To Plan Administrator
CAL-AM Properties, Inc. 401(k) Profit Sharing Plan and Trust

We have conducted a DOL limited-scope audit of the financial statements of the CAL-AM Properties, Inc. 401(k) Profit Sharing Plan and Trust (the Plan) for the year ended December 31, 2018 and have issued our report thereon dated October 9, 2019. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedules as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated February 18, 2019. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the CAL-AM Properties, Inc. 401(k) Profit Sharing Plan and Trust are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during 2018. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

Management's estimate of the fair value of financial instruments is based on valuations performed by a third-party. We evaluated the key factors and assumptions used to develop the fair value of these financial instruments in determining that their fair value is reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. You have corrected all such misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

This information is intended solely for the use of the Plan Administrator of the Cal-Am Properties, Inc. 401(k) Profit Sharing Plan and Trust and is not intended to be, and should not be, used by anyone other than these specified parties.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2018 and 2017, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule, Schedule H, Line 4i, Schedule of Assets (Held at End of Year), as of December 31, 2018, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

1. DESCRIPTION OF PLAN

CAL-AM Properties, Inc. 401(k) Profit Sharing Plan & Trust (the Plan) is a defined contribution plan to which CAL-AM Properties, Inc. (the Company) contributes such amounts annually as determined by the Board of Directors. The Plan also provides for voluntary contributions by employees. The Plan was amended effective March 1, 2018. Participants should refer to the Plan agreement for more complete information.

Major provisions of the Plan are as follows:

Eligibility and Participation

All employees age 21 and over are eligible to participate in the Plan. The entry date is the first day of the month following the date eligibility requirements are satisfied.
Exclusions include:

- Union employees whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining, unless the collective bargaining agreement requires the employee to be included within the plan.
- Certain nonresident aliens who have no earned income from sources within the United States.
- Temporary and Seasonal Employees. A temporary or seasonal employee is an employee whose regularly scheduled service is less than 1,000 hours of service in the relevant eligibility computation period.

Contributions

The Plan allows for pre-tax elective deferrals and 401(k) Roth elective deferrals. Employee salary deferrals cannot exceed a maximum dollar amount determined by the federal government each year.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of Plan earnings or losses. Earnings or losses are allocated on the basis of the ratio each account balance bears to the total account balances of all participants in the same investment. The benefit, to which a participant is entitled, is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions to any of the investment options through Reliance Trust Company, the trustee of the Plan.

If participants choose not to select an investment option, the administrator will select investment options through the trustee of the Plan.

Participant Loans

New loans are not permitted by the Plan.

Payment of Benefits

Participants may withdraw all or a portion of the vested interest in their account upon retirement, termination of employment, or financial hardship.

Administrative Costs

Administrative costs of the Plan are generally paid from participant accounts, unless the employer elects to pay.

Forfeitures

Forfeitures will be used to reduce future employer contributions.

Forfeitures which were directly attributable to employer contributions will be used to first pay administrative expenses and then to reduce future employer contributions.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are valued at quoted market prices which represent the fair value of shares held by the Plan at year end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Recently Issued Accounting Pronouncements

In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2018-13, *Fair Value Measurement – Disclosure Framework* (Topic 820). The updated guidance improves the disclosure requirements on fair value measurements. The updated guidance is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. Early adoption is permitted. Management is currently assessing the timing and impact of adopting the updated provisions.

In July 2019, the Accounting Standards Board (ASB) issued SAS 136 (AU-C Sec. 703) that changes reporting and performance requirements for audits of ERISA plan financial statements. The standard is effective for periods ending on or after December 15, 2020; early adoption is not permitted. Management is currently assessing the timing and impact of adopting the updated provisions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Subsequent Events

The Company has evaluated subsequent events through October 9, 2019, which was the date the financial statements were available to be issued. Management determined that no material subsequent events have occurred that would require disclosure or recognition in the accompanying financial statements for the year ended December 31, 2018.

3. TAX STATUS

The Internal Revenue Service has determined and informed the Organization by a letter dated July 16, 2014 that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and continues to operate in compliance with the applicable requirements of the IRC.

4. INFORMATION CERTIFIED BY TRUSTEE

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedule, which was prepared by the trustee of the Plan and furnished to the plan administrator. The plan administrator has obtained certifications from the trustee that such information is complete and accurate:

a. Fair Value of Investments at December 31:

	$ (76,602)

c. Schedule H, Line 4i, Schedule of Assets (Held at End of Year) as of December 31, 2018.

5. FAIR VALUE ACCOUNTING

With respect to its financial and non-financial assets and liabilities, the Plan adopted a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 quoted prices in markets that are not active, or inputs that are observable, either directly or indirectly for substantially the full term of the asset or liability;

Level 3 prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable (supported by little or no market activity).

The following is a description of the valuation methodologies used for assets measured at fair value.

Registered Investment Companies: Valued at the daily closing price as reported by the fund.

Common/Collective Trusts: Valued at the Net Asset Value (NAV) of units held by the Plan at year end. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the trust, less its liabilities.

The following table sets forth the Plan's assets measured at fair value by level within the fair value hierarchy. As required, assets are classified in their entirety based on the lowest level of output that is significant to the fair value measurement.

	Fair Value at December 31, 2018			
	Total	**Level 1**	**Level 2**	**Level 3**
Assets:				
Registered investment companies	$ 1,271,478	$ 1,271,478	$ -	$ -
Total Assets in the Fair Value Hierarchy	1,271,478	1,271,478	-	-
Common/Collective trusts [(a)]	12,277	-	-	-
Investments at Fair Value	$ 1,283,755	$ 1,271,478	$ -	$ -

5. FAIR VALUE ACCOUNTING (Continued)

	Fair Value at December 31, 2017			
	Total	**Level 1**	**Level 2**	**Level 3**
Assets:				
Registered investment companies	$ 1,186,699	$ 1,186,699	$ -	$ -
Total Assets in the Fair Value Hierarchy	1,186,699	1,186,699	-	-
Common/Collective trusts [(a)]	5,499	-	-	-
Investments at Fair Value	$ 1,192,198	$ 1,186,699	$ -	$ -

(a) In accordance with Subtopic 8210-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

6. CORRECTIVE DISTRIBUTIONS

The Plan failed the non-discrimination test for 2018 and 2017 thereby requiring certain highly compensated employees to get a portion of their 401(k) deferrals returned and liabilities of $33,825 and $29,635 were recorded as of December 31, 2018 and 2017, respectively. All corrective distributions were paid by the respective March 15, 2019 and 2018 deadlines.
