the accompanying financial statements of TTI 401(k) Plan, which comprise the statement of net assets available for benefits as of December 31, 2018, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 7, which was certified by Transamerica Financial Life Insurance Company, the custodian of the Plan from November 6, 2018 to December 31, 2018 and Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company, the custodian of the Plan from January 1, 2018 to November 6, 2018, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the custodians hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained a certification from the custodians as of and for the year ended December 31, 2018, that the information provided to the plan administrator by the custodians is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the December 31, 2018 financial statements. Accordingly, we do not express an opinion on the December 31, 2018 financial statements referred to in the first paragraph.

Other Matter—Supplemental Schedule

The supplemental Schedule of Assets (Held at the End of Year) as of December 31, 2018, and are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter—December 31, 2017 Financial Statements

The financial statements of the Plan as of December 31, 2017, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company, the custodian of the Plan. Their report, dated September 28, 2018, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the December 31, 2018 financial statements and supplemental schedules, other than that derived from the information certified by the custodians, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1 - DESCRIPTION OF PLAN

The following description of the TTI 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering all full-time employees of Total Terminals International, LLC (the "Company" or the "Employer") and its affiliates, other than leased employees, collectively bargained employees, and nonresident aliens with no U.S. source income. The administration of the Plan is the responsibility of the administrator appointed by the Board of Directors of the Company. The Plan's trustees were Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company until October 9, 2018 and Reliance Trust subsequent to October 9, 2018. The Plan's custodians were Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company until November 6, 2018 and Transamerica Financial Life Insurance Company subsequent to November 6, 2018. The Plan began on November 1, 1990, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

ELIGIBILITY

Under the terms of the Plan, all employees are eligible to participate in the Plan after completing 3 months of service except for (i) employees covered under a collective bargaining agreement (i.e. union employees), (ii) non-resident aliens who do not receive any compensation from U.S. sources, and (iii) leased-employees. An eligible employee may elect to participate on the first day of the month following satisfaction of all eligibility requirements.

CONTRIBUTIONS

Participants

Each pay period, participant may elect to defer compensation by any specific percentage or dollar amount of pre-tax or after-tax eligible compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to $6,000 in 2018. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans ("Rollover"). Participants direct the investment of their contributions into various investment options offered by the Plan. The total contributions in any taxable year may not exceed the dollar limit set by the Internal Revenue Service ("IRS"), which is $18,500 for 2018.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

Participants (continued)

The Plan includes an auto-enrollment provision, whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated balanced fund until changes by the participant.

Employer

The Plan allows for Employer safe harbor matching contributions equal to 100% of the participant's deferral up to 6% of eligible compensation. For purposes of the Plan, compensation is defined as all compensation paid to a participant during the Plan year with no exclusions. Employer contributions for the year ended December 31, 2018 were $1,063,256.

Rollovers

With the consent of the plan administrator, participants are permitted to deposit distributions received from other qualified plans ("rollovers") without incurring federal or state income taxes and penalties. Rollover contributions for the year ended December 31, 2018 were $355,348.

PARTICIPANT ACCOUNTS

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, stable value fund and pooled separate accounts as investment options for participants.

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's matching contribution, and (b) Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are always 100% fully vested in their employee contributions, rollover contributions and matching contributions, plus actual earnings thereon.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The interest rate is the prime rate as published in the Wall Street Journal plus 1.00% per annum, which is fixed at the time of the loan. Loans along with interest must be fully repaid ratably through biweekly or monthly payroll deductions for up to five (up to ten only if loan for principal residence) years. Participants may have up to two outstanding loans and repayment of the loan is secured by participants' account balances.

PAYMENT OF BENEFITS

On termination of service due to death, all amounts credited to a participant's account become fully vested and distribution will be made to the designated beneficiary in a single lump-sum payment. If the death benefit exceeds $5,000, however, the beneficiary may elect to have the benefit paid in a single lump-sum payment in cash or in annual installments at least equal to the required minimum distribution amount.

On termination of service due to other reasons, including attainment of normal retirement age of 62, a participant may receive the value of the vested interest pursuant to the election of the participant or beneficiary. Participants will become 100% vested in all of the accounts under the Plan if employed on or after participant's normal retirement age. If the vested account balance exceeds $5,000, participant consent is required to distribute an account balance before reaching normal retirement age. If the vested account balance does not exceed $5,000, however, a distribution of a participant's account balance will be made to the participant, regardless of consent, as soon as administratively feasible following termination of employment.

For termination of service due to disability, all amounts credited to a participant's account become fully vested and distribution will be made to the participant or beneficiary. The Plan will distribute an account balance in the same manner as for any other non-death related termination.

If a participant is a more than 5% owner, distributions are required to begin by the April 1st following the year in which a participant reaches age 70 ½, even if he or she is still employed at the time. If a participant is not a 5% owner, he or she must begin to receive benefits no later than the April 1st following the later of the year in which a participant reaches age 70 ½ or termination of employment. Participants may withdraw all or part of their vested account balance once an age of 59 ½ is reached. Participants may also withdraw any or part of their rollover contribution account that may be held in their account in the Plan at any time and at any age.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

HARDSHIP WITHDRAWALS

Participants may withdraw their employee pretax contributions (but not the earnings on the pretax contributions) and rollover contributions, if applicable, to satisfy immediate and heavy financial needs. In accordance with IRS regulations, participants must first exhaust all other options available before obtaining a hardship withdrawal. All hardship withdrawals must be approved by the Plan administrator. After a hardship withdrawal, a participant is not allowed to make a contribution to the Plan for six months.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The Plan's financial statements have been prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Shares of mutual funds are valued using quoted prices. Investments in stable value funds are reported at fair value as determined by the fund manager based on the net asset value of the investments. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION (CONTINUED)

Net appreciation (depreciation) in fair value of investments consists of realized gains and losses and the change in unrealized gains and losses in the Plan's investments. Realized gains and losses from the sales of investments are computed using the participant's cost basis in the investments aggregated at the Plan level. Net changes in unrealized appreciation (depreciation) in investments represents the difference between the fair values of investments held at year-end and the cost of investments purchased in the current fiscal year or the fair value of investments held at the end of the preceding year.

NOTES RECEIVABLE FROM PARTICIPANTS

Participant loans are classified as notes receivable from participants, which are segregated from plan investments and measured at their unpaid principal balance plus unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2018 and 2017. Delinquent loans are treated as distributions based upon the terms of the Plan document.

PAYMENTS OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Fair value estimates are made at a specific point in time, based on available market information and other observable inputs. In some cases, the fair value estimates cannot be substantiated by comparison to independent markets. In addition, the disclosed fair value may not be realized in the ultimate settlement of the financial asset as these values do not represent any premium or discount that could result from selling an entire holding of a particular financial asset at one time. Other expenses that would be incurred in an actual sale or settlement are not included in the amounts disclosed.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There were no changes in methodologies to determine the fair value of investments at December 31, 2018 and 2017.

Mutual Funds

Valued at the daily closing price as reported by the fund. Shares held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Pooled Separate Accounts and Stable Value Funds

Valued at the net asset value ("NAV") of units held by the Plan at year-end. The NAV is used as a practical expedient to estimate fair value and is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The following table presents the fair value hierarchy levels of the Plan's investments measured at fair value on a recurring basis as of December 31, 2018 and 2017:

	Investments at Fair Value as of December 31, 2018			
	Level 1	Level 2	Level 3	Total
Mutual funds	$20,579,339	--	--	$20,579,339
Investments measured at NAV [(a)]				
Stable value funds*				1,456,622
Total Investments at Fair Value				$22,035,961

	Investments at Fair Value as of December 31, 2017			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 7,134,074	--	--	$ 7,134,074
Investments measured at NAV [(a)]				
Stable value fund*				2,218,461
Pooled separate accounts*				14,996,513
Total Investments at Fair Value				$24,349,048

(a) In accordance with Subtopic 820-10 certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

* These investments generally invest all or a portion of its assets in one or more commingled funds and their primary objective is to achieve broader diversification and more competitive rates than if beneficial owners were to attempt to purchase general account guaranteed investment contracts on an individual basis. Units of stable value fund and pooled separate accounts can be redeemed daily with no restriction. There were no unfunded commitments as of December 31, 2018 and 2017.

NOTE 4 - NOTES RECEIVABLE FROM PARTICIPANTS

The loans receivable from participants bear interest at a rate between 4.25% and 6.25% as of December 31, 2018, and 4.25% and 5.50% as of December 31, 2017. Original maturities range from one to nine years. For the year ended December 31, 2018, interest on loans receivable from participants amounted to $24,586.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by affiliates of Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company and Transamerica Financial Life Insurance Company. Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company from January 1, 2018 to November 6, 2018, and Transamerica Financial Life Insurance Company from November 6, 2018 to December 31, 2018 were the custodians as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The Plan allows participants to take loans from their Plan accounts that qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 7 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform auditing procedures with respect to the information certified by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company, the Custodian of the Plan from January 1, 2018 to November 6, 2018, and Transamerica Financial Life Insurance Company, the Custodian of the Plan from November 6, 2018 to December 31, 2018, as of December 31, 2018 and 2017, and for the year ended December 31, 2018, except for comparing the information certified by the Custodians to information included in the Plan's financial statements and supplemental schedule of assets (held at end of year). The information certified by the Custodians as of December 31, 2018 and 2017, and for the year ended December 31, 2018 is as follows:

NOTE 7 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS (CONTINUED)

Notes receivable from participants	$ 527,166	$ 569,364
Interest income	24,586	

NOTE 8 - INCOME TAX STATUS

The Plan document is a prototype document that the Company adopted with specific provisions customized to meet the needs of the Company and the participants. The prototype document has received a favorable opinion letter from the IRS that the form of the Plan is acceptable under Section 401 of the Internal Revenue Code ("IRC") for use by employers for the benefit of their employees. Although the Plan has been amended since receiving the original opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The IRS is one of the primary tax oversight bodies of the Plan and generally has the ability to examine the Plan's tax returns for the years 2014 through 2018; however, there are currently no audits for any tax periods pending in progress. If the Company were to incur any income tax liability in the future, interest on any income tax liability would be reported as interest expense and penalties on any income tax would be reported as income tax expense.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risks associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. The Plan may indirectly invest in securities with contractual cash flows, such as asset backed securities, collateralized mortgage obligations and commercial mortgage backed securities, including securities backed by subprime mortgage loans. The value, liquidity and related income of these securities are sensitive to changes in economic conditions, including real estate value, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

NOTE 10 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 14, 2019, the date the financial statements were available to be issued. No events requiring recognition or disclosure in the financial statements have been identified with the exception of the Plan on January 10, 2019 restating and adopting the Edberg & Perry Plan document effective January 1, 2019.
