27) The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2 – Inputs to the valuation methodology include: quoted market prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

- Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual fund that are registered with the SEC. These funds

are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

28) All required amendments to and filings of Plan documents with the appropriate agencies have been made. The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified as tax-exempt and the related trust was tax-exempt as of the financial statement date.

29) The Plan is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan. The Plan sponsor has operated the Plan in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.

30) Except as disclosed in Schedule H, Line 4a – Schedule of Delinquent Participant Contribution, the Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.

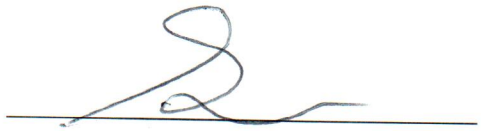

31) The Plan has complied with the fidelity bonding requirements of ERISA.

32) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.

33) We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).

34) We acknowledge our responsibility for presenting the Schedule H, Line 4i – Schedule of Assets (held at end of year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contribution in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe the form and content of the Schedule H, Line 4i – Schedule of Assets (held at end of year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contribution are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedules have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedules.
