To the Plan Sponsor:

Sihle Insurance Group, Inc. Savings Plan
Altamonte Springs, Florida

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Sihle Insurance Group, Inc. Savings Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2018, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Great-West Life and Annuity Insurance Company (the "trustee"), except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the plan trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the plan trustee as of and for the year ended December 31, 2018, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2018 financial statements. Accordingly, we do not express an opinion on the 2018 financial statements referred to in the first paragraph.

Other Matter – Supplemental Schedules

The supplemental schedule of schedule of assets (held at end of year) as of December 31, 2018, is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2017 Financial Statements

The financial statements of the Plan as of December 31, 2017 were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA, the Plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the plan trustee. Their report, dated October 10, 2018, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion and, accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Plan Trustee, was presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2018 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Sihle Insurance Group, Inc. Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering all employees (as defined by the Plan) of Sihle Insurance Group, Inc. (the "Company" or "Employer") with six months of service. The Plan was established in January 1996 and most recently amended October 1, 2018. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

The Plan has contracted with Great-West Life and Annuity Insurance Company ("Great-West") to act as custodian, trustee and record-keeper under the Plan and therefore Great-West is a party-in-interest to the Plan.

Contributions

Subject to certain limitations, under the Internal Revenue Code ("IRC") Section 401(k), participants may contribute up to 60% of their annual compensation, subject to 2018 annual limits of $18,500 and an additional $6,000 for catch-up contributions for participants that are age 50 or older. Participants may also rollover amounts representing distributions from other qualified retirement plans. Participants may also contribute amounts representing distributions from other qualified retirement plans. The Plan also contains an automatic enrollment feature. Employees will be notified approximately 30 days prior to the date of the first automatic deferral. Automatic deferrals are withheld at a rate of 2% of eligible compensation for that pay period. Employees may stop or change the automatic contribution by following the instructions provided in the notice. Deferral Contributions made automatically are treated the same under the Plan as deferrals made under participants own election. The Employer may make a discretionary contribution up to 2% of each participant eligible compensation, as determined each year by the Employer.

Participant Accounts

Plan participants are offered a choice of various investment options and allowed to change their investment options daily. Each participant's account is credited and/or reduced by the participant's elective deferral contributions and distributions, the Company's contributions, and an allocation of the Plan's investment earnings/losses and investment fees and any administrative expenses paid out of the Plan. Allocations are based on participant earnings or account balances, as defined in the Plan.

NOTE 1 - DESCRIPTION OF PLAN (*Continued*)

Investment Options

The participants direct the investment of their account balance and may select from various investment options maintained by the Plan trustee. Participants may change their investment option selections on any business day, as defined by the Plan.

Forfeited Accounts

Forfeitures occur when a participant terminates employment and has not fully vested in a portion of the Company's contribution amounts. Forfeitures are used to reduce future Employer matching contributions. As of December 31, 2018 and 2017, there were forfeited non-vested accounts totaling $13,851 and $3,335, respectively. The Company did not use forfeitures to reduce Employer contributions or expenses for the Plan years ended December 31, 2018 and 2017.

Vesting

Participants are immediately vested in their elective contributions, as well as any rollover contributions, plus or minus actual earnings or losses thereon. Vesting in the remainder of their account (employer contributions) is based on years of credited service (as defined by the Plans) as follows:

Completed Years of Service	Percent Vested
One	25%
Two	50%
Three	75%
Four	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balances. A participant may not have more than two outstanding notes at any time. The notes are secured by the balance in the participant's account and bear interest at a rate that is consistent with the current market upon issuance. The maximum note repayment period is five years, unless the note is for the purchase of a primary residence in which case the repayment schedule may be for a term in excess of five years.

NOTE 1 - DESCRIPTION OF PLAN (*Continued*)

Payment of Benefits

Upon termination of employment by reason other than disability or death, a participant is entitled to their entire account balance, which includes all of the vested Employer's contributions allocated to the participant's account and all gains or losses attributable thereto. If a participant terminates employment due to disability or death, the participant becomes fully vested and is entitled to their entire account balance as described above. Terminated participants may elect to receive a distribution of their vested benefits in a lump sum or in installments to satisfy required minimum distribution rules under the Plan. Participants should refer to the Plan document for a full description of the distribution methods offered by the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed in the preparation of these financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States of America.

