Report on the Financial Statements

We were engaged to audit the accompanying financial statements of cCARE 401(k) Profit Sharing Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2018, the related statement of changes in net assets available for benefits for the year ended December 31, 2018, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Great-West Trust Company, LLC, the custodian of the Plan, and Great-West Life & Annuity Insurance Company ("Insurance Company") except for comparing this information with the related information included in the financial statements. We have been informed by the Plan Administrator that the custodian holds the Plan's assets and executes transactions. The Plan Administrator has obtained certifications from the custodian and Insurance Company as of December 31, 2018 and 2017, and for the year ended December 31, 2018, that the information provided to the Plan Administrator by the custodian and Insurance Company is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2018 financial statements. Accordingly, we do not express an opinion on the 2018 financial statements.

Other Matter-Supplemental Schedules

The supplemental schedules, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2018, are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. The supplemental schedules are the responsibility of the Plan's management. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules.

Other Matter – 2017 Financial Statements

The financial statement of the Plan as of December 31, 2017 was audited by other auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed the predecessor auditors not to perform and they did not perform, any auditing procedures with respect to the information certified by the custodian. Their report, dated October 12, 2018, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements; and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the custodian and Insurance Company, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Each year, participants may contribute up to 75 percent of pretax annual compensation, as defined by the Plan, subject to certain Internal Revenue Service (“IRS”) limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan also allows participants to contribute to a Roth account, and contribute amounts representing rollover distributions from other qualified plans. Participants direct the investment of their contributions into various investment options covered by the Plan.

Each Plan year, the Company shall contribute a non-elective safe harbor contribution equal to 3 percent of eligible participants’ compensation. In addition, the Plan provides for an employer discretionary profit sharing contribution subject to Plan provisions. For the 2018 Plan year, the Company contributed a 2 percent (of compensation) discretionary profit sharing contribution to non-owners, and the maximum allowable contribution to owners. In addition, the Company has the option of making discretionary matching contributions, which cannot exceed 4 percent of the participant’s compensation for the Plan year. Catch-up contributions are not eligible for the matching contribution. For the year ending December 31, 2018, the Company made a total of \$1,467,904 in safe harbor and profit sharing contributions, net of forfeitures.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s contribution and (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Participants may direct the investment of their accounts into various investment funds offered by the Plan.

Vesting

Participants are immediately vested in their contributions, rollover contributions and qualified non-elective contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of vesting service as defined by the Plan. Participants vest at a rate of 20 percent per year after each of the second through sixth year of credited service.

1. DESCRIPTION OF PLAN (continued)

Notes Receivable from Participants

Participants may borrow from their accounts up to the lesser of \$50,000 or 50% of their vested account balances. The loans are secured by the vested balance in the participant's account and bear interest at a rate of 4.25% to 6.25%, which is commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through monthly payroll deductions. Notes Receivable from participants mature through February 2027.

Payment of Benefits

On termination of service, a participant's vested account balance not exceeding \$5,000, excluding rollovers, will be distributed from the Plan. The distribution may either be paid in a lump-sum distribution or rolled over into another qualified plan. Participants must consent to distributions greater than \$5,000. Participants may also receive distributions due to hardship, subject to approval, as defined by the Plan, as well as retirement, disability or death, subject to Plan provisions.

Forfeited Accounts

Forfeitures from non-vested participant accounts are used to reduce employer contributions. At December 31, 2018 and 2017, remaining forfeiture balances available to offset future contributions were approximately \$3,460 and \$27,726, respectively.

Plan Termination Provision

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Investment and certain administrative expenses of the Plan are paid directly by the Company. Other expenses, such as loan fees or fees for distributions, are nominal and are charged to the participant incurring the distribution. Other Plan expenses are deducted from the Plan's investment gains.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2018 or 2017. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Other Liabilities

Other Liabilities at December 31, 2017 relate to \$15,673 of accrued expenses and \$2,549 due to participants. At December 31, 2018, other liabilities of \$2,549 represent amounts due to participants.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The plan has evaluated subsequent events through October 15, 2019, the date of the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY CUSTODIAN AND INSURANCE COMPANY

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2018 and 2017, and net depreciation in fair value of investments, interest and dividends and interest on notes receivable from participants for the year ended December 31, 2018, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Great-West Trust Company, LLC, the custodian of the Plan, and Great-West Life & Annuity Insurance Company, the Insurance Company.

4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures ("ASC 820") establishes a framework for measuring fair value. That framework provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Mutual funds: Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan were deemed to be actively traded.

4. FAIR VALUE MEASUREMENT (continued)

Guaranteed portfolio fund: Valued based on daily valuation methods disclosed in the annuity contract as calculated by the annuity provider.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets measured at fair value as of December 31, 2018:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

5. GUARANTEED PORTFOLIO FUND

The Plan is a party to a guaranteed portfolio fund with Great-West Life & Annuity Insurance Company. Great-West Life & Annuity Insurance Company maintains contributions to this fund in general accounts. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed portfolio fund provides a guaranteed interest rate for various specified periods of time as determined, or allowed, by the Plan. The rate credited is the rate in effect on the day when each deposit is directed to the account. The contract promises contract value for a benefit event. However, there is a possible market value adjustment when funds are withdrawn prior to their maturity, and thus, the guaranteed portfolio fund is not considered to be fully benefit responsive. The contract is included in the accompanying financial statements at its estimated fair value, which according to Great-West Life & Annuity Insurance Company, equals its contract value.

There are no reserves against contract value for credit risk of contract issuer or otherwise. Such interest rates are reviewed on a quarterly basis for resetting. The actual average yield and crediting interest rate was approximately 1.10% for the year ended December 31, 2018. There is no guaranteed rate of return on future resets of these contracts.

6. PARTY-IN-INTEREST TRANSACTIONS

Empower Retirement is the record keeper and custodian of the Plan. Aldrich Retirement Solutions is the third party administrator and investment advisor for the Plan. Transactions with the record keeper, advisor, and custodian qualify as party-in-interest transactions. During the year ended December 31, 2018 fees paid for administrative expenses totaled \$86,026.

7. TAX STATUS

The Plan adopted a non-standardized form of a prototype plan sponsored by Sungard Business Systems LLC. The prototype plan provider has received an opinion letter from the Internal Revenue Service ("IRS") as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. PROHIBITED TRANSACTIONS

As required by ERISA Section 2510.3-102, the Plan Sponsor is required to segregate participant contributions from its general assets and remit them to the Plan as soon as practicable, but in no event more than 15 business days following the end of the month in which amounts are withheld from wages. Nontimely remittances of participant contributions and loan payments are considered to be prohibited transactions.

During the year ended December 31, 2017, the Plan Sponsor failed to remit certain participant contributions and loan repayments totaling \$97,068 within the period prescribed by the Department of Labor. Lost earnings on these deposits, which Plan Sponsor intends to remit to the Plan in 2019, were not significant to the Plan.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the concentration of market and credit risk associated with certain investments securities, it is at least reasonably possible that changes in the fair value of these funds in the near term could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2018:
