Administrative Committee
Frank Calandra, Inc. and Subsidiaries Profit Sharing Plan
Pittsburgh, Pennsylvania

Report on the Financial Statements

We have audited the accompanying financial statements of the Frank Calandra, Inc. and Subsidiaries Profit Sharing Plan (Plan), which comprise the statements of net assets available for benefits as of December 31, 2018, September 30, 2018 and September 30, 2017, and the related statement of changes in net assets available for benefits for the three-month period ended December 31, 2018 and the year ended September 30, 2018, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2018, September 30, 2018 and September 30, 2017, and the changes in its net assets available for benefits for the three-month period ended December 31, 2018 and the year ended September 30, 2018 in accordance with accounting principles generally accepted in the United States of America.

Emphasis of a Matter

As discussed in Note 1 to the financial statements, in the short period ended December 31, 2018, the Administrative Committee formally amended the Plan and transferred all Plan assets to the Frank Calandra Inc. and Subsidiaries 401(k) Plan. The amendment and transfer of assets were to allow for a Plan merger that is further described in Note 1 of the financial statements. Our opinion is not modified with respect to this matter.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets (held at end of year) as of September 30, 2018 are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

FRANK CALANDRA, INC. AND SUBSIDIARIES PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018, SEPTEMBER 30, 2018 AND 2017

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Frank Calandra, Inc. and Subsidiaries Profit Sharing Plan (Plan) provides only general information. Participants should refer to the plan document for a complete description of the Plan.

General - The Plan covers substantially all U.S. employees of Frank Calandra, Inc. and Subsidiaries (Plan Sponsor or Company). J-Lok Co. and Jenncem, LLC are defined as participating employers under the Plan document and are affiliated companies of the Plan Sponsor. The Plan was originally effective as of October 1, 1985, but was most recently amended and restated effective as of October 1, 2014. Plan eligibility is achieved by attaining the age of 18 and completing one year of service (defined as 1,000 hours in any plan year).

Effective December 31, 2018, the Administrative Committee of Frank Calandra, Inc. formally amended the Plan to provide for a merger of the Plan in to the Frank Calandra, Inc. and Subsidiaries 401(k) Plan. The separate existence of the Plan ceased, and all Plan assets were transferred to the Frank Calandra, Inc. and Subsidiaries 401(k) Plan as of December 31, 2018. Effective January 1, 2019, the surviving plan will operate as the Frank Calandra, Inc. and Calandra Group 401(k) & Profit Sharing Plan (Surviving Plan).

Contributions - Plan Sponsor contributions are discretionary and determined by the Board of Directors of Frank Calandra, Inc. and Subsidiaries. The Plan Sponsor will designate a per capita contribution and pro rata additional contributions for each participating employee within the individual employer groups. The pro rata contribution designated for a participating employer will be allocated among the participants based on the ratio of participants' compensation to total compensation for all participants within that group, subject to Internal Revenue Service (IRS) compensation limits.

Plan contributions are deposited into a trust fund established under the Plan. The custodians and the appointed financial managers have full discretionary authority to hold and invest plan assets under the terms of the Plan; thus, all investments are nonparticipant-directed.

Participant Accounts - Each participant's account is credited with his/her allocation of the Company's profit-sharing contribution as well as earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Vesting in the Company's contribution portion of participants' accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes receivable from participants are required to be repaid within 60 months from the date on which the note is originally granted and are secured by the underlying participant account. The note interest rate is based on the prime rate on the date of note issuance, and it remains fixed for the full term of the note. A participant may only have one note outstanding at any given time.

FRANK CALANDRA, INC. AND SUBSIDIARIES PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018, SEPTEMBER 30, 2018 AND 2017

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Payment of Benefits - Upon termination of service, retirement or disability, a participant may elect to receive a lump-sum amount or quarterly distributions equal to the value of the participant's vested interest in his or her account. The Plan also permits in-service withdrawals.

Forfeited Accounts - At September 30, 2018 and 2017, forfeited nonvested accounts totaled approximately \$18,000 and \$13,000, respectively. These accounts will be allocated annually as of the last day of the Plan year. During the year ended September 30, 2018, approximately \$15,000 of forfeited nonvested accounts were reallocated to participant accounts. Additionally, as of December 31, 2018, the remaining forfeited nonvested account balance of approximately \$24,000 was transferred to the Surviving Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies consistently applied by the Plan administrator in the preparation of the accompanying financial statements follows:

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. (See Note 3 for discussion of fair value measurement.)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measure at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018, September 30, 2018 or 2017. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. Notes receivable from participants outstanding as of December 31, 2018 were transferred to the Surviving Plan.

Payments of Benefits - Benefits are recorded when paid.

Administrative Expenses - Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net (depreciation) appreciation of fair value of investments.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018, SEPTEMBER 30, 2018 AND 2017

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Recent Accounting Pronouncements - In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2018-13, Fair Value Measurement - Disclosure Framework (Topic 820). The updated guidance improves the disclosure requirements on fair value measurements and is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019 with early adoption permitted. The Plan has elected to early-adopt this ASU for the year ended December 31, 2018. The adoption of this ASU did not have a material impact on the Plan's financial statements.

Subsequent Events - The Plan has evaluated subsequent events through July 15, 2019, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018, September 30, 2018 and 2017:

Registered Investment Companies, Corporate Stocks and Money Market Funds - Valued at the daily closing price as reported by the fund. Mutual funds and money market funds held by the Plan are open-end funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

FRANK CALANDRA, INC. AND SUBSIDIARIES PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018, SEPTEMBER 30, 2018 AND 2017

NOTE 3 - FAIR VALUE MEASUREMENT (Continued)

Corporate Bonds and U.S. Government and Agency Securities - Investments are valued on the basis of market valuations primarily furnished by an independent pricing service, which employs various evaluation methods, utilizing the most appropriate method for each security. Such market valuations may represent one or a combination of the last quoted price on the securities trading exchange, quotes received from dealers or market makers in the relevant securities, or matrix pricing.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018, SEPTEMBER 30, 2018 AND 2017

NOTE 4 - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of funds managed by F.N.B. Investment Advisors, Inc., Morgan Stanley, Wells Fargo Advisors, LLC, and J.P. Morgan Investment Management, Inc., which are custodians as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions. The Plan sponsor pays directly any other fees, except for fees associated with the administration of notes receivable from participants, related to the Plan's operations. Certain administrative functions are performed by officers or employees of the Company at no cost to the Plan.

NOTE 5 - PLAN MERGER

In conjunction with the Plan merger discussed within Note 1, all participant account balances, including notes receivable from participants, were transferred as of December 31, 2018. Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time subject to the provisions of Employee Retirement Income Security Act of 1974. In the event of termination of the Surviving Plan, participants would become 100% vested in their employer contributions.

NOTE 6 - TAX STATUS

The Plan utilizes the volume submitter document offered by Houston Harbaugh PC. The Houston Harbaugh PC volume submitter plan has received an advisory letter dated March 31, 2014, stating that the form of the Plan is qualified under Section 401 of the Internal Revenue Code (IRC) and, therefore, the related trust is tax-exempt. In accordance with Revenue Procedures 2014-6 and 2011-49, the Plan administrator has determined that the Plan is eligible to and has chosen to rely on the current IRS volume submitter advisory letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes that the Plan is no longer subject to income tax examinations for the years prior to 2014.

NOTE 7 - RISK AND UNCERTAINTIES

The Plan invests in various investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