Basis of Presentation

The financial statements of the Plan are prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Reclassification

Certain items in the 2017 financial statements have been reclassified to conform to the 2018 treatment and presentation**.**

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Principal and interest payments with respect to the notes are credited solely to the account of the borrowing participant from which the note was made. Participant notes receivable are measured at their unpaid principal balances plus any accrued interest, which approximates fair value. Delinquent notes are reclassified as distributions based upon the terms of the Plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*Continued*)

Investment Valuation and Income Recognition

Investments are reported at fair value except for the fully benefit responsive group annuity contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year

Plan Expenses

Certain expenses incurred in the administration of the Plan are paid by the Plan sponsor. Expenses such as loan processing and investment transaction fees are charged directly to the participant's account. For the year ended December 31, 2018, administrative expenses incurred by the Plan were $6,535.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

In preparing the financial statements, the Company has evaluated events and transactions for potential recognition through September 25, 2019, the date the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN TRUSTEE

The Plan contracted with Great-West to manage and invest the assets of the Plan and maintain participant account records. Participants can direct which account (s) their contributions are to be invested in and may change investment vehicles at any time.

The investment information included in the accompanying financial statements has been certified by Great-West as complete and accurate. Incorporation of this financial information in the accompanying financial statements and supplemental schedule is based solely on that certification.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN TRUSTEE (*Continued*)

The accompanying financial statements and supplemental schedule include the following unaudited information presented herein as of December 31, 2018 and 2017 that was obtained from data prepared and certified as complete and accurate by the Plan trustee:

	2018	2017
Mutual funds, at fair value	**$ 3,532,928**	$ 3,599,207
Group annuity contract, at contract value	**432,541**	119,628
Notes receivable from participants	**69,572**	64,276

For the year ended December 31, 2018, the following unaudited information is presented herein which was obtained from data prepared and certified as complete and accurate by the Plan trustee:

Net depreciation in fair value of investments	**$ (384,701)**
Interest and dividend income, mutual funds	**156,085**
Interest and dividend income, Group annuity contract	**1,950**
Interest income on notes receivable from participants	**2,868**

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, are described as follows:

Level 1: Quoted market prices in active markets for identical assets or liabilities.
Level 2: Observable market-based inputs or unobservable inputs that are corroborated by market data.
Level 3: Unobservable inputs that are not corroborated by market data.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 4 - FAIR VALUE MEASUREMENTS (*Continued*)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Mutual Funds: The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Investments shown below are deemed to be Level 1 investments and are measured at fair value on a recurring basis, as summarized below:

	2018	2017
Investments in the fair value hierarchy:		
Mutual Funds	**$ 3,532,928**	$ 3,599,207
	$ 3,532,928	$ 3,599,207

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan has a fully benefit-responsive group annuity contract with an insurance company, which is called the Key Guaranteed Portfolio Fund. The insurance company maintains the contributions in a general account, which is credited with earnings and charged for participant withdrawals and administrative expenses.

Since the group annuity contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the Plan's ability to transact at contract value with the insurance company. Such events include the following: (1) premature termination of the contracts by the Plan, (2) plant closings, (3) layoffs, (4) Plan termination, (5) bankruptcy, (6) and early retirement incentives. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. The insurance company may not terminate the contract at any amount less than the contract value.

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (*Continued*)

The insurance company is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the insurance company. Such interest rates are reviewed on a quarterly basis for resetting. The crediting rate of the product will be established based on the earnings of the underlying assets in the entire medium-long term portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The average yield earned by the Plan for the group annuity contract is derived by averaging the quarterly gross interest rates for the fund over the year. The average for 2018 and 2017 was 1.10%. The actual average yield earned by the Plan for the group annuity contract is derived by averaging the Plan's quarterly interest rates. The average for 2018 and 2017 was 1.10%.

NOTE 6 - TAX STATUS

The Plan adopted a volume submitter plan which has received an opinion letter from the Internal Revenue Service dated March 31, 2014, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC".) The Plan has not requested a determination letter from the Internal Revenue Service ("IRS") stating that the Plan is qualified under Section 401(a) of the IRC. The Plan administrator believes that the adopted and amended Plan continues to qualify and will remain exempt from federal income taxes under Section 401(a). As of December 31, 2018, with certain exceptions, the Plan is no longer subject to income tax examinations by U.S. federal taxing authorities for any tax years before 2015.

NOTE 7 - PLAN TERMINATION

The Plan Sponsor intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right to modify, amend, or terminate the Plan at any time by resolution of its Board of Directors. In the event of termination of the Plan, all amounts credited to participants' accounts shall be 100 percent vested and non-forfeitable. All participants shall receive a total distribution of their accounts as described in the Plan.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer, and certain others. The Plan holds investments managed by Great -West, the Plan trustee, which qualify as party-in-interest investments. The Plan's payments of trustee fees to Great-West and audit fees qualify as party-in-interest transactions. Notes receivable from participants also reflect party-in-interest transactions..

NOTE 10 - RECONCILIATION TO THE FORM 5500
